The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was

published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

## DOWN NEARLY 200 POUNDS!

A year ago in August, Bill and Martha Dramann, both 67, decided to sign up for Margaret Mary's HMR weight management program. With four grandchildren and two great-grandchildren, the Batesville couple knew they needed to change their habits if they wanted to live long, active lives. Today the couple is down a combined total of 191 pounds (Bill has lost 136 and Martha has lost 55), and they feel better than they have in years.

"I haven't been this small since 1966," said Bill, who serves as Oldenburg's town marshal. "Before HMR, I was taking pills for my blood pressure and arthritis. I had knee problems and spent a lot of time resting in my chair. Now, I'm off all my medicines, and I ride my bike almost every day. It's the easiest program I've ever done, and it helped that Martha and I did it together. We love the encouragement we get from our family and community. People stop me and ask if I'm losing so much weight because I'm sick. I tell them, 'No, I joined HMR!'"

*HMR is a structured, medically supervised weight management program that uses meal replacements. To learn more, call 812.932.4670.*

My name is ALEXIS JARMAN from Girl Scout Troop 190, Greensburg, IN. I am working on the Gold Award. The Girl Scout Gold Award is the highest award a Girl Scout can earn. It is awarded to the Girl Scout Seniors who complete a project that will make a lasting difference in the world.

The project I have chosen is the "Mountain Music Mission". I am helping the music department collect musical instruments for a small orchestra and pep band. I plan to have the instruments refurbished and will be taking them to Grundy Mountain Mission School in Virginia this coming Thanksgiving. This plan lets me serve God while helping with the needs of this Christian school and home.

If you have musical instruments not being used and feel it in your heart to donate that instrument please call and I will pick it up. I can be reached at 765-561-7237 or text 765-561-1207.

Thanking you in advance for your support and prayers for my "Mountain Music Mission".

# **GOLF CART RUN**

A group of friends and neighbors get together once a month for a ride around the lake on their golf carts and then return to the designated host home for a pitch-in dinner and socializing. You don't have to own a golf cart to join in as many of them are two seaters that you can ride with. You are requested to bring a covered dish, meat will be furnished. A \$5.00 donation will get you into a 50/50 drawing with half of the money going to support various children activities here at the lake. i.e. The Easter Egg Hunt, Christmas with Santa, Halloween, Fishing, etc.

A sign up sheet was passed around for Host and Hostess for the [2014] Golf Cart Runs . We are pleased to say that all of the Rides are spoken for , however if you would like to help by being a drink stop host contact Mary Beth at the Bay Shore

# HISTORY OF LAKE SANTEE

THE FIRST FIFTY YEARS

## THE SANTEE NATION

*The Santee name came from the Sioux word ISWATI which means “the river” or the “People of the River”. The Santee were first encountered by the Spanish in the early 17th century along the middle course of what is now the Santee River in South Carolina. In 1700 the Santee plantations stretched for miles along the river. A war with the coast People, which the Santee were losing soon changed their lives, but did not break their spirits.*

*Some of the Santee were captured and deported to Haiti; another large group of Santee fled to the Ohio Valley, then onward as part of the Sioux tribe to Wisconsin, Minnesota and Southern Canada where the Santee were encountered by French explorers late in the 17th century in the Mille-Lacs region of Minnesota.*

*In the Treaty of 1837 the Santee were forced to cede all of their Minnesota lands to the Government except for their reservation. Confined to the reservation, the Santee were at the mercy of dishonest traders, incompetent Government agents and squatters. Numerous incidents finally led to an uprising in 1862 which went badly for the Santee. All of their lands were expropriated and they fled to the Dakotas and Canada. In 1866 the Santee were moved to their reservation in Nebraska. Though small in number and beset with many adversities, their indomitable spirit kept them together.*

**The Santee name is kept alive by the Santee River and Nature Preserve in South Carolina, the Santee reservation in Nebraska and, of course, Lake Santee in Decatur County, Indiana.**

# Friends of Wildlife at Lake Santee

*Everyone Welcome!*

Our aim is to encourage the members of the Lake Santee community to appreciate and protect our natural setting.

Friends of Wildlife meets the first Wednesday of the month at 7:00 p.m. in the community room.  
Email [charm.seright@gmail.com](mailto:charm.seright@gmail.com) for more information.

## The Nature Habitat

Friends of Wildlife enjoyed a woodsy evening at The Nature Habitat for the September meeting. The ferns are lush and green and moss and lichens upholster the trunks and branches of the trees. There were Doll's eyes, Lobelia and extensive undergrowth of Paw Paw to be seen. We plan to meet at The Nature Habitat again on October 1 at 6:00. By then we should see some change in leaf color. Join us for a picnic. Eating outdoors makes good food taste even better!

## UTOPIA

Have you heard of UTOPIA but never been there? Our Friend, Kathy Hershey, director of Utopia Wildlife Rehabilitators will take us on a guided tour on Sunday, October 5<sup>th</sup> at 2:00 p.m. There is always something wild going on at the center – from eagles in the flight cage to tortoises in the turtle pen. From raptors to reptiles, Kathy is a Friend to them all and shares her knowledge and expertise with enthusiasm. We will meet at the parking lot at 1:00 and car pool to the center, just west of Greensburg off Rte. 46. The center can always use donations of paper towels, sanitary wipes, used towels, and plastic deli dishes. Join us for a road trip!

## Chris Fox for Friends of Wildlife on November 5th

Chris is a knowledgeable birder and wildlife advocate who can help us learn how to provide a nurturing backyard habitat and understand the migration patterns of birds and butterflies. He can also give us technology tips on how to access information our “devices” and report our experiences for a greater understanding of current trends in wildlife survival. Join us for an evening of learning, sharing and friendship at 7:00 p.m. in the community room.

## Betty's Backyard Birds

I was just looking out at the trees and I saw a Yellow Throated and Yellow Warbler. And that wasn't all there was a Chickadee and Titmouse that came visiting.

I keep thinking that I will wake up the next morning and no Hummingbirds will be looking at an empty feeder but that has not been the case. I'm not feeding as much as before but I still have at least nine at my feeder at one time.

Enjoy! Happy Birding!

## Minutes from the Lake Santee Women's Club

The Lake Santee Women's Club met on September 8th, at the Sea Shack for lunch prior to the monthly meeting.

The program was presented by Linda Curtain of Hospice. Linda handed out helpful information regarding the program and a review of services offered in the home and at the facility.

The officers read their monthly reports.

The 2014 Tree City Rolling Tour was discussed. The ride was a success. The club received a thank-you note from the YMCA for providing refreshments during the tour.

The nomination committee reported that they are still needing a candidate for president for the 2014-2015 year. Anyone interested in the office is to contact Judy Veach.

Sign up sheets for 2015 committees were distributed among members to sign up for committees of their choice.

Ideas for where to donate club monies were presented and will be discussed in further detail at upcoming meetings.

The October meeting will be held on Monday October 13th.

Split the pot was won by Nancy Day.

Respectfully submitted by Joy Boyd, secretary.

Members were asked to introduce themselves and given the opportunity to express comments. Mr. Haas asked about protocol on loose dogs in the community. Keriann Slaby-Lee spoke on the new women's group that she is president of, Ladies of the Lake. The one goal is to support local troops and servicemen. Keriann read the mission statement and expressed desire to help the Recreation Committee and work with them on several of the scheduled events as well as add extra activities to these events (pet parade, electric golf cart parade). The ladies' group also asked to be placed under Lake Santee's umbrella of Not-for-Profit organization. Dick Veach clarified that Lake Santee is not a 5013C organization and is considered a Not-for-Profit Corporation therefore pays taxes. Mr. Veach did ask for a copy of their and mission statement so that he can present that to the board.

Dick thanked everyone for their comments and assured them that the issues would be addressed.

### **Recreation – Mike Cutrufelli**

Mike Cutrufelli reported that the next event on the calendar would be a bass tournament on September 21 beginning at 7:00 am with weigh-ins at 10:00 am and 2:00 pm. Mike stated that the lake has committed to purchase water and awards for the event. Coffee, tea, and cocoa will be available.

Mike also discussed other calendar events coming up. October 18 will be the Autumn Family Bonfire at 6:00 pm, trick or treat times will be October 25<sup>th</sup> from 5:00-8:00 pm for the community. Mike is also planning a Trunk or Treat Contest in October as well.

The recreation committee will be holding a planning meeting for the 50<sup>th</sup> Golden Jubilee on October 30 at 7:00 pm in the community room with additional meetings to come. Full list of events is available

### **Lakes & Beaches – Larry Foster**

Larry discussed that dredging was complete and how many loads were taken from the lake. Larry would like the lake board to reevaluate their thinking and consider a wetland project as opposed to a dredging project. A plan will come and be presented to the board at a later date.

### **Membership – Carol Goodwin**

Angel presented the following new members:

- William C. Wallace Lot 342
- Robert & Julia Honkomp Lot 1351

### **Community Room – Carol Goodwin**

Carol stated there are many activities coming up in the community room.

### **Building Committee - Jim Massingale**

The following building permits were issued this month:

- Patrick Caudill, Lot 1301 & 1302 Car Port
- Larry & Nanette Howard, Lot 638-640 Wood rail fence
- Jason Blankenship Lot 666 Deck
- Joe Beischel, Lot 1385 Outbuilding
- Bruce Smith, Lot 152 Attached garage

- Andrew & Michelle Laudick, Lot 961 & 962 Attached garage

Dick informed the board that there was a previous building permit approved for a garage that was not built to code. This was a building committee error and therefore the property owner does not need to make any adjustments but the board has put safeguards in place to ensure compliance for future use.

### **Clean Up – Jim Massingale**

Jim stated that the clean-up committee took a tour on August 14. Three first letters, two second letters and three thank you letters were sent to members not in compliance. There are 13 properties on watch and seven properties on continuous watch.

There was some discussion over what constitutes a watch or a letter and how the committee decides what properties are not in compliance. The board stated that people could find all the compliance rules in the Lake Santee Rules and Regulations brochure.

### **Roads & Maintenance – Ron Day**

Ron discussed that he had the opportunity to spend a couple of days with Brandon Litmer and began by commending our maintenance staff on all that they do at the lake and the water district. Ron said that now that dredging is complete, the crew has a full staff again to compete mowing and trimming. There had been some issues with the mowing of the dam and that will be monitored closely. The construction of the bandstand should be under way and completed by the end of October. There was also some discussion over the silt compilation on the north end of the lake. There have been some issues with run-off and slick spots due to the silt on the roads. The staff will be working on cleaning up this area.

A member asked if there would be more chip and seal done on other roads. Dick discussed that feedback on how those roads are holding up is vital. Members seemed thrilled with the chip and seal and next year the board will discuss working out finances to get more chip and seal completed in place of gravel. Discussion was also had about whose responsibility it is to trim around the clusters of mailboxes, cleaning out culverts and standing water. Ron will be touring the lake grounds with Brandon and will look into these issues with maintenance.

### **Security – John Lecher**

John reported that there was a repair of the security truck, which was under warranty and was taken care of. Full report will be in the Smoke Signal. John did warn members to be on the look out for people stealing gas out of boats. He stated there have been a couple of thefts thus far and members should call security if they see anything suspicious.

## MANAGER'S REPORT

Brad reported that Letts fire department had requested to add the lake on a benefit UTV ride that they are doing on October 18. The group would be coming into the lake through the back gate and escorted by a sheriff deputy through the lake with the possibility of stopping at the Sea Shack for some refreshments. After a great deal of discussion the board put the request to a vote. The request was granted on a 5:4 majority vote.

Brad reported that the Lake office was able to collect \$965.31 for a write-off debt as well as \$928.40 for past due monies on that same account, and \$672.36 for bad debt, with a total of \$2,566.07 collected funds. Brad was able to reduce the cell phone bill by a total of \$331.32 for the year (about \$27.61 per month).

Keep an eye on the Facebook page, web site and marquee for any information.

There being no further business, Mike Cutrufelli moved to adjourn, seconded by Ron Day, motion carried. The next regular meeting will be held on October 8, 2014 at 7:30 PM in the Community Room.

Respectfully submitted,  
Angel Hocker, Secretary

These minutes are subject to approval by the LSRWWD Board at the September 18, 2014 meeting.

**Attention Absentee Home Owners**

Homeowners would be well advised to turn off their water while away. Homeowners are prohibited from operating the water meter valve or removing and/or loosening the meter to drain lines. All customers are required by the rules to have their own valves in place to valve off and drain their homes as necessary. If you want the District to also turn off the meter valve, we will be happy to do so, however the District will not be held liable for meter valves that are not 100% tight. You are advised not to depend solely on the meter valve. The charge for valving is \$10.00 during regular work hours of 7:30 AM to 4:00 PM, \$20.00 after hours. The same charges apply to valves turned on. The District cannot turn on water to a home unless the customer has a valve closed to protect the home or a responsible adult is present.

**Homeowners Pumps**

Your grinder pump is not a garbage disposal. The following items should not be put in your system: Glass metal, diapers, socks, rags, cloth, plastics, sanitary napkins, tampons, explosives, flammable materials, lubricating oils or grease, strong chemicals, gasoline, sand, gravel, fish scales, cleaning fluids, pesticides, herbicides and toxic chemicals. The District owns the grinder station and customers are not permitted to open the tank or control panel.

**If the red light on the electric box for your grinder pump is on, it means your pump is not working properly. During regular business hours call the office at 527-2943. After regular hours call 560-1157 if you see your light or your neighbors’ light on.**

A district employee will respond promptly. Also remember, there is an ordinance that prohibits the planting of trees, flowers, shrubs or other plantings within five feet of the station to allow accessibility. In addition no plantings shall be placed on the side of the pump facing the nearest road to promote visibility of the visual alarm from the roadway. Painting of the control panel or pump tank is prohibited.

**Lake Santee Regional Waste and Water District Customers**

You have the option of having your water bill payments made by automatic withdrawal from your checking or savings account. This can be for the water user accounts as well as the availability accounts. The forms may be obtained from the office or downloaded from our website. You must be logged in on the website, go to Utilities, click on the water tab and it is the last form on the list.
