Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

Adderley Restoration Company LLC.

GENERAL CONTRACTOR

LAKE SANTEE RESIDENT

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

LAKE SANTEE

PROPERTY OWNERS ASSOCIATION TEAM BASS TOURNAMENTS

Official Rules

1. All Lake Santee rules and bylaws will be followed.
2. There will be a mandatory meeting FIFTEEN (15) minutes prior to the start of the tournament at the Lake Santee Main Beach Shelter. Those teams not entered prior to the meeting will be disqualified unless prior arrangements have been made with tournament official(s).
3. Boat positions will be determined at the mandatory meeting by a number draw.
The start will be a continual "ooze off" of boats by the position drawn.
4. A mandatory boat check will be conducted prior to the start of the tournament.
All boats must be equipped with an aerated livewell capable of sustaining a limit of bass.
5. Safe boating must be observed at all times. Each participant is required to wear a USCG approved life preserver and the kill switch should be working properly any time the combustion engine is in operation prior to and during tournament hours.
6. Only largemouth, smallmouth, and spotted (Kentucky) will be counted towards the daily limit of five (5) bass per team. Only artificial baits may be utilized in competition, including pork type trailers.
7. Only bass measuring sixteen (16) inches or longer will be weighed. The official board will be the Golden Rule. No short fish will be counted towards daily limit. The penalty for weighing short fish will be the weight of short fish plus two (2) ounces per fish deducted from the total of the legal fish that are weighed in.
8. No dead bass will be counted. *All bass must be released in healthy condition. Any bass which fails to swim away upon release will be scored as a dead fish and the weight of that fish plus eight (8) ounces will be deducted from that teams' remaining weight.*
9. Participants will not be allowed to leave the boat during tournament hours. Participants may briefly leave the boat for an exigent emergency or answer the "call of nature".
10. All ties will be determined by combining the prizes and dividing it equally between the respective teams. All protests must be made in writing within **TEN (10)** minutes of tournament conclusion.
11. No cheating will be tolerated and contestants may only use artificial baits during competition.
12. Competitors are expected to follow a high standard of sportsmanship, safety, and conservation. Alcohol and abused drugs will not be consumed during tournament hours.
13. The Tournament will be a two (2) man team style format. At least one member of each team must be an L.S.P.O.A. member in good standing. Members may fish alone and be considered a team.

The **Greensburg Breakfast Optimist Club** is offering the **AVENUE OF FLAGS** program to our Lake Santee neighborhood again this year. They are offering a subscription to celebrate six (6) national holidays with the entrance to be lined with American Flags for \$30 per year. They also offer a four year program for \$100.00. The **Greensburg Breakfast Optimist Club** will place a 3 foot by 5 foot American Flag, previously flown over the nations' Capitol, on a 10 foot pole at your designated location within Decatur County on these six national holidays: **Memorial Day, Flag Day, July 4, Labor Day, September 11 and Veteran's Day**. All proceeds of the **Avenue of Flags** are used for Optimist and community programs which support local youth programs. If you participated in this display last year , then we urge you to renew your subscription . If you have not helped with this display before , please consider it.

Please join our project in filling our two islands with flags. It is indeed an impressive sight.

Stop in to see our great variety of treasures!!

Deciding where to have surgery can be difficult. Deciding where to recover isn't.

Before your surgery, call us to schedule a visit. We will show you the transitional care suites at St. Andrews and Aspen Place, which are designed for care following a hospital stay. Private suites, a team of skilled nurses and therapists, and chef-prepared meals provide the treatment and care

you need to promote optimal levels of recovery and function. Our Customer Service team will partner with you and your physician to plan for your transition to home. *To find out how we can help you or someone you love transition smoothly back home, call us to schedule a personal tour.*

"This is my second time at Aspen Place Health Campus, and I wouldn't go anywhere else! My first experience was a respite stay after an out-patient surgery, when I needed just a couple of days of nursing care before I went home. This time, I'm here for their Rehab to Home program, and I love it! My therapists are patient and caring, and they are really helping me with my balance issues. This is just what I needed before heading to Florida for the winter!"

50th Golden Jubilee Update from the February Meeting

Save the date: June 13, 2015

RAIN OR SHINE!

9:00 am to 11:00 pm
Events all around the Lake

I want to thank everyone again for attending these cold winter meetings. The events are coming together well. Lots more planning to come, but ideas are forming into concrete plans. Here is a quick update:

Come one and all and help place the Flags at the Lake's entrance at 7:00 am. on the 13th at the Guard Shack. Thank you, Tom Russell.

The day will start out with a blessing and some music. The amphitheater will be completed and will be well used rain or shine.

Our Commemorative Yearbook will be put together by Paul and Nancy. Reserve yours now! Pre-orders will be announced in the Smoke Signals.

The Kiwanis Club is also celebrating their 35th Anniversary in 2015, and Linda Howard reports that the Club has offered to help out with our events.

Our history sessions are collecting great stories, pictures, and artifacts. Shannon Gibbs and Nancy Fredrickson, along with the whole committee, are doing a great job. One project is a "History of Dwellings" map that will soon be on display in the Lake Office. All members of the Lake can begin marking the lots that they have owned and/or lived on. Shannon and others have been reviewing the old Smoke Signals for more information.

Our time capsule will be a concrete bench that will hold one or two 8-inch by 5-foot PVC pipes, capped and filled with nitrogen. We are still working on the list of items that will be included. Cindy Fowler will work more on this.

Boy Scouts have been asked to help out in our Habitat Area with the Friends of Wildlife..

The Women's Club is moving forward with activities, such as an Ice Cream Social where all can meet and reminisce, with an area to rest and refresh and for merchandise sales.

The Ladies of the Lake are making great plans for the youth activities, such as Shrinky Dink art, face-painting, spin art, photos with the logo and geocaching as well as a age-appropriate scavenger hunts.

We all will be seeing 2015 lake sticker soon with the Indian head logo. Other events are helping to support the event with the use of logo, such as the Bass tournaments, LOL Chili Cook-Off, and Easter along with other upcoming events.

Our media program is gathering steam as we contact television and radio and newspapers. Carol Goodwin is putting together a CD highlighting the event. Entertainment is also gaining speed. We have decided on the band for the evening and we are looking into setting up individuals and groups for other 45 minute time slots.

We are working on tours of the Lake's water, fire, and maintenance facilities at certain times.

Food will be provided by the Sea Shack. We know Stacy will plan some great food items.

Please join us at our next planning meeting on March 18, 2015 at 7:00 pm
in the Community Room. Hot drinks and cookies provided.

DO YOU REMEMBER THE "SKIPPER" SKI SHOWS HERE AT LAKE SANTEE DURING THE EARLY SEVENTIES

These shows originated here at the Lake and featured many of our own neighbors. They would do several shows a year at various Lakes and down on the Ohio River. Wouldn't it be neat to have them again ?

Bill McVay

If we had a PERSON OF THE YEAR AWARD Bill would surely win it hands down.

A few years ago , there was a lot of talk about a new fire station here at the Lake. The location was decided and the lot was acquired by the Clarksburg V.F.D. The project then laid dormant for a while. Two years ago Bill decided it was time to get this program rolling. He resigned his position as President of the Lake Santee R.W.W.D. in order to devote his full time to making this happen. He organized some other residents, primarily the Men's Coffee group, and began a volunteer fund raising program. As they say" the rest is history". Not only did they raise enough money to pay for the building, there was also a very large down payment on a new fire truck. Earlier this month, the first week in February, they took delivery of a specially built Chevy Tahoe, that will be our Medical Vehicle stationed at our new fire house. Bill told me it felt very good to be able to write a check for it. A big THANK YOU to you and all of the volunteers.

Friends of Wildlife at Lake Santee

Everyone Welcome!

to appreciate and protect our natural setting.

~ ~ Spring Alert ~ ~

“You can observe a lot just by watching.”

So said Yogi Berra referring to baseball. Transpose that to nature and here's what you can see:

A formation of geese breaking into cartwheels just before coming in for a landing

A flock of swans, heads tucked in, to protect themselves from the cold

A red headed woodpecker feeding on a dead tree with its feathers lifting in the wind

A white breasted nuthatch flipping upside down on the feeder perch

A ground-feeding junco clinging to the woodpecker log to eat peanut butter

Little green bulb tips poking through the snow

A handsome male wood duck sitting on a nesting box while the female inspects the interior

A honey bee pollinating the only blooming flower, a dandelion, on the first 50 degree day

The first osprey to return from its winter vacation, cruising the lake for fish

A turtle digging a nest in the yard to lay her eggs

A hummingbird building a nest using spider webs and cattail fuzz

Try listening for what you can hear. Birds singing and calling? Yes! Spring is on its way!

Spring wildflowers will be on display at The Nature Habitat for the Wildflower Walk on April 12 at 2:00. Join us for a guided tour!

Betty's Backyard Birds

It has been a good month for birding for me and it's only halfway gone. I had 5 Cardinals, 5 Blue Jays, 5 Robins and 5 Titmice all in the same day. I have been doing the Great Backyard Bird Count and have seen several birds but none that I don't see on a regular basis. I saw around 45 Redhead Ducks on Sunday on my way home at the pond down the road. I didn't have my camera at the time, of course. I went back again with friends and we counted 50 Redhead Ducks.

Happy Birding

Women's Club Meeting

February 9, 2015

Secretary's Report:

Eleven members and two guests met at the Sea Shack for lunch on February 9th. A beautiful blessing was given by Carol Reger.

The February program was presented by Sue Abplanalp of "Kid's Closet of Decatur County". Kid's Closet was founded in 2012 and supplies new or gently used clothing to children in Kindergarten through the Sixth grade. Sue explained that they need assistance in seeking donations, recruiting volunteers, and advertising. Questions should be directed to Sue at 812-663-2084. The Women's club is sending a monetary donation in support of the program's endeavors.

The secretary's report was read, but there were no reports from the Vice President or the Treasurer.

Committee reports included sending the necessary funding for the upcoming 2015 Senior scholarship. The Garden's committees will be working their magic in the Spring for everyone to enjoy.

President, Terri Suiters, spoke regarding our club's responsibilities for the 50th Golden Jubilee. It has been requested that our club be responsible for selling merchandise, hosting a meet and reminisce, hosting an ice cream social, and hosting a rest and refresh area. Terri continues to attend all board meetings until our club liaison returns from Florida.

The next Women's club meeting will be held on March 9th. The program will be a jewelry auction. Ladies are to bring up to 5 items of the following: jewelry, new or like new- purses, wallets, scarves, gloves, hats, and belts. All proceeds from the auction will go to the "Bread of Life".

Split the pot was won by Sharon Kobeske.

Respectfully submitted,

Joy Boyd, Secretary

OLD BUSINESS

Lake treatment

The board discussed and voted on the lake maintenance contract. In the executive session the board decided to grant the contract to our current provider, Aquatic Control. The board discussed the extra testing that had been discussed. Aquatic Control has agreed to test initially for free and it would be a minimal charge for additional tests. Mike Cutrufelli made moved to accept the Aquatic Control contract with the addition of testings. Carol Goodwin seconded the motion. The vote passed with an 8:1 vote.

Carol Goodwin moved to accept the contract of Aquatic Control to complete a fish count as well. Ron Day seconded the motion. The vote unanimously passed.

There was some discussion about the health of the lake, future issues, and what treatments will be used to fix the problem. The board stated that it is still researching various treatments and cures for the nitrate issue as well as the algae. The board also discussed looking into some controlled plantings to help aid in the treatment.

NEW BUSINESS

ETC

ETC is looking for approval to place a hut as well as 4 cabinets within the association property to run fiber optic lines to provide a host of services to the lake residences. The lines would be above ground throughout the community and place on the electric poles, and then ran underground to each individual home. Services provided would include Internet, home security, phone, and cable to list a few. ETC will be presenting to the public at the March meeting.

Sale of section of 1529

A member who currently owns lots 1530, 1528, and 1527 would like to purchase a sliver of land owned by the association on lot 1529. The property owner has been maintaining the property for a while and it lies between his existing lots. Carol Goodwin made a motion to allow the owner to purchase this section for \$500 and pay all associated expenses, with the stipulation that the board is not setting a precedent in doing so. Jim Massingale seconded the motion and it passed.

Brad presented several lots that were purchased at tax sale the need to be approved for write off. Lots 1638, 1639, 1640, 949, 757, 758, 482, and 735 totaling \$4,537.09. After some discussion about the lots and verification that the lots currently have for sale signs on them Carol Goodwin made a motion that after March 1, 2015 the lots can be subject to write off. John Lecher seconded and the motion passed.

Brad presented a contract from Circle City Pyrotechnics for the 2015 fireworks display. The contract is very similar to years past; a 20-25 minute display costing \$5000 to be held on July 4 with a rain date of July 5, 2015. Mike Cutrufelli moved to accept the bid and Ron Day seconded. Vote passed.

MANAGER'S REPORT

Brad announced that dues will be mailed out Monday, February 16 with a due date of March 1 and a late date of April 1, 2015.

Brad also announce that the web page is online and up and running and that people can also go to the Lake Santee Facebook page for information.

There being no further business, Mike Cutrufelli moved to adjourn, seconded by Carol Goodwin, motion carried. The next regular meeting will be held on March 11, 2015 at 7:30 PM in the Community Room.

Respectfully submitted,
Angel Hocker, Secretary

Scott called the meeting to order and requested a roll call. Members present were Scott Gibbs, Clair Fredrickson, Jim Hornig, Greg Montgomery, and Paul Gosnell. Absent were Kathy Tarzwell and Ed Fox. Also attending were Brad Jones, Utility Administrator and Brandon Litmer, Utility Superintendent.

2. Election of Officers for 2015

Scott presented the slate of the current officers to repeat for 2015. He then asked for nominations from the floor. There being none, a motion was made by Jim and seconded by Greg to accept the current slate. Motion carried. The current officers will remain for 2015 as follows: President – Scott Gibbs; Vice-President – Clair Fredrickson; Secretary – Paul Gosnell; Treasurer – Kathy Tarzwell.

3. Consent Items

- a. Minutes from December 18, 2014
- b. Financial Reports
- c. Register of Claims for sewer operating
- d. Register of Claims for water operating

A motion was made by Jim and seconded by Greg to accept the consent items with the following corrections: add Paul Gosnell's name to roll call of the December meeting; correct the spelling of the word since to sense in Item 5.e. Motion carried.

4. Operators Report

- a. Sewer Status Report – Brandon reported that the Sewer Plant was operating on a normal basis with no problems and all tests normal.
- b. Water Status Report – Brandon reported that the Water Plant was operating on a normal basis with no problems and all tests normal. A water line that crosses under the lake had been damaged during construction of a new dock earlier in the month, and has been repaired with a minimal amount of disruption of service.
- c. Administrator Status Report – Brad reported there were 117 ACHs and 12 credit card payments last month. There were 6 valve turns and 8 shut offs, with 1 still off at this time. Brad corrected a couple of formulae in the Management Agreement spreadsheet which increased the water portion cost by \$611 and the sewer portion by \$231 for 2015.

5. Committee Reports

- a. Board Member Guide Committee
 - i. Board Training Topic – Brandon and Scott reviewed the "Safe Drinking Water Contingency Plan in Case an Emergency Exists" document. We are required to update this plan at least annually. Brandon will update and distribute.

6. Old Business

- a. Hidden Leak Adjustments – The third draft of the proposed changes and additions to the Ordinance was discussed with several good suggestions revolving around fair time frames for repairs and adjustment requests. Scott will incorporate the new language for review at the next meeting.
- b. Disaster Recovery Plan – Additional discussions have been held with the Napoleon Water District and they have expressed a strong interest in partnering with us for a back-up program in case of a disaster crippling our ability to furnish water to our customers. It was decided that Ed Fox will continue to be our contact with them.
- c. Bond Refunding – Brad read an email from Buzz Krohn about our financial status utilizing updated 2014 numbers, which were more favorable than the prorated amounts he had to

use in December. Since it does appear we have the appropriate coverage ratios, we will have Buzz continue working with the bidders to obtain updated proposals and perform new evaluations of those proposals.

7. Attorney's Report – No report at this time.

Secretary

These minutes are subject to approval by the LSRWWD Board at the February 19, 2015 meeting.

Attention Absentee Home Owners

Homeowners would be well advised to turn off their water while away. Homeowners are prohibited from operating the water meter valve or removing and/or loosening the meter to drain lines. All customers are required by the rules to have their own valves in place to valve off and drain their homes as necessary. If you want the District to also turn off the meter valve, we will be happy to do so, however the District will not be held liable for meter valves that are not 100% tight. You are advised not to depend solely on the meter valve. The charge for valving is \$10.00 during regular work hours of 7:30 AM to 4:00 PM, \$20.00 after hours. The same charges apply to valves turned on. The District cannot turn on water to a home unless the customer has a valve closed to protect the home or a responsible adult is present.

Lake Santee Regional Waste and Water District Customers

You have the option of having your water bill payments made by automatic withdrawal from your checking or savings account. This can be for the water user accounts as well as the availability accounts. The forms may be obtained from the office or downloaded from our website. You must be logged in on the website, go to Utilities, click on the water tab and it is the last form on the list.
