Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was

published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

SURVIVING CANCER

When it comes to yearly mammograms, Karen Enzinger, 53, of Batesville doesn't hesitate to speak of their importance. Last summer, her annual screening helped detect Stage I breast cancer. Following a lumpectomy, she spent the next six months receiving chemo and then radiation therapy at Margaret Mary's Cancer Center. Now finished with treatment, Karen feels great and is enjoying life as a new grandma to grandson, Easton (pictured).

"As soon as you walk in the cancer center, you're greeted with a smile," said Karen. "It's a fantastic experience. There isn't just one person who made an impact on me while I was there. Everyone is wonderful. The staff is very nurturing and the doctors are knowledgeable. They were great about answering questions on a level I could understand. A cancer scare has taught me to enjoy every day as it comes and not worry about next week or next year."

Eyebrows

Eyebrows are the focal point of the face. Sparse brows will appear fuller with several colours added to your existing brow hair. For those that do not have any brow hair, let us create the 'perfect brow' to complement your facial features. Brow pencil may be added to create dramatic evening effects. Sun block should always be worn on all procedural areas to maintain optimum colour.

Eyeliner

We can create a soft, subtle lash enhancement that will make your eyes sparkle. For a dramatic look, a 'full eyeliner' will enhance your eyes. Choose colours from a soft brown to the darkest of blacks.

Lip Colour

Let us create the perfect lip colour for your specific skin tones. Choose colour that will enhance your natural beautiful lips, to a more defined lip line or a soft muted colour. Lipstick can be worn over your existing permanent colour to create a new look.

Inspirational Moment

Scholar Joseph Campbell said: “A celebrity serves him or her self. A hero goes out and redeems society”. You may have noticed that there aren't many celebrities in Kiwanis. But there are quite a few heroes.

Lynda Smith (pictured) recently addressed members to talk about The ARC, a national organization advocating for individuals with intellectual and developmental disabilities. Members viewed a video about some of the successes of The ARC members. She encouraged Aktion members to not let their disabilities hold them back or discourage them and keep them from reaching for their goals. She also gave each member a package of "Dare to Dream" note cards. Farmland Division Lt Governor, John Hutchinson, recently visited an Aktion club meeting. He expressed his appreciation to members for their attendance at the recent division quarterly meeting and the support of community service projects of neck pillows and trauma dolls. Aktion Club meets at Decatur Industries the 1st and 3rd Thursdays at 11:30am.

GOLF CART RUN

A group of friends and neighbors get together once a month for a ride around the lake on their golf carts and then return to the designated host home for a pitch-in dinner and socializing. You don't have to own a golf cart to join in as many of them are two seaters that you can ride with. You are requested to bring a covered dish, meat will be furnished. A \$5.00 donation will get you into a 50/50 drawing with half of the money going to support various children activities here at the lake. i.e. The Easter Egg Hunt, Christmas with Santa, Halloween, Fishing, etc.

A sign up sheet was passed around for Host and Hostess for the [2014] Golf Cart Runs . We are pleased to say that all of the Rides are spoken for , however if you would like to help by being a drink stop host contact Mary Beth at the Bay Shore

Sunday, April 27th brought the first bass tournament at Lake Santee for the 2014 season, and, as has been the pattern for this spring, the wind blew HARD! Not just hard, but it had a cold bite... the good thing was Lake Santee's bass bit hard, also! The tournament had a great turnout as 17 teams came out, with two or three teams participating for their first time. The excitement of bass fishing at Lake Santee continues to grow!

The fishermen combined to bring 25 keeper bass to the scales and the total weight of the fish was over 75 pounds! That is an average weight of over three pounds per bass! One would be hard pressed to find a better fishery than Lake Santee in Indiana much less the Midwest...

The team of Chuck Sieg and Paul Bruns took top honors with four bass which weighed 11 lb 13 oz. Mark Good and Pat Percy finished a close second with three bass which totaled 11 lb 1 oz. Jon Ohlmansiek and Rick Holt came in a respectable third place with two bass totaling 7 lb 15 oz. Rob Merriman landed a 5 lb trophy to take the Big Bass honors. Great job to each of our winners!

We would like to thank our sponsors for the event as without their contributions, much of this would not be possible. Mary Hamer and all the great people at Klosterkemper Tax Services in Greensburg graciously provided the First Place and Big Bass plaques which were designed by Kramer Kreations, also located in Greensburg. We would also be remiss if we didn't thank Jack & Betty Kerner from Angler's World in Greenfield, IN for their continued support in providing numerous give-away prizes. Fishermen, don't forget to mention that you fish the tournaments at Lake Santee to receive a discount on your next purchase at the store!

As you can see, the fun continues grow... make sure to become a part of it and compete in an upcoming event. What better place to spend a day catching fish, enjoying the company of so many great people, and maybe win a little money than at beautiful Lake Santee!

Until next time,

God Bless,

Chip & Lisa Ayers

BASS FISHING TOURNAMENT LAKE SANTEE APRIL 27, 2014

The May 18th Lake Santee Bass Tournament started out under very foggy and cold temperatures. But the limited visibility on the water didn't keep our fishermen from keeping their eyes on the prizes! Seventeen teams participated in the derby, with six teams made up of family members fishing together to enjoy the beauty and exceptional fishing at OUR Lake Santee!

First place went to the team of Rob Merriman and T.J. Edwards. The pairs five fish limit of largemouth bass pulled the scales down to 15 lbs 6 oz. Adam Kennedy and his dad, Rick held on to second place with another five bass limit that weighed 14 lbs 2 oz. Keeping it close, Chip and Lisa Ayers rounded out the top three with five keeper bass which weighed 13 lbs 15 oz. (Pssttt... When you see Lisa, be sure to ask her about her giant bass that came off the hook just before Chip was able to slide it into the landing net! Ha-ha) Mark Good and Pat Peercy managed to not lose their largest bass of the day and took home Big Bass honors with a beautiful 4 lb 11 oz largemouth!

A huge THANK YOU goes out to all the great folks at Don Meyer Ford in Greensburg, Indiana for sponsoring this month's plaques for our winning fishermen and, as always, to Jack and Betty Kerner at Anglers World in Greenfield, Indiana for their generous support of all our teams!

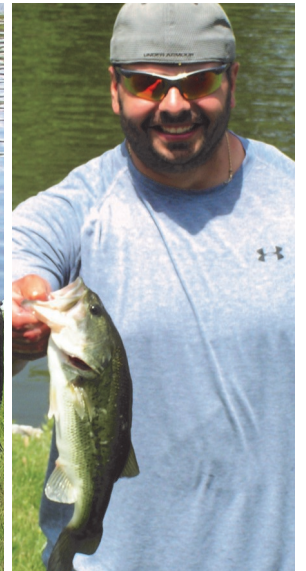

Overall, our teams combined to bring in 40 keeper bass with an average weight of three pounds each. For those that may not know or realize it, many of the most famous bass fishing lakes in this great nation don't put up those kind of numbers. As our bass fishermen know, Lake Santee is a true treasure. Please help us keep it that way and PRACTICE CATCH AND RELEASE on Lake Santee's bass!

Until next time, take a minute to check out our Facebook page at Lake Santee Bass Tournaments for more pictures, videos, interviews, and information on our upcoming events.

God Bless!

Chip & Lisa Ayers

The introductory promotional 1.49% APR will be in effect for the first 12 months from the time you close the loan. After the first 12 months, the APR will adjust to our standard rate. The APR is based on the Prime Rate (index) plus a margin of Prime Plus 0.00% to 2.00% (currently 3.25% - 5.25%). We will use the most recent index available to us as of 10 business days prior to the month-end before the date of any APR adjustment. The rate is subject to change the first of each month to reflect any change in the index. The maximum APR that can apply is 18.00%; the minimum that can apply is 3.50%, unless you choose auto-deduct from a Centra checking account, which will lower the APR by .25%. Homeowners' insurance is required. Consult your tax advisor about deductibility of interest. For home equity lines of credit with Loan-To-Value ratios up to 80%, the closing costs will be paid by Centra up to \$400 and recording fees will be limited to \$50. If the line is paid off and closed within the first 36 months, closing costs must be repaid. Fixed-term and fixed-rate Home Equity Loans are also available. Offer subject to change without notice.

They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turned into the office.

The BEST of the BEST will then be used on the following years cover of our annual Directory as well as in the Smoke Signals during the year.

Minutes from the Lake Santee Women's Club meeting held on May 12, 2014

Eighteen members met at Bay Shore for lunch and a time of fellowship.

Following lunch everyone met at the community room for the meeting.

Officers read their monthly reports and committee members reported as follows:

Kathy Tarzwell reported that the butter braid sale went very well. Everyone did a really good job.

We will discuss at a later time if we will do this again.

Charm Seright said the memory garden has gotten mulch and fertilizer and is looking good.

Judy Veach said the roses have survived the harsh winter we had. And the flowers at the entrance look real good.

The donation committee reported that donations are coming in and they have received a positive response from the businesses. Any donations that the members want to give will go to Mary Johnson'

House after the 20th of May.

The scholarship committee will announce the winner after the school ceremony takes place,

Friends of Wildlife Poster Contest 2014

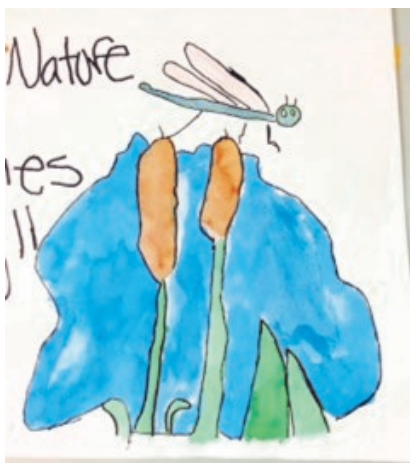

“Mother Nature Beautifies Our World”

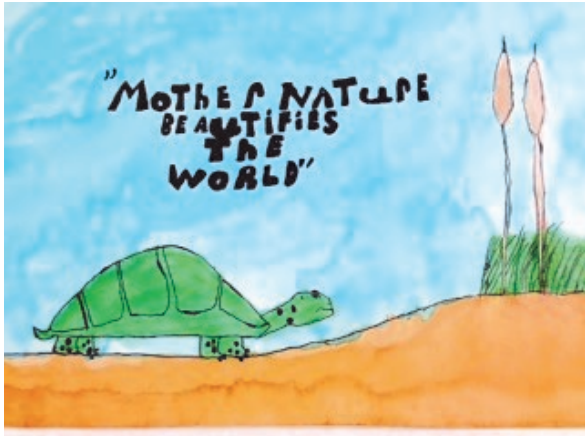

Our thanks to Mrs. Lynne Saler of North Decatur Elementary School for her 6th grade student's participation in our first poster contest. The theme, “Mother Nature Beautifies Our World,” was rendered in crayon and water color by over 80 participants. The posters will be displayed with winning ribbons attached in the community room for the 4th of July celebration on July 5th. Details of some of the posters are pictured here. You have to see them all to appreciate the hard work and talent of these student artists. Thank you Mrs. Saler and students!

Friends of Wildlife will also have hand crafted hummingbird feeders, blue bird boxes and wood duck boxes for sale at our kiosk on the 5th. There will be a free coloring book for kids, too. Stop by and see us and share your wildlife adventures. We're always glad to see you.

“At the end of the day, Mother Nature has only one question for us: ‘What life did you nurture today?’”

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES
May 14, 2014

The Lake Santee Property Owners Association Board of Directors met on May 14, 2014 in the Community Room. President Richard Veach presided and called the meeting to order at 7:30 PM. Other Directors present were Doug Lecher, Angel Hocker, Polly Ann Fox, Randy Ostendorf, Jim Massingale, and Larry Foster. Employees present were: Brad Jones, Brandon Litmer, Joe Jarman, & Jim Hornig. Also present was Tony Yetter with Yetter Critter Getter LLC.

President Veach suspended the meeting while Brad introduced Tony Yetter of Yetter Critter Getter LLC who made a presentation to the Board. Yetter advised that he had received 80 calls from residents of Lake Santee having issues with muskrats, and that he had counted over two-hundred in one small area. He proposed a plan for the entire Lake rather than one home owner at a time. He would target the muskrat population, but could include non-target animals as well including turtles, beaver, snakes, and etc. Several questions were asked by both Board Members & property owners in attendance. His proposal includes labor, material, traps, obtaining property owner signatures, and relocation of the trapped animals for a full year for \$80,000 for both target and non-target animals. The Board will consider the issue and his proposal.

President Veach called for a review of the minutes of the April 9, 2014 meeting. **The minutes were approved on a motion by Angel Hocker, seconded by Larry Foster.**

MEMBERS INTRODUCTION AND COMMENTS

During the introductions, a few questions were asked regarding using Bingham, Greenebaum, & Doll for anything other than property taxes and the repairing of pot holes in the chip & seal sections of road.

CORRESPONDENCE

Brad reported correspondence from Amerigas that we were to receive a credit against our account of \$195, but since the account had already been closed, he requested the credit in the form of a check. We will see if we actually receive it.

Also the Kiwanis will be having a breakfast that morning to benefit the new fire station.

Dick reported that the 1st Bass Tournament for this year was held April 27, 2014. They had 25 keeper bass with a total weight of 75 lbs.

Regarding the 4th of July celebration, Brad reported that we do have a contract for the fireworks and we do have a band contracted as well; Monarch Band. We are planning for two water slides this year. MainSource Bank will again have their Beach Bash but that needs to be verified. The Kiwanis Club and the Ladies Club will be participating in the celebration as well as the CERT team, the Clarksburg Community Volunteer Fire Department and the Friends of Wildlife. The Lake's celebration will be on Saturday, July 5, 2014.

Dick also mentioned the Clarksburg Community Volunteer Fire Department will be having a breakfast in the Community Building on May 24, 2014 along with a silent auction and a cash raffle.

Clean Up – Polly Ann Fox

The Clean Up Committee made our first round on April 24, 2014. We sent out 17 letters and we have 4 on watch for improvement. We are scheduled to go out again on May 22, 2014. A question was asked about bank properties. It is difficult to get contact information and to get them to do anything but we will attempt and send them letters just like we do property owners.

Roads & Maintenance – Randy Ostendorf

We spent about \$11,000 on gravel and they seem to be in good shape for now.

Security – Jim Massingale

The full security report will be in the Smoke Signals.

There has been question regarding four wheelers. Jim reviewed Vehicles, Section 2.0 - 2.9 of the Rules and Regulations. Jim reiterated ATVs must be used on your own property only and are not allowed on the roads or Association lots. UTVs are

allowed as outlined in the Rules and Regulations. Jim also stated that bicycles are not allowed after dark without lights.

Property owners are asked to please have their stickers on their vehicles and make sure they are for the current year.

OLD BUSINESS

Brad has not been able to locate any contracts for website maintenance. We did have the website cleaned up and it seems to be okay now.

NEW BUSINESS

Brad presented the information and proposals from three different vendors for a new HVAC system for the LSPOA office and the restaurant. He recommended we approve Koors Heating & Cooling with an American Standard (Trane). The proposal is \$5740 for the office and \$13,582 for the restaurant already reflecting rebates available to us from REMC and American Standard. We will probably be able to get a federal tax credit in addition to the rebates.

We have budgeted for this expense. The current units have been in since 1988. Doug made a motion to replace the units, option 2 as presented by Brad from Koors, not to exceed \$18,722 with the stipulation that we go back to the other bidders or possibly another company to do some price negotiation. Polly seconded the motion. Motion carried.

Brad obtained pricing for "For Sale" signs for LSPOA properties that we have for sale at \$765 for 12 signs + tax and shipping. Brad will probably pick up the signs to save the shipping cost since he is in that area periodically. This is a non-budgeted item. Jim made motion to purchase the signs as recommended by Brad. Angel seconded the motion. Motion carried.

We currently have a 2013 - 2014 contract with Bernie Meyer for mowing. Bernie is proposing to extend the contract for 2015 - 2016 with a price increase of 50 cents per lot in 2016 and he does have a fuel cost increase stipulation. Randy made motion to accept the new contract and Angel seconded the motion. Motion carried.

The fireworks contractor is Scott Vickous from Indianapolis. The display would last for 20-25 minutes contracted for July 5 with a rain date of July 6, 2014. The contract amount is \$5000. Larry made a motion to approve the contract. Polly seconded. Motion carried.

In December we transferred money from money market to our operating account until dues started to come in. We need to transfer the \$68,000 back to the money market. We would like to also close the Centra Credit Union account which we opened for the bridge project. We need a board resolution to do that. We will look for another institution to house some of our funds to stay under the \$250,000 limit per account. Angel made a motion to move the money back to money market, close the Centra Credit Union account and look for another institution to house funds. Randy seconded the motion. Motion carried.

MANAGER'S REPORT

We have our Business Tangible Personal Property Tax Return completed by the accountants and needs to be filed no later than tomorrow. We don't owe anything.

We have filed our Business Entity Report with the State of Indiana as required each year.

There is a Personal Property Tax Handout available if you are interested at the table if you are having property tax issues.

We have collected \$2,227.98 in old debt and made a settlement on a foreclosure property of \$1,000 but we need to write-off \$1645.61 on that property. Doug made motion to make the write-off, Polly seconded the motion. Motion carried.

We have set up a payment schedule for another old debt of \$2057.79 to be made in 6 monthly installments. We will not charge further finance charges during that repayment period.

Heavy trash pick-up is occurring now through May 18, 2014.

We have hired some new gate guards and beach attendants. They will start May 23 & work through Labor Day. We are also in the process of hiring additional summer maintenance help.

Check the webpage & Facebook page for up to date information.

There being no further business, Randy moved to adjourn, seconded by Angel, motion carried. The next regular meeting will be held on June 11, 2014 at 7:30PM in the Community Room.

Respectfully submitted,

Polly Ann Fox

Attention Absentee Home Owners

Homeowners would be well advised to turn off their water while away. Homeowners are prohibited from operating the water meter valve or removing and/or loosening the meter to drain lines. All customers are required by the rules to have their own valves in place to valve off and drain their homes as necessary. If you want the District to also turn off the meter valve, we will be happy to do so, however the District will not be held liable for meter valves that are not 100% tight. You are advised not to depend solely on the meter valve. The charge for valving is \$10.00 during regular work hours of 7:30 AM to 4:00 PM, \$20.00 after hours. The same charges apply to valves turned on. The District cannot turn on water to a home unless the customer has a valve closed to protect the home or a responsible adult is present.

Minutes

Meeting of April 17, 2014

3:30 P.M.

Lake Santee Community Room

Members Present [7], Members Absent [0], Members Participating Electronically [0]

1. Roll Call

Scott Gibbs called the meeting to order and requested a roll call. Trustees present were: Scott Gibbs, Clair Fredrickson, Kathy Tarzwell, Jim Hornig, Greg Montgomery, Ed Fox, and Paul Gosnell. Also attending were Brad Jones, RWWD Administrator and Brandon Litmer, Utility Superintendent.

2. Consent Items

- a. Minutes from March 20, 2014
- b. Financial Reports
- c. Registers of Claims for Sewer Operating
- d. Registers of Claims for Water Operating

A motion was made by Kathy Tarzwell and seconded by Ed Fox to accept the consent items. Motion carried.

3. Operators Report

- a. Sewer Status Report – Brandon reported that the sewer plant is operating well with no issues and all tests are normal.
- b. Water Status Report – Brandon reported that the water plant is operating well with no issues and all tests are normal. Hydrants are being flushed this month as scheduled. The maintenance crew repaired 1 leak this month at 8 Santee Drive. He has bought the HOC meter for the approved amount. He is currently getting quotes on a new computer and operating system for the water plant since the XP operating program is no longer being supported by Microsoft. The first quote came in at \$11,000. Scott asked if we really need to replace all those items? More discussion will follow after more details are known. Jesse will take the state test for water distribution and treatment on May 1st.
- c. Administrator Status Report – Brad reported there were 4 shut offs, and all have been turned back on. There were 121 ACH and 10 credit card transactions this month.

4. Committee Reports

- a. Board Member Guide Committee
 - i. Officer Manuals – no update
 - ii. Board Training Topic
 1. This month's topic was the Management Agreement between the LSPOA and RWWD. Scott reviewed what it is, why we have it, how it is developed, and why it is good for both the POA and the District, being able to share many common costs.

5. Old Business

- a. Status of Ordinance, Resolution, and Policies verification – Complete. A Table of Contents of each of the document binders was distributed to the Board. Scott suggested that the Board Members get familiar with the documents.
- b. Jayhawk Software Update – The software has been ordered. The computer that the POA bought has arrived. When the software arrives, Brad will have the copier and printer vendor hook it up.
- c. SBOA Filings Update – All the forms have been completed and sent to the State Board of Accounts. They have confirmed receipt and have accepted them.
- d. LSPOA Request – Hydrant near ATM – After a long discussion, it was decided to further research the Ordinances and consult our Attorney.
- e. Friends of Wildlife at Lake Santee Request – Water at Nature Preserve – Last month, the Friends of Wildlife had asked if water could be donated to the Preserve. Scott consulted with the District's Attorney, and State Law will not allow the District to give away water. Bulk water can be purchased to fill rain barrels from the flush hydrant near the Preserve – Charm and Brandon will coordinate this. On a related note, Greg Montgomery will donate the rain barrels from his company.

6. Attorney's Report

- a. Anne reported (via email) that a Franklin County Suit on filing liens is headed to the Indiana Supreme Court. She will keep us updated. This is not a LSRWWD case.

7. New Business

- a. Write-Offs – None this month.
- b. Correspondence – Brad received a questionnaire from our Insurance Carrier. He has taken care of this and returned it to them.
- c. Upcoming Conferences / Training Classes – Nothing interesting coming up.

8. Adjourn

Respectfully Submitted By:

Paul E. Gosnell
Secretary

These Minutes are subject to approval by the LSRWWD Board at the May 15, 2014 meeting.
