Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication .Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

Mosquito Bite Prevention (United States)

Not all mosquitoes are the same. Different mosquitoes spread different viruses and bite at different times of the day.

Type of Mosquito

Viruses spread

Biting habits

Aedes aegypti,
Aedes albopictus

Chikungunya,
Dengue, Zika

Primarily daytime, but
can also bite at night

Culex species

West Nile

Evening to morning

Protect yourself and your family from mosquito bites

Use insect repellent

Use an Environmental Protection Agency (EPA)-registered insect repellent with one of the following active ingredients. When used as directed, EPA-registered insect repellents are proven safe and effective, even for pregnant and breastfeeding women.

Active ingredient

Higher percentages of active ingredient provide longer protection

DEET

Picaridin, also known as **KBR 3023**, **Bayrepel**, and **icaridin**

Oil of lemon eucalyptus (OLE) or **para-menthane-diol (PMD)**

IR3535

Some brand name examples*

Off!, Cutter, Sawyer, Ultrathon

Cutter Advanced, Skin So Soft Bug Guard Plus, Autan (outside the United States)

Repel

Skin So Soft Bug Guard Plus Expedition, SkinSmart

* Insect repellent brand names are provided for your information only. The Centers for Disease Control and Prevention and the U.S. Department of Health and Human Services cannot recommend or endorse any name brand products.

Protect yourself and your family from mosquito bites *(continued)*

- ◆ Always follow the product label instructions.
- ◆ Reapply insect repellent every few hours, depending on which product and strength you choose.
 - » Do not spray repellent on the skin under clothing.
 - » If you are also using sunscreen, apply sunscreen first and insect repellent second.

Natural insect repellents (repellents not registered with EPA)

- ◆ The effectiveness of non-EPA registered insect repellents, including some natural repellents, is not known.
- ◆ To protect yourself against diseases like chikungunya, dengue, and Zika, CDC and EPA recommend using an EPA-registered insect repellent.
- ◆ When used as directed, EPA-registered insect repellents are proven safe and effective.
- ◆ For more information: www2.epa.gov/insect-repellents

If you have a baby or child

- ◆ Always follow instructions when applying insect repellent to children.
- ◆ Do not use insect repellent on babies younger than 2 months of age.
- ◆ Dress your child in clothing that covers arms and legs, or
 - ◆ Cover crib, stroller, and baby carrier with mosquito netting.
 - ◆ Do not apply insect repellent onto a child's hands, eyes, mouth, and cut or irritated skin.
 - » Adults: Spray insect repellent onto your hands and then apply to a child's face.
- ◆ Do not use products containing oil of lemon eucalyptus (OLE) or para-menthane-diol (PMD) on children under 3 years of age.

Treat clothing and gear

- ◆ Treat items such as boots, pants, socks, and tents with permethrin or purchase permethrin-treated clothing and gear.
 - » Permethrin-treated clothing will protect you after multiple washings. See product information to find out how long the protection will last.
 - » If treating items yourself, follow the product instructions.
 - » Do not use permethrin products directly on skin.

Mosquito-proof your home

- ◆ Use screens on windows and doors. Repair holes in screens to keep mosquitoes outside.
- ◆ Use air conditioning when available.
- ◆ Keep mosquitoes from laying eggs in and near standing water.
 - » Once a week, empty and scrub, turn over, cover, or throw out items that hold water, such as tires, buckets, planters, toys, pools, birdbaths, flowerpots, or trash containers. Check inside and outside your home.

LAKE SANTEE BASS TOURNAMENT MAY 15, 2016

Well, our second tournament of the 2016 season is complete and it's starting to sound like a broken record! Lake Santee continues to produce limits of largemouth bass that rival legendary fisheries like Barkley and Kentucky Lake, Bull Shoals, and even many of the famous Florida lakes like Lake Okeechobee.

Member Rob Merriman and his partner, T.J. Edwards placed a five bass limit on the scales that weighed 21.3 pounds to take the win. That's over a four pound per bass average and didn't even include the event's big bass. The father/son duo of Butch and Marco Mikesell finished a strong second with 18.1 lbs. while the Miller brothers, Phil and Dustin, landed in third place with 15.06 pounds of largemouth bass. The big bass of the tournament went to Chris Roberts and his partner Adam Engleking for a 6.12 lb. trophy.

In overall totals, the nineteen teams brought 144 pounds to the scales with a total of 43 keeper bass caught. That is nearly a 3 1/2 pound average per bass! Each and every one of those fish were successfully released back into the lake to be caught again and again! Also, as one can tell, record numbers of teams are participating in each month's event, a continuing sign of the popularity of bass tournament fishing at Lake Santee.

The winners and Big Bass champs took home beautiful plaques donated by Mark Wickens of Nationwide Insurance in Greensburg. Thank you, Mark, for your generosity and support of our events!

Our next event is June 26th and will start at 6:00 AM. Mark your calendars now and plan to take part in the fun, and, as always, **PLEASE PRACTICE CATCH AND RELEASE** with Lake Santee's bass and remember to take a child fishing!!!

Until Next Time,

God Bless,

Chip & Lisa Ayers

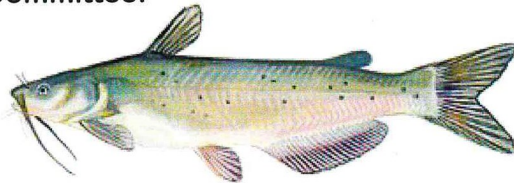

LAKE SANTEE BASS TOURNAMENT MAY 15, 2016 cont'd.

WANTED BULLHEAD CATFISH

Lake Santee is experiencing an unwanted increase in its number of bullhead catfish. Unlike Channel Catfish, Bullheads are an undesirable fish whose size remains small, and can quickly overpopulate. Bullheads are bottom feeders that stir up bottom sediments, which can increase turbidity, and add to our water clarity issues. Channel Catfish can be easily distinguished from Bullheads by their deeply forked tail. Anglers, please remove all Bullhead Catfish that you catch. Thank you, Lake and Beaches Committee.

Channel Catfish

Lake Santee

David Martin, Lake and Beaches Director, would like to remind you of the fishing regulations.

<p style="text-align: center;">Largemouth Bass</p> <p style="text-align: center;">No fish less than 21 inches shall be removed from the lake. Daily bag limit is set at 1 fish per day</p>	<p style="text-align: center;">Hybrid Striped Bass</p> <p style="text-align: center;">No fish less than 21 inches shall be removed from the lake. Daily bag limit is set at 1 fish per day</p>
<p style="text-align: center;">Redear Sunfish</p> <p style="text-align: center;">No length restrictions. Daily bag limit is set at 15 fish per day</p>	<p style="text-align: center;">Crappie</p> <p style="text-align: center;">No length restrictions. Daily bag limit is set at 25 fish per day</p>

Zebra Mussel (*Dreissena polymorpha*)

See the video on our website:

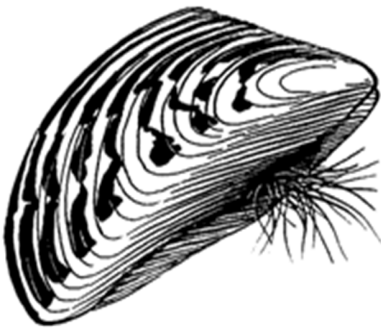

<http://lake-santee.com/boating-and-fishing/zebra-mussels/>

Zebra mussels (*Dreissena polymorpha*) are prolific invaders that cost the U.S. billions of dollars each year. These small mussels from Eurasia can clog water intakes and damage equipment by attaching to boat motors and hard surfaces. They can damage ecosystems by harming fisheries, smothering native mussels and crayfish, and littering beaches with their sharp shells.

In the late 1980s, zebra mussels spread from Europe to the Great Lakes in contaminated ballast water discharged from foreign ships. From there, they expanded to the Mississippi River, its tributaries, and to inland lakes. Zebra mussels spread primarily by attaching to boat hulls, aquatic plants, nets, fishing equipment, or in water. Adult zebra mussels can survive out of water for days under certain conditions. Your actions are vital to prevent their spread.

General Characteristics

- Zebra mussels look like small clams with a yellowish or brownish “D”-shaped shell, usually with dark and light-colored stripes (hence the name “zebra”)
- They can be up to two inches long, but most are under one inch. Zebra mussels usually grow in clusters containing numerous individuals and are generally found in shallow (6-30 feet), algae-rich water
- Zebra mussels are the only freshwater mollusc that can firmly attach itself to solid objects – submerged rocks, dock pilings, boat hulls, water intake pipes, etc.
- On smooth surfaces, young zebra mussels feel like fine sandpaper.
- Juveniles are about the size of peppercorns.

What You Can Do

- **Learn** to recognize zebra mussels.
- **Inspect** and **remove** aquatic plants, animals, and mud from boat, motor, and trailer.

Annual Bay Shore Golf Cart Runs

Everyone is welcome to join in the fun! Often there is a spare seat or two on a golf cart if you want to go, but don't have a cart. However, the best way to join in the fun is to make friends with someone who has a golf cart and ask to ride

THIS MONTH'S GOLF CART RUN WILL BE JULY 16th.

It will be hosted by Mary and Ed Fox

366 SW Santee Drive Starting at 3:00 P.M.

The May Golf Cart Run was hosted by Carol & Duane McKinley

They got the new season off to a great start. They provided entertainment for the large number of friends and neighbors that attended, many of them staying well into the evening hours enjoying the great fellowship.

Leadership Hancock County Class of 2013

St. Michael’s Catholic Church, Finance Committee

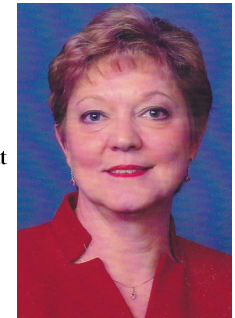

Hobbies: Water-Skiing, Snow-Skiing, Bicycling, Crossword Puzzles

Reasons for Running for Office: I became a part of Lake Santee as a child when my parents were one of the early property owners soon after the lake was developed. I spent my teenage years enjoying the water and activities here at the lake. Then we brought our own children to Lake Santee to spend time on the water and be with friends and family during the 80’s and 90’s. Now my husband and I own a home here and look forward to spending our weekends here both summer and winter. I have a passion for Lake Santee to remain a vibrant, safe, clean and well maintained lake for all ages. I have served on the LSPOA Board for the last three years. I would like to offer my continued service and talent to ensure this lake and community thrive for generations to come.

General Information: Husband: Terry L. Fox, Associate Athletic Director, Indianapolis Cathedral High School

Children: Zachary (wife, Michelle), Jacob (wife, Allison)

Grandchildren: Madelyn (6), Molly (5), Owen (3), Ava (2), Leeya (8 months)

Steve Gauck

7117 E CR 50 N, Greensburg, IN; Member of LSPOA for 16 years; Part-time Resident Lot 950

Work Experience: I work for Beck’s Hybrids as a field agronomist for southern Indiana and also farm with my family in Decatur County. My wife and I also have a freezer beef, pork, and chicken business.

Organizations/Club Activities: Decatur County Soil and Water Conservation District – Secretary

Decatur County Solid Waste Advisory Board

Decatur County Community Foundation Ag Field of Interest Committee

Indiana Farm Bureau Member and past county President

Knights of Columbus

4-H volunteer

Member of St. Mary’s Church

Hobbies: My hobbies include: Waterskiing, boating, snow skiing, traveling, spending time with kids and family.

Reasons for Running for Office: My children are now the 4th generation of our family to enjoy the lake and all it offers. I want to make sure that the lake is a beautiful place that many more generations will want to spend time at. We have a great community that offers a lot of activities for residents and non-residents. I want to make sure that all members feel welcome and want to take pride in the lake.

General Information: I am a graduate of North Decatur and Purdue. Our family is active in the Greensburg and Decatur County communities and we feel that to continue to make this a wonderful community, we need to be involved in organizations and committees.

□ Shannon Gibbs

4140 S Seifert Ct., New Palestine, IN; Member of LSPOA for 10 years; Part-time Resident Lot 352

Work Experience: I have worked in the Information Technology field for over 20 years. For 19 of those years, my positions have included management responsibilities. I am currently the Manager, IT Service for ITT Educational Services in Carmel, IN. In this role, my staff and I coordinate IT services for ITT's Headquarters and 135+ campuses across the country.

Organizations/Club Activities: I am currently a national officer for my sorority holding the position of National Director of Collegiate Operations since 2014. Prior to that, I was an Area Operations/Finance Officer for six years and a Chapter Adviser for ten years. I was also very involved in my alma mater's alumni board, serving on Hanover College's Alumni Board of Directors for seven years including serving as president in 2011-2012. At Lake Santee, I was a member of the Jubilee Committee, which planned the activities for the 50th anniversary Homecoming celebration.

Hobbies: My hobby is hanging out at the lake with family and friends. I am also often seen behind a camera. I love to take pictures of our family gatherings and of the great scenery that we have here at Lake Santee.

Reasons for Running for Office: I spent a lot of time reading through all of the old P.O.A. Board meeting minutes, many years of Smoke Signals and talking to people who have lived here for years, preparing to write the book about the first 50 years of Lake Santee. This gave me a new appreciation for our lake community. The Directors have put a lot of work over the decades towards making Lake Santee the fun, safe, growing community that it is today. I would like the opportunity to continue this tradition by being an active, engaged member of the Board of Directors.

General Information: My husband, Scott, and I enjoy coming to the Lake every weekend. We are fortunate to have other family members living here and have made great friends in the lake community.

Work Experience: I currently work at GE Aviation in Cincinnati as Patent Counsel. My responsibilities include preparing, filing, and prosecuting patent applications to issuance while working closely with the inventors and technical experts to develop high quality, strategic application content. I am responsible for patent protecting various aspects of jet engine technology.

Prior to working at GE, I worked for Faurecia Emissions Control Technologies in Columbus, Indiana for 12 years as an Intellectual Property Manager. While at Faurecia I managed the patent portfolio of cases pertaining to exhaust and emissions aftertreatment systems originating from China, Korea, Germany, France, and the United States. Additionally, I spent time in each of these countries building a team, selecting local attorneys, and setting up processes for handling intellectual property originating at each of the technical centers.

Organizations/Club Activities: American Intellectual Property Association member, Cincinnati Intellectual Property Association member, Clarksburg Christian Church member, Cub Scout Pack 577 Committee Chair 2011-2013, Cub Scout Pack 577 Treasurer 2009-2011, & Cub Scout Pack 574 Den Leader 2007-2009.

Hobbies: I enjoy spending time around the lake, swimming, walking, running, gardening, boating, playing tennis, and taking Gator rides around the neighborhood. I also enjoy spending time with my boys. They are very active members of Boy Scout Troup 577 going on monthly campouts, completing regular service projects, and many other activities around the community. They also participate in several extracurricular activities including basketball, football, and baseball.

Reasons for Running for Office: I am running for office because I want to become a more active part of the community. I want to assist in keeping the neighborhood beautiful and enjoyable for all residents and their visitors.

General Information: I have three boys that attend North Decatur Schools; Matthew (17), Andrew (15), and Jonathan (13). We love living at Lake Santee and plan to be here for many years to come.

□ Stephanie Peetz

640 W Santee Dr, Greensburg, IN; Member of LSPOA for 1 year; Permanent Resident

Work Experience: I work full-time for MainSource bank as a Business Credit Analyst I, doing small business underwriting. I just celebrated my 5th year anniversary with the bank and love working for a locally headquartered business. I also work weekends as a broker for Lincoln Realty. My first job was working for Lake Santee as a gate guard.

Organizations/Club Activities: Members of National, State, and MIBOR Realtor Association.

Hobbies: Walking my German Short Haired Pointer, Ryker. I love to cook and bake including canning and making jellies. I'm in the process of learning to golf.

Reasons for Running for Office: Although I'm young, I am a strong fiscal conservative with a bachelor's in Business Administration/Finance from Indiana University. I grew up at Lake Santee and appreciate the values and strength of our community. Lake Santee has seen a large influx of younger members and I would like to be their voice. I love Lake Santee and want to see us plan for our future, but live within our means.

General Information: Although I have only been a member myself for one year, I have been a part of the Lake Santee community for over 25 years. My parents are also members of Lake Santee and I grew up living on the water. My current home is off water and I couldn't be happier with where I live.

GENERAL CONTRACTOR

LAKE SANTEE RESIDENT

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

Inspirational Moment

“You have to love a nation that celebrates its independence every July 4, not with a parade of guns, tanks, and soldiers who file by the White House in a show of strength and muscle, but with family picnics where kids throw Frisbees, the potato salad gets iffy, and the flies die from happiness. You may think you have overeaten, but it is patriotism.”
Erma Bombeck

AKTION CLUB

Thirteen Aktion club members met recently at Decatur Industries to plant flowers along the south side of the building and around the flagpole and the marquis sign.

Special thanks to Kiwanian Bill Blasdel for his assistance in arranging for delivery of fill soil around the sign.

Aktion Club is a part of the Kiwanis family and is sponsored by Lake Santee Kiwanis.

AVENUE OF FLAGS

Sponsored by
Greensburg Breakfast Optimist Club

For 2016

Consider adding YOUR name to the following list of persons. They through the Greensburg Breakfast Optimist Club have subscribed for a flag to be displayed on the six national holidays of the year at the entrance of Lake Santee.

Jim & Lisa Acton	Doug & Charity Banks (2)	Joan Banks
Gerald & Mary Ann Barnett	Jim & Lorraine Beck	Jim & Joy Boyd
Bob & Diane Dawson	Randy & Leslie Emerson	Ed & Mary Fox
Claire & Nancy Fredrickson	Phyllis Rentchler & Evelyn Grant	Scott & Shanon Gibbs
Bob & Bonnie Gilaspy	Paul & Sharon Gosnell	Becky Hurst
Bob & Karen Jackman	Neil & Kathy Jackman	Rick & Mary Johnson

Norma Smith	Skip & Jonie Spetter	Gary & Kathy Tarzwell
Tim & Lori Tennell	Dick & Judy Veach	Mike & Judy Anne Walker
Katie Weed	Ron & Vicki Wilson	Betty Zillick

The six holidays are: Memorial Day weekend, Flag Day, July 4th weekend, Labor Day weekend, September 11th, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. The Optimist Club is responsible for replacement of any flag soiled, damaged or stolen.

A subscription for a flag can be purchased by completing the form below and attaching a check: \$30 for one year; \$100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-4471.

SYMPATHY

A dear friend to many and previous resident of Lake Santee, Vickie Kellerman, passed away on May 26, 2016 in Batesville, Indiana. Vickie and her husband Jack had been property owners for many years at the Lake and loved the many friendships, family outings, and fun they both experienced. Vickie sold her home in 2015 and moved back to Batesville to be close to family and doctors but we know that she took all of those wonderful Lake memories with her. We and others will certainly miss a great friend.

Secretary's Report:

The meeting was opened by our President, Terri Suiters, for the 14 members. Officers presented their reports.

Committee reports followed. Sharon Kobeske announced for the Scholarship Committee that the 2016 Scholarship Winner is Miss Emily Martin. Nancy Archible discussed plans for the July 2nd Bake Sale at the July 4th festivities at the Lake. Also on July 2nd, we will offer Coffee and Donuts at 7:00 am and we will sell Women's Club merchandise.

Mary then discussed the Auction Committee plans for the Annual Auction on August 13, 2016. The club passed a motion to use money from the Auction to help refurbish the beach umbrellas.

Meeting was adjourned.

The program for the meeting was a Baby Shower with gifts donated to the Clarity Pregnancy Center.

Respectfully submitted,
Fae Cutrufelli
Secretary

Friends of Wildlife at Lake Santee

Everyone Welcome!

Our aim is to encourage the members of the Lake Santee community to appreciate and protect our natural setting.

Friends of Wildlife meets the first Wednesday of the month at 7:00 p.m. in the community room.
Email charm.seright@gmail.com for more information.

Birding 101 – the fourth in a series for Lake Santee Birders

Red birds in the Neighborhood

Possibly the most popular and most recognized bird here is the State Bird of Indiana, the (1) Northern Cardinal. It's a year round bird so its bright red feathers and black mask highlight snow covered landscapes and summer gardens alike. They are common at the feeders but will also eat fruit and insects. The female also has a black mask but is largely buff brown with tinges of red on her wings and crest. Two birds that flash red and can be easily mistaken for each other are the (2) House Finch and the (3) Purple Finch. These birds are smaller than the Cardinal and mostly brown. The House Finch displays orange-red on its face, chest and rump. Its white belly is streaked with brown. It has a rusty cap. The Purple Finch is rosier in color and has a red cap and clear red breast. It is usually seen only in winter at Lake Santee. The Purple Finch may travel in large flocks that come down from the north to feed. They both visit feeding stations so it's easier to distinguish them if you can spot them together. Happy birding!

When it rains, it pours, usually on the first Wednesday of June!

Once again Friends of Wildlife had a delightful evening of socializing and sharing good food for our annual cookout and pitch-in. Once again, as has become customary, storm clouds rolled in, thunder and lightning powered up and rain poured down at the time we were to meet at Jackson's Nursery Outdoor Kitchen and Butterfly Garden. So we retired to the shelter of the community room and enjoyed our evening. Thanks to Rhonda Jackson for her gardening tips and inspiring program about Starfysh, (www.Starfysh.org) an organization that is doing post-earthquake community develop work on the island of La Gonave off the coast of Haiti. Under the direction of Dr. Steve Edmundson the islanders with volunteer help are creating an economy based on sustainable agriculture practices while developing programs to improve health and education. The door prizes donated by Rhonda were won by Clair Fredrickson, Dallas Whipple, John

Seright and John Kobeske. Rhonda also donated 3 plants for the Habitat Butterfly Gardens. Thank you, Rhonda for being a good friend to Friends of Wildlife.

The Nature Habitat

The Butterfly gardens at the Nature Habitat are planted with various milkweeds, asters, coneflower, black-eyed Susan, Butterfly weed, liatris, sunflower, penstemon, Blue-eyed grass, dill, fennel, parsley, zinnia, and verbena. It's an inviting feast of host plants for caterpillars and nectar plants for pollinators, so take advantage of the bench for a few moments of enjoyment. Thanks to Deb and John Evans, Chick and Kathy Winzenread, Sandy McLean, Betty Gabbard, Maury and Marsha Lay, Jean Stutz and Rhonda Jackson for their work, donations and caring for wildlife. There are wildflowers in the Habitat too, and illustrated brochures in the box, so venture into the woods as well!

Stop by and visit us at the 4th of July celebration. We'll be there with a kid's activity and items for sale. We always enjoy sharing wildlife stories.

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES

The Lake Santee Property Owners Association Board of Directors met on June 8, 2016, in the Community Room. President Richard Veach presided and called the meeting to order at 7:30 PM. Other Directors present were Polly Ann Fox, Angel Hocker, Vicki Wilson, David Martin, Jim Massingale, Carol Goodwin, Ron Day and Mike Cutrufelli. Employees present were Brad Jones, Jim Hornig (668) and Joe Jarman (92). Members present were Dan Archiable (252), Scott and Shannon Gibbs (352), Aaron Darby (485), Richard Schmalz (1390/1497), Rick Johnson (543), Nancy and Clair Fredrickson (348), Stephanie Peetz (640), Ronda Peetz (941), Wade Amos (364), Rosemary Kinnett (889), Ed Jackson (1378), Bob Cup (360), Chris and Debbie Ehrhard (915), and Paul and Sharon Gosnell (1147).

President Veach called for a review of the minutes of the May 11, 2016 meeting. The minutes were approved on a motion by Mike, seconded by Polly.

Dick stated that the Board was going to suspend the regular order of the meeting to hear a presentation from the Booster Club. He turned the floor over to Paul Gosnell and Nancy Fredrickson. Paul explained that due to the great success of the Smoke Signals, and Nancy's hard work getting advertising for the publication, the Booster Club has some additional funds they would like to use to continue to beautify the Lake and provide some additional landscaping. The group is asking permission to provide planter and vinyl railings from Vinyl Solutions at the Lake Office and restaurant as well as a picnic table and a bench. Paul and Nancy went through the details of their proposal, presenting pictures and specifics of what they are wanting to do for the Lake. Paul also stated that if the club gets approval now, they can have this project complete by the July 4th celebration weekend. The gift was accepted on a motion by Carol, seconded by Jim. The Board would like to thank the Booster Club, especially Nancy and Paul for all of their hard work, dedication to the Lake, and the gifts. Nancy asked the members to make sure that if they use any services or products advertised in the Smoke Signals that members let the business owners know that they saw the ad in the Smoke Signals. The Booster Club received a round of applause and appreciation for their charitable gifts.

Angel Hocker gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Angel then presented the following bills to the Board for approval:

Airgas USA, LCC	\$ 90.95	Lake Santee RWWD	\$ 411.47
Alerding & Company	\$ 475.00	Murphy Insur. Agency	\$ 3,111.00

Brad Jones	\$ 252.08	Whitlock's PressureWash	\$ 365.00
Kings Asphalt	\$37,272.00	TOTAL:	\$80,559.03

After presentation, the bills were approved for payment on a motion by Carol, seconded by Mike. (There was a clarification on the addition of the Banks Lawn Care bill stating that was not for mowing expenses but for chemical weed treatment.)

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

Richard Schmalz stated that he recently received a warning letter concerning a brush pile in his yard that he has 14 days to clean up. Mr. Schmalz stated that he has no brush pile and requests that the committee do a better job of inspecting property. His neighbors have a brush pile, but there is none on his land. The Board apologizes for this error.

Rick Johnson stated that the Clarksburg Community Volunteer Fire Department breakfast was a big success and the group cleared almost \$1,600. Rick also asked permission to have the CERT trailer set up at the main beach/community room during the July 4th holiday weekend. Dick stated that the Board would appreciate the CERT trailer and team being present.

Aaron Darby, who lives on Choctaw and CR880, asked to put a driveway in off of the county road. He stated that when he purchased the property he was told he would be able to do so as

long as he did not have an entrance also to the Lake. Dick explained that this goes against our rule that forbids any new access to the subdivision. Mr. Darby expressed that he has nice vehicles and would like to see the roads taken better care of.

CORRESPONDENCE

Brad stated that he received some correspondence from the Lake Santee Regional Waste and Water District asking if they could set up a table for 2-3 hours July 2nd to provide ACH service and set-up. RWWD will be giving away cups with their logo and will be manned by RWWD Board members. This was approved by the Board. The Booster Club will also be setting up a table for the holiday weekend.

Dick also stated that he received a few pieces of correspondence, both written and verbal, discussing citations received for boats in the water with no boat stickers. There were about 8 tickets given for this. Dick reminded residents that no boat should be launched without proper stickers displayed. Mike stated that this is not the Marina's responsibility, but the responsibility of the property owner. Dick held up the information sent out in each member's dues packets explaining this issue. The Lake has had the "Automatic Fine" rule in effect since 2010. The Board will review the requests on a case by case basis.

Recreation – Carol Goodwin

The Bass Club Night tournament will be from 6-9 pm on July 1st.

July 2nd has numerous events: the Women's Club bake and merchandise sale, the Clarksburg Community Volunteer Fire Department BBQ, the Beach Bash sponsored by MainSource Bank, the fireworks, a band on the beach, etc.

The 1st corn hole tournament was held. Scott Gibbs was the only person who showed up, so he won by default. Shawn Lucas has agreed to host the rest of the tournaments.

There will be two bands this month, one on the 18th sponsored by ETC and the other on the 25th brought to us by Wade Amos and Lake Santee Recreation.

No corrections or additions to the schedule in the Smoke Signals.

Lakes & Beaches – David Martin

The trial umbrella has not been completed. The company is running behind, but plans to get it on June 23rd and have it about a week. They would like to have it done and back up before the July 4th holiday.

The youth fishing tournament is moving ahead. There have been several sponsors step up and help out including but not limited to; Ronda Peetz of Lincoln Realty, the Lake Santee Marina, and the men's coffee group.

Membership – Vicki Wilson

Vicki presented the following new members:

Dickmann's Lot 95

Kinker's Lot 1057

Riesert's Lot 425

Stryzinsky's Lot 658

McKell Lot 967

Community Room Committee – Vicki Wilson

Nothing to report above the regular meetings and happenings.

Building Committee – Jim Massingale

The following building permits were issued in May:

James & Nancy Brockhoff - 1571 – Deck

Tim Kelbel – 861 – Deck

Larry Foster – 1245 – Re-roof house

Matt Weisenbach – 40 – 11x14 Outbuilding – Still Pending

Clean Up – Jim Massingale

The committee met last week and sent out 27 first letters, 20 of those for brush piles. Jim stated the Lake would like to have those cleaned up before the holiday weekend.

Roads & Maintenance – Ron Day

Ron reported that the dam culvert is complete and the grout has been finished.

Speed bumps have been ordered for the North entrance and will be set soon.

The maintenance crew is working on getting the mowing around the community caught up as long as the rain continues to hold off.

The message board at the North entrance has been installed and is now in use.

The gate guards are at both entrances and they are stopping people and checking for stickers and/or taking names.

The maintenance crew is getting a schedule together to maintain gravel roads on a regular basis.

Security – Mike Cutrufelli

Mike began by thanking the security crew for all they do on a daily basis. Mike also welcomed Michael Ostendorf who will be working security on the boat part-time this summer.

Mike discussed that the security boat is not planing the way it should since we had the ribs fixed and the extra weight removed. This leads to dangerous boating conditions. The Board decided to add some weight back in the boat to help alleviate this issue. The added weight will also help improve the ride of the boat.

Mike asked that residents help police the litter and trash around the subdivision, especially on the Lake and beaches. Let's keep our community clean.

OLD BUSINESS

None

A member intervened to make a suggestion about Lake items that are not required to have stickers and lot numbers. The member stated that many times items such as tubes, floatation devices, etc can sometimes get away from the member's property with no way of knowing to whom it belongs. It was suggested that owners write lot numbers on all floatables with a Sharpie so that other members know where the items need returned.

NEW BUSINESS

Dick stated that the Board has a report from the nominating committee concerning the upcoming election of officers. Bob Cupp was in attendance and gave the report in Ed Fox's absence who served as the chairman. The committee consisted of Bob Jackman, Debbie Evans, Rosemary Kinnett, and Bob Cupp. The committee presented the nominations of the following members in good standing: Mike Bruckman (78), Mike Dora (550), Polly Ann Fox (881), Steve Gauck (950), Shannon Gibbs (352), Stephanie Peetz (640), Pam Kachur (577). Dick stated that all nominees are members in good standing and a motion is needed to accept this list. The motion was carried and the slate was accepted on a motion by Vicki and seconded by Mike. Dick thanked the nominees for agreeing to serve the community. There was some discussion about getting pictures of these people to put in the Smoke Signals. Wade Amos asked if a member has to be nominated to be able to run, and asked for clarification on the process. Dick stated yes. It was clarified that members are welcome to volunteer, but they must contact the nominating committee to have their name placed on the list. Dick reiterated the fact that information about the election runs in the Smoke Signals several times each year.

MANAGER'S REPORT

Collected some bad debt; \$2163.44 on one and \$2087.40 on another.

Heavy trash is over and the Lake collected \$557. This amount is more than last May's total, but not sure if we broke even yet since we haven't received the bill from Best Way yet.

Check the website and Facebook page for all updated lists of events.

Ronda asked about public access lot 137 washout that needs repaired. She asked if the Board would commit to ensuring the repair of this piece of land. Dick stated that the Board does agree to this, and it would be in the minutes in Smoke Signals in writing as a guarantee. This is already on the list of things maintenance is taking care of. Dick stated that they are placing some rip rap, etc. It has been a struggle to get to the area due to rain.

Carol gave Brad kudos for keeping up with all of the changes to the recreation schedule on the website.

There being no further business, Mike moved to adjourn, seconded by Carol, motion carried. The next regular meeting will be held on July 13, 2016 at 7:30 PM in the Community Room.

Respectfully submitted,

Angel Hocker, Secretary

2016 Lake Santee Security Safety Signals

Security Safety Tip of the Month!

"Hello all! Summer is here. Please help us all be safe on the roads and in the water by following all of the Lake's guidelines.

Time for some Trash Talk!

We are having issues at the beach and at the Sea Shack's dumpster. The dumpster in the gravel parking area belongs to the Sea Shack. Please do not put your trash or other items inside it.

The trash cans and barrels on the Main beach, the East beach, and grassy areas are for **minor trash**.

If you are

- 1.) on the water or
- 2.) listening to the bands in the grassy area at the Amphitheater or
- 3.) playing on the beach under our beautiful umbrellas, or
- 4.) in a boat parked on the sand,

THEN the trash and items you or your group collect should be taken back home, placed in blue bags, and taken to the refuge area. Say "Hello" to Floyd! The hours are always posted in the Smoke Signals.

Let's make Lake Santee the best place in Indiana to live for everyone!"

Mike

NOTICE TO ALL LAKE SANTEE

PLEASE STAY SAFE:

- The maximum speed limit on all Lake roads is 25 mph.
- Follow all safety precautions around children and school buses.
- Keep walkers, joggers, and cyclists safe.
- Drive golf carts responsibly.
- Properly attach all Lake Santee stickers to cars, carts, and water craft.
- Watch out for maintenance crews, construction crews, security personnel, and emergency responders.

Meetings are held the Third Thursday of each month in the Community Room at 3:30 P.M.

All meetings are open meetings and everyone is welcome to attend.

**Lake Santee Regional Waste & Water District
Meeting Minutes**

Meeting of May 19, 2016

3:30 PM

Lake Santee Community Room

1. Roll Call

Scott Gibbs called the meeting to order and requested a roll call. Members present were Scott Gibbs, Jim Hornig, Paul Gosnell, Greg Montgomery, Frank Erdosy, Clair Fredrickson and Kathy Tarzwell. Also in attendance were Brad Jones, Utility Administrator and Brandon Litmer, Utility Superintendent.

2. Consent Items

- a. Minutes from April 21, 2016.
- b. Financial Reports
- c. Register of Claims for sewer operating
- d. Register of Claims for water operating

A motion was made by Frank and seconded by Clair to accept the consent items. Motion carried.

3. Operator's Report

- a. Sewer Status Report – Brandon reported that the Sewer Plant is operating on a normal basis with no problems. The pump calls are still low. There was a leak between the Fire Station and the Maintenance Building and it is repaired.
- b. Water Status Report – Brandon reported that the Water Plant is operating well with all tests in a normal range. The membranes are also operating well.
 - i. EVOQUA – supplied the bad carbon – We still have not heard anything back from Evoqua relating to the letter that we had Anne send. Brad will contact her to see if there is anything further we need to do at this point.
- c. Upcoming Conferences / Training Classes – Brad went to the “Efficient Utility Management and Utility Self-Assessment” training class. They talked about helpful ways to look at developing reserve accounts for replacing old infrastructure. Brad found the training quite useful as our underground water lines are the original lines installed when the lake was first developed; and, we have been discussing that very topic recently. Even though the underground lines are still working fine today, we need to plan for future repairs and replacements as these lines approach 50 years old. Brandon and Frank have been working on updating equipment replacement costs to incorporate into the reserve account planning.

4. Administrator's Report

- a. Status Report – Brad reported there were 19 credit card transactions, 136 ACHs, 9 valve turns and 6 shut offs.
- b. Write-Offs / Adjustments – Lot 75 asked for an adjustment of \$534.71 last month. After reading the ordinance and some discussion, it was decided to grant the adjustment. A motion was made by Kathy and seconded by Greg to approve the adjustment. Motion carried.
- c. Correspondence – The renewal for the liability insurance came and it has gone up about 10% in the last 3 years. Brad is going to get 2 other quotes to see if our current policy/rates are still competitive.
- d. Miscellaneous Agency Reporting – none this month.

5. Attorney's Report – None this month.
6. Committee Reports
 - a. Board Member Guide Committee – Board Training Topic – Kathy gave a report on the government agencies we deal with and what each agency is responsible for. Greg is scheduled to conduct the training in June.
7. Old Business
 - a. Napoleon Water – Brandon talked to Gene and he is still working up the costs for the emergency cross-connection.
 - b. ACH program education – Frank would like to set up a table at the July 4th activities to educate everyone about our ACH program and have forms there for sign up if anyone is interested. LSPOA board approval is necessary for a table for that date.
 - c. Internal Controls Standards – Brad has reviewed the requirements and has drafted an outline. He will have something for review at the June meeting. A resolution adopting these Standards will be required.
8. New Business
 - a. Consumer Confidence Report – This needs to be mailed out by July 1st. This is an annual mailing to all customers that reports the water quality testing results for the year.
9. Adjourn

Respectfully Submitted by
Kathy Tarzwell, Secretary

These minutes are subject to approval by the LSRWWD Board at the 6/16/16 meeting.

**Did you know that you can pay
your Water/Sewer bill with ACH? HOW?**

**Get the form from the RWWD website
OR stop by the office and fill out the
form. Have questions?
Call the RWWD Office at 812-527-2943.**

- Have you ever misplaced your Water/Sewer bill or simply forgotten to pay it?
- Have you had to pay late charges for your Water/Sewer bill?
- Are you tired of paying postage to mail your payment each month?
- Have you been away when your bill was due?

Did you know that you can eliminate these headaches by paying your Water/Sewer bill with ACH?

What is ACH?

The Automated Clearing House (ACH) is an electronic network that allows banks and other financial institutions to quickly and easily clear electronic payments. The network is governed by operating rules and guidelines developed by the National Automated Clearing House Association.

Is ACH Secure?

ACH transactions occur electronically and automatically, which dramatically reduces the number of individuals who have access to personal or financial information. Since ACH transactions are electronic they cannot be misplaced, lost in the mail or stolen.

How do I sign-up?

Signing up is easy – there are 2 ways. Go to the Lake Santee website (lake-santee.com), select Regional Waste & Water District, and then click on Governing Documents and Forms. Complete the Authorization Agreement for Direct Payments form and send the completed form to the RWWD Office.

OR, stop by the office and fill out the form there.

Recurring payments only need to be authorized once, prior to the first transaction. No further authorization is required to continue making payments to an account through the ACH.

Will I still receive a bill?

Yes, you will still receive a bill so you will know how much your Water/Sewer bill is each month. If you have any questions about your monthly bill, please contact the RWWD Office.

Who do I call if I have questions?

Contact the RWWD Office at (812) 527-2943.

Little Free Libraries

What is a Little Free Library?

A Little Free Library is a “take a book, return a book.” It is a free book exchange. This allows for people to share their favorite book with their community.

What is Little Free Libraries mission?

Little Free Libraries have two missions. The first mission is to promote literacy and the love of reading by building free book exchanges worldwide. The second mission is to build a sense of community as we share skills, creativity, and wisdom across generations.

Who and How?

Greensburg Community Public Library and Greensburg FFA. The Library received a small project grant from the Decatur County Community Foundation to place libraries around Decatur County. The Greensburg FFA works on securing locations, building, and helping the Library in any way.

Locations Expectations?

A location expectation is to care for their Little Free Library, so it becomes and continues a long life as a vital, engaging resource of the neighborhood and community. The location should welcome participation and create a friendly place around the library. Locations just need to inform the Greensburg Library about any issues.
