Check out the web page at <http://lake-santee.com> & the Facebook page at <http://www.facebook.com/pages/Lake-Santee/136790756386827> for up-to-date information on what is happening at the lake.

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

LEVELS OF HALOACETIC ACIDS ABOVE DRINKING WATER STANDARDS FOR LAKE SANTEE RWWD

Our water system recently violated a drinking water standard. Although this is not an emergency, as our customers, you have a right to know what happened, what you should do, and what we are doing to correct this situation.

We are required to monitor your drinking water for specific contaminants on a regular basis. The results of regular monitoring are an indicator of whether or not our drinking water meets EPA's health standards. The results that we received for Haloacetic Acids for the first and second quarters of 2016 show that our system currently exceeds the standard(s), or Maximum Contaminant Level(s) (MCL). The MCL for Haloacetic Acids is 60 ug/L. As of March 31, 2016 our locational running annual average was 66.3 ug/L and as of June 30, 2016, our locational running annual average was 63.1 ug/L.

What should I do?

You do not need to use an alternative (e.g., bottled) water supply. However, if you have specific health concerns, consult your doctor.

What does this mean?

Some people who drink trihalomethanes (THM) in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer. Some people who drink water containing haloacetic acids (HAA) in excess of the MCL over many years may have an increased risk of getting cancer.

What Happened? What is being done?

Our running annual average is above the MCL due to the two samples from 2015 that were higher than normal because we were bypassing our carbon tanks at the water plant. We did have one sample location with a result above the MCL in May 2016. We are currently working with IDEM and Water Solutions Unlimited to maximize our treatment process so we can deliver the highest quality water possible. We anticipate being back in compliance during the next monitoring period in August 2016.

For more information, please contact Brandon Litmer at (812) 527-2943 or by mail at 13 SW Wrenn Parkway, Greensburg, IN 47240.

Please share this information with all other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distribution copies by hand or mail.

This notice is being sent to you by Lake Santee RWWD. PWSID# IN5216003

the WATER COLUMN

Lake Santee Regional Waste & Water District Newsletter #5

July 16, 2016

The District offers ACH payment options

You may have seen the flyers in the Smoke Signals about ACH payment options. Or, you may have noticed the RWWD's informational table set up during the July 4th festivities to promote ACH enrollment. The District is actively trying to educate customers about this payment option to easily pay your water/sewer bill electronically. After you are set up, your payment is made automatically every month without you having to remember to mail it, or drop it off, or make sure you have stamps this month, etc. Over 140 customers currently take advantage of this program and we would like to reach 200 yet this year. Stop by or call the office and ask how you can get signed up.

Public Notice - Additional Information

The EPA requires the RWWD to sample four times per year for trihalomethanes (THM) and haloacetic acids (HAA), which are disinfection by products. We collect samples from two different locations in February, May, August and November. The average of the samples collected in these four different months has to be below 80 ug/L for trihalomethanes and 60 ug/L for haloacetic acids. We have maintained an average below 80 ug/L for trihalomethanes. Our average did exceed 60 ug/L for haloacetic acids. As we stated in our previous newsletters we were having problems with our granular activated carbon from May through November in 2015. Going forward, as we receive lower test results and the older, higher test results are no longer included in the annual average calculation, the HAA average should return to below 60 and we should stop receiving these Public Notices from IDEM. As always, feel free to call the office or Brandon with any questions or concerns.

Newsworthy

Annual Consumer Confidence Report is mailed out

Each July, every customer receives a report showing a summary of the year's test results and the high quality of water that is provided. You can find it on-line, also. Give us a call with any questions you may have.

Calendar

The Board meets at 3:30 p.m. on the 3rd Thursday of each month in the Community Room.

Next meeting is: 8/18/16
See you there.

Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was

published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

Lake Santee Property Owners Association, Inc.

Inspirational Moment

Infuse your life with action.
Don't wait for it to happen.
Make it happen. Make your own future. Make your own hope. Make your own love. And whatever your beliefs, honor your creator, not by passively waiting for grace to come down from upon high, but by doing what you can to make grace happen... yourself, right now, right down here on Earth.

Bradley Whitford

2016 YMCA Bike Tour

Lake Santee was a stop on the Decatur County YMCA Tree City Rolling Tour.

Boy Scout Troop #574 and the Niese family passed out fresh fruits, sandwiches, cookies and drinks to the bike riders provided by our club and Women's Club with ice provided by The Sea Shack.

Plus Mandatory \$2.00 Bass Restock
Enhancement Fee per boat

All tournaments will be six (6) hours in length

Any questions contact **Chip Ayers** at (812) 593-8915

hayers@isp.in.gov

Wow! It has been a busy few weeks here at Lake Santee in the fishing world! We held two events in less than a week and the bass did not let anyone down. What a great resource we have!!!

On Sunday, June 26th, we held the third event of the 2016 regular season and twenty teams turned out to take part. The father/son duo of Matt and Scott Perkins surpassed everyone with a five bass limit which totaled 18.98 lbs. Second place went to another father and son team, Butch and Marco Mikesell, who brought five keeper bass to the scales which went 15.68 lbs. Rounding out third place was the husband/wife team of Ron and Stacey Tuley with five quality fish which weighed 15.37 lbs. The Big Bass of the event went to Bob Delay and Joe Fuentes with a 6.35 giant. Congratulations to all of our anglers on a great day of fishing at Lake Santee!

In addition, to help kick off the Fourth of July weekend, we held our annual Lake Santee Bass Tournament TNT Celebration Event, a 3 hour, winner take all derby where the anglers fished for just a three bass limit. This tournament was held Friday, July 1st from 6 until 9 PM. Ten teams took part in the evening's fun, with residents Chuck Sieg and Paul Bruns taking the prize with three bass totaling over 9 1/2 pounds. Great job guys!

An interesting statistic in these two events was that there were ELEVEN largemouth bass weighed in over 4 lbs, with a few of those being over 5 lbs. each. Please help us sustain our phenomenal fishery by following our tournament anglers' lead and **PRACTICE CATCH AND RELEASE** on all of Lake Santee's bass! Also, don't forget to take a child fishing when the opportunity arises!

We are also going to address an issue which has unfortunately become way too common on waterways everywhere, especially our own Lake Santee... **Courtesy**. After speaking with numerous folks which have witnessed this, it seems as though people are operating their boats without much, if any, consideration of others. It has become obvious that many, but not all, boaters, both pleasure and fishermen, seem to operate their vessel in complete oblivion to others who they share the water with. Our Lake Santee, while a beautiful watershed, is rather small, considering the amount of traffic which utilize it each day. Take time to review ALL the lake rules. Just because our lake doesn't have marked lanes like a highway, does not mean one should drive haphazardly about the lake or when entering the coves. All that is needed is for some to put themselves in others' shoes, or boats, in this case. Take time to be observant of how big of a wake your boat is producing. Is that wake going to affect others adversely? Are you driving your boat faster than idle speed within **200 feet (That's 2/3rds of a football field folks!)** of the shore? If so, **SLOW DOWN** and give the other boats some room. If you decide to pull into a small cove and fish or swim, are you being courteous to others who might be there before you? Courtesy and communication are the key. We all have to operate our boats in a safe manner, making sure to look ahead of us, farther than just the bow of our boat!

Oh, and if you have never thought about these type issues, you are quite possibly part of the problem... Just saying...

Until next time, God Bless,

Chip & Lisa Ayers

BASS TOURNAMENT

AS A PART OF THE JULY 4th. CELEBRATION ON JULY 1 ST
FROM 6:00 TO 9:00 P.M..

WANTED BULLHEAD CATFISH

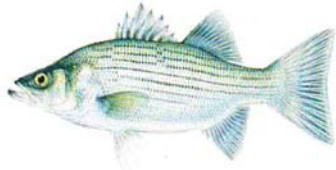

Lake Santee is experiencing an unwanted increase in its number of bullhead catfish. Unlike Channel Catfish, Bullheads are an undesirable fish whose size remains small, and can quickly overpopulate. Bullheads are bottom feeders that stir up bottom sediments, which can increase turbidity, and add to our water clarity issues. Channel Catfish can be easily distinguished from Bullheads by their deeply forked tail. Anglers, please remove all Bullhead Catfish that you catch. Thank you, Lake and Beaches Committee.

Channel Catfish

Lake Santee

David Martin, Lake and Beaches Director, would like to remind you of the fishing regulations.

<p>Largemouth Bass</p>  <p>No fish less than 21 inches shall be removed from the lake. Daily bag limit is set at 1 fish per day</p>	<p>Hybrid Striped Bass</p>  <p>No fish less than 21 inches shall be removed from the lake. Daily bag limit is set at 1 fish per day</p>
<p>Redear Sunfish</p>  <p>No length restrictions. Daily bag limit is set at 15 fish per day</p>	<p>Crappie</p>  <p>No length restrictions. Daily bag limit is set at 25 fish per day</p>

ANGLERS—PLEASE CUT AND KEEP FOR READY REFERENCE

Zebra Mussel (*Dreissena polymorpha*)

See the video on our website:

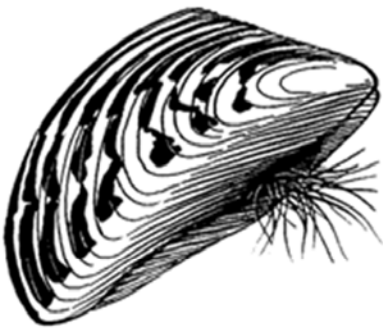

<http://lake-santee.com/boating-and-fishing/zebra-mussels/>

Zebra mussels (*Dreissena polymorpha*) are prolific invaders that cost the U.S. billions of dollars each year. These small mussels from Eurasia can clog water intakes and damage equipment by attaching to boat motors and hard surfaces. They can damage ecosystems by harming fisheries, smothering native mussels and crayfish, and littering beaches with their sharp shells.

In the late 1980s, zebra mussels spread from Europe to the Great Lakes in contaminated ballast water discharged from foreign ships. From there, they expanded to the Mississippi River, its tributaries, and to inland lakes. Zebra mussels spread primarily by attaching to boat hulls, aquatic plants, nets, fishing equipment, or in water. Adult zebra mussels can survive out of water for days under certain conditions. Your actions are vital to prevent their spread.

General Characteristics

- Zebra mussels look like small clams with a yellowish or brownish “D”-shaped shell, usually with dark and light-colored stripes (hence the name “zebra”)
- They can be up to two inches long, but most are under one inch. Zebra mussels usually grow in clusters containing numerous individuals and are generally found in shallow (6-30 feet), algae-rich water
- Zebra mussels are the only freshwater mollusc that can firmly attach itself to solid objects – submerged rocks, dock pilings, boat hulls, water intake pipes, etc.
- On smooth surfaces, young zebra mussels feel like fine sandpaper.
- Juveniles are about the size of peppercorns.

What You Can Do

- **Learn** to recognize zebra mussels.
- **Inspect** and **remove** aquatic plants, animals, and mud from boat, motor, and trailer.
- **Drain** water from boat, motor, livewell, bilge, and bait containers.
- **Dispose** of unwanted live bait and worms in the trash.
- **Rinse** boat and equipment with high-pressure and/or hot water (104° F), especially if moored for over a day, **OR**
- **Dry** everything for at least 5 days.
- **Never** introduce fish, plants, crayfish, snails or clams from one body of water to another.
- **Report** new sightings - note exact location; place specimens in a sealed plastic bag or store in rubbing (isopropyl) alcohol.

Know the rules!

Unauthorized introduction of zebra mussels, fish, or plants into the wild is illegal. Protect your property and our waters.

Annual Bay Shore Golf Cart Runs

Everyone is welcome to join in the fun! Often there is a spare seat or two on a golf cart if you want to go, but don't have a cart. However, the best way to join in the fun is to make friends with someone who has a golf cart and ask to ride

cart runs start through October will be the each month. fun without The host flatware and a

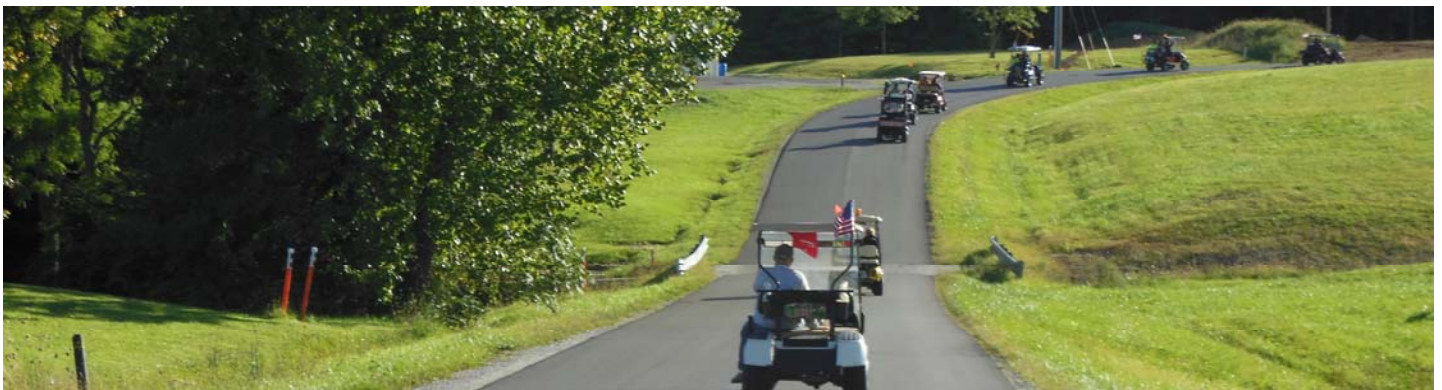

along! The golf in May and go and this year they third Saturday of The idea is to have having to be fancy. provides plates, main dish; often

hot dogs. Each group brings a dish to share and leaves it at the host's house before we start. Stops can be along any road on Santee grounds, even a plain lot that you own, or at the Bay Shore,. A drink (either alcoholic or non-alcoholic) is provided at each stop, however snacks are not expected. Carts follow in a single file with no passing. (Slower carts may wish to be toward the back.) A restroom break is at the East Beach. We all end up back at the host's house to eat. This is a great way to meet new people and socialize. Plan to join the fun!

THIS MONTH'S GOLF CART RUN WILL BE AUGUST 20

It will be hosted by KerriAnn and David Martin

Can you find Lake Santee's Totem Pole, our Beach with Umbrellas and our swimming area buoys?

Bison-tennial

Decatur County United Fund now has on display its bison sculpture as part of Indiana's Bison-tennial Public Art Project. The Decatur County bison is located on the south east corner of the courthouse square.

The Indiana Association of United Ways, in partnership with the Indiana Bicentennial Commission, is coordinating the project in celebration of Indiana's 200th birthday.

The project will feature at least one fiberglass bison, the state symbol, in each of Indiana's 92 counties. The fiberglass bison stands 5' tall and is 8' long.

The bison participating in the Bison-tennial Public Art project are expected to make appearances in the local community and along the Bicentennial Torch Relay route from September 9 - October 15, 2016 leading up to Indiana's Bicentennial Statehood Day on December 11, 2016.

Information provided by:

Joane Cunningham, Executive Director

Decatur County United Fund
812-663-3342

The local Project Lead for Decatur County is Decatur County United Fund. Our community sponsors include: MainStreet Greensburg, the City of Greensburg, Decatur County, Greensburg/Decatur County Chamber of Commerce, and Greensburg Tourism.

The Decatur County United Fund selected Marci Ping, North Decatur Art Teacher, and Lauren Reed, a North Decatur Art Student, as the artists for the Bison-tennial Public Art project.

Hint: Lake Santee symbols are on this side of the bison

Adderley Restoration Company LLC.

GENERAL CONTRACTOR

LAKE SANTEE RESIDENT

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

UPGRADES TO THE OFFICE AND RESTURANT

The Booster Club has had a very good year with the Smoke Signals and other fund raising programs and wanted to share this with our friends and neighbor's. By installing these upgrades, we felt by enhancing the appearance of the office and restaurant would be something we all could be proud of. It also brought the building up to code. On behalf of all of the members of the Booster Club we hope you enjoy.

RexWorks Boats by Chad

RexWorks started in 2000 when my grandpa Rex Boyer who was a millwright and carpenter by trade was no longer able to work. He began to build the wood boat decorations in his garage that you see around the lake. Unfortunately, in 2006 "Pa Rex" passed away. Today, as I drive around the lake and see his boats, it puts a special warmth in my heart. In his memory and carrying on his love for making things, I decided to use his pattern and make his boats in his honor.

Lake themed boat decoration for your fireplace mantel, bedroom, bathroom, sun porch, house or garage steep, or property address marker.

Dimensions: 36" wide x 48" tall

Choose your paint colors or stain to match your existing interior or exterior!

Each boat made by hand with quality materials Price: \$70 Dimensions: 44" wide x 46" tall

Order your custom boat by contacting Chad Seward

Email sseward1336@sbcglobal.net

Lake Santee
AVENUE OF FLAGS

Sponsored by
Greensburg Breakfast Optimist Club

For 2016

Consider adding YOUR name to the following list of persons. They through the Greensburg Breakfast Optimist Club have subscribed for a flag to be displayed on the six national holidays of the year at the entrance of Lake Santee.

Jim & Lisa Acton	Doug & Charity Banks (2)	Joan Banks
Gerald & Mary Ann Barnett	Jim & Lorraine Beck	Jim & Joy Boyd
Bob & Diane Dawson	Randy & Leslie Emerson	Ed & Mary Fox
Claire & Nancy Fredrickson	Phyllis Rentchler & Evelyn Grant	Scott & Shanon Gibbs
Bob & Bonnie Gilaspy	Paul & Sharon Gosnell	Becky Hurst
Bob & Karen Jackman	Neil & Kathy Jackman	Rick & Mary Johnson
Lake Santee Boosters	Lake Santee Womens Club (4)	Maury & Marsha Lay
Steve & Brenda Lucas	Bill & Brenda McVay	Phyllis Nordland
Bill & Marilyn Pearsey	Darrell & Rhonda Peetz	Jack & Lisa Phipps
Bob & Carol Reger	Jack Reynolds	Tom & Jerri Russell
Larry & Donna Sandman	Alan & Susan Schramm	Linda Schroeder
Peter & Beth Schubert	Don & Donna Smith	Harlan & Charlene Smith
Norma Smith	Skip & Jonie Spetter	Gary & Kathy Tarzwell
Tim & Lori Tennell	Dick & Judy Veach	Mike & Judy Anne Walker
Katie Weed	Ron & Vicki Wilson	Betty Zillick

The six holidays are: Memorial Day weekend, Flag Day, July 4th weekend, Labor Day weekend, September 11th, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. The Optimist Club is responsible for replacement of any flag soiled, damaged or stolen.

A subscription for a flag can be purchased by completing the form below and attaching a check: \$30 for one year; \$100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-4471.

LAKE SANTEE WOMEN'S CLUB

July 11, 2016

Secretary's Report:

The Women's Club, 16 members in attendance, enjoyed a lovely lunch at Cricket Ridge. We welcomed our 2016 Scholarship Winner, Miss Emily Martin, as our guest. Miss Martin will attend Indiana University focusing on Public Relations / Broadcasting. She would like to speak for a company whose goal is to benefit the public.

Well done, Emily!

The meeting was called to order. The Club's officers reported to the members that the July 2nd activities this year were a big success!

Plans were made for the Auction volunteers to meet on Wednesday, July 13th, to finalize arrangements for the Auction scheduled for August 13th. All members were asked to bring appetizers for the event!

The Club is still pursuing candidates for President for next year.

The October meeting date was changed to Tuesday. We will be meeting at High Point Orchard.

Meeting was adjourned.

Respectfully submitted,
Fae Cutrufelli
Secretary

Friends of Wildlife at Lake Santee

Everyone Welcome!

Our aim is to encourage the members of the Lake Santee community
to appreciate and protect our natural setting.

Friends of Wildlife meets the first Wednesday of the month at 7:00 p.m. in the community room.
Email charm.seright@gmail.com for more information.

The Nature Habitat

The gardens at The Nature Habitat are a blooming invitation for butterflies to lay their eggs, feed the caterpillars and supply nectar for the adults. As of July 15th no one has reported seeing a Monarch at Lake Santee but the season is young. August is just the beginning of the show so plan to visit and rest awhile. A late August or early September Monarch tagging activity is being planned so be on the lookout for more information online.

“A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing,
and the lawn mower is broken.”

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES
July 13, 2016

The Lake Santee Property Owners Association Board of Directors met on July 13, 2016 in the Community Room. President Richard Veach presided and called the meeting to order at 7:30 PM. Other Directors present were Polly Ann Fox, Angel Hocker, Vicki Wilson, David Martin, Jim Massingale, Carol Goodwin, Ron Day and Mike Cutrufelli. Employees present were Joe Jarman (92), Jim Hornig (668) and Brad Jones. Members present were Rich Veach (1386), Nancy Day (1645), Claire and Nancy Fredrickson (348), Dan and Nancy Archiabile (252), Stephanie Peetz (640), Ronda Peetz (941), Gina Fehrenbach and Dave Julien (118), Michael Dora (550), Scott and Shannon Gibbs (352), Charles and Terri Suiters (1416), Maurie Goodwin (894), and Bob Reger (123).

President Veach called for a review of the minutes of the June 8, 2016 meeting. The minutes were approved on a motion by Mike, seconded by Ron.

Angel Hocker gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Angel then presented the following bills to the Board for approval:

Apparelmaster	\$ 390.42	New Point Stone	\$ 7,003.19
Becker Electric Supply Co.	\$ 9.86	Steve Pfenninger	\$ 750.00
Best Way Disposal	\$ 1,575.66	Premier Companies	\$ 2,255.26
Best Way Disposal HT	\$ 1,040.96	Prince Minerals	\$ 3,102.16
Cardinal Pest Control	\$ 45.00	Pat Richards	\$ 135.00
Circle Printing LLC	\$ 20.00	Scheidler Brothers	\$ 80.37
Fraley Implement Sales	\$ 185.11	Stones Farm Service	\$ 400.24
Gillman Home Center	\$ 30.46	Stones Napa	\$ 294.04
Greensburg Tool & Supply	\$ 639.27	The Office Shop	\$ 102.48
Brad Jones	\$ 293.66	Tim Lecher Farm Service	\$ 51.09
Kramer Kreations	\$ 324.52	Tommys Diesel Shop	\$ 787.06
Lake Santee RWWD	\$ 449.64	Tops Home Center	\$ 174.02
Laker Electric & Plumbing	\$ 37.12	Wallpe's Feed & Supply	\$ 136.96
Levensteins Carpet	\$ 19.06	Walters Tire Center	\$ 32.00
Negangard Party Rental	\$ 508.25	W. Amos (Chicago Farmer)	\$ 500.00
Floyd Myer	\$ 130.00	Circle City Pyrotechnics	\$ 5,000.00
U.S. Post Office	\$ 376.00	TOTAL:	\$ 26,878.86

After presentation, the bills were approved for payment on a motion by Carol, seconded by Mike.

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

Ronda Peetz commented that the front of the Sea Shack and the Office looks fabulous and thanked the Booster Club for taking on, funding and completing the project.

Terri Suiters thanked everyone for their support and donations for the July 2nd Women's Club Bake Sale, in particular Vicki who donated a great deal. Terri also stated that the Women's Club Auction will be held August 13th starting at 6:00pm

CORRESPONDENCE

Brad stated that the board received a letter from the Clarksburg Christian Church thanking the Board for their support and allowing them to hold their annual picnic at the main beach.

Brad also received an email from a member concerning loud music that is being played on some boats while on the water. The member was just asking others to be considerate of other owners and turn it down a bit.

Dick discussed some correspondence that he received concerning the Lake's rule that restricts drivers from standing, kneeling or sitting on the seat back while pulling a tube or skier. The member received a warning for this, but feels that it is too dangerous to sit until the boat planes out and thinks that the Lake needs to revisit this rule and get it up to Coast Guard standards. Dick stated that he will turn this over to Polly and the Rules and Regulations Committee.

COMMITTEE REPORTS

Rules & Regulations – Polly Ann Fox

Polly stated that the rules committee has nothing to report at this time but will look into the rule concerning standing until the boat planes out.

Recreation – Carol Goodwin

Carol exclaimed that the 4th of July celebration and fireworks went well and had almost no rain, and that she was able keep the band. She went on to say fireworks were again spectacular and it seemed fun was had by all.

The second Corn Hole Tournament came to be met with another no-show event. She is considering changing the time of the events as she was assured by many who want the event to succeed.

This upcoming weekend will be Kids weekend, which will encompass a water balloon fight, and then the Golf Cart run both on Saturday. Sunday will be the Lake Santee Bass Club Team Bass Tournament and Saturday the 23rd will be live entertainment at 7:00pm, Steve Jeffris in the amphitheater, with a free will offering. A full list of events is printed in the Smoke Signals and on the webpage.

Lakes & Beaches – David Martin

David joked that Carol has passed her rain delays and cancellations onto him because he had to cancel the youth fishing tournament due to rain. David is looking into the best time to reschedule this event, possibly Labor Day weekend.

David also explained that KFAB completed the test umbrella. The Board is not thrilled about the netting used to keep the birds from nesting inside the umbrella and David is looking into other options. He is getting pricing on vinyl underlay.

Membership – Vicki Wilson

Vicki presented the following new members:

- | | |
|--------------------------|---------------------------|
| • Tim & Sheryl Butcher | Lot 1534 |
| • John & Pamela Cole | Lot 547 |
| • Mark & Tamilyn Adams | Lot 1188 |
| • Bradley & Ginay Bowman | Lots 998, 999, 1184, 1185 |
| • Justin McCreary | Lots 242, 243, 244 |

Community Room Committee – Vicki Wilson

Vicki informed members that the carpets have all been cleaned. She also announced that this month the community room was used for five parties, a couple of family reunions and then the normal monthly events and meetings.

Building Committee – Jim Massingale

The following building permits were issued in June 2016:

- | | |
|-----------------------------------|--|
| • Betty Young, Lot 475 | 48” Wire Fence |
| • Doug & Jill Rynard, Lot 777,778 | House, Unattached garage, culvert & tile |
| • Justin McCreary, Lot 243 | 48” Fence |
| • Mark Andrews, Lot 1610 | Re-shingle roof-asphalt shingles |

Clean Up – Jim Massingale

Jim stated that members have cleaned up most of the brush pile issues and that he sent out sixteen “Thank you” letters, five first letters, and three second.

Roads & Maintenance – Ron Day

Ron thanked maintenance for getting the community ready for the 4th of July celebration weekend. The crew has been working on mowing and trimming and is now working on the fencerow along the county roads. The crew will be putting down the lignin on the gravel roads once the rain stops for a couple of days in a row.

Security – Mike Cutrufelli

Mike thanked the security team for all of their hard work especially over the holiday weekend.

Mike stated that he is in the process of looking for a new security boat to replace the current one and will be getting bids.

Mike reminded the membership that school will be starting in a couple of weeks. Flyers concerning the school bus will go out soon and security will be following along to ensure the safety of our kids. Please remember that if you are having construction done on your property, no construction vehicles can be parked along the main road during pick-up and drop-off hours. Students will be heading back to school on August 3rd.

Mike was happy to announce that the security team will be receiving 2 iPhones complete with a data package thanks to Brad.

Clarksburg VFD Knox Box update

Mike stated that order forms and a flyer would be published in the Smoke Signals.

OLD BUSINESS

Review of the Booster Club beautification project

Dick thanked the Booster Club again for their wonderful donation to the Office and the Sea Shack. Dick especially thanked Nancy Fredrickson and Paul Gosnell for the idea and all of their hard work. The Board wants to complete the job by getting the deck railing replaced and the existing posts wrapped with a vinyl overlay. This will be discussed again in new business. The project is estimated to cost \$3,600. Nancy took a second to thank all of the Booster Club members by name for their commitment and help.

NEW BUSINESS

Appointment of Election Committee

Dick announced the appointment of the election committee and asked for Board approval on the following members: Sharon Kobeski, Brent Montgomery, Craig Duncan, and Ginger Ryle. The compilation of committee members was approved on a motion by Mike, seconded by Carol.

The completion and wrap of the decking rails and spindles at the Sea Shack was revisited. Again, the project is estimated to cost around \$3,600 for the 123 feet of railing and will

complete the look of the project the Booster Club began. Approval was given for the go ahead on this project on a motion by Ron, and seconded by David using some unused set aside money for another project.

Pavilion project

The Lake received word that a construction company had a number of trusses that they would like to donate to the Lake to use as they wish. The construction company, Wilhelm Construction, who Scott Gibbs works for donated the trusses to the Clarksburg Community Volunteer Fire Department and the LSPOA. The Lake plans on using these to build a shelter where the old basketball court is currently. The remainder of the project will cost less than \$4000. Thank you to Scott and his employer for this useful and wonderful donation.

Engagement agreement with Alerding

Dick asked the Board for approval to sign a contract with Alerding to complete the annual compilation report for the association. Approval was granted on a motion by Vicki, seconded by Polly.

ETC Business Cellular contract

Brad discussed the new deal he has arranged with ETC on 2 new smart phones for security and a mil-spec phone for on-call maintenance. The phones will cost around \$910 to purchase, but Brad was able to get service for the same amount being paid currently for non-smart phones with no data. The monthly service costs will be \$105 and would cost \$160 through Verizon. The purchase and service change was accepted on a motion from Carol, seconded by Mike.

Restaurant contract

The contract for the Sea Shack is up for renewal August 1st. After running numbers, the Board has decided to offer the current lease price, and is happy to offer this renewal to the Sea Shack. The Board has not heard from the Sea Shack one way or the other at this time if it is their intention to continue. This renewal decision was approved on a motion by Ron, and seconded by Polly.

MANAGER'S REPORT

Brad announced that gate guards at both entrances were able to collect \$4,246.22 in donations towards the annual fireworks presentation.

Heavy trash cost us \$1,040.96 this year and we only collected \$557, and we believe there may have been items placed in it from the county roads.

Brad also stated that he was able to redeem \$125 in rewards on the credit card services.

Recently Brad was able to attend the Greensburg / Decatur County Economic Development Corporation annual meeting and luncheon June 9th.
Keep looking at the Facebook page and the webpage for updated information.

There being no further business, Mike moved to adjourn, seconded by Carol, motion carried. The next regular meeting will be held on August 10, 2016 at 7:30 PM in the Community Room.

Respectfully submitted,

Angel Hocker, Secretary

From the
Director of Security 2015-2016
Mike Cutrufelli

2016 Lake Santee Security Safety Signals

Security Safety Tip of the Month!

"Hello all! Summer is here. Please help us all be safe on the roads and in the water by following all of the Lake's guidelines.

Time for some Trash Talk!

We are having issues at the beach and at the Sea Shack's dumpster. The dumpster in the gravel parking area belongs to the Sea Shack. Please do not put your trash or other items inside it.

The trash cans and barrels on the Main beach, the East beach, and grassy areas are for **minor trash**.

If you are

- 1.) on the water or
- 2.) listening to the bands in the grassy area at the Amphitheater or
- 3.) playing on the beach under our beautiful umbrellas, or
- 4.) in a boat parked on the sand,

THEN the trash and items you or your group collect should be taken back home, placed in blue bags, and taken to the refuge area. Say "Hello" to Floyd! The hours are always posted in the Smoke Signals.

Let's make Lake Santee the best place in Indiana to live for everyone!"

Mike

SCHOOL BUS SAFETY

WHEN ?
ALWAYS !

WHERE ?
LAKE SANTEE !

Please remember to NEVER move your vehicle or attempt to drive around a school bus if the school bus has it's red lights flashing with it's STOP ARM extended. The Lake Security vehicle will also have it's warning lights flashing.

Always make sure that construction vehicles are NOT BLOCKING the road from 6:30 am to 8:00 am and 3:00 pm to 4:30 pm.

It is our duty and the law to keep our children safe.

BENEFITTING

Meetings are held the Third Thursday of each month in the Community Room at 3:30 P.M.

All meetings are open meetings and everyone is welcome to attend.

Lake Santee Regional Waste & Water District

Meeting Minutes

Meeting of June 16, 2016

3:30 PM

Lake Santee Community Room

1. Roll Call

Scott Gibbs called the meeting to order and requested a roll call. Members present were Scott Gibbs, Jim Hornig, Paul Gosnell, Greg Montgomery, Frank Erdosy, Clair Fredrickson and Kathy Tarzwell. Also in attendance were Brad Jones, Utility Administrator and Brandon Litmer, Utility Superintendent.

2. Consent Items

- a. Minutes from May 19, 2016
- b. Financial Reports
- c. Register of Claims for sewer operating
- d. Register of Claims for water operating

A motion was made by Frank and seconded by Greg to accept the consent items.
Motion carried.

3. Operator's Report

- a. Sewer Status Report – Brandon reported that the Sewer Plant is operating on a normal basis with no problems. All tests are in the normal range. Brandon ordered additional tanks and pumps as there are numerous new houses being built.
- b. Water Status Report – Brandon reported that the Water Plant is operating well with all tests looking good with the exception of the HAA5 levels. One of the samples taken on May 17 showed a high HAA5 level again – the other sample was just fine. Brandon will take samples from different areas of the lake and send them to two different labs to see if they get the same results. Dave from Water Solutions is assisting Brandon with this issue.
- c. Upcoming Conferences/Training Classes – none this month.

4. Administrator's Report

- a. Status Report – Brad reported there were 14 credit card transactions, 142 ACHs, 1 valve turn and 2 shut offs; both are back on. Frank and Brad are looking into our phone service provider to see if we can get a better deal on this service.
- b. Write-Offs / Adjustments – None this month.
- c. Correspondence – Brad handed out a quote from Murphy Insurance for our liability insurance and is still waiting on one more quote to decide if we should stay with Murphy Insurance. Murphy will be conducting their annual insurance audit / walkthrough on 6/22 next week. We received approximately \$8,000.00 from Decatur County for payments on tax liens.
- d. Miscellaneous Agency Reporting – None this month.

5. Attorney's Report – Scott talked to Anne prior to the meeting. She indicated that the District does not need to do anything differently to keep Anne as our attorney as she transitions to a new firm. She also stated we do not have to send anything else to Evoqua at this time.

6. Committee Reports

- a. Board Member Guide Committee – Board Training Topic – Greg gave a refresher course on the Leak Adjustment Program. As a result of this discussion, we will be making adjustments to the form that customers fill out if they request a billing adjustment. We will also be reviewing whether the policy needs any changes.

7. Old Business

- a. Napoleon Water – No update this month.
- b. ACH program education – Frank is still publishing information in the Smoke Signals on the ACH program to educate the customers about this time saving option. The LSPOA gave approval for us to set up a table for the July 4th festivities. Frank, Greg, Scott and Clair will man the table. There will be forms provided for anyone to sign up and a logoed cup give away.
- c. Internal Controls Standards – Brad presented the Internal Control Standards Policy that he and Anne had been working on. Scott read Resolution 06-16-2016 as outlined by Anne. A motion was made by Clair and seconded by Kathy to adopt this Resolution. Motion passed. By next month, all the board members need to watch a video of the internal control standards which the State Board of Accounts requires us to watch. Discussion will be at the July meeting.
- d. Consumer Confidence Report – Brandon finished the report and it is ready for mailing by July 1.

8. New Business

- a. Reserve Accounts – Frank has been working with Brandon reviewing the maintenance recommendations from Dixon Engineering. They have also been reviewing the original budget reserve accounts and equipment life cycle estimates from the first rate study. Frank has generated some updated figures on how much we need to put aside for building and equipment when they need to be replaced. After some discussion it was decided that \$34,000 would immediately be set aside for the sewer account with \$150.00 a month thereafter. For the water account \$70,000 will be put aside immediately and \$2000.00 a month thereafter. Frank and Brad will look into the best option to invest this money until it is needed, but SBOA regulations will likely result in putting the money into CDs. A motion was made by Greg and seconded by Kathy to start this immediately. Motion passed.
- b. Ron Stryzinski of Lot 452 attended the meeting to ask if the District could provide water and sewer service to property adjacent to Lake Santee on County Road 880 E just west of his Lot 452. We will have to check with Anne to see if that is allowed, and if so, what the process would be to provide that service.

9. Adjourn

Respectfully Submitted by
Kathy Tarzwell, Secretary

These minutes are subject to approval by the LSRWWD Board at the 7/21/2016 meeting.

**Did you know that you can pay
your Water/Sewer bill with ACH? HOW?**

**Get the form from the RWWD website
OR stop by the office and fill out the
form. Have questions?**

Call the RWWD Office at 812-527-2943.

- Have you ever misplaced your Water/Sewer bill or simply forgotten to pay it?
- Have you had to pay late charges for your Water/Sewer bill?
- Are you tired of paying postage to mail your payment each month?
- Have you been away when your bill was due?

Did you know that you can eliminate these headaches by paying your Water/Sewer bill with ACH?

What is ACH?

The Automated Clearing House (ACH) is an electronic network that allows banks and other financial institutions to quickly and easily clear electronic payments. The network is governed by operating rules and guidelines developed by the National Automated Clearing House Association.

Is ACH Secure?

ACH transactions occur electronically and automatically, which dramatically reduces the number of individuals who have access to personal or financial information. Since ACH transactions are electronic they cannot be misplaced, lost in the mail or stolen.

How do I sign-up?

Signing up is easy – there are 2 ways. Go to the Lake Santee website (lake-santee.com), select Regional Waste & Water District, and then click on Governing Documents and Forms. Complete the Authorization Agreement for Direct Payments form and send the completed form to the RWWD Office.

OR, stop by the office and fill out the form there.

Recurring payments only need to be authorized once, prior to the first transaction. No further authorization is required to continue making payments to an account through the ACH.

Will I still receive a bill?

Yes, you will still receive a bill so you will know how much your Water/Sewer bill is each month. If you have any questions about your monthly bill, please contact the RWWD Office.

Who do I call if I have questions?

Contact the RWWD Office at (812) 527-2943.

Little Free Libraries

What is a Little Free Library?

A Little Free Library is a “take a book, return a book.” It is a free book exchange. This allows for people to share their favorite book with their community.

What is Little Free Libraries mission?

Little Free Libraries have two missions. The first mission is to promote literacy and the love of reading by building free book exchanges worldwide. The second mission is to build a sense of community as we share skills, creativity, and wisdom across generations.

Who and How?

Greensburg Community Public Library and Greensburg FFA. The Library received a small project grant from the Decatur County Community Foundation to place libraries around Decatur County. The Greensburg FFA works on securing locations, building, and helping the Library in any way.

Locations Expectations?

A location expectation is to care for their Little Free Library, so it becomes and continues a long life as a vital, engaging resource of the neighborhood and community. The location should welcome participation and create a friendly place around the library. Locations just need to inform the Greensburg Library about any issues.
