Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

The **Greensburg Breakfast Optimist Club** is offering the **AVENUE OF FLAGS** program to our Lake Santee neighborhood again this year. They are offering a subscription to celebrate six (6) national holidays with the entrance to be lined with American Flags for \$30 per year. They also offer a four year program for \$100.00. The **Greensburg Breakfast Optimist Club** will place a 3 foot by 5 foot American Flag, previously flown over the nations' Capitol, on a 10 foot pole at your designated location within Decatur County on these six national holidays: **Memorial Day, Flag Day, July 4, Labor Day, September 11 and Veteran's Day**. All proceeds of the **Avenue of Flags** are used for Optimist and community programs which support local youth programs. If you participated in this display last year , then we urge you to renew your subscription . If you have not helped with this display before , please consider it.

Please join our project in filling our two islands with flags. It is indeed an impressive sight.

BACK TO WORK ON THE FARM

When you're a farmer, not being able to use your arm poses some serious challenges. Just ask Howard 'Bud' Meyer, 77, of Greensburg. Last spring, the daily wear and tear of a lifetime of farming took its toll on Bud's right shoulder, leaving him in need of rotator cuff repair. After undergoing surgery with Dr. Andrew Islam, Bud soon started therapy at Margaret Mary's Outpatient Rehab Center.

"After surgery, my shoulder felt better but my arm was still weak," said Bud. "My therapists, Lori (Yorn) and Karen (Enneking), were always friendly. They pushed me hard but I trusted that they knew what they were doing. Before surgery, I couldn't raise my arm high enough to get seed in the planter. Now I use it without thinking twice – shoveling corn, running the tractor and lifting buckets of feed."

JULY 5TH ANNUAL BBQ TIME

It's that time of year again when we get busy for our BBQ. We will need every Kiwanian, and any helpers are always appreciated. This is our big fund raiser for the year and it takes everyone to keep it going. Desserts are needed.

KIDS AND CARS

Hundreds of children have been injured or have died because of

dangerous power windows in vehicles. The average power window has the power to cut a cucumber or a carrot or a grapefruit in two. A child in a car, with their head out of the window, a knee inadvertently pushing the switch, is a disaster in the making. The message to parents is clear:

Never ever leave a child alone in a car. Not for one minute!

GOLF CART RUN

A group of friends and neighbors get together once a month for a ride around the lake on their golf carts and then return to the designated host home for a pitch-in dinner and socializing. You don't have to own a golf cart to join in as many of them are two seaters that you can ride with. You are requested to bring a covered dish, meat will be furnished. A \$5.00 donation will get you into a 50/50 drawing with half of the money going to support various children activities here at the lake. i.e. The Easter Egg Hunt, Christmas with Santa, Halloween, Fishing, etc.

A sign up sheet was passed around for Host and Hostess for the [2014] Golf Cart Runs . We are pleased to say that all of the Rides are spoken for , however if you would like to help by being a drink stop host contact Mary Beth at the Bay Shore

ATTENTION ALL L.S.P.O.A. MEMBERS

Ballots for new board members will be mailed out early this month. The results will be announced at the Annual Meeting on August 10, 2014. This year we have an unusual situation , in that we will be voting for FIVE new members instead of the normal Three. This is due to the normal 3 year rotation of board members and the resignation of 2 others. This means we will be picking a majority of the 9 member board. Profiles for the 10 candidates are on pages 58 thru 64. VOTE -VOTE-VOTE

Sympathy

We want to extend our sympathy to Howard “ Chip “ and Lisa Ayers on the passing of Chip’s Father, June 3rd. For those of you who don’t know, Chip and Lisa organize and run our Bass Tournaments every month.

We would also like to extend our sympathy to Jay Power .His mother Janet L. Power passed away on June 12th. She was very active in community affairs, especially the Arts and Culture Council of Decatur County.

Carol Reger lost her Sister on May 24th. Our thoughts and prayers are with you in this time of mourning.

We lost another one of our members , Bob Hurst , passed away in late May . Our sympathy goes out to his family in their time of need.

Thank You

Many, many thanks for all the kind wishes and Get Well cards we received following my surgery! The procedure went well and I am recovering at home. We appreciate our wonderful friends here at the Lake. Fae and Mike Cutrufelli

omen's Club

Minutes from the Lake Santee Women's Club Meeting held on June 9, 2014.

Twenty-two ladies met at the Community Room for a "Wedding Anniversary" luncheon and program hosted by the club officers. The room and tables were decorated with blue and silver. Party sandwiches, salads, vegetables, and punch and cake were served to all members. Club members brought memorabilia to display during the luncheon and prior to the meeting. Several ladies brought their wedding dresses for display. Many wedding stories were enjoyed by all.

The officers read their monthly reports and committee reports were as follows:

The scholarship committee reported that this year's scholarship was awarded to Winston Miley. He will be attending IUPUI. Winston will also be invited to attend a future women's club meeting.

The 4th of July committees discussed final plans for activities to be held on July 5th. Donations are still being collected and should be taken to either Mary Johnson or Brenda McVay. Raffle tickets can also be purchased from them or at the community room on the 5th. Committee members are to meet on July 4th at the community room from 2:00 to 4:00 PM for set up. Bake Sale items will be accepted at that time or just prior to 8:00 AM on the 5th. On July 5th coffee and donuts will be available starting at 8:00 AM. Bake Sale items, Lake Santee merchandise, and raffle tickets can also be purchased starting at 8:00 AM.

The August silent and live auction will be held on Saturday August 9th in the community room. Set up will be the afternoon of August 8th. Members of the men's coffee group will serve as auctioneers again this year. Appetizers (finger foods) will be served this year instead of a meal. All ladies are asked to bring their favorite appetizer. The silent auction will begin at 5:00 PM and end at 7:00 PM. Food will be served at 6:00 PM and the live auction will begin around 7:00 PM. Auction items can be taken to either Mary Johnson or Brenda McVay.

Any questions regarding either the July or August activities can be answered by calling any club officer.

The next meeting will be held on July 14th. Kathy Tarzwell will send an email to club members when the restaurant location has been determined.

There was no split the pot as numerous door prizes were awarded.

Respectfully submitted by Joy Boyd, Secretary

Vicki Wilson mentioned that they are going to start doing meals during the trivia nights. They will serve as a fund raiser for the Fire Department. The Board had no issues with the activity, but reminded them that they can use the marquee for information on the activity as well as the website & Facebook, but they cannot use other signs except in the window of the restaurant. Dick also advised her to check with Neil Jackman, the trivia organizer, before moving forward.

The Monarch Band will play from 6:00 p.m. to dusk. Fireworks will be at dusk.

Lakes & Beaches – Larry Foster

Larry brought to our attention the issue of the lake cleanliness; the health and clarity of the lake. Larry had provided a handout last month with some DNR recommendations. One thing that can be done is to keep grass clippings from going into the lake. He recommended we not mow the lake access lots 15 feet of the lake front. This would just be, at least, a small step toward helping better preserve the lake. Wildflowers, cattail, etc. on the shore line is good for the lake. Natural growth is healthy for the lake. The Indiana Lakes Management Society website provides more information on this effort.

Dredging will resume tomorrow morning, June 12, after some mechanical problems were fixed.

Reason for running for office:

I would enjoy the opportunity to help guide the future of the community through obstacles and opportunities. I can use my experience in Operations, Budgeting, Forecasting and Profit & Loss Statement Review to address the business needs of the community. My time as a LSPOA member has been split between being a non-resident member as well as a resident member and understand there are different needs for each in the community. Also I understand the need to balance the community for members that use it for recreation, those members raising a family or members wanting a place to retire.

3:30 PM

Lake Santee Community Room

Members present [6], Absent [1], Participating Electronically [0]

1. Roll Call

Scott Gibbs called the meeting to order and requested a roll call. Trustees present were Scott Gibbs, Paul Gosnell, Kathy Tarzwell, Ed Fox, Jim Hornig, and Greg Montgomery. Absent was Clair Fredrickson. Also attending were Brad Jones, RWWD Administrator and Brandon Litmer, Utility Superintendent.

2. Consent Items

- a. Minutes from April 17, 2014
- b. Financial Reports
- c. Registers of Claims for sewer operating
- d. Registers of Claims for water operating

A motion was made by Ed Fox and seconded by Greg Montgomery to accept the consent items. Motion carried.

3. Operators Report

- a. Sewer Status Report – Brandon reported that the sewer plant is operating well with no issues and all tests are normal. Four (4) new homes have requested new service and additional equipment will need to be ordered. The new basins/pumps will cost \$2,995 plus freight per house. A motion to approve this purchase was made by Kathy Tarzwell and seconded by Ed Fox. Motion carried.
- b. Water Status Report – Brandon reported that the water plant is operating well with no issues and all tests are normal. A few hydrants still need to be flushed and should be finished soon. He is still gathering information about a new computer and operating system for the utility plant. Jesse took the State Test on May 1st; awaiting the results.
- c. Administrator Status Report – Brad reported 6 shut offs, of which 3 have been turned back on. There were 123 ACH and 6 credit card transactions this past month, with 1 returned check. Also there were 11 Tax Liens filed. On May 5th, Kevin Hots from IDEM visited the Lake – he had received an anonymous complaint of raw sewage in a ditch. The office had no knowledge of any such complaint. Kevin drove around and walked several areas throughout the lake property, and reported back to the office that he could not find any issues. Brad had a request from Baitus Electronics asking for a key to the water tower to be left with the Sheriff's Dept. for emergency use.

4. Committee Reports

- a. Board Member Guide Committee
 - i. Board Training Topic – Brad conducted the training which reviewed: Water and Sewer Bills, timing of meter reading, invoice mailing and due dates, how the invoices are calculated, availability charges, new service charges, and other fees according to the Rate Ordinances.

5. Old Business

- a. Jayhawk Software Update – Expect to have the new software installed and ready to go live June 4th. Brad requested the purchase of a JUS QuickBooks module for the transfer of information between the District and the POA computers in the amount of \$199.00. A motion was made by Greg Montgomery and seconded by Jim Hornig to approve this purchase. Motion carried.
- b. Hydrant near ATM, LSPOA request to waive monthly fees: After much discussion and a consultation with the District Attorney, it was confirmed that Covenants associated with the

R.W.W.D. minutes continued

District's financing do not allow the waiver of these fees. It was determined that the request to waive these fees could not be granted.

6. Attorney's Report : No report at this time

7. New Business

a. Write-Offs:

- v. Lot 13 (account 499) – After much discussion, the District has elected to terminate the service associated with this account. The District will take ownership of this water service and padlock the valve. The valve will remain intact for possible future usage. A motion was made by Greg Montgomery and seconded by Kathy Tarzwell to terminate this service. Motion carried.

b. Correspondence

- i. Lot 111 – Mr. Jerry White, Lot 111 Owner, appeared before the Board to request relief of past due charges and late fees. When he purchased this home several months ago, his billing information was not added to the file due to an interoffice clerical error, so he had not been receiving monthly bills. Mr. White requested relief of the entire amount. Scott explained the District is not allowed to waive the monthly charges, but that the office could work with Mr. White on a payment plan and the late charges. Brad will develop the plan and follow up with Mr. White.

c. Upcoming Conferences / Training Classes : None at this time
