# CLARKSBURG VOLUNTEER FIRE DEPARTMENT STATION # 2 AT LAKE SANTEE

STATION NO 2 IS ALMOST DONE!!!!

TO CELEBRATE THE COMPLETION, WE WILL BE  
HOLDING A PULLED PORK DINNER AT THE NEW  
STATION ON SATURDAY 11/15/2014, FROM 5 to 9 pm.

IT IS A CELEBRATION DINNER (FREE WILL OFFERING  
ONLY) TO CELEBRATE THE COMPLETION OF THE  
PROJECT AND THE HARD WORK OF THE MANY  
VOLUNTEER FIREMEN AND THE WORKERS THAT HAVE  
MADE THIS HAPPEN.

MOST OF ALL IT IS A CELEBRATION OF THE GIVING  
SPIRIT OF THE PEOPLE OF THE CLARKSBURG  
COMMUNITY VOLUNTEER FIRE DEPARTMENT FIRE  
SERVICE AREA.

THANK YOU ALL FOR MAKING THIS GREAT ADDITION  
POSSIBLE TO IMPROVE OUR SERVICE TO THE AREA.

COME SEE THE NEW STATION AND CELEBRATE WITH  
YOUR FRIENDS AND NEIGHBORS

**Grand Opening Station 2**  
**Dinner 11/15/2014**  
**Serving from 5PM to 9PM**

We will be serving pulled pork, 2 different sides and drinks.

We would like to have deserts, however, to do that we will need volunteer pie, cookie or cake bakers to step forward.

The estimated crowd is 175 people. That means 175 deserts. A pie will produce 6-8 slices, cookies about 3 to a serving. So we will need lots of each. If we get more than we need, maybe we can auction off the extras.

Bringing Station No 2 to reality has had lots of volunteers working, and here is the last request for volunteer workers (I hope!!!)

Thanks to all for the help and support

**Bill McVay - Coordinator**

## THE AUTUMN FAMILY BONFIRE

That was to be held on October 18 th was postponed due to the rainy weather.

Unfortunately we went to press before the event occurred.

## THE LOLS HOWL'OWEEN PET PARADE

Was held on October 18th. We are sorry to report that we did not get a complete report on this event.

We will attempt to give a full report on both events in our next issue

## Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was

published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

The **Greensburg Breakfast Optimist Club** is offering the **AVENUE OF FLAGS** program to our Lake Santee neighborhood again this year. They are offering a subscription to celebrate six (6) national holidays with the entrance to be lined with American Flags for \$30 per year. They also offer a four year program for \$100.00. The **Greensburg Breakfast Optimist Club** will place a 3 foot by 5 foot American Flag, previously flown over the nations' Capitol, on a 10 foot pole at your designated location within Decatur County on these six national holidays: **Memorial Day, Flag Day, July 4, Labor Day, September 11 and Veteran's Day**. All proceeds of the **Avenue of Flags** are used for Optimist and community programs which support local youth programs. If you participated in this display last year , then we urge you to renew your subscription . If you have not helped with this display before , please consider it.

Please join our project in filling our two islands with flags. It is indeed an impressive sight.

### **FREE MOVIE**

*Honor Flight* is a heartwarming documentary about four living World War II veterans and a Midwest community coming together to give them the trip of a lifetime. Volunteers race against the clock to fly

thousands of WWII veterans to Washington, DC to see the memorial constructed for them in 2004, nearly 60 years after their epic struggle.

The trips are called “Honor Flights” and for the veterans, who are in their late 80s and early 90s, it’s often the first time they’ve been thanked and the last trip of their lives. The 24-hour journey is full of surprises that deeply move all who are involved. It’s uncommon for World War II veterans to talk about the War, but the Honor Flight experience brings their stories out. Many veterans say, with the exception of their wedding day and the birth of their children, the trip is the best day of their life.

However, success is all but ensured. 1,000 World War II veterans die every day and getting them on an Honor Flight in time is a constant battle.

**Wolf Theatres is showing this heartwarming documentary on Nov. 6 at 10:00 a.m. Free to the public and open to all. Special invitation to veterans and their families of WWII, Korea & Vietnam.**

*Sponsored by: Porter-Oliger-Pearson Funeral Home.*

An opportunity is a terrible thing to miss! The Lake Santee area experienced a hail storm that caused significant damage. We know this because one of your neighbors will be receiving a brand new roof, gutters, trim and some interior painting because of it. The insurance companies are tightening their rules, so you need an experienced advocate who knows the law and works daily with the adjusters to insure you get every penny you deserve. Don't wait because the statute of limitations is going to run out and then your claim is void. Call us today for a free, no obligation roof inspection.

## 2014 TEAM BASS TOURNAMENT

### **\*SUMMER'S END EVENT\***

Any Questions / Contact Chip Ayers at (812) 593-8915

[hayers@isp.in.gov](mailto:hayers@isp.in.gov)

The final tournament of the 2014 season was held on September 21st at beautiful Lake Santee and what started out as a rainy morning turned into a beautiful day for a bass tournament. While the rain may have made a few anglers reconsider their day, seven hardy teams participated in the event. As in past years, this year's derby was held with a twist. The tournament was separated into two periods with the anglers able to bring in a total of five keeper bass in the combined two halves. Event winner Bob Delay and Joe Fuentes weighed in two bass in the early period for a total of 8 lb. 6 oz. Their catch included the day's Big Bass, a 5 lb. 4 oz. trophy! the pair managed to add two more keeper bass in the second half, which raised their total catch to 11 lb. 14 oz. enabling them to take the top prize. Second place went to the combination of Todd Milburn and Leroy McQueen would put four bass on the scales weighing 8 lb. 8 oz. A team which has competed with us for quite a while, the father/daughter pair of Gary and Brianna Salamme, took our third place award proving persistence does pay off. Congratulations to everyone!!!

Immediately after our final weigh-in, all of our anglers, families, and special guests made their way to the Community Room for quite a dinner. Fried chicken with all the fixings and desserts were provided by Mr. Paul Pank of Hilliard Lyons in Greensburg, IN. Paul has graciously donated for the past few years to make this dinner possible and without his support we would not be able to make this the event it is.

Also, longtime sponsors Jack and Betty Kerner of Angler's World in Greenfield, IN, made the trip down for the weigh in and dinner. As they have long time done, they made sure each angler went home a winner as everyone was given a huge complementary tackle pack with loads of baits inside!

Mike Cutrufelli, the Lake Santee P.O.A. Board Director of Recreation, provided beautiful plaques for all of our winners on behalf of the Lake Association as well as providing drinks for the event. As most folks know, Mike is known as the "Coffee Guy" around these parts and he did not let anyone down, providing coffee, tea, and hot chocolate for the anglers between the weigh ins and also at the dinner!

Lisa and I would like to publicly thank all of these wonderful people for their help and contributions in making our events the success they have become. In addition, our thanks go out to President Dick Veach and all of the Lake Santee P.O.A. Board Members for their long time support of our tournaments. We would also like to thank each and every person who participated in the tournaments this year and to all the wonderful folks who come to watch the weigh ins. Last but certainly not least we would like to thank Paul Gosnell for his wonderful coverage of our events in the Smoke Signals. Rest assured, we are looking forward to making 2015 an even bigger success.

Until next year, please remember to PRACTICE CATCH AND RELEASE on Lake Santee's bass and take time to take a child fishing.

God Bless,

Chip Ayers

# ***GOLF CART RUN***

A group of friends and neighbors get together once a month for a ride around the lake on their golf carts and then return to the designated host home for a pitch-in dinner and socializing. You don't have to own a golf cart to join in as many of them are two seaters that you can ride with. You are requested to bring a covered dish, meat will be furnished. A \$5.00 donation will get you into a 50/50 drawing with half of the money going to support various children activities here at the lake. i.e. The Easter Egg Hunt, Christmas with Santa, Halloween, Fishing, etc.

A sign up sheet was passed around for Host and Hostess for the [2015] Golf Cart Runs . We are pleased to say that all of the Rides are spoken for , however if you would like to help by being a drink stop host contact Mary Beth at the Bay Shore

## Warm Caramel Apple Pudding Cake

- 1 large granny smith apple, peeled and thinly sliced
- 1 pkg. yellow cake mix, divided
- 2 pkg. (3.4 oz each) vanilla instant pudding
- 1 1/2 cups cold milk
- 1 jar (12.25 oz) caramel ice cream topping
- 1/4 cup water
- 1 cup thawed whipped topping
- 1/2 cup dry roasted peanuts

### Directions:

1. Heat oven to 350°F. Toss apples with 1 Tbsp. cake mix. Prepare cake batter with remaining cake mix as directed on package; pour into 13x9-inch baking dish sprayed with cooking spray. Top with apples.
2. Beat dry pudding mixes, milk, 3/4 cup caramel topping and water with whisk 2 min.; drizzle over apples. Place baking dish on baking sheet.
3. Bake cake 1 hour to 1 hour 10 min. or until golden brown. Cool 20 min. (Sauce will thicken slightly as it cools.)
4. Whisk remaining caramel topping and whipped topping until well blended. Spoon over cake slices just before serving; top with nuts.

## Teepee Talk

### Thank You

Effing Norton Construction would like to thank the Lake Santee community for their support in our time of loss. Ron Effing made many friends over the years through the projects that were completed at Lake Santee. Ron loved his job, but more importantly, he loved socializing with everyone. We have been following his example for many years and will be continuing the business. Please do not hesitate to contact us for any of your future needs. We look forward to hearing from you!

Thanks again,

Jeremy & Amber Effing, Josh Norton, Doug Wessel and Sam Wessel

### Get Well . . .

We want to wish Eleanor Miller a speedy recovery from her recent fall, which resulted in a broken hip. She had surgery on Oct. 7th. and is now recovering at Aspen Place.

We heard this past week that Delbert Conley had open heart surgery on Oct. 16th. He is doing fine after surgery. Not sure when he gets to come home, but keep him in your thoughts and prayers.

### Thank You

The Booster Club wants to thank the Women's Club here at the Lake, and The Greensburg Optimist Club for their very generous donations this past month. These funds will help offset our cost of producing the Smoke Signals.

**FRONT COVER;** We all have enjoyed some FISH stories by our own Dan Graves , written exclusively for the Smoke Signals. Well it turns out he really does fish. His wife Judy took this picture last month of him wetting a line while enjoying one of our fantastic sunsets. She didn't say if he caught anything though.

# HISTORY OF LAKE SANTEE

## THE FIRST FIFTY YEARS

Before

After

THE FIVE RESIDENT FIREFIGHTERS MOST RESPONSIBLE FOR THE REMARKABLE TRANSFORMATION OF THE SANTEE ENGINE ARE, LEFT TO RIGHT: CHARLIE WERNER, GREG GEIS; DARROW MCCREARY, LAKE MANAGER; TOM DALE, ASST. CHIEF OF THE CLARKSBURG DEPARTMENT; AND BILL DASHIELL.

ALLAN BEALL, RIGHT, PRESIDENT OF THE BOARD OF DIRECTORS OF THE CLARKSBURG VFD ACCEPTS THE KEYS TO THE SANTEE UNIT FROM KIWANIS REP, GLENN SHOWERS, WHO'S PARTIALLY HIDDEN BY A VERY SPECIAL LADY, LOIS EWING IS LOOKING OVER A PLAQUE TO BE PLACED ON THE TRUCK HONORING HER DECEASED HUSBAND RUSSELL'S STRONG SUPPORT OF THE PUMPER PROJECT. THE EWINGS FIRST HOME AT THE LAKE WAS DESTROYED BY FIRE.

AT THE CONCLUSION OF THE DEDICATION THE DEPARTMENT CONDUCTED A DEMONSTRATION. A JOINT COMMITTEE OF THE KIWANIS WIVES AND THE LAKE-LADIES' HOBBY CLUB TREATED CLARKSBURG VOLUNTEERS, THEIR FAMILIES, LAKE RESIDENTS AND NEIGHBORHOOD CONTRIBUTORS TO A PITCH-IN.

# LAKE SANTEE PUMPS MORE FIRE PROTECTION INTO THE TOWNSHIP

It's been nearly twenty years now since land developers first laid eyes on 1,250 acres of forest and farmland, mainly in Fugit Township, for the plotting of a 250 acre man-made lake and the staking of 1,300 potential building sites. What was assumed would be primarily a seasonal facility for recreational reasons, surprisingly proved to be equally popular with people seeking rather a permanent rural environment.

Lake Santee has turned out to be the township's most densely populated community, in contrast to Clarksburg, some five miles away, where Fugit's fire fighting efforts are based. Lake residents have always considered themselves lucky to be within such reasonable distance of professional assistance; and have nothing but praise for their department's performance. Although four homes have been ruled total fire losses, several near disasters have been averted by the Clarksburg volunteers. Realizing, however, that a fire of even the smallest origin intensifies tremendously with each tick of the clock between detection and attention, several of Santee's most concerned citizens began to consider providing themselves with an interim measure of protection.

The new Kiwanis Club was ready to tackle its first project and this cause was surely Santee's top priority. They were sure they could raise some money; but needed someone to tend to the technicalities. Acting on the advice of five members of the Clarksburg Department who live at the Lake, several options were proposed. They weighed the cost of equipping a 3/4 ton pickup with the very minimum of trade tools, to finding a used fire truck or having one custom-made to meet their needs. In the meantime, Ray Geis, father of a firefighter and Lake marina-manager Greg, stumbled onto a sympathetic heavy duty equipment dealer who made them an offer they couldn't refuse on a used truck that could carry the kind of payload they preferred. \$2,500. bought them a seven year-old 2 1/2 ton chassis International, with extras like a 3,000 watt generator to operate flood lights and power tools, an auxiliary compressed air tank to pressurize such rescue devices as an air chisel and 100 cu. ft. of storage space.

The truck made its debut in December, something of a Christmas present to contributors thus far; but it was destined for the maintenance building where the next phase of the project was to give it a facelift.

The volunteers wound up moonlighting the winter long, first cleaning, sand-blasting every part, mending the body, priming and having it painted. Piece by piece, it began to look like a fire truck. They went with the maximum size water tank the 11 ft. utility bed would allow, giving them a 413 gallon capacity. They opted for a front-mounted 500 gallons per minute pump that enables them to draw water directly from the Lake or a cistern to the fire when possible or replenish the tank and return to the scene. On the other end, the electric start pump is plumbed for portable use in case it must be carried to a water source. Two hose beds hold 300 ft. of 1 1/2 inch nylon hose and two electric rewind reels contain 200 ft. each of one inch booster line. Lights, ladders, a combination siren/PA system and radio equipment have since been installed.

To be complete the unit is still in need of numerous comparative little items, like various size ladders, nozzles and axes, some of which will be furnished through township fire funding as it becomes available. Emergency medical equipment will also be provided as several persons have completed or are now taking such training. Although well over \$10,000 has been spent, the club and the community are determined to cover the expenses as the drive continues. In the late going, the Lake's Board of Directors instituted a guaranteed grant of up to \$2,000., offering to match contributors dollar for dollar.

At its official unveiling, the vehicle looked like it just rolled off the assembly line; and it's likely it will continue to receive only the finest care. They figure it's worth now in the range of \$40 to \$50,000. Although the truck is stationed at the Lake, it is available for service outside Santee, so the true value of a 2-pumper department will be realized throughout the Clarksburg and surrounding districts.

## FOWALS takes annual road trip to UTOPIA

Screech owls Eric and Garrick, Judy the possum and Grubby the ground hog are just a few of the stars of the Friends of Wildlife annual tour of Utopia Wildlife Rehabilitators. We also met Squeaky Pete the broad wing hawk, Princess Isabella the falcon, Sheldon the box turtle, Chai the red fox and Cloud the coyote among other birds and mammals, all victims of car encounters, dog attacks, or human abuse, currently in the care of Kathy Hershey, center director. So far this year Kathy reports releasing 400 birds and conducting 150 tours and programs for the benefit of rescuing and rehabilitating injured wildlife. Animals that are not releasable stay at the center for educational and display purposes. Currently the center is raising funds to purchase adjacent property with buildings for an animal hospital and indoor classrooms. The timing was perfect. We completed our tour just moments before it began to rain, again! To find help for injured wildlife, call Larry and Nanette Howard, 812-663-2548 or Charm Seright, 812-663-5465.

## Betty's Backyard Birds

I don't know about anyone else but I saw my last Hummingbird on September 29<sup>th</sup> and it was so sad to see them go. I haven't put my other feeders out as of yet but I'm sure I will get that job finished by the end of the month. I have had Titmouse, Chickadees, Cardinals and Towhees come looking around to see if the feed is out. And of course my Carolina Wren has been serenading me every once in a while. What a beautiful song! I saw my Eastern Phoebe again today (10/14/14.) I wonder when it is going to decide to leave.

Happy Birding!

## October 10th Minutes from the Lake Santee Women's Club

Fourteen ladies met on a beautiful October day at the Sea Shack for lunch prior to the monthly meeting. Several ladies were in costume for Halloween.

The program scheduled for the meeting has been moved to the November meeting.

President Sharon Kobeske began the meeting with a quote from Eleanor Roosevelt. "A woman is like a tea bag. You never know how strong she is until she gets into hot water."

The officers read their monthly reports.

Thanks were given to garden committee members, Cindy Fowler for the beautiful flower planters at the lake entrance, and to Judy Veach for the lovely roses at the end of Wrenn Parkway.

The nomination committee reported that they are still needing a candidate for President. Anyone interested in the office for the upcoming year should contact Judy Veach.

The club received thank you notes from our local Hospice and Bread of Life for their recent donations.

The club received a letter from Alexis Jarman of the lake. Alexis is working towards earning her Girl Scout Gold Award. She is collecting musical instruments to refurbish and distribute to the Mountain Music Mission in Virginia. Alexis will be going to the facility during Thanksgiving. Alexis will receive a donation from the club to assist her in making a "lasting difference in the world".

Sign up sheets for the 2015 committees were once again distributed among members. There is still time to sign up for positions. If interested, please contact Sharon Kobeske.

Survey sheets on where to put our monies were completed by club members. A vote will be taken at the November meeting.

The November meeting will be held on Monday November 10th and will be the installation of officers.

Split the pot was won by Barb Powers.

Respectfully submitted by Joy Boyd, Secretary.

After presentation, the bills were approved for payment on a motion by Polly Ann Fox, and seconded by John Lecher.

**MEMBERS INTRODUCTION AND COMMENTS**

Members were asked to introduce themselves and given the opportunity to express comments. Charm Seright shared that the Friends of Wildlife group will be hosting a guest speaker. Chris Fox, a wildlife enthusiast and the Director of Soil and Water Conservation for Franklin County will be speaking on November 5 at 7:00 p.m. Charm also discussed a cleanup letter that her residence received for having a dead tree in their yard. Charm expressed concern about getting rid of the tree because it is a natural habitat for animals and birds. She expressed that the cottonwood tree was never a favorite and was hit by lightning causing it to drop. Charm stated the tree is home to a great deal of wildlife, and she wished to keep it. She has gotten rid of small branches and planted mosses and other vine type plants to improve the appearance. Dick Veach thanked her for her comments and suggested she speak to the board during the executive session in more detail about her concerns and to find a resolution to this situation.

## **CORRESPONDENCE**

**Nothing at this time.**

## **COMMITTEE REPORTS**

### **Rules & Regulations – Polly Ann Fox**

**Nothing at this time.**

### **Recreation – Mike Cutrufelli**

Mike discussed that the last Golf Cart Run and the Bass Tournament were both a success. He then discussed upcoming events.

October 18: HOWL'ween Pet Parade (6 categories from 3-4:00 p.m.)

Autumn Family Bonfire from 6:30-10:00 pm.

OGR (Old Guys Rock) will be playing in the shelter

Boy Scout flag retirement ceremony

Bring chairs, S'mores, marshmallows

Letts Fire Department UTV/Cart Run

County Sheriff will lead this run. The group will be driving through and possibly stopping for treats at the Sea Shack.

October 25: Lake Santee Trick-or-Treat 5:00 pm – 8:00pm

October 30: 50<sup>th</sup> Golden Anniversary Meeting 7pm-open Community Room

### **Lakes & Beaches – Larry Foster**

The committee has \$500 to build a fish habitat to aid young fish in growth and development. Larry stated that he is still looking into creating a wetland that would slow the need for dredging.

### **Membership – Carol Goodwin**

Carol presented the following new members:

- Dana Harvey Lot 1616
- Rodney & Jena Schmidt Lot 791

- Ian & Casey Weber                      Lots 1125 & 1126
- Kevin Kuhn                                Lots 958, 959, 960
- Aaron Schwendenmann                Lot 1474
- Tom & Carol Schwendenmann        Lot 1474
- Micah & Allison Brewer              Lots 1555 & 1556

Carol mentioned that she has made up a short questionnaire for new members so that we can get to know new residents a little better.

### **Community Room – Carol Goodwin**

Nothing at this time other than Santa will be making an appearance and visit in December.

### **Building Committee - Jim Massingale**

The following building permits were issued this month:

- John & Kara Schalk, Lot 263                      Dwelling & garage
- Jane & Check Weisenbach, Lot 1371              Reside house & garage
- Chris Rodal & Chs Hocker, Lots 935/936        Tile ditch between driveways
- Lake Santee POA                                      Amphitheater
- Ian Weber, Lots 1125 & 1126                      Fence
- Maurice & Marsha Lay, Lot 1374                Unattached garage
- Robert & Janet Stoffel, Lot 1366                Expand current dock

### **Clean Up – Jim Massingale**

Jim Massingale stated that the clean up committee made a tour around the lake on both the 4<sup>th</sup> and the 25<sup>th</sup> of the month. On the 4<sup>th</sup>, the committee sent out 6 first letters, 3 second letters, no third letters, 3 thank you letters, and 5 residence were put on watch. On the 25<sup>th</sup>, the committee sent out 8 first letters, 2 second letters, 1 third letter, 2 thank you letters, and 8 residences were put on watch.

### **Roads & Maintenance – Ron Day**

Ron Day stated that due to the run of good weather, the crew has about caught up on mowing. We did lose our last summer maintenance crew employee. The bandstand will be under construction soon.

### **Security – John Lecher**

The security vehicle went back into the shop for some minor repairs, all under warranty. Full report will be in the Smoke Signal. Political signs are allowed in yards 30 days prior to an election. Joe Jarman stated that there are many people speeding on the gravel roads and that there are no speed limit signs posted on the gravel roads. All residents need to understand that all Lake Santee roads have a speed limit of 25 miles per hour. There have been some gas thefts, and security urges members to be on the look out.

### **OLD BUSINESS**

*Update on bandstand*

The bandstand will be under construction soon. Flags have been placed to give residence an idea of where the bandstand will be located. After some discussion during the executive meeting, the bandstand will be angled more towards the side of the beach where boats pull in and park. This will allow for more room to sit in the grass or on the beach and listen. Plans seem to be on target as far as staying within the budget and the funds donated by the Lake Santee Women's Club. Dick thanked Ron Day, Dan Graves and the maintenance staff for their work on this.

## **NEW BUSINESS**

### *Approve transfer from Raymond James to checking*

Need approval to transfer funds from the Raymond James investment account to the MainSource checking to cover \$54,425 in dredging fees that were not budgeted to come out of operations.

A motion was made by Larry Foster and seconded by Mike Cutrufelli and unanimously passed.

### *Guidance on use of steel framing*

There was a guidance question about a property owner who would like to build a steel internal framed garage with conventional siding etc. The owner works on classic cars and would like the steel frame so that he can hoist the cars etc. After some discussion over this, the board agreed that there would be no by-law compliance issues in this type of construction.

### *Upcoming tax sale*

There are 6 properties up for tax sale on October 17th. One property may be redeemed but the others are up for bid at around \$7000 total. The lake is running low on properties for sale. Purchasing these properties is a good way for the lake to make back some money lost off of these lots. We are down to three lots, all with inquiries at present time. Jim Massingale motioned to purchase these properties, Carol Goodwin seconded the motion, and the motion passed.

## **MANAGER'S REPORT**

Brad reported that the lake was able to collect \$800 in bad debt, as well as sold a lot. Brad also announced that the lake office is now on winter hours. The office is open 9-4, Monday through Friday with Saturday hours only by appointment. Summer hours will resume on March 1. All information will be updated on the website and Facebook page.

There being no further business, Mike Cutrufelli moved to adjourn, seconded by Carol Goodwin, motion carried. The next regular meeting will be held on November 12, 2014 at 7:30 PM in the Community Room.

Respectfully submitted,  
Angel Hocker, Secretary

Meeting of September 18, 2014

3:30 PM

Lake Santee Community Room

Members present [6], Absent [1], Participating Electronically [0]

1. Roll Call

Scott called the meeting to order and requested a roll call. Members present were Scott Gibbs, Jim Hornig, Kathy Tarzwell, Paul Gosnell, Clair Fredrickson, and Ed Fox. Absent was Greg Montgomery. Also attending were Brandon Litmer, Utility Superintendent, Brad Jones, Lake Manager and the District's attorney, Anne Poindexter.

2. Consent Items

- a. Minutes from August 21, 2014
- b. Financial Reports
- c. Registers of Claims for sewer operating
- d. Registers of Claims for water operating

A motion was made by Ed Fox and seconded by Kathy Tarzwell to accept the consent items. Motion carried.

3. Operators Report

- a. Sewer Status Report – Brandon reported that the sewer plant is operating well with no issues. The State required DMR test (solids) has been re-performed and passed. Brandon had a request from the owner of lot 263 wanting to utilize a shared pump basin. This has been done a number of times at the lake and there are several things that go into approving this type of installation. The lot owner will be asked to provide additional written information related to his request. Due to all the new construction, more pumps are needed. The cost for each pump is \$1449 plus freight. Brandon stated that 4 pumps would handle our current needs, leaving 2 in reserve. A motion was made by Jim Hornig and seconded by Clair Fredrickson to buy the 4 pumps for \$1449 each plus freight. Motion carried.
- b. Water Status Report – Brandon reported that the water plant is operating well with no issues. Clair asked about the commercial water usage for July and August as it appeared to be high. Brandon has talked with the campground and they had found a leak on the customer side of the meter that they believe has been repaired.
- c. Administrator Status Report – Brad reported there were 119 ACH and 11 credit cards transactions this month. There were 2 shut offs and both are back on. There were two requests to fill swimming pools and actual gallons were calculated. The office will apply the adjustments per the policy.
- d. Project Task List – No report this month.

4. Committee Reports

- a. Board Member Guide Committee
  - i. Board Training Topic: Brandon covered several tests that are required by the State for the water plant. Some tests are done by independent labs, along with many tests that are performed weekly in our own plant. Some samples are raw water directly from the Lake to determine additive amounts needed, many others are finished water from within the plant and from various locations throughout the distribution network. Brandon will put together a list of these tests.

5. Old Business

- a. New Computer / Software for SCADA Update – We still do not have a quote from a second supplier. It was decided that we still need more information before going forward with this program. Discussion tabled until next month.

- b. Hidden Leak Adjustments – Updated the status of the draft. Will continue to work on this.
  - c. Insurance Policy Update – Considered increasing the deductible to save on premiums, but the savings do not warrant changing our policy. Policy will stand as written.
  - d. Disaster Recovery Plan – No update this month. Will continue to research this.
  - e. Water Disconnects – The District’s attorney has suggested adding language to the disconnect notices advising the customer of the opportunity to appeal the water shut off to the Board prior to the disconnection. The customer should notify the Lake Office immediately if they intend to make such an appeal.
6. Attorney’s Report – Anne discussed an e-mail that Brad received concerning refinancing of our Bonds. It was decided to look into this further to see if we might qualify. Anne will review the Bond Ordinances to determine if we are allowed to pursue this option.
7. New Business
- a. Write-Offs – Brad presented two items to write off. Lot 1280 was a foreclosure with a balance of \$92.14 after the lien was paid and Lot 27 has a balance of \$439.78 that Brad believes is uncollectable. A motion was made by Ed Fox and seconded by Jim Hornig to write off these balances. Motion carried.
  - b. Correspondence – The State Board of Accounts did not show up for the 9/8 audit meeting that the SBOA requested and have not responded to Brad’s email. The date of the audit is not known at this time.
  - c. Upcoming Conferences / Training Classes – Brandon has found a 1 day AWWA training / review course on 10/1 for Jesse. The annual IRSDA conference is 10/27 in Shelbyville this year. Several board members indicated they would attend.
  - d. Management Agreement – It will soon be time to start work on next year’s Management Agreement with the POA.
  - e. Renewal of Board Member Terms – Clair’s and Scott’s terms expire on 12/31. Both have indicated they will renew. Clair will arrange to present the names to the County.
8. Adjourn

Respectfully Submitted by:  
Paul E. Gosnell  
Secretary

These minutes are subject to approval by the LSRWWD Board at the October 16, 2014 meeting.

**Attention Absentee Home Owners**

Homeowners would be well advised to turn off their water while away. Homeowners are prohibited from operating the water meter valve or removing and/or loosening the meter to drain lines. All customers are required by the rules to have their own valves in place to valve off and drain their homes as necessary. If you want the District to also turn off the meter valve, we will be happy to do so, however the District will not be held liable for meter valves that are not 100% tight. You are advised not to depend solely on the meter valve. The charge for valving is \$10.00 during regular work hours of 7:30 AM to 4:00 PM, \$20.00 after hours. The same charges apply to valves turned on. The District cannot turn on water to a home unless the customer has a valve closed to protect the home or a responsible adult is present.
