## Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication .Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

MainSourceBank.com

Introductory rate offer applies to Home Equity Lines of Credit only. Advertised Annual Percentage Rate is accurate as of 4/24/17, to well-qualified applicants and is subject to change at any time based on market conditions and borrower eligibility. Not all applicants will qualify for the lowest rate. Other rates and terms are available. Subject to credit approval. Variable APR is equal to The Wall Street Journal Prime Rate (currently 4.000%) plus or minus a margin. APR will be based on credit score and loan-to-value of the applicant. Your APR may be higher based on the prevailing variable-rate index value, your credit qualifications, the amount of your credit line, Combined Loan-to-Value (CLTV), and/or property type. Applicant with a credit score of 720 or higher and loan-to-value of 89.9% or less qualifies for the 1.25% 6-month introductory APR. 4.50% APR thereafter. Otherwise, offered APR may vary based on credit score and loan-to-value of the applicant. Current APRs range from 3.500% to 7.140%. Minimum credit line is \$12,500. \$60 annual fee. Closing costs range from \$0 to \$1,000, depending on credit score, loan amount, collateral position, and appraisal costs. Credit line together with any other mortgage(s) cannot exceed 89.9% of the property value on single-family, owner-occupied properties. Maximum Debt-to-Income of 43%. The APR is variable after the 6-month introductory rate and subject to change without notice. Maximum APR is 18%. If interest only payments are made, then a balloon payment will result. New originations only. Property insurance is required. Flood insurance may be required, if so, escrow of premium is required. Escrow of taxes and insurance is not available. Offer expires 6/30/17.

# SAFETY IN AND AROUND YOUR HOME

## Outdoor Burning

- Check with your local fire department or municipality for any restrictions before starting an open-air, recreational, or outdoor cooking fire. Obtain proper permits, if required.
- You might not be permitted to do outdoor burning in some municipalities and during some seasons.
- Closely supervise all outdoor fires. Make sure the fire is out before leaving.
- Supervise children around any fire outdoors, including campfires, fire pits, chimineas, and outdoor fireplaces.
- Permitted open fires, such as bonfires or trash fires, need to be at least 50 feet (15 meters) from anything that can burn.
- Permitted recreational fires such as campfires, need to be at least 25 feet (8 meters) away from anything that can burn.
- Avoid burning on windy, dry days. When conditions are windy or dry, it is easy for open burning to spread out of control.
- Where outdoor burning is allowed, never use gasoline or other flammable or combustible liquids.
- When burning, have a hose, bucket of water, or shovel and dirt or sand nearby to extinguish the fire.

## If You Are on Fire

- If your clothes catch fire, stop, drop, and roll. Stop, drop to the ground and cover your face with your hands. Roll over and over or back and forth until the fire is out.
- If you cannot stop, drop, and roll, keep a blanket or towel nearby to help you or others smother flames. Cover the person with a blanket to smother the fire.
- If you use a wheelchair, scooter, or other device and are able to get to the floor, lock the device first to stay in place before getting on the floor to roll until the flames are out.
- Immediately remove loose clothing or clothing with elastic bands, belts, and jewelry.
- Treat a burn right away by putting it in cool water for 3 to 5 minutes. Cover with a clean, dry cloth. Do not apply creams, ointments, sprays, or other home remedies.
- Get medical help right away by calling 9-1-1 or the fire department.

Austin

For the last year and a half it has been my pleasure to help people achieve better hearing at our new, spacious office in Greensburg located beside Tops Hardware. The support of our patients has played a large role in our success; my co-workers and I thank you for accepting Help U Hear into this great community, it means a lot to us. I couldn't have picked a better place to use my 12 years of experience as a Hearing Specialist. Our hope is to be able to serve even more of you in the coming days.

Austin Dunn

**Bring a friend and take home a Special Gift!**

Linda

I can't believe it has been over a year since I joined the team at Help U Hear. And what a great year it has been! I totally enjoy working with Austin and Lora; we definitely are a TEAM. Everyone cares so much about the patients, and it's a big plus to know that the owner of Help U Hear wants everyone whose hearing can be treated to have that opportunity. I definitely think God put us all together where he wanted us. In addition to being blessed with being able to return to a profession I love, an additional blessing has been seeing so many of my former patients return to me and Help U Hear. My wish is to be here many more years.

Lora

In February of 2016, I was asked to join a new business called "Help U Hear". It truly is the best decision I've ever made. I love working with our team of "Hearing Specialists", Austin Dunn and Linda Tungate. We have the best patients and I enjoy them so much. If you have any hearing issues, I urge you to just come see or call us. We will take good care of you. You won't regret it, I promise. I'll look forward to hearing from you.

# Battery, Light Bulb, & Printer Cartridge Recycling

## Battery Recycling

- Batteries contain a number of heavy metals and toxic chemicals; their dumping has raised concern over risks of soil contamination and water pollution.

## Light Bulb Recycling

- Most light bulbs now contain mercury. Mercury is considered a hazardous material. Due to the mercury content, you CANNOT put light bulbs in the trash or in our recycling bins.

## Printer Cartridge Recycling

- It takes over 1,000 years for a cartridge to decompose. Cartridges are made out of plastic which is a petroleum based product. The more cartridges we recycle, the more we save our natural resource.

## How to dispose:

- Call our office at 812-663-0960 to set up a time to dispose of batteries, light bulbs, and toner cartridges. Due to educating and other meetings we are not always in the office, please call before stopping by.
- You can drop off batteries and printer cartridges at the Greensburg Public Library (inside first set of doors) during their normal business hours.

# WANTED BULLHEAD CATFISH

Lake Santee is experiencing an unwanted increase in its number of bullhead catfish. Unlike Channel Catfish, Bullheads are an undesirable fish whose size remains small, and can quickly overpopulate. Bullheads are bottom feeders that stir up bottom sediments, which can increase turbidity, and add to our water clarity issues. Channel Catfish can be easily distinguished from Bullheads by their deeply forked tail. Anglers, please remove all Bullhead Catfish that you catch. Thank you, Lake and Beaches Committee.

# LAKE SANTEE BASS TOURNAMENT MAY 21, 2017

Sunday, May 21st, saw the second event of the Lake Santee Bass Tournament season. While a forecast of more rain and possibly heavy storms were predicted for the event, that did not deter 17 teams from taking part in the tournament. As luck would have it, with the exception of a few passing sprinkles, Mother Nature was on the fishermen's side. The changing weather did, however have an effect on the mood of the bass for the tournament.

Rob Merriman and TJ Edwards continued their winning ways bringing five bass to the scales weighing 18.47 pounds. Their catch included a 5.18 kicker which took top honors for big bass the event. They reported catching all their fish on soft plastic baits in shallow water. Lake residents Paul Bruns and Chuck Sieg managed to bring three bass to the scales for a weight of 8.78 lbs. to hold on to second place. Finishing just behind them in third was Don and Bonnie Mohr with two bass which totaled 8.03 pounds and included a 5.11 pound giant. Great job to all of our teams on a challenging day!

With their win, Rob and T.J. took also home the beautiful plaques from Kramer Kreations in Greensburg which were sponsored by Joe Jarmin and the Security Team at Lake Santee. Thank you Joe and the team for your support and hard work!

As the seasons turn from spring to summer, take time to enjoy the beauty and fantastic fishing opportunities here at the lake. But please, when you do, follow our fishermen's lead and **please practice catch and release** on all of Lake Santee's bass. Also, whenever possible, make time to take a child fishing. Until next time...

God Bless,

Chip & Lisa Ayers

## Deliciously Sweet Salad

### Ingredients

- 3 cups torn romaine lettuce
- 1/2 cup blueberries
- 1/4 cup dried cranberries
- 1/4 cup sunflower seeds
- 1/4 cup walnut pieces
- 1/4 cup crumbled feta cheese
- 1/4 cup crumbled goat cheese
- 1/4 cup white balsamic vinegar
- 1/4 cup maple syrup
- 1/4 cup grapeseed oil

Toss the romaine lettuce, blueberries, dried cranberries, sunflower seeds, walnut pieces, feta cheese, and goat cheese in a large bowl. Pour the vinegar, syrup, and grapeseed oil over the salad one at a time, then toss until evenly coated.

# "Picture It" at Lake Santee

Pictures will be judged in the categories of:

## **Scenery-Nature-Family Fun and Pets**

We have decided to make a change in the due date of the pictures. the new date is December 31st. The rest of the rules still apply. They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turned into the office or E-Mail them to me at [smokesignals@frontier.com](mailto:smokesignals@frontier.com) to enter the contest.

The **BEST** of the **BEST** will then be used on the following years cover of our annual Directory as well as in the Smoke Signals during the year.

# Annual Bryant's Bar and Grille Golf Cart Runs

***The Golf Cart Runs need YOU! There is a shortage of hosts and stop locations this year so if you don't sign up now we may have to cancel some of the dates!***

Hosts provide paper and plastic table service and a main dish (like hot dogs). Everyone brings a dish to share. Stops can be on any road in Santee, even a bare lot that you own. A drink is provided at each stop, however snacks are not expected. Carts follow in a single file with no passing. (Slower carts may wish to be toward the back.) A restroom break is at the East Beach. We all end up back at the host's house to eat. This is a great way to meet new people and socialize. Plan to join the fun! Host locations are subject to change so check at Bryant's Bar and Grille for updates.

**Dates for 2017 are:**

**May 20<sup>th</sup> at 3:00pm**

**June 17<sup>th</sup> at 3:00pm**

**July 15<sup>th</sup> at 3:00pm**

***618 W Apache Trail***

The 2017 Golf Cart Ride season got started on Saturday the 20 th. of May Braynts Bar and Grill, the event's sponsor, and the first host of the year got things started off with a lot of success.

In lower left photo Vicki Schrader's mother Mary enjoyed her first Golf Cart Run. Said she had a super day. The first drink stop was at John and Connie Luensmah's home.

A pit stop was made at the East Beach and then on to Mark Weckops.

And then on to Carol and Maurie Goodwin's

And finally back to Bryants to enjoy all of that good food that every one brought

**Lake Santee Regional Waste & Water District  
Meeting Minutes**

Meeting of April 20, 2017

3:30 PM

Lake Santee Community Room

1. Roll Call

Frank Erdosy called the meeting to order and requested a roll call. Members present were Frank Erdosy, Scott Gibbs, Clair Fredrickson, Jim Hornig, Paul Gosnell, Kathy Tarzwell, and Greg Montgomery. Also in attendance were Brad Jones, Utility Administrator, Brandon Litmer, Utility Superintendent and Scott Wyatt, attorney for the district.

2. Consent Items

- a. Minutes from March 16, 2017
- b. Financial Reports
- c. Register of Claims for sewer operating
- d. Register of Claims for water operating

A motion was made by Clair Fredrickson and seconded by Kathy Tarzwell to accept the consent items. Motion carried.

3. Treasurer's Report

Greg Montgomery got quotes from several area banks for cd's and went with Main Source Bank for 18 months with a no penalty letter for early surrender.

4. Superintendent's Report

- a. Sewer Status Report – Brandon Litmer stated he ordered 12 more pumps to replace some we used and to get ready for several more homes that are going to be built in the near future. He also stated that the forms IDEM wanted updated have been completed along with the preventative maintenance plan.
- b. Water Status Report – Brandon Litmer reported that the flushing of the water mains is about halfway completed. The flushing is going well with no problems. We need to do some metals testing on the old carbon to make sure it is safe to dispose. A lab In Columbus will do the testing. With a proper result test it will be put in a landfill.

5. Administrator's Report

- a. Status Report – Brad Jones reported there were 20 credit card transactions, 169 ACH's, 3 valve turns and 4 shut offs, with 1 still off.
- b. Write-Offs / Adjustments – None this month.
- c. Correspondence – Brad Jones filled out paperwork to show our tax exempt status to Premier Ag Co-Op and mailed it back to them. He also finished a U. S. census bureau of public employee payroll report. He discussed that we need to setup equipment set aside accounts for both the water and sewer plants.
- d. Attorney's Report – nothing this month.

6. Old Business

- a. Leak Detection Policy - The policy lapses next month so it was determined that we need this policy only during the colder months. We will bring it back from December thru March. Scott Wyatt will work up a policy for this.
- b. Jesse - Sewer license - Brandon Litmer is looking for classes for Jesse to take.

R.W.W.D. minutes continued

- c. Internal Control Policy - Oversight Committee - Kathy Tarzwell reported that all the policies are working ok with no problems.
- d. Napoleon Auxiliary Water Supply - Gene Eaton from Napoleon is waiting on 2 easements to be signed so the project can continue.
- e. Lawsuit "525" - The attorney for LSPOA has asked for an extension so he can gather more information.

7. New Business

- a. Security of Water and Sewer Plants - It has been decided to update our security at both the water and sewer plants. We are looking into cameras and door alarms. Brandon Litmer is getting quotes for this from ETC, ADT and one other company.
- b. Water Tower Exterior Overcoat - Brandon Litmer will look thru the Dixon Engineering recommendations for the overcoating. He says the overcoating will run approximately \$40,000. Scott Wyatt is checking Indiana law for procedures and requirements on whether to use quotes or the public bidding process.
- c. Water Tower Foundation Repair and Security - Brandon Litmer stated that some small repairs are needed on the foundation. They will be approximately \$2000.00. He is also going to look into security possibilities for the Water Tower.

8. Trustee Reports

- a. Clair Fredrickson has gone through the outdated resolutions and they will be archived. He is looking into the policies now to see which ones can also be archived.

9. Adjourn

Respectfully Submitted by  
Kathy Tarzwell, Secretary

These minutes are subject to approval by the LSRWWD Board at the 5/18/2017 meeting.

**Did you know you can pay  
your Water/Sewer bill with ACH? HOW?**

**Get the form from the RWWD website OR  
stop by the office and fill out the form.  
Call the RWWD Office at 812-527-2943.**

- Have you ever misplaced your Water/Sewer bill or simply forgotten to pay it?
- Have you had to pay late charges for your Water/Sewer bill?
- Are you tired of paying postage to mail your payment each month?
- Have you been away when your bill was due?

## **Did you know that you can eliminate these headaches by paying your Water/Sewer bill with ACH?**

### **What is ACH?**

The Automated Clearing House (ACH) is an electronic network that allows banks and other financial institutions to quickly and easily clear electronic payments. The network is governed by operating rules and guidelines developed by the National Automated Clearing House Association.

### **Is ACH Secure?**

ACH transactions occur electronically and automatically, which dramatically reduces the number of individuals who have access to personal or financial information. Since ACH transactions are electronic they cannot be misplaced, lost in the mail or stolen.

### **How do I sign-up?**

Signing up is easy – there are 2 ways. Go to the Lake Santee website ([lake-santee.com](http://lake-santee.com)), select Regional Waste & Water District, and then click on Governing Documents and Forms. Complete the Authorization Agreement for Direct Payments form and send the completed form to the RWWD Office.

**OR, stop by the office and fill out the form there.**

Recurring payments only need to be authorized once, prior to the first transaction. No further authorization is required to continue making payments to an account through the ACH.

### **Will I still receive a bill?**

Yes, you will still receive a bill so you will know how much your Water/Sewer bill is each month. If you have any questions about your monthly bill, please contact the RWWD Office.

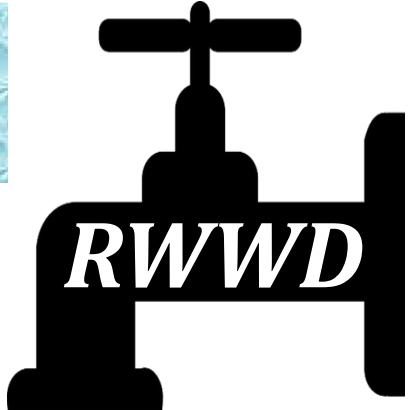

### **Who do I call if I have questions?**

Contact the RWWD Office at (812) 527-2943.

## RESOLUTION

WHEREAS, the Lake Santee Regional Waste and Water District desires to establish a policy concerning the monitoring of District property and grounds and that authorizes certain individuals to provide security services for said property and grounds; and

WHEREAS, Lake Santee Security already patrols the Lake Santee Community and is available to monitor the property and grounds of the Lake Santee Regional Waste and Water District; and

WHEREAS, the Board of Trustees of the Lake Santee Regional Waste and Water District believes it is in the best interest of the Lake Santee Regional Waste and Water District to specifically establish and adopt a policy that specifically authorizes Lake Santee Security to monitor the buildings and grounds of the District;

NOW, THEREFORE, Be It Resolved by the Board of Trustees of the Lake Santee Regional Waste and Water District:

1. Lake Santee Security is hereby authorized to enter upon the grounds of the Lake Santee Regional Water and Water District for purposes of patrolling, monitoring and providing other as needed security services for the Lake Santee Regional Waste and Water District;

### **Fire Damage Restoration**

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

### **Water Damage Restoration**

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

### **Structural Damage Board-up**

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

### **Mold Remediation**

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

### **Trauma Clean-up**

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

The six holidays are: Memorial Day weekend, Flag Day, July 4<sup>th</sup> weekend, Labor Day weekend, September 11<sup>th</sup>, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. The Optimist Club is responsible for replacement of any flag soiled, damaged or stolen.

A subscription for a flag can be purchased by completing the form below and attaching a check: \$30 for one year; \$100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-4471.

## **Thank You**

**Enjoying Retirement!** Thanks to my Lake Santee friends for your many years of support. Thanks to Stacy for the great party and everyone who sent gifts and cards. I am overwhelmed with gratefulness and appreciation. I enjoyed my job serving the members of Lake Santee and as a resident for many years, I enjoyed the lake life. Something that is amazing to me is remembering the birth of many babies and now they are all grown up - wow, how time flies. Well, life goes on and I'm starting a new chapter in mine. Of course Dockside will be my main hangout. Thanks to a great bunch of co-workers, I miss you all. Thanks for the memories Lake Santee! **Debbie Glenn**

## **HAPPY BIRTHDAY**

Wilbur Tressler's 90th. birthday

celebration on May 21st at the Clarksburg Fire Station. Wilbur was a long time member of Lake Santee and one of the founding members of the Lake Santee Kiwanis Club

## **SYMPATHY**

On May 5 th. Our very good friend passed away. Bob Gilaspy was a kind and gentle man and a very good friend to any who knew him. I remember a few years ago we were having a bad snow storm and our power went out. We were told it could be a long time before we would get it back. My Sharon was already on oxygen at the time. Upon hearing this Bob and Bonnie graciously insisted that we stay with them until we could return to our own home. Bob we are going to miss you at our Tuesday night euchre games, but I suppose you ,Scotty and Sharon have already found a game where you are at. Rest in peace my friend, rest in peace. Paul G.

## **In Memory of Bob Gilaspy**

I can hear them laughing in Heaven,

For, with sense of humor intact.

*Bob has just arrived*

A witty one, that's a fact.

I can hear them singing in Heaven.

Entoning sweet hymns for us,

*Now Bob has just arrived*

Another voice for the Heavenly Chorus

I can hear them giving thanks in Heaven,

Another precious soul added.

*For Bob has just arrived*

Though his family and friends are saddened.

Do you think there are "Hummers" in Heaven,

That will need their feeders filled ?

*For Bob has just arrived*

And all who dwell there are thrilled.

You will be missed at Lake Santee, my friend.

Though fond memories are all about,

And surely treasured in Heaven, of this ,I have no doubt.

Written with a tear in my eye but joy in my heart, for I know my dear friend is now in God's presence

# LAKE SANTEE WOMEN'S CLUB

## May 8, 2017

2016-2017 Women's Club Officers:  
Terri Suiters, Co-President  
Mary Tapke, Co-President  
Kathy Tarzwell, Vice President  
Fae Cutrufelli, Secretary  
Mary Johnson, Treasurer

Jose Rivera, Director

### Secretary's Report:

Eight members of the Women's Club met at the Greensburg Transitional Living Center.

Mary Tapke called the meeting to order. The Officer's reports were read and approved.

Committee reports followed. Kathy Tarzwell reported sales of \$40.00 for cleaning clothes for the Merchandise Committee. We discussed ideas for auction items, such as books, kids baskets, scratch-off tickets, and especially men's baskets and others. We then discussed ways to honor the winner of the scholarship, with the goal to have him/her as a guest for lunch at Dockside Grill before the June meeting.

Old business included the plans for selling tables for personal sales at the July 4th celebration.

### New business followed:

1. We discussed the budget. A motion to approve the budget was made by Kathy and seconded by Judy Graves. We voted to approve the budget.
2. Totem pole refurbishing is still pending.
3. The Club will provide lunch for the volunteers that will be working to plant the new Pollinator Habitat planting to take place on May 20, 2017 at Lake Santee near the recycling center. Kathy and Teresa volunteered to distribute the meals with cookies provided by Shirley Livesay, Kathy, and Fae.
4. We discussed having another excursion in June with plans for visiting Ertel Winery.

Respectfully submitted,  
Fae Cutrufelli, Secretary

## **May's Bird Migration Showed Movers on the Wing**

Bird migration patterns are one of the specialties of the Cornell Lab of Ornithology and as the Lab tracks changes globally, we see changes in the patterns every spring here at Lake Santee. This year the Rose-breasted Grosbeak has thrilled birders with flocks of 8-10 or more at local feeders. The male is an unmistakable bird with its black back and wings, white belly and bright red triangle on the breast. The females and non breeding males are brown with two white wing bars. The Grosbeak part of the name comes from its large ivory bill. The RBG migration begins in Mexico, Central and South America and completes to nesting sites in northern Indiana and throughout Canada. The male arrives first in late spring followed by the females several days later. Its habitat is deciduous woods, orchards, groves and thickets. They leave early in the fall for the long trip south.

While Rose-breasted Grosbeaks have been in abundance, hummingbird devotees were anxiously awaiting the Ruby Throated Hummingbirds that visit flower gardens and nectar feeders. This amazing, tiny little bird is the only one that can fly backwards! Their migration is complete from southern states and also Mexico and Central America. The hummers are here but seem to be reduced in numbers. Remember, nectar for feeders can be made at home with a 1 to 4 ratio of sugar to water. No red dye is necessary and can be harmful so keep it clear!

If you see a bright flash of orange and hear a rich whistling song, run to the kitchen and get some grape jelly and orange halves to add to the nectar feeders. Striking black and orange male Baltimore Orioles and pale yellow females have been visiting around the lake. Their preferred habitats are open deciduous woods but they have been known to do well in community parks and backyard habitats that have tall trees. They nest from southern states to southern Canada and migrate to Mexico and Central and South America. Cornell Lab of Ornithology has been developing technologies to help answer the question "How can a bird navigate a 2,500 mile journey between North and South America?" It's an especially important question these days as bird migrations face weather challenges, habitat loss and urban lighting pollution as they work their way from winter habitats to their nesting sites.

## The Nature Habitat

This is the second spring for the Butterfly Garden at The Nature Habitat. Both beds show a good return of last year's plants, especially Showy Sunflower, Black-eyed Susan and Purple Cone Flower. There are some new milkweed sprouts as well as Marsh Milkweed, Cardinal Flower, Blue Mist Flower, and Ohio Spiderwort plants added this spring. New England Asters and Butterfly Weed don't seem to have fared very well. Two new beds are being developed for additional pollinator plants and seeds. Thanks to Chick and Kathy Winzenread for the installation of the water barrels and donation of a bench. June is a great time to visit the Habitat to see emerging blooms and butterfly activity. The Monarch/Butterfly/Pollinator Garden being planted on Saturday, May 20<sup>th</sup> will be a great addition to wildlife habitat at Lake Santee!

On Saturday morning of May 20 th. a group of hearty souls, it was a cold ,damp and foggy morning, met at the recycle center to begin the Monarch Butterfly habitat. Almost 600 plugs of different variety's of flowers were planted by hand. The following week, seed that was provided by the Franklin and Decatur Conservation Districts was mechanically planted in the brown grassy areas . We hope that this program will attract them back as well as other insects to pollinate the various plant life that depends on them to continue to provide us with not only their beauty, flowers, but also the food that we eat . We would like to thank Susan Knoles , recently retired, of the Dept. of Natural Resources and U.S. Fish and Wildlife for donating the plugs

**LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.**  
**BOARD MEETING MINUTES**  
**May 10, 2017**

The Lake Santee Property Owners Association Board of Directors met on May 10<sup>th</sup>, 2017 in the Community Room. President Ron Day presided and called the meeting to order at 7:30 PM. Other Directors present were Angel Hocker, Stephanie Peetz, David Martin, Steve Gauck, and Polly Ann Fox. Employees present were Brad Jones, Joe Jarman (92) and Greg White (859). Members present were Rick and Mary Johnson (543), Jim Hornig (668), Buddy and Terri Suiters (1416), Charles Winzenread (1097), Ronda Peetz (941), Shirley Livesay (530), Bill & Ginger Ryle (579), Clair & Nancy Fredrickson (348), Paul Gosnell (1147), Charm Seright (121), Barbara Cripe (880), Phil Baker (849), and Scott Gibbs (352).

President Day started by advising the Board had received two letters of resignation from current Board members, Vicki Wilson for personal reasons and Mike Cutrufelli to take a part-time position with security. The two vacancies will not be filled until the August elections, leaving four open positions on the Board with three being three year terms and one being a one year term. Ron asked for a motion to accept the resignations, motion made by Polly Ann Fox and seconded by Steve Gauck. Motion carried. Brad stated that Jim Byrd, Mike Cutrufelli and Greg White had been hired for the Security Team.

President Day called for a review of the minutes of the April 12, 2017 meeting. The minutes were approved on a motion by Dave Martin, seconded by Steve Gauck.

Stephanie Peetz gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Stephanie then presented the following bills to the Board for approval:

Floyd Myers	\$ 120.00	Total Disbursements	\$ 78,144.43

After presentation, the bills were approved for payment on a motion by Dave Martin, seconded by Angel Hocker.

**MEMBER INTRODUCTIONS AND COMMENTS**

Members were asked to introduce themselves and were given the opportunity to express comments.

Rick Johnson (543) – Rick spoke on behalf of the Clarksburg Volunteer Fire Department concerning the pancake breakfast on Saturday, May 27, 2017. Rick asked permission for the Fire Department to park the old Fire Engine in the gravel area at the fire station the week of the breakfast with a sign to remind members of the breakfast. A motion was made by Steve Gauck to allow and was seconded by Angel Hocker. Motion carried.

Bill Ryle (579) – Bill stated he was there on behalf of his daughter who owns 657 Sarsi Drive. He stated there were some drainage issues on the building site and he had contacted Brandon to look at addressing it. Brad stated he had discuss with Brandon.

Ronda Peetz (941) – Ronda shared with the audience a new mural that was recently completed in Greensburg on the Watson Chiropractic building located at the corner of Broadway and North St. She shared with the audience a picture of the mural that has Lake Santee’s totem pole incorporated in the right wing. The mural was completed by Kelsey Montague and funded by a community fundraiser with Main Street Greensburg and others. She encouraged everyone to check it out.

Shirley Livesay (530) – Shirley wanted to thank Mike Cutrufelli for closing a neighbor’s garage door after they noticed it had been open for some time.

Charles Winzenread (1097) – Charles stated he was concerned with the amount of money being spent on dredging and that he is more concerned with the roads not being paved or maintained.

Joe Jarman (92) and Greg White (859) – Both thanked the Board for the great job they do.

Nancy Fredrickson (348) – Nancy stated she noticed in the April edition of the Smoke Signals that the security report stated we weren't having gate guards. She asked when this was decided. Polly Ann Fox explained that the Board came to the decision during budget discussions and determined it would be best to have gate guards on holiday weekends and have a larger presence at the beach throughout the summer. By having attendants at the beach more frequently we will enforce the beach rules to help prevent trash on the beach area as well as ensuring non-members aren't using the beach.

### **CORRESPONDENCE**

Brad presented a pamphlet that he had received in the mail for a conference on Dam Information Resources and Training. He asked the Board for approval to allow Brandon and himself to attend the conference. The cost is \$50 per person and is one day. There are a larger variety of sessions they will be able to attend for information on dams including but not limited to Dam's 101 – Basic Info, Funds for Dam's, Awareness of Dam's, and a Q&A session. The session will take place on June 13<sup>th</sup>. A motion was made by Polly Ann Fox to allow Brandon and Brad to attend; Angel Hocker seconded it. Motion carried.

The Lake Santee POA received an invoice via the attorney that the insurance company hired in regards to the current litigation at the north entrance. The bill is for \$2,500, which is the deductible on the Blue Chip policy of our insurance. This helps cover defense costs, damages, and obligations to pay. A motion was made by Dave Martin to pay the bill and was seconded by Steve Gauck. Motion carried.

Brad stated there was a tree struck by lightning on association owned property – Tract 1C. The association will need to have the tree removed as to prevent any future damage. We received two quotes to cut down and remove debris from tree leaving the wood to be used at the maintenance building – Hughes Tree Service \$900 and One Pride Tree \$500. Polly Ann Fox made a motion to use One Pride Tree subject to proof of insurance and good standing with the state; Angel Hocker seconded motion. Motion carried.

### **COMMITTEE REPORTS**

#### **Rules & Regulations – Angel Hocker**

Angel presented a first reading of rule 4.1 as the Board felt this rule needed updated to reflect how boats are currently titled. A member asked about the pros/cons of making adjustments to this rule. The board felt with the changes in boats it is hard to get a new

ski or speedboat in our current rule based on how the length of the swim platforms is now being included with the overall length of the boat on the title.

#### **Current Rule 4.1**

Only one boat of each type available is allowed on the Lake per membership. For example only one speed, pontoon, sail, bass and motorized fishing boat will be permitted. A deck boat may be substituted for either a speed or pontoon boat. In addition the member may have a canoe, rowboat, paddle boat, raft, etc. The length of speed, bass & fishing boats shall not exceed 20 feet. Deck boats are not to exceed 22.5 feet. Pontoon boats are not to exceed 28 feet. No watercraft with sleeping or on board toilet facilities will be permitted.

a) Paddle Boards will be considered a watercraft and will comply with all boating rules included in this boating section. Members may have up to six paddle boards in addition to the boats and watercraft listed above. Paddle boards will only require a single set of lot numbers and will only display one permit.

#### **Proposed change to Rule 4.1**

Rule 4.1 – Only one boat of each type available is allowed on the Lake per membership. For example only one speed, pontoon, sail, bass and motorized fishing boat will be permitted. A deck boat may be substituted for either a speed or pontoon boat. In addition the member may have a canoe, rowboat, paddle boat, raft, etc. **The length of speed or deck boat, bass, and fishing boats shall not exceed titled length of 22 ½ feet. Pontoon boats are not to exceed 28 feet.** No watercraft with sleeping or on board toilet facilities will be permitted.

a) Paddle Boards will be considered a watercraft and will comply with all boating rules included in this boating section. Members may have up to six paddle boards in addition to the boats and watercraft listed above. Paddle boards will only require a single set of lot numbers and will only display one permit.

A motion was made by Polly Ann Fox to change rule 4.1 as read; Steve Gauck seconded the motion. Motion carried.

The second reading will take place at the next board meeting on Wednesday, June 14<sup>th</sup> at 7:30PM.

A member in the audience asked if the board had considered creating a rule to keep members from filling the ballast on wakesetter boats as it creates havoc on the shore protection. There is a concern as we are seeing a large number of these types of boats being launched on the lake. The member stated some lakes are creating a rule stating that the ballast cannot be filled and if you are caught with it full there would be a fine. Angel stated the Board would take a look at these types of boats and determine if a rule needs to be made.

### **Recreation – Carol Goodwin**

In Carol's absence Ron briefly spoke in regards to recreation events. He stated the Easter Egg Hunt went well and to check the recreation calendar in the Smoke Signals for up to date information.

### **Lakes & Beaches – David Martin**

### **Clean Up – Steve Gauck**

Steve stated the clean up committee took a trip around the lake and sent out 4 first letters to members.

### **Roads & Maintenance – Polly Fox**

Polly Ann Fox stated the maintenance crew has been mowing weather permitting. They burned a brush pile at the recycle center and fixed the hole in the road near lot 798. They will be applying dust control this summer once things dry out. Concerning the ditch at 1417-1418, they are still looking at a solution.

New Point Stone has started delivering and spreading stone on the gravel roads with having approximately 659 ton spread. There is currently patching being completed on the millings at the North entrance, Blackfoot, and Itawamba. Rejuvenation will also be completed this summer starting around lot 1190 and heading north towards the bridge. We are still working with King's asphalt to have the troubled areas they fixed last fall repaired. Mailbox clusters to be completed next are at Seneca, Oneida, and Apache as weather and time permits.

Ron asked Brad about the permits for the pavilion and he stated he had one more form to fill out and send in to get the permits.

A member stated that her mailbox is in one of the new clusters and she stated that there is some difficulty in getting it closed and when it rains the mail gets wet. Brad stated he would have maintenance check it out and try to adjust it. If it couldn't be adjusted a new mailbox would be placed.

### **Security**

Ron provided a brief update on security. The light bar for the boat has arrived along with the lettering to be installed. The boat will be ready by Memorial Day weekend. Ron stated we have some new security staff that has just started.

### **OLD BUSINESS**

Women's Club – The Women's Club asked at the last meeting if the board would consider allowing them to rent table space on the Saturday of the July 4<sup>th</sup> festivities. The space would be either a 6ft or 8ft table provided by the Women's Club for members who wish to bring garage sale items to the shelter house at the main beach. You would be required to reserve your table by contacting Mary Johnson or Fae Cutrufelli. The exact cost of the tables has yet to be determined, however, they would be under \$20 per table. The Women's Club felt this was a solution to the members who wished to have the flea market back. A motion was made by Angel Hocker to allow the Women's Club to rent tables on Saturday, July 1<sup>st</sup> 2017; seconded by Polly Ann Fox. Motion carried.

Steve stated the project to create the Monarch Butterfly Pollinator Habitat would take place on May 20<sup>th</sup> from 9am-Noon at the recycling center. Volunteers are needed to help

plant 600 plugs of plants. The Women's Club will be providing refreshments for the volunteers. Steve asked Brad if some mulch had been ordered to help keep the weeds down in spots. Brad stated he would have Brandon contact Leising Mulch to get some ordered.

Polly Ann Fox provided a brief update of the Long Range Planning Committee and some results from their open meeting. A total of 35 members attended the session from 26 different properties. During the meeting a SWOT approach was used to gather the Strengths Weakness Opportunities and Threats from the members present. The members helped provide input and were later provided stickers to place near the most important items to them. These results were gathered by the committee and will be used in with their findings that will be presented hopefully in September or October. Be on the look out for a survey that will be going out to the membership to gather more information. If you have any questions regarding the Long Range Planning Committee please contact Polly Ann Fox or another committee member.

## **NEW BUSINESS**

Ron stated Lake Santee RWWD had contacted him for permission to have a table on Saturday, July 1<sup>st</sup> 2017 for an informational Q&A about RWWD. A motion was made by Dave Martin; seconded by Steve Gauck. Motion carried.

## **MANAGER'S REPORT**

Brad stated he finally received the refund check from Frontier in the amount of \$304.09.

Please check the website and Facebook page for any updates through the month.

There being no further business, Dave Martin moved to adjourn, seconded by Angel Hocker, motion carried. The next regular meeting will be held on Wednesday, June 14<sup>th</sup> at 7:30 PM in the Community Room.

Respectfully submitted,

Stephanie Peetz, Secretary

# KNOX-BOX® Residential

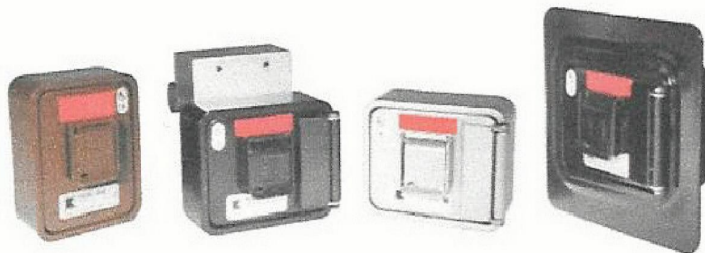

When a medical emergency strikes, help is only a call away. However, for those who live by themselves or who have special mobility issues, what happens when they can't get to the door to let first responders in?

## The Knox-Box® Residential Program is ideal for individuals:

- With a history of medical problems
- Recuperating from a hospital stay
- Living alone
- Using an electronic calling/medical alert service
- Seasonal Residents

The Knox-Box® Residential Program enhances the Fire Department's response times. A residential Knox-Box not only allows responders to enter a home unassisted, it also prevents forced entry damage and added stress to the patient.

## Be Prepared for an Emergency

Help your local emergency responders' help you by installing a 1650 Residential Knox-Box to reduce the likelihood of forced entry damage and improve the responders' response times. When minutes count, don't leave an emergency responder locked out.

Residents provide an entrance key and optional medical alert card to the responding department and they are both secured in the Knox-Box.

## Little Free Libraries

### What is a Little Free Library?

A Little Free Library is a “take a book, return a book.” It is a free book exchange. This allows for people to share their favorite book with their community.

### What is Little Free Libraries mission?

Little Free Libraries have two missions. The first mission is to promote literacy and the love of reading by building free book exchanges worldwide. The second mission is to build a sense of community as we share skills, creativity, and wisdom across generations.

### Who and How?

Greensburg Community Public Library and Greensburg FFA. The Library received a small project grant from the Decatur County Community Foundation to place libraries around Decatur County. The Greensburg FFA works on securing locations, building, and helping the Library in any way.

### Locations Expectations?

A location expectation is to care for their Little Free Library, so it becomes and continues a long life as a vital, engaging resource of the neighborhood and community. The location should welcome participation and create a friendly place around the library. Locations just need to inform the Greensburg Library about any issues.
