Evenings & Saturdays by appointment.

## Happy Holidays!

The staff at Lake Santee would like to wish you all a safe & happy holiday season! The Lake Office will be closed Thursday, December 25<sup>th</sup> & Friday, December 26<sup>th</sup> in observance of the Christmas Holiday. The Office will reopen Monday December 29<sup>th</sup>. The Lake Office will also be closed on Thursday, January 1<sup>st</sup> & Friday, January 2<sup>nd</sup> & will reopen on Monday, January 5<sup>th</sup>. Security can be reached at (812) 560-1133 & On-Call Maintenance at (812) 560-1157.

Lake Santee & Decatur County Building Permits have been obtained for a brand new amphitheater that is under construction at the main beach! Our sincere thanks to the Lake Santee Women's Club for their generous donation in funding this entertainment venue that members will enjoy for years to come. Thank you to Dan Graves for volunteering his professional expertise with the development of the design plans & to Board member Ron Day, for coordinating details of the project. And finally, thank you to our maintenance staff, Brandon, Rick, Tony, & Jesse, for constructing the amphitheater.

**HELP WANTED:** We are currently accepting applications for a part-time Security Officer. Must be a Lake Resident & security or law enforcement experience is preferred but not required. At least 32 hours, every other week, and primarily evenings. Applications may be picked up at the Lake Office.

### We have three lots currently for sale:

<u>Lot #</u>	<u>Locate #</u>	<u>Road Name</u>	<u>Price</u>
431	15	W Itawamba Trail	\$ 1,700.00
731	25	NW Choctaw Trail	\$ 2,449.00
732	25	NW Choctaw Trail	\$ 2,559.00

+ \$150.00 deed & recording fee

Be sure to check out the Lake Santee web page at <http://www.lake-santee.com> & the Lake Santee Facebook page at <http://www.facebook.com/pages/Lake-Santee/136790756386827> for up-to-date information on what is happening at the lake.

## PROPERTY OWNERS ASSOCIATION, INC.

13 SW WRENN PARKWAY  
GREENSBURG, INDIANA 47240  
PHONE (812) 527-2943

November 12, 2014

Association Members:

I want to inform you of a couple of items that were decided upon during November's Association Board of Directors meeting.

The first item is Director Representation:

As most of you know when a member is elected to the Association's Board of Directors they are elected by vote of the general membership. After the election by the general membership each Director is then elected by incoming and outgoing Board members to chair one of the standing committees.

The current Board has decided to try a new concept giving a Director, in addition to chairing a standing committee, also the responsibility for a specific area of the subdivision. This area representative would be the Director that members owning property in a specific area could go to if they had a suggestion or concern. This concept would not limit a member from going to any Director of their choosing; however this would give them someone specifically that could help them should they need it. In this initial phase we have divided the subdivision by lot number and each Director took an area by random draw.

Listed below are the Directors their standing committee assignment and areas of representation

Director	Committee Chair	Area Representative
Carol Goodwin	Membership	Lots 1 – 210
John Lecher	Security	Lots 211 - 422
Mike Cutrufelli	Recreation	Lots 423 – 633
Ron Day	Roads & Maintenance	Lots 634 – 844
Polly Fox	VP – Rules & Regulations	Lots 845 – 1055
Larry Foster	Lakes & Beaches	Lots 1056 – 1265
Angel Hocker	Secretary/Treasurer	Lots 1266 – 1476
Jim Massingale	Buildings & Clean up	Lots 1477 – 1686

Hopefully this concept will give members better access to Directors should they have questions or concerns.

The second item that was decided upon during the November Board meeting was related to the Back Gate;

There has been a lot of discussion on both sides of this subject over the past several years. As the subdivision has grown there again have been more inquires related to having an alternative entrance to the subdivision to shorten commutes for working residents, taking traffic off the roads within the subdivision,

improving access by emergency personnel plus numerous other reasons. The Board has reviewed all the current and past information compiled related with this topic and carefully considered all the benefits and objections for such an alternative entrance.

The Board approved a motion to open the current back gate which crosses lot number 1686 at the end of Taas Trail having access to county road 880 for a trial period of 90 days beginning on January 1, 2015. The trial period will be used to assess the feasibility of having this entrance as a permanent alternative entrance. During the trial period the gate would be opened at 5:00 AM and closed at 7:00 PM, Monday thru Friday.

Please review the November board minutes for additional details on both topics.

Respectfully

Richard Veach  
President  
LSPOA Board

# Golden Jubilee of Lake Santee 2015

## **HOMECOMING** **Saturday, June 13, 2015**

### **Report from the Recreation Director:**

\*\*\* All Committies: Please send your ideas back to me before December meeting at [mikeandfae@frontier.com](mailto:mikeandfae@frontier.com)\*\*\*

We had a great initial planning meeting and a second meeting for the Lake Santee Golden Jubilee. Over two dozen people have signed up to assist in all aspects of the event. We are proud to announce that Shannon Gibbs will act as Assistant Coordinator for the celebration and Nancy Fredrickson and Shannon Gibbs will coordinate the history collection of all types, with the history collection starting as you read this. Dick Veach has offered to watch over the budget and many other areas along with myself. Ronda Peetz has offered to work on Fund-Raising/Sponsorships, while Nancy Fredrickson and Paul Gosnell are hard at work on a commemorative yearbook. Vicki Schrader has offered to put together a Power Point presentation and help in other areas. The Women's Club is considering acting as coordinator for the adult events for the day with Jane Haas as liason from the group. The Ladies of the Lake have taken up the reins to plan the youth events according to Kerrian Slaby-Lee with Vicki Schrader as their liason.

Cindy Fowler will coordinate the collection for the Time Capsule. We need your ideas for the Time Capsule as well as your contributions!

Several people have stepped up to head other committies: Carol Goodwin will handle PR / Media; Charm Seright has offered to plan guided tours of the Nature Habitat, and offered other ways to celebrate nature at the lake. Myself and John Lechter have offered to assist with music. We still have other committies that will need a leader, so please think about what you would like to help with.

With the help from the office staff and Brad Jones, the Lake is also planning a special automobile window sticker for 2015 to highlight the 50th-year anniversary. It will look like the first sticker from 1966, thanks to Katie Weed.

Thanks to everyone for your help!

I plan to have all of the 2015 events at the Lake highlight the Golden Jubilee celebration. June 13th will be the official "Homecoming" for the celebration (rain date July 14th) with the July 4th holiday as the climax of the celebration.

We still need your help for the Golden Jubilee. So, please plan to attend the December meeting on Tuesday the 16th at 7:00 pm in the Community Room. Come and bring your ideas.

Thank you for supporting this special celebration at Lake Santee.

Mike Cutrufelli, Recreation Director

## Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

# "Picture It" at Lake Santee

Pictures will be judged in the categories of:

## **Scenery-Nature-Family Fun and Pets**

We have decided to make a change in the due date of the pictures. the new date is **December 31st**. The rest of the rules still apply. They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turned into the office or E-Mail them to me at [smokesignals@frontier.com](mailto:smokesignals@frontier.com) to enter the contest. The **BEST of the BEST** will then be used on the following years cover of our annual Directory as well as in the Smoke Signals during the year.

**YOU ALWAYS WANT TO KEEP YOUR CAMERA CLOSE BY**

**LAST CALL FOR THIS YEARS CONTEST**

I TOOK THIS ONE ON NOVEMBER 17TH.

Calling out all Ladies looking to give back some of the blessing they have. Ladies of Lake santee, may just be the place for you to do that!

An Organization focusing on fund raising to benefit our local communities, military, and other special interests. Our regular meetings are on

selected sundays 11:30am to accommodate working women that are unable to meet weekday afternoons. We have women from all walks of life, and

have future plans to become a nonprofit organization. This will take time, meanwhile we will move forward with sharing the gifts we are being blessed

with to share as best we can.

We are having a holiday ladies night out on 6 December, 2014 at the Butcher Shoppe Restaurant at Walhill Farm-Batesville, Indiana. We can be found

on Facebook, contacted at [LadiesofLakeSantee@gmail.com](mailto:LadiesofLakeSantee@gmail.com). Feel free to look us up and join in. Dues are \$5 per month and volunteers are always

welcome. "Many hands make light work!" Future events January 17th, at 164 w Santee Dr 7:30 -????., March Chili cook off to raise money for our fire

department. We also look forward to participating in 50th anniversary events for the lake, in the coming year. This and more, please feel free to

contact us, and join in the future of LOL.

God Bless

# **AVENUE OF FLAGS**

**Your Invitation to  
Participate in Patriotism**

The **Greensburg Breakfast Optimist Club** is offering the **AVENUE OF FLAGS** program to our Lake Santee neighborhood again this year. They are offering a subscription to celebrate six (6) national holidays with the entrance to be lined with American Flags for \$30 per year. They also offer a four year program for \$100.00. The **Greensburg Breakfast Optimist Club** will place a 3 foot by 5 foot American Flag, previously flown over the nations' Capitol, on a 10 foot pole at your designated location within Decatur County on these six national holidays: **Memorial Day, Flag Day, July 4, Labor Day, September 11 and Veteran's Day**. All proceeds of the **Avenue of Flags** are used for Optimist and community programs which support local youth programs. If you participated in this display last year , then we urge you to renew your subscription . If you have not helped with this display before , please consider it.

Please join our project in filling our two islands with flags. It is indeed an impressive sight.

## STRONGER EVERY DAY

Years of factory work, combined with arthritis, had taken its toll on Deborah Ogle, 49, of Greensburg. Her left knee caused her so much pain she struggled to make it through the work day, and even walking short distances was difficult. Determined to find relief, Deborah met with orthopaedic surgeon Nicholas Mirkopoulos, MD who recommended she have a total knee replacement.

"I had my knee replacement at Margaret Mary in May," said Deborah. "Now, I have very little pain and my knee is getting stronger every day. I've even been able to chase my grandkids like I used to and get back in my garden this summer."

*To learn more about our orthopaedic surgeons, visit the Find a Doc section online at [www.mmhealth.org](http://www.mmhealth.org).*

# LAKE SANTEE KIWANIS CLUB 2014-2015

*Serving the children in our community*

*Yesterday - Today - Tomorrow*

President: Davies Batterton

Vice Pres: Todd Blasdel

Secretary: Barbara Niese

Treasurer: Linda Howard

“Kiwaniis International is a global organization of volunteers dedicated to changing the world one child and one community at a time.”

### MARK YOUR CALENDARS

*Our club meets the 1<sup>st</sup> & 3<sup>rd</sup> Thursdays of the month @ 6:15 p.m.*

**Dec. 4 – Club Christmas dinner**

**Dec. 13 - Santa Breakfast**

We need Kiwanians for set up, serving and clean up. Boy Scout Troop 574 will be on hand to help.

**Dec. 25 – MERRY CHRISTMAS FROM LAKE SANTEE KIWANIS**

### CHRISTMAS DINNER

December 4<sup>th</sup> we will be having our Christmas dinner at the Sherman House at 6:30 p.m. in Batesville. We can meet in parking lot at Lake Santee by 6:00 and car pool or meet you there. Bring an inexpensive gift to share for male or female. Let Davie know if you plan on bringing guests.

### DECEMBER 2014

### CLUBS!

Our club proudly sponsors Builders, Key and Aktion (Adult) Clubs and Boy Scouts Troop 574 and Cub Scouts. See Alicia for Builders or Key Club, Donna Taylor for the Aktion Club, Rick Niese for Boy Scouts and Deidre Hawkins for Cub Scouts.

### Inspirational Moment

John Ruskin said: “When a man is wrapped up in himself, he makes a pretty small package.” No Kiwanian need fear this judgment; through service to others, we have opened our arms and our hearts to embrace the world.

### ANNUAL SANTA BREAKFAST

Mark your calendars for the annual special event we call “Breakfast and Santa”! December 13<sup>th</sup> from 8:00 to 11:00 a.m. in the community room.

Pancakes, sausage and biscuits with sausage gravy! *Kids always eat breakfast free!*

Santa will be there with goodies for the kids! **Bring the whole family!**

**Free will offering with all money going to Riley Children’s Hospital!**

## Updates from the Recreation Director:

### AUTUMN FAMILY BONFIRE

The day was cold and rainy, with the OGR Band waiting for the weather to clear up. Well, it did not... So, I regrettably had to cancel the event. We tried to re-schedule the event, but the upcoming weekends were booked and the weather for November was not looking good.

We will have the event a little earlier next year, so store up your firewood and s'mores.

## Howl-ween Pet Parade:

Well, it was cold and wet, but the participants of the Howl-ween Pet Parade were all costumed and ready for pictures, parading, and awards. No reptiles showed up, BUT about a dozen or more dogs and owners were there, from little princess to cowboys and many other dressed-up Best Friends. The bonfire was lit to help warm everyone's spirits as well as their bodies. Don Martin did a great MC job. The judges had a hard time picking winners in each in each category, but they did. The Ladies of the Lake hope to grow this event next year. and hope for better weather. See you next year!

**Mike Cutrufelli, Recreation Director, Mikeandfae@frontier.com**

HENRY FOWLER wants to know when the next Pet Parade is . Cindy had to tell him it wasn't until next year.

### Thank You

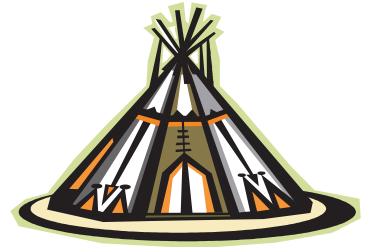

Effing Norton Construction would like to thank the Lake Santee community for their support in our time of loss. Ron Effing made many friends over the years through the projects that were completed at Lake Santee. Ron loved his job, but more importantly, he loved socializing with everyone. We have been following his example for many years and will be continuing the business. Please do not hesitate to contact us for any of your future needs. We look forward to hearing from you!

Thanks again,

Jeremy & Amber Effing, Josh Norton, Doug Wessel and Sam Wessel

## **Teepee Talk**

### **Thank You**

A HEARTFELT THANKS TO ALL WHO DONATED TO THE CARE PACKAGE SENT TO OUR TROOPS IN IRAQ!

This community effort has allowed us to send 21 care packages and 8 blankets, with 25 more Down blankets on order. Blankets are the top item on their wish list. If you knit hats or twin size blankets made with love, the soldiers would love to cuddle up with one. A special thank you to John Smith, God bless you! Shipments will continue until April. Call Vicki Wilson 812-593-1172 for info on donations.

On behalf of the Ladies of the Lake Club

The Booster Club would like to thank Carol Goodwin, on behalf of her mother Rilla Denton , and Larry Ludwig for their generous donations this past month.

### **Get Well . . .**

As many of you know Dan McLean has been in St. Francis Hospital in Indianapolis for treatment of AML Leukemia since late October. He will remain there for a few more weeks, however his Doctors told him and his family on the 11th. that they now believe the Leukemia is in remission and their goal is to have him home for Christmas.

# HISTORY OF LAKE SANTEE

## THE FIRST FIFTY YEARS

In September, 2008, I wrote a Farewell to Tony and Jean Miller when they moved to Florida.

Now it's time to write a Final Farewell to Tony. He passed on and was brought back to be buried in Clarksburg. What better way to say goodbye but to repeat our first Farewell.

Lake Santee is saying GOODBYE to one of its leading pioneer families. Tony and Jean Miller have sold their home and will be moving to their home in Florida on October 2nd (2008.)

Tony & Jean were property owners from the very early days and they did a "heck of a lot when no one knew what to do."

Tony served on the first Board of Directors and signed the minutes as Secretary/Treasurer at their first meeting on February 12, 1967, when they met at the Sherman House. He became the first Lake Manager and had the position until 1976, nine years. The first year it was a purely volunteer job. The most salary he ever received was \$3,000 per year. In 1978, Darrow McCreary became our 2nd Lake Manager.

Tony's father bought the grocery in Clarksburg when he was around 22 years old. Tony and Jean got married and ran a grocery in Arlington, IN. They moved to Clarksburg when Tony took over the Clarksburg grocery. He and Jean lived over the grocery and both worked there. Later they built a new home in the north end of Clarksburg.

You may be asking what has the grocery got to do with the lake? Well, as mentioned they both worked there and after Tony became Lake Manager, Jean served as his, and our, first secretary and bookkeeper. They sent out the bills and the lake property owners paid their dues, which were \$25 per year, and their water fees at the grocery. Property owners also stopped in the grocery store to voice compliments, concerns and complaints about the lake. So was the grocery our first office??

Tony was always concerned about the growth of the lake and wanted it to be the best. He initiated trips to other lakes to see what they were doing and to bring the better ideas back to Lake Santee. For instance a Booster Club and newsletter, which became our Boosters Club and Smoke Signals. He and the other board members looked at the rules and regulations of other lakes and brought back what they thought were the best and most workable. For example the lot mowing. Those rules have helped to make Lake Santee what it is today.

The First Board of Directors was Tony Miller, Ray Geis, Ron Beard, Lynn Thurston (President), Robert Platt, Morris Humpert, Bill F. Smith, Ford Kennelly and Bud Gulley. We owe a lot to these men who willingly gave of their time for the betterment of our lake.

To Tony, we say a sad Farewell, and Jean, we at the lake wish you the very best and hope that you will adjust to this new phase of your life.

Think of us often as we will be thinking of you and the foresight you and Tony had for our lake!

Editors Note: This article was written by Norma Smith when she was editor of the Smoke Signals.

## **HAVE YOU EVER BEEN FLOCKED?**

Many of the older Lake Santee residents will remember and smile about all the Flamingos that graced Lake Santee. There are just as many stories about the Flamingos as they traveled around the lake. One of our members remembered and told me some of the stories. It got so popular that residences wanted to be Flamingo'd. One story goes that while the Haycock's were wintering in Florida, several gathered all the pink fellows they could find and arranged them around the Haycock's little bridge and took photos. They then composed a note and sent the photo and note to the Haycock's. Although they took them down right away, Jack worried that those ugly cute critters were there through out the snow. The best trick was one night when a dozen of us climbed in the back of a truck & headed over to Nick Ciarletta's place. Not only did we FLOCK them but the men went up to his sliding glass door & snapped his picture as he was snoring in his recliner. Of course it woke him up but he wasn't fast enough to catch us. However, Dottie Ciarletta saw us leaving the public access area next to them from her upper deck. Jim & Jackie Hamilton's granddaughter, Amanda was with us and at ten years old kept asking her grandmother if she was sure we were allowed to this. Now a junior in college, it's still one of Amanda's favorite stories about Lake Santee. Elmer Boyer (while driving around in the Security vehicle ) even got into the spirit of FLOCKING when he left a mailbox full of toy flamingo in the Martin's mailbox (from several different people) with notes attached to their feet with clues on who placed them there. The Martin's never did figure out who left them until Elmer told them as he and Jane were preparing to move from the Lake. Another fun switch was the first year Don Haarman put out his turkey in the front yard with a sign saying TO THINK PORK (during Thanksgiving). Of course we could not leave that alone and changed his sign to THINK PINK. We also placed a large plastic flamingo in a wreath by his front door. That back fired, because he never noticed it and we finally had to ask him about the added décor. Charlie & JoAnn Thornberry gave the Lake Gang credit when they found their driveway lined on both sides with brand new models of our plastic trademark. It was several weeks before they learned their own kids & grandkids had come over and added this yard art. The funniest story is one that worried all of us involved in this foolishness. Frank & Joanne Edwards had four flamingos decorating their flower beds FOR REAL and we were afraid someone might think these belonged to the traveling troupe of pink and steal them. Luckily no one did.

My friend was reminded of the pinks when she saw a yard filled with plastic creatures with a BIG sign stating...YOU'VE BEEN FLOCKED... That time at the lake was a magical time.

Article by Nancy Martin

# Volunteering: Benefits & Opportunities

Volunteering is a feel-good activity for many people. It benefits both the one on the receiving end and the one doing the volunteer work. If you are considering becoming a volunteer, consider these positive “side effects:”

- You could potentially acquire new knowledge or a new skill
- Your community involvement will increase
- Sometimes more career options are available for those who volunteer
- You will feel inspired to change someone’s life, as well as proud when you make even the smallest of differences
- You may discover a hidden gift or talent, or find a new activity that you find joy in
- You will meet and learn from a wide range of people
- Volunteering can boost your mental and physical well-being, which makes for an all-around healthier you

Now that you know the benefits of volunteering, you might be wondering where and how to get started. Here at our Trilogy campuses, there are ample opportunities to volunteer. Don’t feel like

you need any specific talent or experience—even the simplest positive activity can brighten a resident’s day! Some of our volunteer opportunities include:

- Helping with our annual Campus in Color gardening competition
- Helping with our year-round Living Colors program, where residents can create art using specific mediums at specific times
- Following this, helping decide which Residents’ creations will be turned into holiday cards, note cards, birthday cards, etc
- Helping with our life-long learning program by teaching our residents a new life-skill or just something interesting
- Coming in to read
- Bringing a pet
- Sharing something like poetry or music
- Simply taking the time to talk with a resident

There are many more opportunities for volunteering on our campuses, but hopefully this list will help you get started. Remember that excluding any time-specific events, you are able to choose the dates and times you are free to volunteer. We hope to see your smiling face involved in our campuses soon!

# Friends of Wildlife at Lake Santee

*Everyone Welcome!*

Our aim is to encourage the members of the Lake Santee community  
to appreciate and protect our natural setting.

Friends of Wildlife meets the first Wednesday of the month at 7:00 p.m. in the community room.  
Email [charm.seright@gmail.com](mailto:charm.seright@gmail.com) for more information.

## Rare and Endangered Species in the Whitewater River Watershed

was the topic of Chris Fox's presentation at Friends of Wildlife's November 5<sup>th</sup> meeting. A watershed is an area of land "that water flows across and under on its way to a common drainage point." The Whitewater River Watershed covers Brookeville Reservoir, 14 counties and two states. "The majority of the watershed is rural, which is made up of farm fields, pastureland, woodland, and sporadic large lot housing developments." The Whitewater River flows southeast where it drains into the Great Miami River. (Quotes are from the *The Whitewater River Watershed Newsletter Vol. 1 Issue 1.*)

The survival of wildlife in the WRW varies among species and over time. The Bald Eagle is in a state of recovery from 1989 when 1 active nest in Indiana was unsuccessful to the present with 150-175 active nests in the state. Eagle sightings at Brookeville and Lake Santee have become a regular rewarding experience for birders and boaters alike. Osprey is another species in recovery, having no active nests in the state in the 1980's to 49 active nests in 2012. Osprey is regularly sighted here. Recent sightings of an Osprey perched on one of our nesting platforms have given Friends of Wildlife great anticipation for a nesting pair in the spring. The Cerulean Warbler, a small blue warbler that nests high in trees has seen a 70% decline. In Indiana, the Indiana Bat suffering from habitat disturbance and white-nose syndrome is showing a 50% decline. The Eastern Box Turtle is listed as a special concern as its habitat diminishes. Insects and fish are part of a healthy habitat and species such as the Cobblestone Tiger Beetle (I wouldn't know one if it landed in my picnic potato salad) the Redside Dace and Varigate Darter (fish!) are dependent on clean, clear water for their survival. We all live in a watershed and as Chris said "everybody lives downstream from somebody" so we are all connected and affected by activity in the area.

Project Feeder Watch is a winter-long survey of backyard bird feeder visitors that provides an opportunity for birders to contribute massive amounts of information to the scientists that track migrations and long term trends in bird populations. It is operated by Cornell Lab of Ornithology and is open to everyone. There are many opportunities to participate in "watches" for endangered species such as Bumble Bee, Frog, Dragonfly, and Monarch butterfly.

Thanks to Chris Fox for educating us, entertaining us and working to preserve habitat and protect wildlife.

"Without habitat, there is no wildlife. It's that simple."

Wildlife Habitat Canada

# "Bats Bring Benefits"

Like spiders and snakes, bats, have suffered from a bad reputation based mostly on myth and misinformation. The truth of the matter is that bats are extremely important to a healthy ecosystem. Bats occupy almost every habitat in the world. They devour tons of insects nightly, pollinate flowers, and spread seeds that grow new plants and trees. They are our most important natural predators of night-flying insects, consuming mosquitoes, moths, beetles, crickets, leafhoppers and chinch bugs, among others. Many of these insects are serious crop or forests pests, while others spread disease to humans or livestock. In fact, a recent study found that "pest-control services" provided by insect-eating bats in the United States saves the U.S. agricultural industry between \$3 billion and \$53 billion a year. Additionally, bats are major pollinators of many plants used by humans, including bananas, figs, mangoes, cashews and agave. Most people are unaware that bats spread the seed of the cocoa tree, which produces the main ingredient found in chocolate, cocoa powder and cocoa butter. Unfortunately, many species of bats are experiencing severe population declines due to a host of factors including loss of habitat and a new fungal disease quickly spreading throughout the country. White-nose syndrome (WNS) is a poorly understood disease associated with the deaths of over 6 million North American bats in just 6 years. With the mortality rate in some caves exceeding 90%, WNS has greatly decreased bat populations in the US and has the potential to cause the extinction of several species. Researchers are currently working to find a cure for WNS. However, it is not all doom and gloom, there are still things we can do to help protect bats. "You don't need extraordinary powers or a lot of money to help protect bats," said Brandon Hartleben, a Forest Service wildlife biologist for the Eastern Region. "There are many actions both great and small that can help conserve bats and the places where they live." Education is the first step in helping protect our bats. Take time to learn more about the benefits of bats and spread the word. You can also consider installing a bat house or protecting a potential bat roost. Help reduce the possibility of spreading WNS or disturbing bats by not entering closed caves. There are even opportunities for citizens to get involved in counting and monitoring bat populations. So this Halloween season don't get caught up in the mystery and fear that surround bats, but instead remember the truth about bats that they are fascinating animals vital for a healthy environment and economy. And as you enjoy your chocolate treats, remember to thank a bat for making it possible.

## Interesting Bat Facts:

- Only mammals capable of true flight
- There are over 1,200 bats species worldwide and 70% primarily eat insects.
- The bumblebee bat (world's smallest mammal) weighs less than a penny while the largest bat has a 6 foot wingspan.
- Bats use echolocation (a type of sonar) to navigate in the dark and find food.
- The little Brown Bat (found in Indiana) can eat over 1,000 mosquitos in an hour (along with a lot of other harmful pests) and can live up to 40 years making it one of the world's longest-lived mammals for its size.

**TREASURER**

**SECRETARY**

**KATHY TARZWELL**

**MARY JOHNSON**

**JOY BOYD**

Lake Santee Women's Club Meeting      November 10, 2014

Twenty two members of the Women's Club met at the Sea Shack for a lovely lunch and monthly meeting following in the clubhouse.

The November program was presented by Lori Hunter of the Decatur County Memorial Hospital on "Advance Directives". Lori explained the type of advance directives and handed out information packets that contained all of the different forms. All club members were happy to receive this information.

Dick Veach, president of the local board, discussed the upcoming "Golden Jubilee" to be held at the lake on June 13, 2014. Jane Haas volunteered to be the club's point person for the festivities. Dick also discussed information he received regarding the rain barrier that is needed for the porch overhang of the clubhouse. This is a project that the club has voted to donate money to.

The installation of officers for the 2015 year was led by Jane Haas. Officers for the upcoming year are as follows:

Co-Presidents: Cindy Fowler and Terri Suiters

Vice President: Kathy Tarzwell

Secretary: Joy Boyd

Treasurer: Mary Johnson

A thank you gift was presented to outgoing President, Sharon Kobeske, for her past two years of wonderful service to the club.

The officers read their monthly reports and committee reports were as follows:

Brenda McVay will be assuming the duties of Vice President during Kathy Tarzwell's vacation. Brenda will be the contact person for merchandise sales and her contact information will be included in an upcoming issue of the Smoke Signals.

An audit was completed on all finances and thanks to our treasurer, Mary Johnson, the club's finances remain balanced.

Welcome to the lake notes are now included in the POA packet for all new members to the lake.

Committee sign-up sheets were distributed among members and all positions are filled for the 2015 year.

The budget for the 2015 -2016 year was presented and passed. It was voted that the

club pledge money towards the rain barrier.

The Grand Opening of the new fire station will be on Saturday, November 15th. A request has gone out for bakers to drop baked goods off at the new station at 4:00 pm.

The club's Christmas Party will be held on December 9, 2015 at 6:00 pm at the clubhouse. Anyone wanting to make a reservation are to contact Sharon Kobeske at 219-670-6007.

The club will decorate the clubhouse on December 3, 2014. Everyone is invited to bring a snack and come join in the fun.

There will be no December club meeting as the Christmas party will serve as the club's activity for the month.

Split the pot was won by Brenda McVay.

Respectfully submitted by Joy Boyd, Secretary

**LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.**  
**BOARD MEETING MINUTES**  
**November 12, 2014**

The Lake Santee Property Owners Association Board of Directors met on November 12, 2014 in the Community Room. President Richard Veach presided and called the meeting to order at 7:30 PM. Other Directors present were Angel Hocker, Carol Goodwin, Larry Foster, Jim Massingale, Mike Cutrufelli, Ron Day and John Lecher. Employees present were Joe Jarman (92), Jed Barnett, Jim Hornig (668), Vicki Schrader (618), Brandon Litmer, & Brad Jones. Members and guests present were: Paul Gosnell (1147), John and Charm Seright (121), Bill and Ginger Ryle (579), Rick Johnson (543), Ed Fox (366), Scott Gibbs (352), Tom Hoffman (131), Clair and Nancy Fredrickson (348), Mike and Phyllis Schilling (530), and Ronda Peetz (1299).

President Veach called for a review of the minutes of the October 8, 2014 meeting. The minutes were approved on a motion by Carol Goodwin, seconded by Mike Cutrufelli.

Angel Hocker gave a brief review of the Treasurer’s report. The Treasurer’s report was approved subject to audit.

Angel then presented the following bills to the Board for approval:

Alerding & Company	245.00	Murphy Insurance Agency	5,493.00
Apparelmaster	214.40	New Point Stone Co.	508.25
B.W. Rogers Company	25.41	Premier Companies	2,136.07
Becker Electric Supply	808.37	Sandman Brothers	127.67
Best Way Disposal	718.23	Schreiber Lumber Inc.	5,185.87
Best Way Disposal HT	620.72	Spirit Seminars & Consulting	378.00
Cardinal Pest Control	45.00	Stone’s Napa	188.61
Cardmember Service	676.33	Summitt Microsystems	550.00
Colonial Life	159.50	The Office Shop	37.14
Decatur County REMC	932.99	Tim Lecher Farm Service	59.56
Decatur County Treasurer	155.72	Tops Home Center	106.01
Frontier	257.87	Trade & Industrial Supply	214.00
Greensburg Tool & Supply	89.02	Verizon Wireless	122.88
Brad Jones	184.52	Vinyl Solutions Ltd	277.00
Lake Santee RWWWD	397.29	Walters Tire Center	2,095.82
LSPOA – Petty Cash	92.00	Watkins Cleaning Services	700.00
Municipal Electronics	35.00	<b>TOTAL:</b>	<b>23,837.25</b>

After presentation, the bills were approved for payment on a motion by Ron Day, seconded by John Lecher.

**MEMBERS INTRODUCTION AND COMMENTS**

Members were asked to introduce themselves and given the opportunity to express comments.

Rick Johnson spoke on behalf of the Clarksburg Community Volunteer Fire Department. Rick announced an open house for the new Lake Santee Station 2 and a free will offering

pulled pork dinner Saturday, November 15<sup>th</sup> from 5:00pm-9:00pm. Rick also stated that the fire department found a new fire truck that they have purchased. The truck is a couple of years old, but has never been registered. The fire station is still looking for donations to cover the final \$100,000 of debt.

Charm Seright spoke about Friends of Wildlife meeting the previous week. Charm stated that the event was successful and the group had around 20 people present to hear Chris Fox come talk about the Whitewater River Watershed and Project feeder watch. Charm thanked several board members for their attendance and donations. Charm announced that the groups' Christmas for the Birds would be from 10:00am - 12:00pm on December 6<sup>th</sup> in the community room. Everyone is welcome, bring your children, grandchildren or come alone.

Jed Barnett stated that he and his wife have recently sold their property at the lake and he would no longer be able to work as security for the lake. Jed expressed his enjoyment for his position and gratitude for all the time as a lake employee. He stated he and his wife would be placing many nautical items up for sale on Saturday. Dick expressed the Board and the lake community's gratitude for Jed and his service to the lake and the property owners.

Phyllis Schilling asked about dirt removal from all of the silt left from dredging. Dick referred the question to Brandon, who assured the board that the area would be cleaned. Phyllis also asked about a future wetland and future plans for dredging.

Bill Ryle asked if there is any policy for excessive dog barking within the community. Dick replied that under our rules, owners of dogs are supposed to keep them under control and that barking would fall under that rule. The county has no ordinances over barking dogs so they are no help to the lake. Dick went on to say that in a circumstance of excessive barking, the lake could impose fines on those owners. Dick expressed that one of the lake's biggest issues stems from dogs.

## **CORRESPONDENCE**

Brad received one letter dated October 23 from a property owner concerning the transfer of ownership and membership from himself to his children. His son recently purchased his home, but has lived with him in the home for over two years. The new owners were sent a bill for partial year dues. The property owner expressed that he felt the dues charged to his son should be waved considering he has been living in the residence for a couple of years. Dick explained that the bylaws state that membership travels with the member and not the property. Dick read the rule from the bylaws and stated that the billing needs to stay as sent. The new owners are responsible for this debt as new members.

## COMMITTEE REPORTS

### Rules & Regulations – Polly Ann Fox

Polly was unavailable for the meeting due to a resent shoulder surgery.

### Recreation – Mike Cutrufelli

Mike announced “The Homecoming,” the 50<sup>th</sup> Anniversary Jubilee would take place on June 13, 2014, with a rain date of June 14<sup>th</sup>. The committee had 20+ people show up at the last planning meeting. Paul and Nancy have volunteered to collect any old pictures and history. They will be using this information to come up with a large celebration. Many committees will be working on the Jubilee events and activities. The next meeting will be on November 18<sup>th</sup> & the December meeting has been changed to the 16<sup>th</sup> of the month.

The lake will be holding an event sponsored by Anytime Fitness called the “Dam Thanksgiving Run”. The C.E.R.T. group will be assisting with event on November 27, from 8:00am – 11:00am. And participation & volunteers from the Board and families from around the lake would be appreciated. This will be a 5K and 10K run/walk with 50% of the proceeds to benefit the new fire truck & 50% going to make Sophia’s wishes come true.

The Kiwanis will be hosting Breakfast with Santa on December 13<sup>th</sup> in the Community Room. The breakfast starts at 8:00am and will be going through around 11:30. Santa will arrive around 10:00am.

Dick showed what the new membership stickers will be look like for the 50<sup>th</sup> Anniversary year, with a picture of an original sticker used in 1966 & 1967.

### Lakes & Beaches – Larry Foster

We have begun the lowering of the lake. The maintenance crew will be lowering the lake approximately 5 feet this year. Larry believes we need to start looking into a wetland area to cut back on the amount of runoff from local farms. The project is costly and will need careful consideration. Larry talked about the benefits to not only the community but also the appearance and health of the lake by going to a wetland. The wetland would either cut back or negate the need for dredging. The Board will be looking into this matter in more detail to make sure we make the best decision for the lake as a whole.

### Membership – Carol Goodwin

Carol presented the following new members:

- Jeffrey & Marjorie Conner                      Lot 258
- Joe & Judy Sharbell                                Lots 274 & 275
- Guy & Sue O’Gara                                 Lots 1352 & 1353
- Jarrett Meyer                                        Lots 1450 & 1451
- Brent Geis    Lots 733 & 734
- Michael & Denise Dora                            Lots 550, 551, 552
- Kaylyn E. Ryle                                      Lot 657

**Community Room – Carol Goodwin**

Carol stated that the community room is a popular place!

Dick stated that the Women’s Club has given a letter of intent to help fund expanding the Community Room by covering the overhang of the deck to create more useable space.

The Board is looking into this further.

**Building Committee - Jim Massingale**

The following building permits were issued this month:

- Walter & Rebecca Jerrell, Lot 888                      Concrete porch & pave driveway
- Ron & Nancy Day, Lot 1668                              Driveway culvert
- John Evans, Lot 1510                                      Asphalt shingle roof replacement
- Kevin & Nancy Dick, Lot 344                            Asphalt shingle roof replacement

**Clean Up – Jim Massingale**

Jim stated that we had only one new letter sent out this month, 0 second letters, 0 third letters, 8 “Thank You’s,” and 3 properties on hold.

**Roads & Maintenance – Ron Day**

Ron stated that mowing is now completed, but it was a long season. Ron stated that the maintenance crew will begin grading the gravel roads in preparation for winter. The water and sewer taps (7) are caught up and completed. The new amphitheater is under way and the goal is to get this project finished as quickly as possible. The crew will be fixing a boat ramp at the marina and will lower the lake extra to be able to complete this work. Sand and salt will be delivered soon to ensure we are prepared for the upcoming winter.

**Security – John Lecher**

John again thanked Jed Barnett for his service. John wanted to remind the membership that all lake roads have a speed limit of 25 mph. The lake has ordered some speed limit signs to be place on all the roads around the lake. Some signs will be placed on existing roads signposts and some with be placed throughout the community on new posts. John also discussed that 5-6 different people reported that cars were ransacked and pocket change was taken. The full report will be published in Smoke Signals.

Carol expressed her thanks to our security for help on two incidents over the month.

**OLD BUSINESS**

None

**NEW BUSINESS**

A suggestion was made during our annual planning meeting that each Board Member represents a certain area of the lake membership. This is so that property owners have one person that they can call and ask or discuss concerns with in more detail. That Board Member would be responsible for representing that member before the Board. All Board members, with the exception of President, will represent a certain area of the lake. The

President represents all members. All Board Members were thrown into a hat and drawn at random

Representation breakdown is as follows:

Lots 1-210	Carol Goodwin	Lots 845-1055	Polly Ann Fox
Lots 211-422	John Lecher	Lots 1056-1265	Larry Foster
Lots 423-633	Mike Cutrufelli	Lots 1266-1476	Angel Hocker
Lots 634-844	Ron Day	Lots 1477-1686	Jim Massingale

North gate opening has been presented and discussed among the Board again. Dick turned this issue over to Ron Day. Ron expressed that several members have asked about the gate being opened to save time for travel to and from work for many lake residence as well as make for quicker response from emergency crews. Ron made a motion to open the gate for a 90 day period during a set time each day (5:00am thru 7:00pm) as a trial for the Board to justify permanent opening. The Board had some discussions and shared some thoughts and concerns. The Board feels that the last survey results were biased based on the costs associated with maintaining a gate by the users. A few concerns were the monetary upkeep and preparation of roads would be costly to the Board. Other thoughts were that this could improve property value to those areas furthest from the main entrance. The motion was seconded by Mike Cutrufelli. Dick opened discussion up to the members present. Members spoke on both sides of the situation and shared concerns and hopes.

Dick then asked for a roll call vote.

Carol yes  
John no  
Mike yes  
Ron yes  
Polly not present  
Larry yes  
Angel yes  
Jim no

The motion carried on a 5 for and 2 against, majority vote passed.

## **MANAGER'S REPORT**

Brad stated that the federal taxes had been filed and the state taxes would be sent out by December 15. Brad also stated that the BMV had overcharged the POA \$199.01 and a claim had been filed. Dick and Brad went to the tax sale and were able to purchase a new property for \$150. The lake will have 11 more properties coming available soon as well. The lake office is accepting applications for a part time security officer. Candidates must be able to work evenings and weekends, must be a lake resident, and law enforcement or security background is a plus. Brad also stated that our website was again hacked. It will be up and running again soon. We have entered into a new service agreement for \$500 to redo, manage, and secure the site.

There being no further business, Mike Cutrufelli moved to adjourn, seconded by Ron Day, motion carried. The next regular meeting will be held on December 10, 2014 at 7:30 PM in the Community Room.

Respectfully submitted,  
Angel Hocker, Secretary

- b. Financial Reports
- c. Registers of Claims for sewer operating
- d. Registers of Claims for water operating

A motion was made by Clair Fredrickson and seconded by Kathy Tarzwell to accept the consent items as presented. The motion carried.

#### 3. Operators Report

- a. Sewer Status Report – Brandon reported that the Sewer Plant was operating well with no issues. The new pumps that were authorized at last month's meeting have been ordered and received.
- b. Water Status Report – Brandon reported that the water plant was operating well with no issues. There are two (2) water taps scheduled and will be installed as weather permits. Clair asked if the installation of water and sewer hook ups at the new Fire Station had been completed. Brandon said that the installations are complete, and asked if the Fire Department is to be invoiced for the installation cost. Debbie has researched the Interlocal Agreement and needs confirmation. Brad to have Anne review the Interlocal Agreement and report back.
- c. Administrator Status Report – Brad reported there were 119 ACHs and 18 Credit Card payments in the past month. There were 6 shut-offs and 3 remain off at this time. The Jayhawk software upgrades have been installed and will become operational in November. Brad has not heard back from the SBOA about a possible audit.

#### 4. Committee Reports

- a. Board Member Guide Committee
  - i. Board Training Topic – This month's training will revolve around the Bond Refunding presentation by Piper Jaffray – see below.

#### 5. Old Business

- a. New Computer / Software for SCADA Update – Still trying to obtain a second quote on the computer equipment and software upgrades.
- b. Hidden Leak Adjustments – Scott and Greg will work on a draft or come up with some suggestions for discussion at the next meeting.
- c. Disaster Recovery Plan – Ed volunteered to make contact with Napoleon District to see if they would be interested in discussing an agreement with us in case of a disaster affecting our water supplies. Anne stated that some other Districts participate in the INWARN system.
- d. Water Disconnects – Brad has been working with Anne on the correct verbiage to be added to the utility bills regarding when disconnects are to be effective and the home owner's right to appeal this action. We should be able to finalize this at the Nov. meeting.

#### 6. Attorney's Report – None at this time

7. New Business

- a. Write-Offs – There were two (2) requests for adjustments this month due to leaks. Brandon verified both leaks. A motion was made by Ed Fox and seconded by Clair Fredrickson to make adjustments to Lot #793 for \$114.35 and Lot #435 for \$103.84. Motion carried.
- b. Correspondence – Brad informed us that he had received an invoice from our Insurance Co. in the amount of \$554.00 for an audit that was done in August. He then read a letter from the LSPOA, inquiring about access across RWWD property if the North Gate were to be opened on a trial basis. The District has allowed this type of temporary access in the past. A motion was made by Ed Fox and seconded by Kathy Tarzwell to allow temporary access. Motion carried with the understanding that if the POA decides to go forward with this project, then legal documents would have to be created and signed.
- c. Upcoming Conferences / Training Classes – The Annual IRSDA Conference will be October 27 in Shelbyville. Five board members plus Brandon and Brad will be attending.
- d. Management Agreement – Kathy agreed to help Scott work with the POA on this. This needs to be completed so both boards can execute the Agreement in December.
- e. Lot 263 shared pump basin – The owner of Lot 263 has requested that he be allowed to connect into his neighbor's basin when he builds his home. While this has been done in the past, we want him to be aware of his responsibilities in case of any problems that arise from a dual connection. It was agreed to continue this matter until next month, as he plans to attend that meeting.
- f. Piper Jaffray – Bond Refinance Options – Landon Boehm of Piper Jaffray was invited to present their proposal on refunding our current bonds in an effort to see if any savings could be realized. Landon both educated the Board on the bond refunding procedure and presented possible refunding options. Based on this presentation, some savings seem possible. The Board decided it would be beneficial to entertain additional proposals and asked Anne and Brad to invite other qualified companies to present at a Special Meeting on November 5 at 3:30 p.m.
- g. Board Member Status – Two of our board members' terms of office are due to expire December 31, 2014. They are Clair Fredrickson and Scott Gibbs. Both have agreed to accept another 4 year term. A motion was made by Kathy Tarzwell and seconded by Jim Hornig to present both names to the County Supervisors for their re-appointment. Motion carried.

8. Adjourn

Respectfully Submitted by  
Paul E. Gosnell  
Secretary

These minutes are subject to approval by the LSRWWD Board at the November 20, 2014 meeting.

**Attention Absentee Home Owners**

Homeowners would be well advised to turn off their water while away. Homeowners are prohibited from operating the water meter valve or removing and/or loosening the meter to drain lines. All customers are required by the rules to have their own valves in place to valve off and drain their homes as necessary. If you want the District to also turn off the meter valve, we will be happy to do so, however the District will not be held liable for meter valves that are not 100% tight. You are advised not to depend solely on the meter valve. The charge for valving is \$10.00 during regular work hours of 7:30 AM to 4:00 PM, \$20.00 after hours. The same charges apply to valves turned on. The District cannot turn on water to a home unless the customer has a valve closed to protect the home or a responsible adult is present.

**Lake Santee Regional Waste & Water District  
Minutes**

**Special Meeting of November 5, 2014**

**3:30 P.M.**

**Lake Santee Community Room**

Members present [ 7 ] Absent [ 0 ] Participating Electronically [ 0 ]

1. Roll Call

Members present were Scott Gibbs, Clair Fredrickson, Kathy Tarzwell, Jim Hornig, Greg Montgomery, Ed Fox, and Paul Gosnell. Also present was our attorney Anne Poindexter and Utility Administrator Brad Jones.

2. Bond Refunding Option Proposal Presentations

The purpose of this meeting was to hear proposals concerning the refunding of our bonds to a lower interest rate. Two companies made presentations; Hilliard Lyons and Fifth Third Bank Securities.

After hearing both presentations, which were very similar to the one we heard at the Oct. 16<sup>th</sup> meeting, the Board asked Anne to have a financial advisor review the three (3) proposals and offer feedback, as well as, determine if our financial status warranted having our bonds rated.

3. Adjourn

Respectfully Submitted by  
Paul E. Gosnell  
Secretary

These minutes are subject to approval by the LSRWWD Board at the November 20, 2014 meeting.

**Homeowners Pumps**

Your grinder pump is not a garbage disposal. The following items should not be put in your system: Glass metal, diapers, socks, rags, cloth, plastics, sanitary napkins, tampons, explosives, flammable materials, lubricating oils or grease, strong chemicals, gasoline, sand, gravel, fish scales, cleaning fluids, pesticides, herbicides and toxic chemicals. The District owns the grinder station and customers are not permitted to open the tank or control panel.

**If the red light on the electric box for your grinder pump is on, it means your pump is not working properly. During regular business hours call the office at 527-2943. After regular hours call 560-1157 if you see your light or your neighbors' light on.**

A district employee will respond promptly. Also remember, there is an ordinance that prohibits the planting of trees, flowers, shrubs or other plantings within five feet of the station to allow accessibility. In addition no plantings shall be placed on the side of the pump facing the nearest road to promote visibility of the visual alarm from the roadway. Painting of the control panel or pump tank is prohibited.

# Lake

# Santee

Meets the 4th. Wednesday of each month [ except December ] in the Community Room

Time 11:30 A.M. Lunch : Check with Mary Fox for location 812-662-0753

Join us and enjoy a good book discussion and lots of conversation remembering when.

Due to the fact that most of the book club is away for 2-4 months in the winter there will be no meeting or book selection in January and February of each year. If you have any questions about selections or our meeting schedule please contact me at 812- 662-0753 or [mlfox366@gmail.com](mailto:mlfox366@gmail.com) Thanks , Mary

# Axiom-Franke Plumbing

Residential • Commercial • Backhoe • Trenching Work

Our company, Axiom-Franke Plumbing, has been locally owned and operated and serving Bartholomew County and surrounding counties for 50 years. We have many different services to do with residential & commercial plumbing work. We are opening a second location at 321 South Michigan Ave., Greensburg, IN.

Typical of work we do:

- Standard & tankless water heaters
- Faucets, garbage disposals & dishwasher hookups
- Main sewer line & sink drain cleaning
- Puritan water softeners, filtering & reverse osmosis systems
- Sump pumps
- Camera inspection equipment
- Water & sewer lines from mains to house
- Gas piping installation & repair
- Backhoe, trencher & dump truck services
- Underground boring for water, electric & other lines
