Summer Office & Recycle Center Hours

The Lake Office will be open on Saturdays beginning March 1st. The office will be open Mon – Fri 9am-4pm & Sat 9am-3pm.

I am normally in the office during the week until 5pm. If a member needs something at the office after hours, you only need to call or email to make an appointment.

The Trash & Recycle Center hours will switch to Summer hours beginning May 19th.

Deadline for 2014 Dues and Assessments is April 1st

Statements for the 2014 Dues and Assessments were mailed out on February 10th. The amount for 2014 will be \$595.00 (\$25 Dues & \$570 Assessment) & \$59.50 for each additional lot. This is a \$20 increase in assessments, the first increase in several years. Payment must be received in the office before April 2nd to avoid a 10% penalty. A monthly finance charge of 1 ½ % is charged on all outstanding balances. Boat permits & golf carts are the same as last year. Boats with a motor are \$50 and all others are \$15. Golf carts are \$20 but night operation golf carts will require inspection before the new permits are issued. If you mail in your payments, permits and passes will be returned by mail except for the night operation golf cart permits.

We have seven lots currently for sale:

<u>Lot #</u>	<u>Locate #</u>	<u>Road Name</u>	<u>Price</u>

Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was

published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

OF
FLAGS**

**Your Invitation to
Participate in Patriotism**

The **Greensburg Breakfast Optimist Club** is offering the **AVENUE OF FLAGS** program to our Lake Santee neighborhood again this year. They are offering a subscription to celebrate six (6) national holidays with the entrance to be lined with American Flags for \$30 per year. They also offer a four year program for \$100.00. The **Greensburg Breakfast Optimist Club** will place a 3 foot by 5 foot American Flag, previously flown over the nations' Capitol, on a 10 foot pole at your designated location within Decatur County on these six national holidays: **Memorial Day, Flag Day, July 4, Labor Day, September 11 and Veteran's Day**. All proceeds of the **Avenue of Flags** are used for Optimist and community programs which support local youth programs. If you participated in this display last year , then we urge you to renew your subscription . If you have not helped with this display before , please consider it.

Please join our project in filling our two islands with flags. It is indeed an impressive sight.

WHAT DOES THE MAINTENANCE TEAM DO IN THE WINTER?

When winter arrives, our men trade lawn mowers for snow plows, and I do NOT suggest you ask them this winter if they want to build a snowman! They have had to spend way TOO much time plowing the roads! With each new snowfall they get 2 snowplows out on our roads, one on Santee Drive and the other on the back roads, clearing snow and spreading salt and sand. Each man plows for 6 hours to clear them well enough for us to get where we are going and back home safely. In addition, a few things they have been doing are:

Repaired and serviced mowing equipment in preparation for next summer

Built 6 new picnic tables to replace damaged ones

Built a key storage cabinet

Reupholstered 3 chairs from the community room

Installed a new shaft & gears for the conveyor on the dump truck to apply salt & sand on the roads

Repairs and maintenance to our buildings, restaurant and restrooms

Respond to sewer calls

Their next job is to build a storage area for the flags & poles for the Avenue of Flags for when they are not in use. If spring does not arrive soon, the LSPOA Board and Brad will have additional jobs for these four men to do. So, when you see our maintenance men out in the community, give them a wave to thank them for everything they do ALL year long.

SAFTEY ALERT and GOOD ADVICE

The following are some NFPA safety tips for running portable generators. Please use them with caution and follow all manufacturing guidelines. They are a great tool, but used improperly they can be damaging and even deadly. Before installing or using a generator get an electrician to advise you on the best and safest way to attach them to your electrical service.

Generator safety tips

Downed utility lines, power company blackouts, heavy snow falls or summer storms can all lead to power outages. Many people turn to a portable generator for a temporary solution without knowing the risks.

- Generators should be operated in well ventilated locations outdoors away from all doors, windows and vent openings.
- Never use a generator in an attached garage, even with the door open.
- Place generators so that exhaust fumes can't enter the home through windows, doors or other openings in the building.
- Make sure to install carbon monoxide (CO) alarms in your home. Follow manufacturer's instructions for correct placement and mounting height.
- Turn off generators and let them cool down before refueling. Never refuel a generator while it is running.
- Store fuel for the generator in a container that is intended for the purpose and is correctly labeled as such. Store the containers outside of living areas.

Carbon monoxide incidents are more common in residential properties.

Carbon monoxide (CO) is an invisible, odorless, colorless gas created when fuels (such as gasoline, wood, coal, natural gas, propane, oil, and methane) burn incompletely. In the home, heating and cooking equipment that burn fuel can be sources of carbon monoxide.

- If you need to warm a vehicle, remove it from the garage immediately after starting it. Do not run a vehicle or other fueled engine or motor indoors, even if garage doors are open. Make sure the exhaust pipe of a running vehicle is not covered with snow.
- During and after a snowstorm, make sure vents for the dryer, furnace, stove, and fireplace are clear of snow build-up.
- A generator should be used in a well-ventilated location outdoors away from windows, doors and vent openings.
- Gas or charcoal grills can produce CO — only use outside.
- You should also install CO alarms in a central location outside each sleeping area and on every level of the home and in other locations where required by applicable laws, codes or standards.

6 Tips to Prepare for Blackout

Before you read the tips, we'd like to ask: How do you prepare for blackout

1. Follow energy conservation measures to keep the use of electricity as low as possible, which can help power companies avoid imposing rolling blackouts.
2. Fill plastic containers with water and place them in the refrigerator and freezer if there's room. Leave about an inch of space inside each one, because water expands as it freezes. Chilled or frozen water will help keep food cold during a temporary power outage, by displacing air that can warm up quickly with water or ice that keeps cold for several hours without additional refrigeration.
3. Be aware that most medication that requires refrigeration can be kept in a closed refrigerator for several hours without a problem. If unsure, check with your physician or pharmacist.
4. Keep your car tank at least half full because gas stations rely on electricity to power their pumps.
5. Know where the manual release lever of your electric garage door opener is located and how to operate it. Garage doors can be heavy, so know that you may need help to lift it.
6. Keep a key to your house with you if you regularly use the garage as the primary means of entering your home, in case the garage door will not open.

At St. Andrews Health Campus and Aspen Place Health Campus, it's never too late to try something new!

At St. Andrews Health Campus and Aspen Place Health Campus, we offer a variety of onsite resident activity programs tailored to our residents' interests and abilities, ranging from cooking classes to painting workshops and more.

Our residents' beautifully designed private assisted living suites are only steps away from our array of five-star amenities. Our programs and services are designed with one thing in mind: exceeding the expectations of our guests and their families.

Warm Caramel Apple Pudding Cake

- 1 large granny smith apple, peeled and thinly sliced
- 1 pkg. yellow cake mix, divided
- 2 pkg. (3.4 oz each) vanilla instant pudding
- 1 1/2 cups cold milk
- 1 jar (12.25 oz) caramel ice cream topping
- 1/4 cup water
- 1 cup thawed whipped topping
- 1/2 cup dry roasted peanuts

Directions:

1. Heat oven to 350°F. Toss apples with 1 Tbsp. cake mix. Prepare cake batter with remaining cake mix as directed on package; pour into 13x9-inch baking dish sprayed with cooking spray. Top with apples.
2. Beat dry pudding mixes, milk, 3/4 cup caramel topping and water with whisk 2 min.; drizzle over apples. Place baking dish on baking sheet.
3. Bake cake 1 hour to 1 hour 10 min. or until golden brown. Cool 20 min. (Sauce will thicken slightly as it cools.)
4. Whisk remaining caramel topping and whipped topping until well blended. Spoon over cake slices just before serving; top with nuts.

WOMEN'S CLUB OFFICERS FOR 2014

Mary Johnson Treasurer - Joy Boyd Secretary - Kathy Tarzwell Vice President - Sharon Kobeske President

Minutes from the Lake Santee Women's Club held on February 10, 2014

On a cold and sunny day 15 members and 2 guests met at the Santee Beachfront Grill for lunch and fellowship.

Rhonda Jackson from Jackson's Nursery gave a presentation on plants for the four seasons. We learned what plants and flowers grow best in our planting zone. They have many new plants this year. A very informative presentation.

Sharon thanked all those who helped take down the Christmas decorations.

We need to come up with an inscription for the plaque that will hang in the Clarksburg Fire Department for our donation. We will talk further when the rest of our group comes back from Florida.

Justin Speer from the fire department asked if we could help with some of the expenses for a mechanical CPR device. After some discussion we decided to donate \$375.00 for the straps that go with this device.

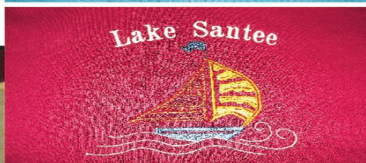

Jean Stutz has a quilt on display at the Arts and Cultural building in Greensburg thru the month of February.

Split the pot was won by Jane Haas.

Respectfully submitted by Kathy Tarzwell
acting for the secretary, Joy Boyd

Winter Birding Delight at Lake Santee

It has been a particularly good winter for birders at Lake Santee as the heavy snows have brought out flocks of birds seeking food, water and shelter. Alice Ball was delighted by a flock of American Robins in her backyard in January when one doesn't expect to see what is considered a spring/summer bird by many of us. For this birder woodpeckers hold great winter interest because 1) they are large, therefore easy to spot, 2) they are dramatically marked so easy to distinguish, and 3) they visit feeders so they are easy to spot from the comfort of one's house.

Lake Santee is abundant with woodpeckers because of our rich habitat of woods and trees. They do not nest in boxes and platforms, just tree cavities making it very important to provide them with living and dead trees for their nests. They also depend on trees for insects, fruit, acorns and nuts for their food as well as feeders.

Of the 180 + species of woodpeckers known worldwide, we are blessed to have 7 species readily spottable here. One in particular, the Yellow-Bellied Sapsucker is just that; a sapsucker. Even if it is elusive to spot, the distinctive, lacy feeding pattern on the branches of its food source is evidence of its presence. The Pileated Woodpecker is attracted to sassafras trees. A trip through The Nature Habitat will reveal the rectangular and oval shaped holes on the trunks, low enough for hikers to spot. It is our largest specie at 16-19.5" in size. Two very similar species are the little Downy (6.5 ") and larger HAIRY (9.5"). It is not actually hairy; it is feathered just like all woodpeckers. The Red-headed Woodpecker is the only specie with a completely red head. It doesn't visit feeders as readily as others but they are easily spotted in the wooded area along Iroquois Trail. The red belly of the Red-Bellied Woodpecker is so obscure that it seems mislabeled. Its zebra-backed pattern is much more distinctive. It does have red on its head. The Common Flicker is distinctive close up by its black bib and by its white rump in flight. Flickers can also be ground feeders in the summer, liking the insects it finds. (Thanks to Deb Evans and Betty Gabbard for the fantastic photographs.)

Woodpeckers at Lake Santee are dependent on us to preserve and increase their habitat. Wooded areas with scrubby undergrowth are essential to their survival. Live and dead trees provide food, shelter and nesting sites. If you don't have trees and shrubs on your property, plant some and the birds will come! Besides, they are good for all wildlife and a healthy environment for us

Wildflower Walk at The Nature Habitat

April 13th at 2:00 p.m.

Our woods is lush and beautiful.

Join us for a discovery hike with Betty Gabbard.

Betty's Backyard Birds

I don't know about the rest of you but I have fed 5 forty-pound bags of Oil Sunflower seed since Christmas and I'm on a fifty pound bag now. I have so much fun watching the birds and keeping track of what I see each day. I have a spread sheet and there are days when I see as many as 18 to 20 different kinds of birds in one day. I had about 6 Robins come to my feeder and little evergreen on Saturday (2-8-2014). I wish I would have had something special to feed them. I have seen two female Towhees at one time. I will be glad to hear them this summer when they are nesting and raising their young. My Carolina Wren has been visiting me a lot lately; he even came out to the wood shed while I was firing up the furnace.
Happy Birding.

Spring Alert-Be on the Lookout

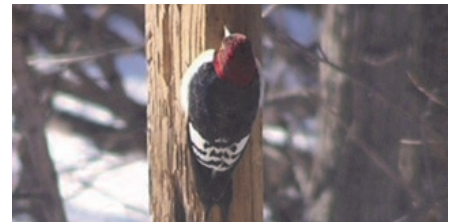

We probably haven't felt the last winter blast but signs are pointing to milder weather. Good signs of spring are the return of our turkey vultures and osprey. This will be the fourth spring of hoping for a nesting pair on one of our platforms. We get migrating ducks, too. They'll be moving through soon. The first blooming wildflower, skunk cabbage, will be visible at The Nature Habitat. Just follow the trail down the hill, around to the left to the alluvial bottom (swamp, on other words) and look in the muck to your left. There are three plants about 6" tall with a curled, maroon blossom in the center. While there, look and listen for woodpeckers. They'll be calling and hammering to attract mates

MEMBERS INTRODUCTION AND COMMENTS

Members were asked to introduce themselves and given the opportunity to express comments.

Bill McVey reported that the state permits for the new fire station have been requested. Things are moving rather quickly. A new mailing will be sent out soon listing all upcoming fundraisers. The Chili's restaurant in Greensburg will be participating in the "Chili's Give Back Program" with the Clarksburg Community Volunteer Fire Department on March 5 & 19 and April 2 & 16. Take a voucher when you visit the restaurant on those dates (dine in or to go) & Chili's will donate 10% of each bill to the CCVFD. Vouchers are available at the Lake Office, inside Smoke Signals, and from CCVFD fire fighters.

CORRESPONDENCE

Brad Jones distributed 5 more letters from members concerning the back gate to Board members.

Community Room – Angel Hocker

No Report (see rule changes above)

Building Committee – Polly Ann Fox

The following building permit was issued this month:

Tony & Connie Adelman, Lot 198 Addition to existing boat dock

Section 12 of the Rules & Regulations which pertains to building and building permits will be reviewed and recommendations will be made at the March Board meeting. Doug clarified for the members present as to what that review would encompass.

Clean Up – Polly Ann Fox

The Clean Up Committee did not get a chance to tour the property due to inclement weather.

Roads & Maintenance – Randy Ostendorf

Brandon reported to Randy that our salt/sand supply is still in decent shape and should get us through the rest of the winter.

Security – Jim Massingale

Jim asked about the process of replacing the new speed bumps with lower ones, and Brad will report back in March on the progress.

The Security Report will be posted in the Smoke Signals.

OLD BUSINESS

None

NEW BUSINESS

Approve dredge contract - The dredging contract with Dredge Resources of Olney, IL, for the 2014 summer was discussed. The board discussed spending \$50,000 for dredging

along with the scope of work. Homeowners will responsible for paying the Dredge Resources for any private work they have requested.

The contract was approved after a motion by Jim Massingale, seconded by Randy Ostendorf.

ILMS – Conference - The Indiana Lake Management Society holds an annual conference with sessions that could benefit Lake Santee. The Board would like to send 4 people to the 2-day conference on March 20-21 at \$95.00 a person. **Angel Hocker made a motion to accept this recommendation, seconded by Jim Acton. Motion passed.**

MANAGER'S REPORT

Brad Jones reported that \$620.15 has been collected in bad debt during January. Statements for dues & assessments were mailed on February 10th and are due before April 2nd without penalty. A reminder that dues have been increased \$20.00 but boat and golf cart permits remain the same. 54 more golf cart permits were issued in 2013 compared to 2012, so please be aware of those driving golf carts this summer.

Brad has negotiated a better contract for propane with a different provider which should protect us from huge price fluctuations.

Summer office hours begin March 1st, with the Lake Office being open on Saturdays from 9am – 3pm.

Brad thanked Dave & Renee Norman (Lot 207) for a generous donation of 6 benches to be placed under the beach umbrellas on the main beach.

Please check Facebook and the website for the latest updates.

There being no further business, Randy Ostendorf moved to adjourn, seconded by Angel Hocker, motion carried. The next regular meeting will be held on March 12, 2014 at 7:30 PM in the Community Room.

Respectfully submitted,

James Acton, Secretary

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.

Totem Pole Trivia

by Nancy Fredrickson

Lake Santee Women's Club had a vision 16 years ago that they would like to have a new Totem Pole at the entrance to the lake. With the LSPOA board's permission they began to study Totem Poles. Some of our members had seen the beautiful carvings done by Red Hawkins, and a group of us met with Red in town to discuss our project. Red agreed to carve our Totem Pole, and he gave us the challenge to find a Catalpa Tree with at least 30 feet of straight trunk. The entire community joined in the search for such a tree, but every one we found branched too near the ground. Red came to our rescue because he had located a suitable Catalpa Tree on the farm of his friend, Dave York.

On July 20, 1998, Pat & Keith Burgess and Nancy & Clair Fredrickson were to meet Red in town to drive to the tree farm. Darrow McCreary, Lake Manager, called Nancy early that morning to tell her to hurry because our current Totem Pole had been hit by lightning the night before. Arriving at the farm, our chosen tree was about 80 years old and growing in a grove of trees that had been planted for fence posts. It was 70 feet tall, no branches for at least 30 feet, and straight as an arrow (or Totem Pole). It was beautiful! Paul Hughes of Hughes Tree Service, cut down the tree and cut off the branches, donating his services which we really appreciated. We had the tree moved to Red's Buggy Bath on Main Street.

The "Barking Party"

On August 3, many Women's Club members and their husbands joined us for what became known as the famous "Barking Party" to remove the bark from our Catalpa tree. The tree then had to age for 6 months.

During this time, the Women's Club members had to decide what we wanted carved on our Totem Pole. We studied books, talked to Red Hawkins, our carver, and thought of symbols that represented our love for Lake Santee. Barb Hickey, the artist in our group, helped us draw them in a pleasing order on a long strip of brown paper, which I still treasure. Red was a big help on the details of our drawing, and we gave him artistic license to make changes as he saw fit. In October we had agreed on final plans, and we moved our tree to Red's home at Lake McCoy. Red built a shelter in his yard and covered it with plastic so he could have a heater inside to keep him warm as he carved.

Red began carving in February, and we were excited to see the beginnings of his carving on March 2nd. Each time we went to see it we were thrilled to see how he had taken our sketches and transformed them into a work of art. Red finished carving about

Red Hawkins carving our totem pole

May 1st, and on May 10th we moved our Totem Pole a 3rd time – to our new Lake Santee maintenance building.

Patty Burgess, Barb Hickey, Connie Barnes and Nancy Fredrickson staining our totem pole

Barb and Dick Hickey were in charge of staining the Totem Pole, and they purchased penetrating finish that Jean & Company tinted in the colors we had selected. The week of May 10-15 we donned our best clothes, and tried to stay out of Tom Crowe's way as we stained and sealed our Totem Pole. With Red's detailed carving, and Barb and Dick's colored plan and their artistic guidance, it was almost like paint by number. Our stainers were Barb & Dick Hickey, Connie Barnes, Pat Burgess, Rilla Denton and Nancy Fredrickson.

At this point we turned the project over to Tom Crowe, Darrow McCreary, Harold Cooke, and the maintenance crew. A few things they had to figure out were: how to reinforce the pole to keep it from splitting, how deep the concrete needed to be, how to mount it so that there would be an air space between the wood and the concrete so the pole would not wick moisture from the concrete, how to lift the pole into place, and how to level it once it was in position. The week of June 7th, they dug the hole and poured the concrete. Tom's final challenge came on June 22 when he brought in a boom truck and he and his crew skillfully and successfully put our Totem Pole in place.

front page of the paper the next day!

In July Lake Santee Women's Club hired Roger Locke of Custom Wood Signs to make a sign for our entrance. Fortunately, the maintenance team actually installed the sign, not us.

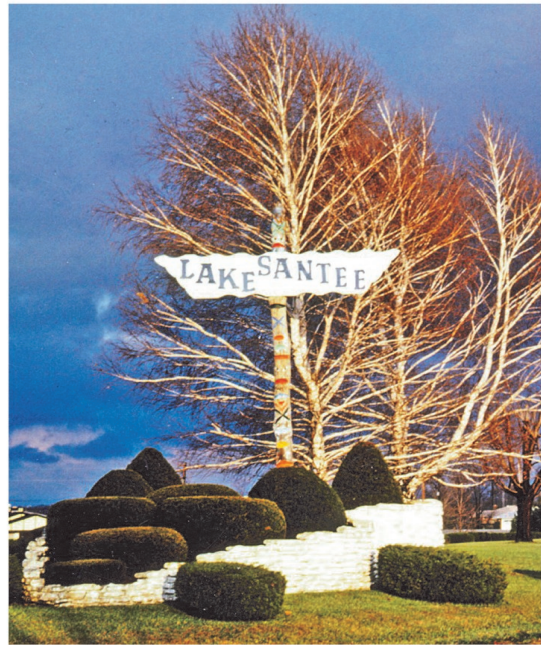

Our Totem Pole Dedication was held on July 24, 1999. We had invited everyone who had helped with the project as well as LSPOA employees and board members. Women's Club also sponsored a Caribe Steel Band concert on the following afternoon as a celebration.

Presiding over the ceremony were Nancy Fredrickson, president when the project began, and Connie Barnes, president during the 2nd half of the totem pole construction. Red Hawkins was honored as he proudly carved his name on his totem creation.

We all hoped the 3rd time would be the charm, since this was our third totem pole.

ALL THE ABOVE MAKE LAKE SANTEE A BEAUTIFUL PLACE TO LIVE

Minutes

Meeting of January 16, 2014
3:30 PM
Lake Santee Community Room

Members Present (6), Members Absent (1), Members Participating Electronically (0)

1. Introduction of New Members

Jim Hornig and Greg Montgomery have joined the District Board effective 1/1/14 and will serve a 3 year term. Long time Board Members Bill McVay and Frank Erdosy retired at the end of 2013 – thanks to both of these guys for their many years of dedicated service.

2. Roll Call

Scott Gibbs called the meeting to order and requested a roll call. Trustees present were: Clair Fredrickson, Paul Gosnell, Scott Gibbs, Kathy Tarzwell, Jim Hornig, and Greg Montgomery. Also attending were Brad Jones, RWWD Administrator, and Brandon Litmer, Utility Superintendent.

3. Election of Officers for 2014

The slate of Officers presented for 2014 was Scott Gibbs – President; Clair Fredrickson – Vice President; Kathy Tarzwell – Treasurer; Paul Gosnell – Secretary. No other candidates were presented from the floor.

A motion was made by Clair Fredrickson and seconded by Kathy Tarzwell to accept the slate of new Officers for 2014. Motion approved.

4. Consent Items

- a. Minutes from December 19, 2013
- b. Financial Reports
- c. Registers of Claims for sewer operating
- d. Registers of Claims for water operating

A motion was made by Kathy Tarzwell and seconded by Clair Fredrickson to accept the consent items along with the spelling correction in the minutes and the change in account 733-68 in the December Profit & Loss YTD Comparison Report. Motion approved.

5. Operators Report

- a. Sewer Status Report – Brandon reported: The sewer plant is operating well with no issues and all tests are normal. There have been no issues related to the cold weather. Pump calls were up slightly in December, likely due to the large amounts of rainfall.
- b. Water Status Report – Brandon reported: The water plant is operating well with no issues and all tests are normal. A pressure transmitter froze up from the cold weather and had to be replaced. Several residences have experienced frozen pipes and valve turns are up as a result.
- c. Administrator Status Report – Brad reported:
 - i. There were 18 accounts paid by credit card last month.
 - ii. There were 9 disconnects last month with all but 1 reconnected.
 - iii. Brad distributed copies of two proposed Bills that are being discussed in the Indiana Legislature that may affect Waste and/or Water Districts. Members were asked to review the Bills so they could be discussed at the February meeting.
 - iv. Brad will renew our annual membership in the IRSDA and IRWA.
 - v. Brad will renew our FCC radio licenses.

vi. A check has been received from Decatur County for the tax sales.

d. Project list Status – No change.

6. Committee Reports

a. Board Member Guide Committee

i. New Member Orientation Packets – Both Jim and Greg received.

ii. Officer Manuals – We will be putting together short manuals (or quick reference guides) to aid new Officers in their routine duties.

7. Old Business

a. Status of Ordinance, Resolution, and Policies verification – Resolutions and Policies are nearly complete now with the goal of Ordinances being verified by the March meeting.

b. Management Agreement Update – The LSPOA Board has executed the 2014 Agreement, which will take effect in March.

8. Attorney's Report – Brad read a letter from Ann Poindexter regarding an ongoing case in a nearby county related to tax lien sales – she will keep us updated.

9. New Business

a. Write-Offs

There were six write-offs this month, mostly related to repossessions and bankruptcies. Lot 126 – \$571.06, Lot 243 – \$142.13, Lots 491/492 – \$258.50, Lot 949 – \$8.88, Lot 1616 – \$323.19, and Lot 1665 – \$314.20.

A motion was made by Clair Fredrickson and seconded by Greg Montgomery to write off the amounts for the Lots listed above.

b. Contact Sheet Update – Members updated their contact information and a new sheet will be distributed.

c. Upcoming Conferences / Training Classes

i. Scott and Brad will attend an IRSDA Conference on 1/17/14 that will focus on Form RD-442.

ii. Brandon will attend the AWWA Conference 2/11/14 – 2/13/14.

iii. Brandon will attend the AIRW Conference in March – more details will be discussed at the February meeting.

iv. Between these two Conferences, Brandon can obtain most of the CE credits he needs to keep his licenses in compliance.

d. Compliance Submittals – Discussed making sure our check list is current.

e. Plant Tour – After adjournment of the February meeting, there will be an optional tour of the plants for anyone who would like to walk through.

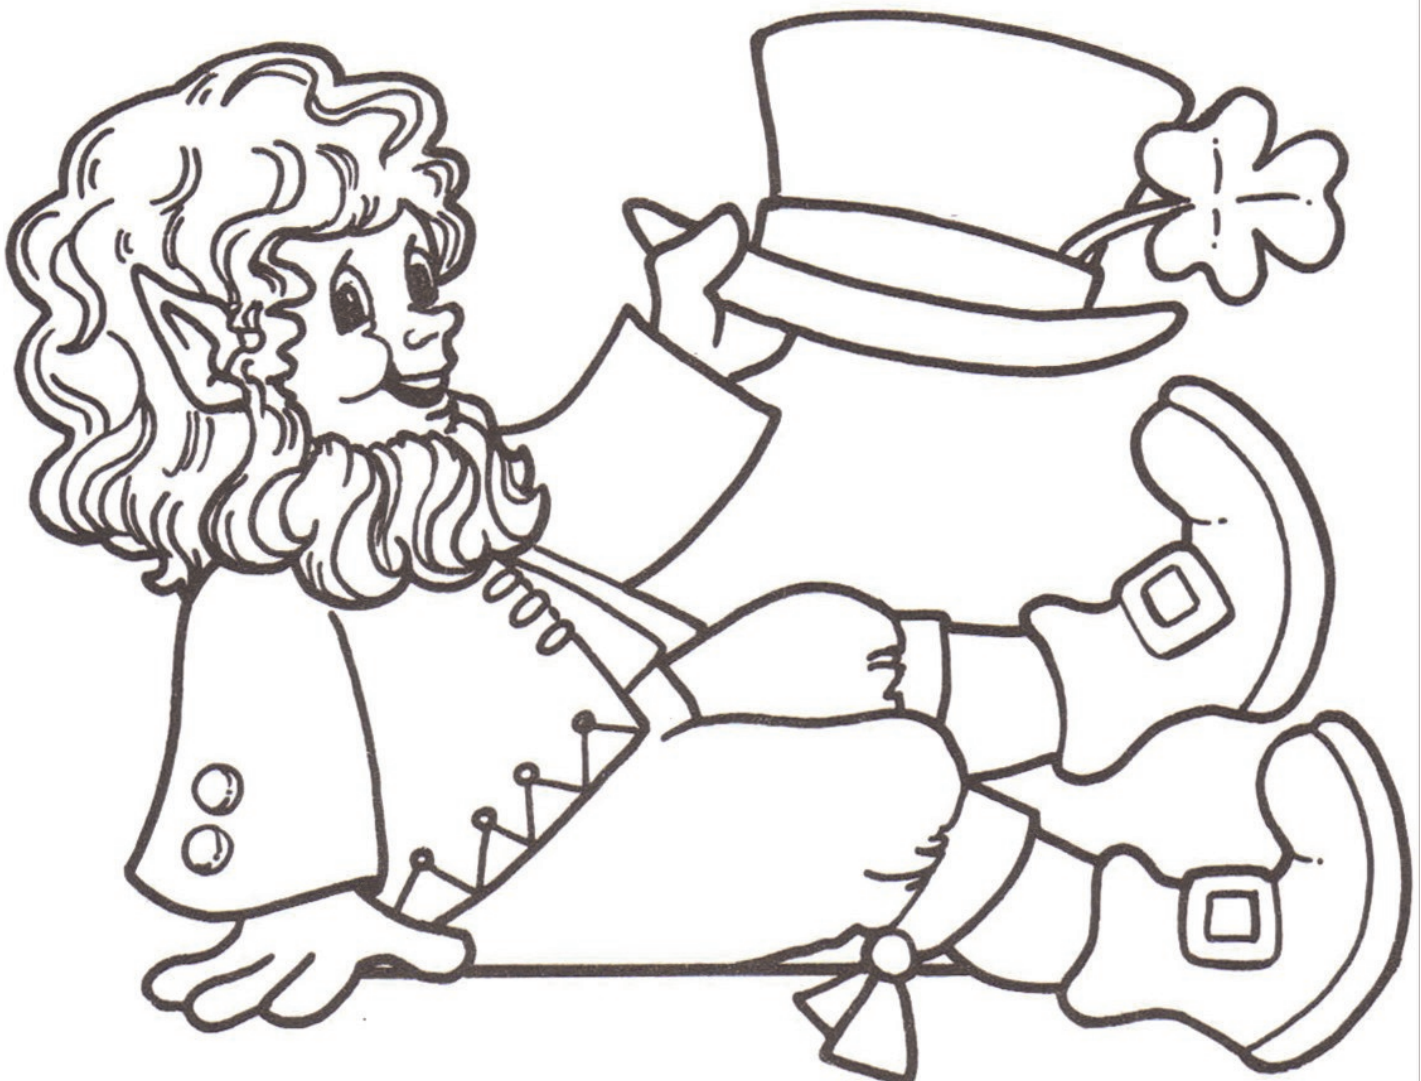

10. Adjourn

Rates are low. Friendliness is high.

Right now, mortgage rates remain at historic lows, and that's a very good thing. We'll work with you to understand your needs, answer your questions, and get you the lowest rate possible. After all, it's what we love to do.
