Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication .Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

Lake Santee Regional Waste & Water District Newsletter #3 February 19, 2016

Carbon Replacement Is Complete!

This article is reprinted from the 1/21/16 Newsletter that was posted on the website.

Just before Christmas, the Water & Wastewater District installed approximately 10,000 pounds of new carbon into the GAC tanks, replacing the bad carbon that had been causing so much frustration. The new carbon is operating superbly with all test results within normal limits. Turbidity is low and manganese levels are low. Water samples were sent off to an independent lab and the test results on the HAA5 and TTHM were very good - all in compliance. The District is very happy with the performance of the new carbon and wishes to thank both Water Solutions Unlimited and Jacobi Carbons for their assistance with this.

After watching the news on TV, do you have "Lead" questions?

You have probably seen the media coverage of the issues that Flint, Michigan is having with lead in their drinking water. And, you may wonder if Lake Santee does any testing for lead in our drinking water - we do test for lead and we are in great shape. The EPA requires testing for lead every 3 years and has an upper limit of 15 ppb (parts per Billion) for drinking water. News articles report that Flint has test results ranging between 27-158 ppb, with one result as high as 13,000 ppb - these are extremely high readings. Lake Santee's most recent test results for lead from the fall of 2015 reported findings in the range of 0.001 ppb, which are consistent with previous years' test results and very, very much below the EPA guidelines. No lead worries here.

Newsworthy

The District welcomes back Frank Erdosy

Please help us in welcoming back Frank Erdosy to the District. Frank previously served from 2007-2013, and after a brief hiatus, is back for more, serving as our Treasurer.

Calendar

The Board meets at 3:30 p.m. on the 3rd Thursday of each month in the Community Room.

Next meeting is:
March 17th

See you there.

- Have you ever misplaced your Water/Sewer bill or simply forgotten to pay it?
- Have you had to pay late charges for your Water/Sewer bill?
- Are you tired of paying postage to mail your payment each month?
- Have you been away when your bill was due?

Did you know that you can eliminate these headaches by paying your Water/Sewer bill with ACH?

What is ACH?

The Automated Clearing House (ACH) is an electronic network that allows banks and other financial institutions to quickly and easily clear electronic payments. The network is governed by operating rules and guidelines developed by the National Automated Clearing House Association.

Is ACH Secure?

ACH transactions occur electronically and automatically, which dramatically reduces the number of individuals who have access to personal or financial information. Since ACH transactions are electronic they cannot be misplaced, lost in the mail or stolen.

How do I sign-up?

Signing up is easy. Go to the Lake Santee website (lake-santee.com), select Regional Waste & Water District, and then click on Governing Documents and Forms. Complete the Authorization Agreement for Direct Payments form and send the completed form to the RWWD Office.

Recurring payments only need to be authorized once, prior to the first transaction. No further authorization is required to continue making payments to an account through the ACH.

Will I still receive a bill?

Yes, you will still receive a bill so you will know how much your Water/Sewer bill is each month. If you have any questions about your monthly bill, please contact the RWWD Office.

Who do I call if I have questions?

Contact the RWWD Office at (812) 527-2943.

Did you know March is National Colorectal Cancer Awareness Month?

Colon cancer is the third most common cancer in the U.S. The good news is it's also one of the most preventable cancers if detected early. Colonoscopies are recommended for anyone 50 or older or sooner if you have a family history of the disease. To learn more or to schedule an appointment, call 812.933.5110.

MAR 10 JOIN US!

In honor of National Colorectal Cancer Awareness Month, Gastroenterologist Thomas Imperiale, MD

will be giving a FREE community presentation on the prevention and detection of colon cancer. The event is scheduled for 6:30 p.m. on

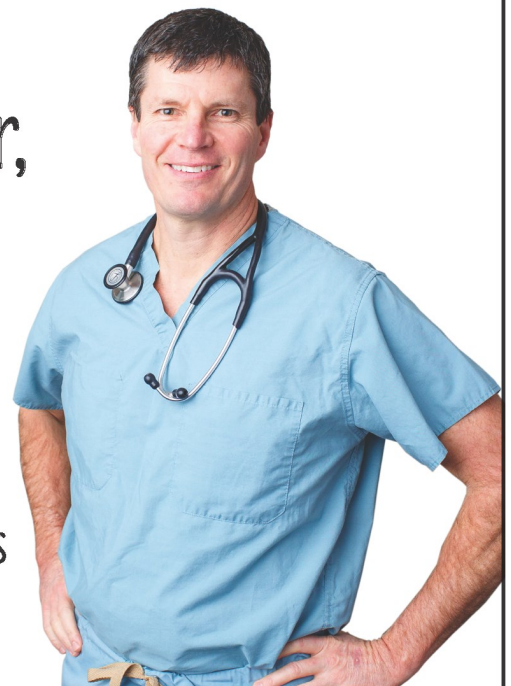

March 10 at MMH's Cancer Center, no RSVP required.

If you're 50 and older,
get a colonoscopy.

We did!

Meet Jane. Her favorite pastime is gardening. *Her legacy continues at our campus.*

Tending to flowers; singing hymns; enjoying a cup of coffee with friends...

These simple, enjoyable pastimes are sometimes lost when an individual enters an Alzheimer's/dementia journey. However, in the secure memory care neighborhood at our campuses, you will find our residents engaging in these activities and more.

Our homelike setting is designed to reduce anxiety, allowing our residents to feel at peace. As part of our family support efforts, we offer programs such as *Family Forum* and *Caregiver's Day Off*.

"Picture It" at Lake Santee

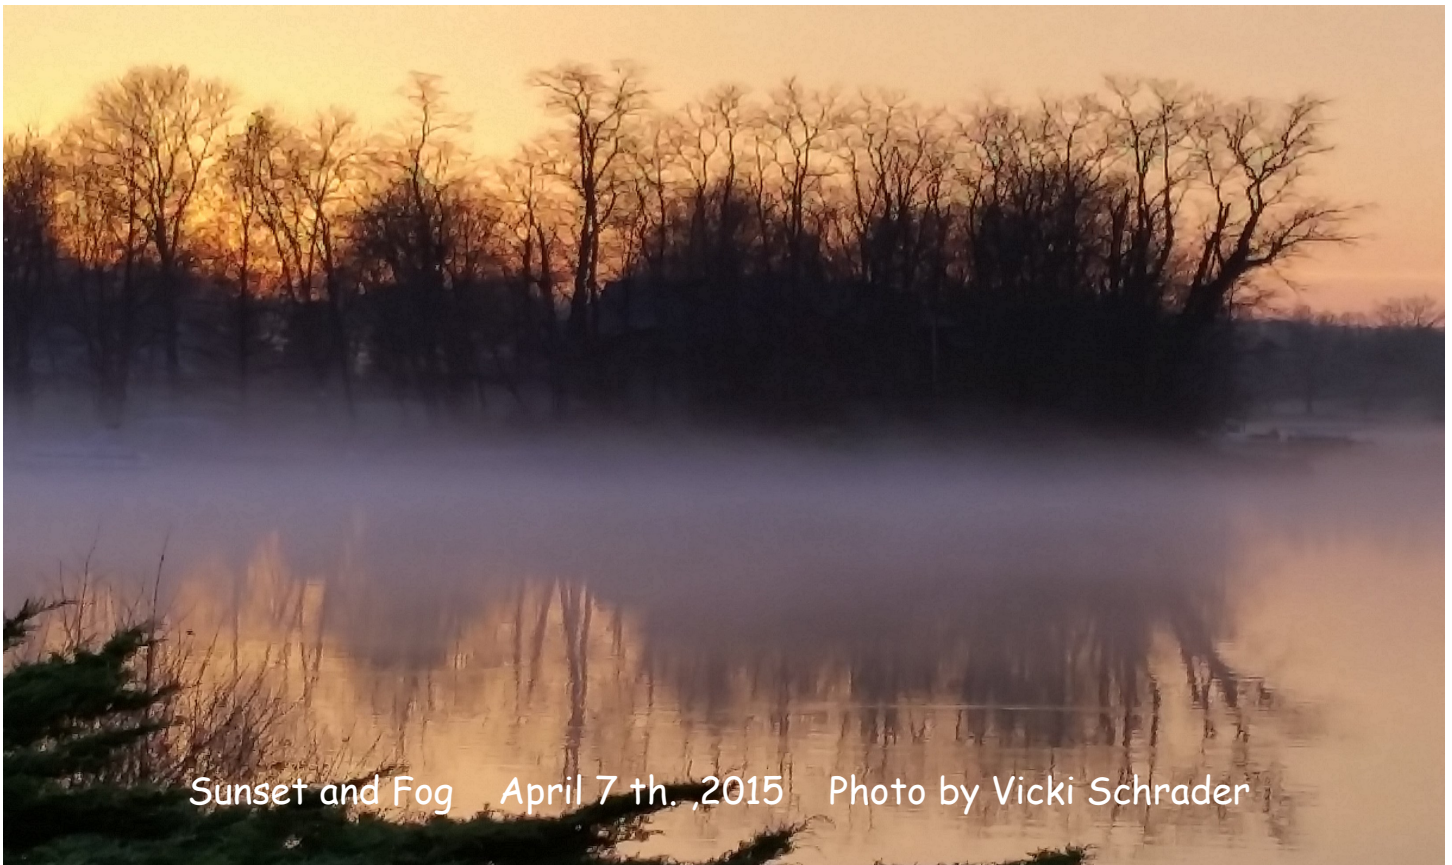

Pictures will be judged in the categories of:

Scenery-Nature-Family Fun and Pets

We have decided to make a change in the due date of the pictures. the new date is December 31st. The rest of the rules still apply. They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turned into the office or E-Mail them to me at smokesignals@frontier.com to enter the contest.

The BEST of the BEST will then be used on the following years cover of our annual Directory as well as in the Smoke Signals during the year.

YOU ALWAYS WANT TO KEEP YOUR CAMERA CLOSE BY

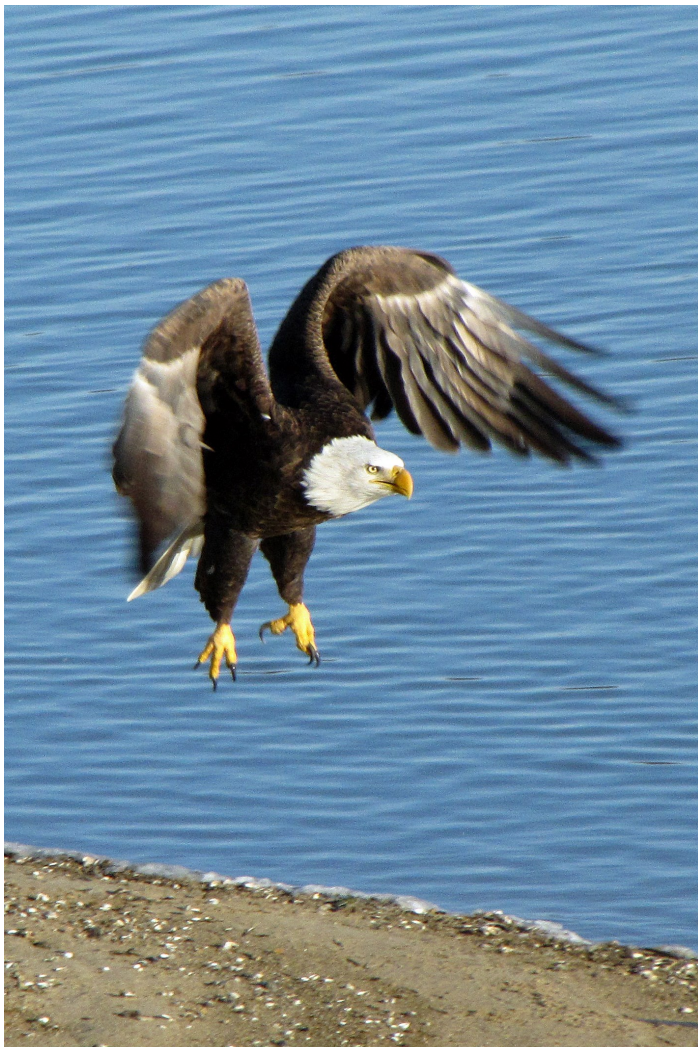

Sunset and Fog April 7 th, 2015 Photo by Vicki Schrader

BIRDS OF PREY

Photographed here at Lake Santee

The Bald Eagle is the most recognizable of all of the birds of prey, but we have many others as well. Several different members of the Hawk family, even an Owl. We think that maybe the one photo is an Osprey. Just another example of mother nature and the human race getting along together in this great place we call Lake Santee

Eagle Antics

A Bald Eagle enjoying his catch on the ice.

Another eagle flies in to check.

The new arrival asks if he can have a taste.

The intruder approaches the larger eagle.

He steals a bite.

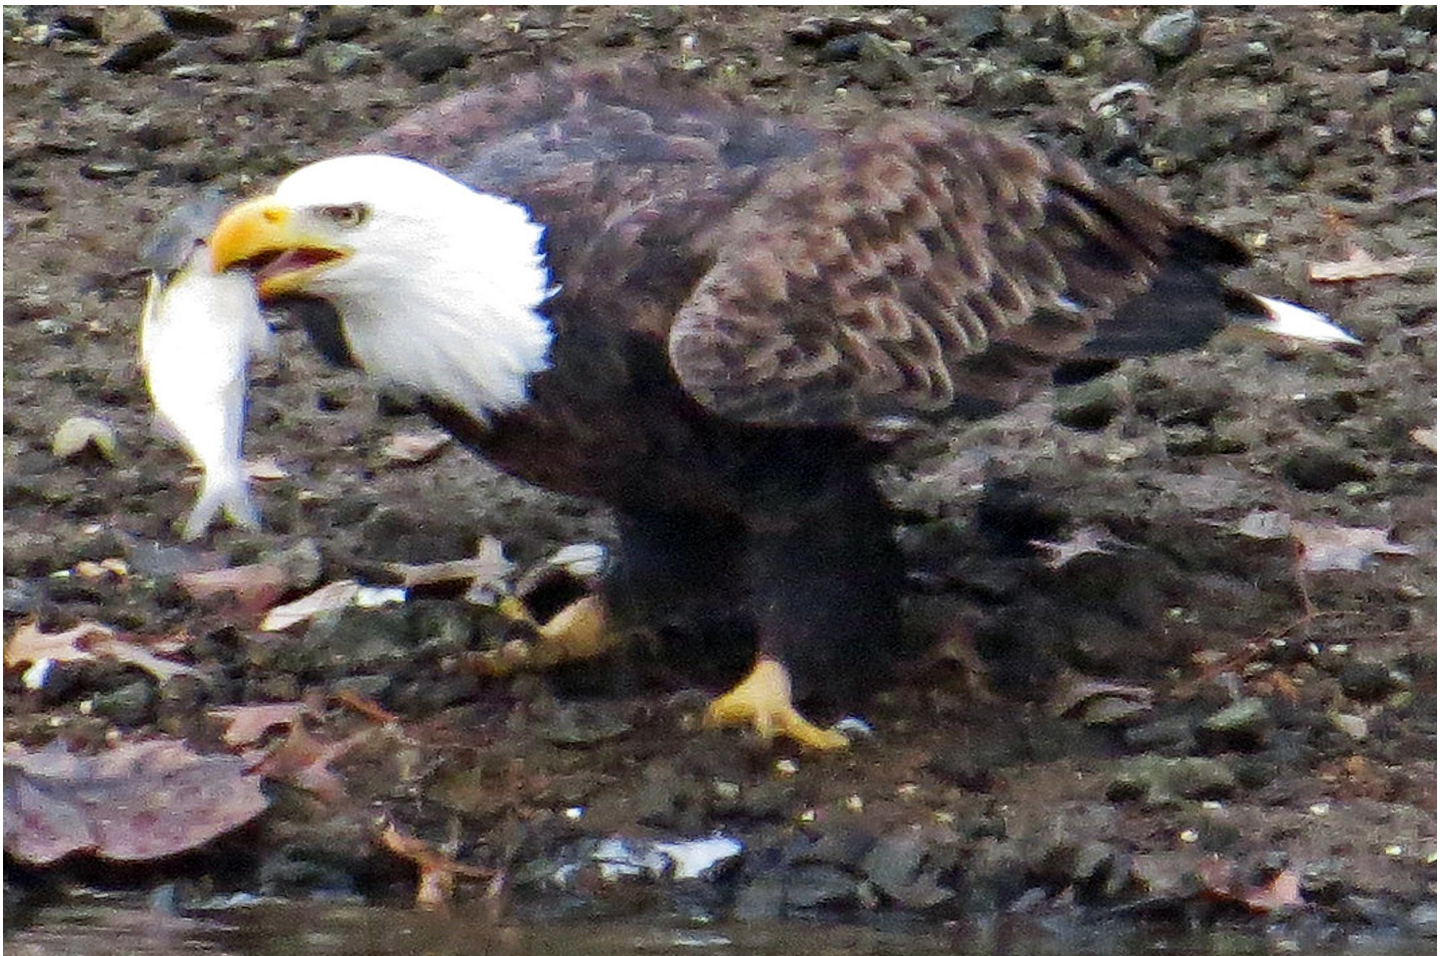

Enjoying his stolen treat.

The larger one pecks the intruder on the head.

He gives up and walks away.

GENERAL CONTRACTOR

LAKE SANTEE RESIDENT

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

ACADEMIC JACKETS

February 9th, the Academic jackets were presented to the deserving juniors at the boy's basketball game during half time.

The Saint Paul club along with our club has presented these jackets for many years now and it is a privilege to honor these deserving juniors.

Inspirational Moment

“If we got one-tenth of what was promised to us in these State of the Union speeches, there wouldn't be any inducement to go to heaven”

Will Rogers

KEY CLUB

Key Club International is a self-governing, student-led organization.

Each year, Key Club members elect their student officers at club, district and international levels during club meetings and district and international conventions.

Key Club members receive guidance and support from adult volunteers, including Kiwanis advisors, faculty advisors and district administrators. Additionally, the Key Club International staff trains and assists the district governors and international board members.

Our Key Club is very active with the leadership of Mrs. Ping from North Decatur High School with adviser Alicia Bowman.

They are collecting “Pennies for Patients” as a fund raiser for Lymphoma. Through various fund raisers they have raised thousand of dollars.

**Greensburg Breakfast
Optimist Club**

**AVENUE
OF
FLAGS**

**Your Invitation to
Participate in Patriotism**

The **Greensburg Breakfast Optimist Club** is offering the **AVENUE OF FLAGS** program to our Lake Santee neighborhood again this year. They are offering a subscription to celebrate six (6) national holidays with the entrance to be lined with American Flags for \$30 per year. They also offer a four year program for \$100.00. The **Greensburg Breakfast Optimist Club** will place a 3 foot by 5 foot American Flag, previously flown over the nations' Capitol, on a 10 foot pole at your designated location within Decatur County on these six national holidays: **Memorial Day, Flag Day, July 4, Labor Day, September 11 and Veteran's Day**. All proceeds of the **Avenue of Flags** are used for Optimist and community programs which support local youth programs. If you participated in this display last year , then we urge you to renew your subscription . If you have not helped with this display before , please consider it.

Please join our project of filling our two islands at the entrance with flags to honor all of the men and women who have served in the Armed Forces. It is indeed an impressive sight.

For more information contact **Ed Fox 812-593-0171** or **Rick Johnson 317-850-4471**

Hats available in many styles and a wide variety of colors with either the flag or Indian motif in both adult and youth sizes. Prices vary from \$15 to \$35. Many in stock, custom orders welcome.

We are pleased to tell you that our new SECURE MAIL BOX was put into service on February 8 th. It is located in the main parking lot close to Main Sources bank machine. It does have a lock on it and only the Post Office has a key. Our mail carrier will check it on his entry into the Lake each day. You should have your mail in the box by 10:00 A.M. for same day pick up.

BULLETIN BOARD

We are trying our Bulletin Board program again. This will be for MEMBERS ONLY. If you have something that you want to share with our community. Maybe a special Birthday or Anniversary. Maybe to announce a garage sale. There will be a limited amount of space, so we ask that you keep it brief and it will be on a first come basis. You can e-mail to smokesignals@frontier.com, mail it, or drop it off at the office marked for the Smoke Signals

Do you want lots of things to do at Lake Santee?

The Recreation Director needs volunteers to help with various events throughout the year. This year we are hoping to have a lot of events using the new amphitheater with bands, DJ's and karaoke, plus corn hole tournaments, kids activities, and other things. To do this we need you to help supervise one or more events of your choosing. Please sign up with the office if you are willing to be involved. The more people we have, the easier it is and the more events we can provide. So call 812-527-2943 now! Also call Carol Goodwin at 765-686-0858 with any ideas you have for recreation.

Lake Santee WOMEN'S CLUB Meeting February 8, 2016

Secretary's Report:

On February 8, 2016, eleven members of the Club and one guest met at the Sea Shack for lunch at 11:30 a.m. Many enjoyed the Sea Shack "Special for the Day," a delicious vegetable soup with grilled cheese sandwiches. We then moved to the Community Room with an additional member arriving.

The first event was an interesting program presented by Lori Durbin, Public Relations Liaison and Adult Programming Librarian for the Greensburg Public Library in Greensburg, Indiana. The program began with a presentation of some fascinating Valentine's Day Trivia that surprised us all, followed by a comprehensive review of the 2016 programs and events at the Library. The Women's Club says a big thank-you to Lori for a wonderful program.

Mary Johnson brought the business meeting to order in Terri's absence. Kathy Tarzwell presented the Vice Presidents Report. Mary reviewed the events of the last meeting in the absence of a Secretary's Report. Thanks, Mary! Mary then presented the Treasurer's Report.

Mary led a short discussion on the possibility of the Club helping replace the metal umbrellas on the beach.

Kathy reported on two topics:

1. The Indiana/Lake Santee wooden ornaments are available in two colors, red or black, for a cost of \$5.00 each.
2. The Club will sell Butter Braids in April, again. Fae Cutrufelli will prepare an ad to be included in the March and April Smoke Signals. Some additional flavors are available. More information to come. All members should begin to plan their sales.

New business:

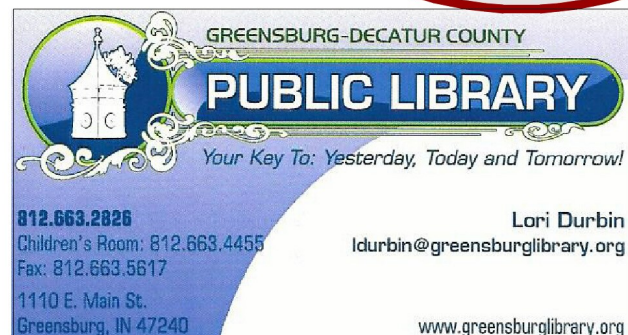

Mary reported that Decatur County Memorial Hospital has requested our financial support. She deferred further discussion until the Snow Birds return from travel.

The next meeting will be Monday, March 14, 2016. The theme is a Pajama Party with pizza and drinks provided.

Mary adjourned the meeting.

Respectfully submitted,
Fae Cutrufelli, Secretary

Birding 101 – The first in a series for Lake Santee Birders

The Woodpeckers

Bird identification is fun and easy to do when beginning with the obvious characteristics. Color and size are the most obvious clues and here at Lake Santee looking at woodpeckers is a good place to start as they are here all seasons. Indiana woodpeckers are all some combination of black, white and red, some with a little yellow and brown on them. They feed on insects, nuts and fruits and visit feeders. The largest and the loudest is the (1) Pileated Woodpecker. The dramatic (2) Red Headed Woodpecker is the only Indiana woodpecker with a totally red head. The (3) Red-bellied Woodpecker is more remarkable for its zebra patterned back in black and white and red crown and nape. The (4) Hairy and (5) Downy Woodpeckers are very similar to the eye except for the matter of size. They have white bellies and black and white spotted wings with the male having a red patch on the back of the head. The Hairy is about the size of a robin while the Downy is the smallest North American Woodpecker. Also members of the woodpecker species are the (6) Northern Flicker and the (7) Yellow-bellied Sapsucker. The Flicker is more of a ground feeder looking for ants. It is brown and black, has a black bib and flashes a white rump as it flies away. The Sapsucker feeds on insects and sap, leaving a pattern of holes in rows on the branches of trees and shrubs. Its yellow belly is not as prominent as its red head and throat patches and black and white checkered back.

You can make your own Bird Identification Notebook using these pages. Next in the series, Birds that are Blue. Happy birding!

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES
February 10, 2016

The Lake Santee Property Owners Association Board of Directors met on February 10, 2016 in the Community Room. In Dick Veach’s absence, Polly Ann Fox presided and called the meeting to order at 7:30 PM. Other Directors present were Angel Hocker, Vicki Wilson, Jim Massingale, Carol Goodwin, Ron Day and Mike Cutrufelli. Dick was part of the meeting via phone, and David Martin was unavailable while on vacation. Employees present Joe Jarman (92), Brandon Litmer and Brad Jones. Members present were Clair and Nancy Fredrickson (348), Stephanie Peetz (640), Ronda Peetz (941), Tom Hoffman (131), Jenni Hanna (245), and John Lecher (999).

Polly called for a review of the minutes of the January 13, 2016 meeting. The minutes were approved on a motion by Mike, seconded by Carol.

Angel Hocker gave a brief review of the Treasurer’s report. The Treasurer’s report was approved subject to audit.

Angel then presented the following bills to the Board for approval:

Brad Jones	\$164.06	Lake Santee RWWD	\$ 381.32
		TOTAL:	\$14,813.48

After presentation, the bills were approved for payment on a motion by Carol, seconded by Ron.

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments. No comments.

CORRESPONDENCE

None at this time.

COMMITTEE REPORTS

Rules & Regulations – Polly Ann Fox

Nothing at this time.

Recreation – Carol Goodwin

Carol announced the following events:

- The boy scouts will be helping fill Easter eggs and will also help hide them for the hunt on March 26, 2016.
- June 18th ETC will be sponsoring the band at the beach and will be holding a golf-cart giveaway.
- Wade Amos has volunteered to help Carol with the recreation activities. A friend's band will be playing at the beach and splitting the cost with recreation. The band is nationally acclaimed *Chicago Farmer* who will be entertaining residents on June 25th..
- July 2nd another band will be filling the lake with music on the beach.
- March 19th is the Chili Cook Off at the fire station.

Lakes & Beaches – David Martin

Dick spoke on behalf of David and announced that they were setting up a conference call with Scott Gibbs, Scott Thomas and David to discuss dredging and dredging options. Scott Gibbs will be taking more aerial photos of the Lake with his drone to see where dredging needs to take place. The group will then get a plan together for short and long term procedures/needs. He also stated that the dam is scheduled to be closed on March 1.

Membership – Vicki Wilson

Vicki presented the following new members:

- Ronnie & Stacey Tuley Lot 721
- Louis & Lori Hudepohl Lot 1567

Community Room Committee – Vicki Wilson

Vicki announced that the community room has hosted all of the normal monthly meetings and events as well as the Meth Recognition class. She stated that this was very successful. Members present stated how beneficial it was and Vicki stated that realtors, maintenance staff, security and Friends of Wildlife members were all in attendance.

Building Committee – Jim Massingale

The following building permits were issued during January 2016:

- Derek Roudebush, Lot 264,265 Boat Dock
- Carla McBride, Lot 1336 Boat Dock
- Orlando Hernandez, Lot 873 Room Addition
- Kevin Kennelly, Lot 23 Concrete Seawall

Clean Up – Jim Massingale

Jim stated that the committee sent one second notice, one third, and a “Thank You” to the member that had received the third notice.

Roads & Maintenance – Ron Day

New Point Stone brought out a hundred tons of stone that the crew put down on the secondary roads. The Lake is looking at using geotech on some of the secondary roads to help firm them up and keep the stone on the roads.

The maintenance crew will be beginning renovations on the beach restrooms next week.

Security – Mike Cutrufelli

Mike began by thanking the security crew for their numerous hours and miles patrolled. Mike stated that the meth training went very well and had a great turn out thanks to Chip Ayers and Brad Jones. The men are working on setting up another training that will be open to the community in the spring.

Security uniforms have been ordered from Rivera Screenprinting.

The security boat has been taken to the Lake Santee Marina where 7 ribs have been repaired and the boat fixed. A work order has been placed to repaint the boat as well.

Mike also gave a few security updates for the common good:

- paddle boats and inflatables must have stickers and lot numbers, failure will result in an immediate citation.
- post all building permits
- no signs in yards

Mike stated that members can see the full report posted in Smoke Signals.

OLD BUSINESS

ETC Update

Jenni Hanna stated that all phases of the fiber optic install are now complete and open for orders. Jenni apologized that things took longer than they were planning but the weather got too warm and the ground too soft to get onto people's property.

Jenni also stated that ETC will be giving away its third prize pack of a kayak March 15. ETC is also having another sign-up event on April 2nd from 9:00am-11:00am in the Community Room.

On June 18th, ETC will be sponsoring a band at the beach following the golf cart run. They will have a booth set up at the beach and will be giving away a golf cart.

Secure Mail box update

The secure mailbox is set in place and ready for use. The box will be checked daily. Brad suggested putting the flag up when placing mail inside. Again, the Board would like to thank the Booster Club for the new secure box.

NEW BUSINESS

Nothing to report

MANAGER'S REPORT

Brad was pleased to announce that Jesse Baughman, in maintenance, has passed his second licensure for water.

Brad also informed the Board and members that property tax laws have changed yet again. Lots that are considered common use were recently valued at \$0 but will now go back to appraisal at fair market value. Brad will have to file for an exemption each year on each common property lot. The Lake also has to have the common properties re-deeded to show that it is common property and not for resale. The Lake's attorney, Robert Wickens is drawing up the new deed and a letter to be submitted for the yearly exemption request.

Dues notices will be mailed out Friday and are due March 1, past due after April 1st. Dues this year are \$630.

Continue to check the website and Facebook page for updates, news, and pictures.

There being no further business, Carol moved to adjourn, seconded by Mike, motion carried. The next regular meeting will be held on March 9, 2016 at 7:30 PM in the Community Room.

Respectfully submitted,

Angel Hocker, Secretary

2016 Lake Santee Security Safety Signals

Security Safety Tip of the Month!

"Well, can you believe it is almost spring?! We want to talk about our Lake stickers. Please remember that you should place your new 2016 stickers on all of your vehicles and equipment. Place them on the left side of windshield or bumper so they can be easily identified by the gate security team. Make sure you remove your old ones!

Please sticker your golf carts or UTV's as needed. Make sure to have them inspected for day or night use.

Mark all of your water craft before they go into the water. Our team is instructed that all water violations will result in a citation. Remember that it is all of our responsibility to follow our Lake rules.

The new year starts March 1st; all dues are delinquent as of April 1st.

Let's have a great and safe year."

**Lake Santee Regional Waste & Water District
Meeting Minutes**

Meeting of January 21, 2016

3:30 PM

Lake Santee Community Room

1. Roll Call

Scott Gibbs called the meeting to order and requested a roll call. Members present were Scott Gibbs, Clair Fredrickson, Jim Hornig, Greg Montgomery, and Kathy Tarzwell. Also in attendance were Brad Jones, Utility Administrator and Brandon Litmer, Utility Superintendent. Not present were Paul Gosnell and Frank Erdosy.

2. Election of Officers for 2016

Scott presented the slate of officers for 2016. He then asked for any nominations from the floor. There being none, a motion was made by Clair and seconded by Greg to accept the slate. Motion carried. The officers for 2016 will be as follows: President – Scott Gibbs; Vice-President – Clair Fredrickson; Secretary – Kathy Tarzwell; Treasurer – Frank Erdosy.

3. Consent Items

- a. Minutes from December 17, 2015
- b. Financial Reports
- c. Register of Claims for sewer operating
- d. Register of Claims for water operating

A motion was made by Jim and seconded by Clair to accept the consent items with the following notes: on the water operating report, the quantities shown for January should be in the December cell; Register of Claims are approved subject to review of the checks by Kathy after the meeting. Motion carried.

4. Operator's Report

- a. Sewer Status Report – Brandon reported that the Sewer Plant was operating on a normal basis with no problems and all tests normal. Some icing has occurred, but has not created any issues.
- b. Water Status Report – The new carbon was installed on 12/16/15, soaked and backwashed, and testing was performed. All of the tests were within compliance and the GAC tanks were put on-line on 12/18/15. The new carbon is operating superbly with all test results within normal limits. Turbidity is low and manganese levels are low. Water samples were sent off to an independent lab and the test results on the HAA5 and TTHM were very good - all in compliance. The District is very happy with the performance of the new carbon. The 3 year maintenance agreement for the backup generator is ready for renewal. A motion was made by Clair and seconded by Greg to approve the \$880/year contract. Motion carried. Brandon is working on the written plan that is required by the EPA for the new RTCR (Revised Total Coliform Rule) that goes into effect 4/1/16. Brandon will also review (and update, if necessary) the Emergency Water Contingency Plan.
 - i. EVOQUA – supplied the bad carbon – Brad and Brandon have assembled the costs incurred by the District associated with the bad carbon supplied by Evoqua and getting that bad carbon replaced; Brandon will also include the costs associated with the additional testing and all the water that was flushed; this will be forwarded to the District's attorney for further action. As previously reported in last month's minutes, as a result of the water by-passing the carbon tanks during this issue, the November HAA5 test results were above the limit, similar to the May tests. IDEM was notified of the test results and they indicated they would be sending us a notice to distribute to

R.W.W.D. minutes continued

our customers – when this notice is received, it will immediately be sent out to all customers. Since we have not yet received the IDEM notice, it was decided to release a Newsletter and post on the various websites updating the community on the status of the carbon and that all tests are in compliance.

- ii. Water Solutions – new carbon supplier – The District wishes to thank both Water Solutions Unlimited and Jacobi Carbons for their assistance in resolving this Evoqua carbon issue.
- iii. Water tower inspection / cleaning – Brandon reported all parts have arrived for the installation of the flush hydrant. Pending weather, the flush hydrant will be installed which will allow the tower inspection and cleaning to commence. Once the tower cleaning is completed, the entire distribution system will be flushed.

- c. Upcoming Conferences / Training Classes – Brandon and Jesse will be attending the AWWA Conference on 1/26-27/16. Jesse's retest has not been rescheduled.

5. Administrator's Report

- a. Status Report: Brad reported there were 18 credit card transactions, 128 ACHs, 8 valve turns, and 3 shut offs with all back on last month. Brad will update the contact list and the appoint spreadsheet with the new Trustee information. Brad will check to see if the SDAR-1 (Special District Annual Report) still applies to us; and, if so, update and submit by 1/31/16. He will also check on the EPCRA (Emergency Planning and Community Right-to-Know Act) report which is due 3/1/16.
- b. Write-Offs: None.
- c. Correspondence: None.
- d. SBOA Update: SBOA representative returned our files to us before Christmas, indicating they had been reassigned and will no longer be involved in our account. Since the SBOA charges for the time they spend reviewing our account, there was concern that introducing a new representative might increase our costs bringing a new person up to speed on our finances. Brad indicated that he nearly has the information ready to be uploaded to the Gateway system. Brad said there has been no further communication from SBOA related to their comment that we were providing too much information on the Gateway uploads.

6. Attorney's Report – none this month.

7. Committee Reports

- a. Board Member Guide Committee – Board Training Topic – none this month. Scott suggested that for 2016, each Trustee choose a topic and provide the training for that topic. At the February meeting, volunteers will be accepted.

8. Old Business

- a. Napoleon Water – no update.

9. New Business – none this month.

10. Adjourn

Respectfully Submitted by
Scott Gibbs, President for
Kathy Tarzwell, Secretary

These minutes are subject to approval by the LSRWWD Board at the 2/18/16 meeting.
