RESOLUTION 11-15-12

RESOLUTION FOR CLASSIFICATION OF DELINQUENT ACCOUNTS

WHEREAS, the Lake Santee Regional Waste and Water District desires to establish a policy pertaining to the classification of delinquent accounts and the filing of liens thereon; and

WHEREAS, the Board of Trustees of the Lake Santee Regional Waste and Water District believes it is in the best interest of the Lake Santee Regional Waste and Water District to establish and adopt such policy;

NOW, THEREFORE, Be It Resolved by the Board of Trustees of the Lake Santee Regional Waste and Water District:

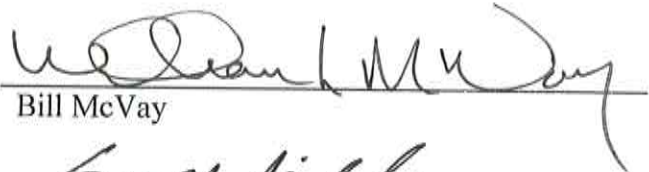

1. An account shall be defined as delinquent when such account becomes thirty (30) days past due.
2. A delinquent account shall be further defined as critically delinquent when such account becomes sixty (60) days past due.
3. A lien may be filed on an account when such account becomes critically delinquent as defined above. However, a lien may be filed prior to an account becoming critically delinquent if it is determined that the property has been abandoned and that the resident has left no forwarding address.
4. Certification of a lien to the Tax Role insures that the District is paid the outstanding balance due on an account at the time of tax payments or tax sale without the necessity of foreclosing on the property. The District shall complete certifications to the Tax Role no later than March 1 of each year.

5. The policy set forth herein above shall become effective on 15 NOV, 2012,
2012.

Approved and Adopted by the Board of Trustees of the Lake Santee Regional Waste and
Water District on the 15 day of NOV, 2012.
