Lake Santee's Smoke Signals

The By-Laws state in Article IV, Section 4 and Article IX, Section 2 that the Association will have a monthly official publication .Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial. The first official publication, which became known as The Smoke Signals, was published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

Water Tubing Tips: Boat Safety Tips for Water Sports Tubing

The next time you or your family decide to go out boat tubing, keep these boating safety and water sports tubing tips in mind to make sure your experience is safe and enjoyable:

1. **Always wear a PFD**

While it's always a good idea to wear a PFD (personal flotation device) when onboard, it should go without saying that you should wear a life jacket when water tubing. This is especially important in the event that the rider should become separated from the boat.

2. **Know your equipment**

Be familiar with the capabilities of your water sports tubing equipment. It's important to follow to the manufacturer's recommendations for water tubing capacity in terms of size and weight, number of riders, age limits, and maximum towing speed.

3. **Know your rider**

It's also important to use common sense when it comes to the capability of your rider, especially when water sports tubing with small children. While sharp turns, high speeds, and big waves can be fun, these should never come at the expense of rider safety.

4. **Use a spotter**

Designate one person onboard as a "spotter", who can not only keep a lookout for water tubing accidents or to see if anyone has fallen off the tube, but can also help keep the boat driver informed at all times.

5. **Be aware of water regulations**

Make sure you are familiar with the specific regulations governing the body of water you're boat tubing on, in particular towing speeds.

6. **Drive Responsibly**

The driver should be alert, sober, and have a solid grasp of boating rules and regulations. Be respectful of and keep your distance from other boats in the area when water tubing, and always keep an eye out for additional water hazards such as rocks, docks, and buoys.

7. **Use a secure tow line**

Another important safety aspect of water tubing, it's important to always make sure that the tow line is securely tied before take off. Also be sure to check for signs of wear, tear, and fraying, and replace as needed. Be sure to only use rope that is specifically designated for towing inflatables.

8. **Check before you start**

Never start the boat without first making sure that your rider is ready to go. This means that they have a firm grip on the line, are properly positioned on the tube, and that the line is properly and safely positioned. When water tubing with multiple passengers, riders should understand how to balance their weight correctly and work together to safely stay on the tube.

9. **Handle wakes with care**

Slow the boat speed when crossing wakes. Bouncing off wakes at extremely high speeds has been known to cause back injury, especially with riders who are water tubing stomach-down.

Exercise caution when pulling more than one tube

It's especially important to travel at slower speeds and keep an extra careful eye out if you are boat tubing with more than one tube. Dual water sports tubing can often result in large crashes and serious accidents, should the tubes happen to collide.

LAKE SANTEE

PROPERTY OWNERS ASSOCIATION, INC.

13 SW WRENN PARKWAY
GREENSBURG, INDIANA 47240
PHONE (812) 527-2943

To all boating members:

RE: FINE POLICY – automatic \$75 fine for boating violations first offense, \$100 fine for 2nd offense, and a Board Review for the 3rd offense.

Lake Santee is a private lake for use by members of the Association. To restrict access and maintain a safe lake, Rules & Regulations must be in place and enforced for the benefit of the members. Due to the noticeable increase in reoccurring violations by members and guests, it is apparent that verbal and written warnings are not making an adequate impression on those violating the Rules & Regulations. A decision has been made by the Board of Directors to provide for automatic monetary fines for any violation of the following Rules & Regulations:

- 4.2 All boats shall have affixed the property Owners' lot numerals, in a contrasting color, not less than three (3) inches in height. Lot numbers shall be placed in the middle of the boat on each side thereof, clearly visible to the Lake Patrol at all times.
- 4.3 All watercraft must have a current permit affixed on the port (left) and starboard (right) side of the boat near the lot number or on the left and right side windows prior to launching. Annually, upon payment of dues, assessments and fees, members shall be entitled to purchase registered boat permits, which authorize them access to Lake Santee. Permits will be available in five different classes depending on the type of boat. The Board of Directors shall determine from time to time the amount of fee to be charged for such permits.
- 4.7 From sunset to sunrise no person shall operate a watercraft without displaying lights as follows:
 - a) Motorboats and auxiliary sail boats must display a white 360 degree aft light, or a combination aft and masthead light, at all times while under power or sail,
 - b) Motorboats and auxiliary sail boats with engine rated 15 hp or greater must display red and green bow lights when under power or sail,
 - c) Boats with engines less than 15 hp or using only trolling motors must display hand lantern or flashlight (visible for two miles) or white aft light in sufficient time to avoid a collision with any other boat.
 - d) All boats when not underway are required to display a white light visible in all directions whenever they are moored or anchored away from the dock between sunset and sunrise.
- 4.8 The following restrictions shall apply to motorboats while under power. No person shall:
 - a) Sit on gunnels (sides) or railings of a boat
 - b) Dangle feet from boat
 - c) Ride forward of the safety railing on pontoon boats
 - d) Stand, sit on seat backs or move about while pulling skiers, tubers, etc.
 - e) Ride on the upper deck of a pontoon.
- 4.11 No person shall operate a power craft upon Lake Santee during daylight hours at a greater speed than is reasonable, having due regard for traffic, surface and other hazardous conditions, with no power craft to exceed the speed of 35 miles per hour. Except that on Saturdays, Sundays and holidays the speed shall not exceed 30 miles per hour. No person shall operate a power craft upon Lake Santee from dusk to sunrise at a speed greater than idle speed. The period from dusk to sunrise shall be determined by observing the red signal light located at the south end of the Lake. The yellow signal provides a warning period during which you should begin to terminate high-speed operation, skiing and related activities.
- 4.12 No person shall operate a power craft within or through the shore zone or any cove at a speed greater than 5 miles per hour or a speed that creates a wake. The shore zone means that water area of a uniform width of 100 feet lying parallel and contiguous to the shoreline. The dam shall be considered a shoreline.
- 5.1 Water skiing shall be permitted on Lake Santee from sunrise to dusk, except in the posted fishing area, beach areas and coves. The period from sunrise to dusk shall be determined by observing the green signal light located at the south end of the Lake. The yellow signal provides a warning period prior to a red signal, during which skiing and related activities shall begin to be terminated.
- 5.2 There shall never, at any time, be more than two individuals pulled by any power craft.
- 5.3 No skiing, tubing or other similar water sport activity will be permitted without two (2) occupants in the boat, one for spotter. Spotters will be eight (8) years of age or older.
- 5.4 Any skier, tuber or anyone engaging in a similar water sport must have on his person a US Coast Guard approved type I, II or III personal flotation device.

A violation of any one of the above Rules & Regulations by a member or guest will result in the member being fined \$75, \$100 for 2nd offense & a Board Review of a 3rd offense.

July 2017 Lake Santee Security

SAFETY SIGNALS

Please take a few minutes to read this to keep everyone safe.

- **Please follow all rules when on lake property.**
- **All motorized equipment needs to have proper stickers, this includes autos, watercraft and golf carts.**
- **Remember to have the correct safety equipment on all watercraft when enjoying the lake.**
- **Reminder, a water violation is an automatic fine.**
- **Speed limit is 25 mph. If a contractor you fire is cited, you as the resident member will be responsible for their fine. Take a minute to inform your contractors accordingly.**
- **No glass containers allowed on the beach or area adjacent to the beach. RULE 6.5**
- **Cigarette smokers, no one wants to see your butt. The beach is not your ash tray, police your butts please. Continued abuse could result in a no smoking policy on the beach.**
- **No dogs are permitted in the designated beach areas. RULE 6.6**
- **Please be patient and remember the security personnel are here to assist and protect.**

Be safe and enjoy 2017 at the best Lake in Indiana.

MIKE CUTRUFELLI PATROLLING IN NEW SECURITY BOAT

ELECTION 2017

It is time for you to select our new officers for the P.O.A, Board of Directors
Ballots will be mailed out on July 17th. They have to be returned to the office by
3:00 P.M. on August 12th.

THE CANDIDATES FOR THIS YEARS ELECTION ARE

Wade Amos

909 Oak Park Dr., Shelbyville, IN; Member of LSPOA for 2 years; Part-time Resident Lot 364

Work Experience: Serve as Director of Operations for Indiana American Water. Responsible for the operational and fiscal management of the distribution, production and customer service departments within the following Indiana communities: Franklin, Greenwood, New Whiteland, Mooresville, Shelbyville, Muncie, Richmond and Winchester. The scope of my responsibility includes \$17M budget, 73 employees, 85,000 customers, 1,300 miles of water main, 11 water treatment plants, 2 large drinking water/recreational reservoirs (Prairie Creek Reservoir and Middle Fork Reservoir, 40 drinking water wells, numerous tank and pumping stations, etc.

Organizations/Club Activities: Lake Santee Long Term Planning Committee (2107); Shelby County Development Corporation (2007-Current), Secretary (2014) & Vice President (2015); Johnson County Development Corporation (2012-Current); Shelby County United Fund for You (SCUFFY) Board of Directors (2011); Knights of Columbus Assembly 2693, Shelbyville, IN (2000-Current); Shelbyville Elementary Football Association (2010-2014); American Water Works Association-Indiana Section (2007-Current); Lake Santee Bass Fishing Tournaments (2016-Current).

Hobbies: Boating, Bass Fishing, Ice Fishing, Deer Hunting, Morel Hunting, Biking, Hiking and Live Music.

Reasons for Running for Office: I am overly concerned with the long-term sustainability of Lake Santee and our private property values. Lake Santee is essentially a small town without the benefit of property taxes to maintain our numerous assets: dam, reservoir, beach, ditches, roadways, and numerous other facilities. The cost of appropriately maintaining our community for generations to come, while providing the quality of life many desire today, outweighs the current management approach. In order to sustain the LSPOA for another 50 years and beyond, we must operate more efficiently and effectively. We must focus more heavily on maintaining our critical assets, identifying new financial opportunities, being strategic and transparent with our investments and engaging the membership of the community. I feel I have much to offer the Lake Santee community in terms of facility/fiscal management, operational efficiencies, and community relations and I feel my fresh perspective is critical to breaking the pattern of "this is how we have always done it".

General Information: I married Stephanie Lux Amos in 1998. We reside in Shelbyville full-time. We have two children: Abby (13) and Nicholas (16). I earned BS in Public Affairs with a concentration in Environmental Science & management from Indiana University, Bloomington in 1996.

Ronald Day

1645 NW Kapok, Greensburg, IN; Member of LSPOA for 10 years; Permanent Resident

Work Experience: Retired from the insurance industry with 38 years of experience.

Organizations/Club Activities: Member of C.E.R.T. (Community Emergency Response Team)

I am also a certified EMR (Emergency Medical Responder) with the Clarksburg Community Volunteer Fire Department

I currently am serving as President of the Lake Santee Property Owners Association Board of Directors.

Hobbies: I enjoy boating, fishing, golf and working around the house.

Reasons for Running for Office: I am currently a board member and have enjoyed the experience of serving the members of this community. I would welcome the opportunity to serve an additional 3 years to continue to help maintain and improve our community.

General Information: My wife, Nancy and I have been married 40 years. We have 3 sons Mike, Brian and Aaron. We are blessed with 9 grandchildren and 2 great grandchildren. Lake Santee is our permanent home and we plan on spending the rest of our lives here.

□ Shannon Gibbs

4140 S Seifert Ct., New Palestine, IN; Member of LSPOA for 11 years; Part-time Resident Lot 352

Work Experience: I have worked in the Information Technology field for over 20 years. I am currently the Director of End User Services for Bell Techlogix in Indianapolis. In this role, I am responsible for the 150+ staff members who provide Service Desk (Help Desk) support to a variety of companies.

Organizations/Club Activities: I am currently a national officer for my sorority holding the position of National Director of Collegiate Operations since 2014. Prior to that, I was an area officer working with collegiate chapters for 6 years and a chapter adviser for 10 years. From 2006-2011, I was a member of the Alumni Board of Directors for my alma mater, Hanover College, serving 1 year as President of the Board. At Lake Santee, I was a member of the Jubilee Committee, which planned the activities for the 50th anniversary celebration. I am currently a member of the Long-Range Planning Committee.

Hobbies: My hobby is hanging out at the lake with family and friends, I enjoy photography, taking pictures of family gatherings and of the beautiful scenery around Lake Santee.

Reasons for Running for Office: Volunteering for and giving back to our community has been part of my family for many years. My family has been at Lake Santee for more than 15 years; my father, Dick Veach, was on the LSPOA Board of Directors for several years, and my mother, Judy, has been an active member of the Women's Club. During the 50th anniversary celebration, I had the opportunity to write the history of Lake Santee, which provided me with a great historical perspective on growth and development of the community. Working with the long-range planning committee over the past several months has provided me with a view of what is important for the future of Lake Santee. I am seeking the opportunity to actively engage in the implementation of the long-range plan and the development of Lake Santee for the future. Lake Santee is a fantastic community with many opportunities for growth and improvement.

General Information: My husband, Scott, and I are fortunate to enjoy Lake Santee with our family and the great friends that we have met over the years.

□ Angel Hocker

842 SE Santee Drive; Member of LSPOA for 33 years; Permanent Resident

Work Experience: Teacher at North Decatur Elementary and South Decatur Elementary for many years before becoming the Assistant Principal at both South Decatur Elementary and currently South Decatur High School.

Organizations/Club Activities: Current Vice President of the Lake Santee Property Owners Association Board of Directors, Deaconess at Greensburg First Christian Church, INALI, and Indiana Association of School Principals.

Hobbies: Spending time with family (husband and three boys), walking my dogs, reading, skiing and supporting my local schools at sporting and academic events. I also love visiting IU Bloomington when going to see my children.

Reasons for Running for Office: I want to continue aiding the board on improving/maintaining the beautiful community we live in while pushing forward to achieve the vision the board and members have set forth.

General Information: I have been married to my high school sweetheart for 25 years and have three incredible children; Brandon 22, and Andrew and Derek 20. Brandon will be entering IU School of Medicine in August and the twins will be in their sophomore year at IU.

□ Pam Kachur

577 W Santee Dr.; Member of LSPOA for 16 years; Permanent Resident

Work Experience: I currently work at GE Aviation in Cincinnati as Patent Counsel. My responsibilities include preparing, filing, and prosecuting patent applications to issuance while working closely with the inventors and technical experts to develop high quality, strategic application content. I am responsible for patent protecting various aspects of jet engine technology.

Prior to working at GE, I worked for Faurecia Emissions Control Technologies in Columbus, Indiana for 12 years as an Intellectual Property Manager. While at Faurecia I managed the patent portfolio of cases pertaining to exhaust and emissions aftertreatment systems originating from China, Korea, Germany, France, and the United States. Additionally, I spent time in each of these countries building a team, selecting local attorneys, and setting up processes for handling intellectual property originating at each of the technical centers. I have also been managing rental properties from 2001 to the present.

Organizations/Club Activities: American Intellectual Property Association member, Cincinnati Intellectual Property Association member, Clarksburg Christian Church member, Cub Scout Pack 577 Committee Chair 2011-2013, Cub Scout Pack 577 Treasurer 2009-2011, & Cub Scout Pack 574 Den Leader 2007-2009.

Hobbies: I enjoy spending time around the lake, swimming, walking, running, gardening, boating, playing tennis, and taking Gator rides around the neighborhood. I also enjoy spending time with my boys who are quickly growing up and will be going off to college soon.

Reasons for Running for Office: I have seen a lot of changes over the 16 years I have lived at Lake Santee, many of which have been positive. I would like to get more involved in the community and encourage others to get involved as well. I believe my experience working with diverse groups of people, forecasting and working within budgets, and managing properties would be useful in conjunction with the experience of other members of the board.

General Information: I have three boys that attend North Decatur Schools; Matthew (18), Andrew (16), and Jonathan (14). We love living at Lake Santee and plan to be here for many years to come.

□ Larry Kiernan

10326 Quiet Dr., Indianapolis, IN 46239; Member of LSPOA for 25 years; Part-time Resident Lot 562

Work Experience: 9 years NYC Railroad, 2 years Army (Vietnam) and 37 years middle school math teacher.

Organizations/Club Activities: Special Olympics 7 years; Head Track & Cross Country Coach; Team Leader 7th & 8th Grade; Math Department Chair 15 years.

Hobbies: Water skiing, biking, running, swimming and walking.

Reasons for Running for Office: I would like to see the lake remain a fun and beautiful place to live. I would also like to see that it remains affordable to stay here.

General Information: I am a retired teacher with a wonderful wife, 2 beautiful grandchildren, and a great daughter and son-in-law.

□ Doug Lecher

1357 NE Santee Dr, Greensburg, IN; Member of LSPOA for 18 years; Permanent Resident

Work Experience: Currently employed as a Senior Business Analyst at Hill-Rom in Batesville, IN, supporting various computer applications for the sales teams. Over the past 24 years I have worked for various subsidiaries of Hillenbrand Industries including the corporate office. Primarily I have worked on the information technology teams supporting a wide array of computer systems used by various departments. I have also worked on the sales and marketing department.

Organizations/Club Activities: Lake Santee Property Owners Association Board of Directors (previously served two terms as a Director;

Member of various clubs such as National Sporting Clays Association, Pheasants Forever & Tri-County Coon Hunters.

Hobbies: Spending time on the lake and any other activities that allow me to enjoy the outdoors.

Reasons for Running for Office: I have enjoyed working with the members, directors, and employees at the lake during my previous time on the board and would like to contribute to keeping our community a great one. We have many challenges both present and long term that I would like to assist in addressing.

General Information:

□ Greg Yazel

1318 NE Santee Dr, Greensburg, IN; Member of LSPOA for 1 year 5 months; Permanent Resident

Work Experience: 30 plus years in the environmental remediation, consulting and contracting field. 20 years with my current employer.

Organizations/Club Activities: Indiana Striped Bass Association (Founding Officer); Tennessee Striped Bass Association; Indiana Catfish Conservation Association

Hobbies: Fishing, Raising Cattle and Hunting

Reasons for Running for Office: To be involved with the continuing improvement of the community and to be a part of what makes Lake Santee a great place to live.

General Information: A large part of the reason we moved to Lake Santee was our love of the water and fishing. I have degrees in Natural Resources and Biology. I believe I can help serve in improving and maintaining the lake that we moved to Santee for.

Life Jacket Safety:

- Certain life jackets are designed to keep your head above water and help you remain in a position which permits proper breathing.
- To meet U.S. Coast Guard requirements, a boat must have a U.S. Coast Guard Approved life jacket for each person aboard. Boats 16 feet and over must have at least one Type IV throw-able device as well.
- All states have regulations regarding life jacket wear by children.
- Adult-sized life jackets will not work for children. Special life jackets are available. To work correctly, a life jacket must be worn, fit snugly, and not allow the child's chin or ears to slip through.
- Life jackets should be tested for wear and buoyancy at least once each year. Waterlogged, faded, or leaky jackets should be discarded.
- Life jackets must be properly stowed.
- A life jacket especially a snug-fitting flotation coat or deck-suit style can help you survive in cold water.

A typical three-blade propeller running at 3,200 rpm can inflict 160 impacts in one second.

A typical recreational propeller can travel from head to toe on an average person in less than one tenth of a second.

Most propeller accidents CAN be prevented!

Swimmers, Skiers, Tubers, Anglers, Wake Boarders, and all Boaters

1. Be aware of what is going on around you! The captain of the boat is in command and must take responsibility for the safety of people in and around the boat.
2. Wear your engine cut-off switch lanyard and your life jacket at ALL times. If the lanyard is removed from the switch, the engine will shut off.
3. Assign a passenger to keep watch around the propeller area of your boat when people are in the water.
4. Read and follow all the safety instructions in your boat and engine operator's manuals.

LAKE SANTEE BASS TOURNAMENT JULY 9, 2017

A beautiful sunrise welcomed the anglers who took part in the fourth bass tournament of the 2017 season on July 9th. Thirteen teams took part in the event in which nearly every team weighed in keeper bass, including several very nice big bass. The total weight of the twenty nine bass weighed in was over **87 pounds!** That's a three pound average per fish! WOW!

The team of Craig Duncan and his son-in-law, Kyle Hohenberger, brought a five bass limit to the scales which weighed 15.87 pounds, allowing them to capture first place. The pair narrowly edged out the husband/wife team of Don and Bonnie Mohr, whose five bass limit of 15.54 lbs. secured a strong second place finish. The father and son team of Butch and Marco Mikesell hung on to finish third with 11.26 lbs., which included the event's big bass, a 5.57 lb. giant bass. By all observations, it appears that fishing with a family member is a sure way of not only having a great day, but also doing well in the Lake Santee Bass Tournaments!

We would like to thank Jackie Mitchell, Tony Higginbotham, and all the great folks at Buy Right Auto Sales in Greensburg for sponsoring this month's trophies. Thank you all so much!

Our next event on Sunday, August 13th, will be the last regular season event before our annual End of Summer Event in late September. While we all know how busy the summertime is, we would like to encourage everyone to try and take part in the August event. Before anyone knows it, the temperature will have fallen and the snow will be flying, and we will all be left with the thought, "Boy, I'd sure like to be fishing!" Don't let that be you!

Remember, let's give those bass a chance to grow to their full potential in our beautiful lake and PLEASE PRACTICE CATCH AND RELEASE on all of Lake Santee's bass... and don't forget to take a child fishing. It's an investment in their future and ours!

Until next time...

God Bless,

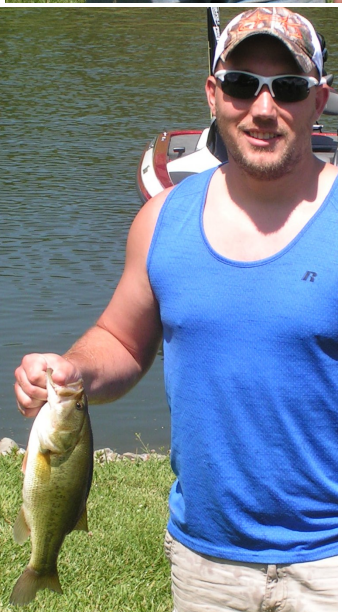

Chip & Lisa Ayers

Thank You!

The Youth Fishing Tournament was a big success with 31 kids participating. Thanks to volunteers Greg Yazel who donated 2 fishing poles as prizes, and brought Jeff Weedling and their wives to help; the Geis family (Lake Santee Marina) who supplied the bait; the Men's club for the food; and Keriann Slaby-Martin for helping.

It's all for the kids and families who participated.

Annual Bryant's Bar and Grille Golf Cart Runs

Hosts provide paper and plastic table service and a main dish (like hot dogs). Everyone brings a dish to share. Stops can be on any road in Santee, even a bare lot that you own.

A drink is provided at each stop, however snacks are not expected. Carts follow in a single file with no passing. (Slower carts may wish to be toward the back.) A restroom break is at the East Beach. We all end up back at the host's house to eat. This is a great way to meet new people and socialize. Plan to join the fun! Host locations are subject to change so check at Bryant's Bar and Grille for updates.

Dates for 2017 are:

**Lake Santee Regional Waste & Water District
Meeting Minutes**

Meeting of June 15, 2017

1:00 PM

LSRWWD Water Plant

1. Roll Call

Frank Erdosy called the meeting to order and requested a roll call. Members present were Frank Erdosy, Scott Gibbs, Clair Fredrickson, Jim Hornig, Paul Gosnell and Kathy Tarzwell. Also in attendance were Brad Jones, Utility Administrator, Brandon Litmer, Utility Superintendent. Also present were Ann Poindexter and Scott Wyatt, attorneys for the district. Also attending were the office and the maintenance personnel including Michelle Deaton, Rick Justus, Tony Lake, and Jesse Baughman. Absent Greg Montgomery.

2. Consent Items

- a. Minutes from May 18, 2017.
- b. Financial Reports
- c. Register of Claims for sewer operating
- d. Register of Claims for water operating

A motion was made by Jim Hornig and seconded by Clair Fredrickson to accept the consent items. Motion carried.

3. Superintendent's Report

- a. Sewer Status Report – No report. Tour to follow meeting given by Brandon Litmer.

4. Administrator's Report

- a. Status Report – Brad Jones reported there were 16 credit card transactions, 164 ACH's, 1 valve turns and 2 shut offs, with all back on.
- b. Write-Offs / Adjustments – None this month.
- c. Correspondence – Brad Jones reported that we receive \$3007.25 for a tax lien settlement.

5. Attorney's Report – None this month

6. Old Business

- a. Water and Sewer Plant Security - After getting 3 quotes, ETC was the best quote for the security cameras and the alarms. It will cost \$4,049.87 for the equipment with a \$30.00 monthly monitoring fee. The Indiana State Police will come after installation to make a diagram of the buildings and grounds. The information will be loaded into various police computer units that are in the area. A motion was made by Jim Hornig to accept the ETC quote so they could start installation. It was seconded by Kathy Tarzwell. Motion carried.

b. Water Tower Exterior Epoxy Overcoat & Foundation Repair - Dixon Engineering sent the proposal for the Overcoat and repairs. Ann Poindexter and Scott Wyatt both explained the bid process further and answered questions about it. After some discussion it was decided we do not need full scale bid docs. Brandon Litmer will get back with Dixon to discuss this and a few other items that came up. A motion was made by Scott Gibbs that we give President Frank Erdosy the authority to accept the contract not to exceed \$16,642.00 after the attorneys have been able to clarify the documents. Clair Fredrickson seconded the motion. The motion was carried.

- c. Lawsuit "525" - Nothing new on this.

7. Tour - The board members along with the attorneys, the maintenance crew, the office personnel and a few guests went on a tour around the lake to see where various water and sewer items were located. Brandon Litmer showed us the insides of a grinder pump, where many of the RWWD properties are located, a water testing area, and gave a short history of the water tower. Then we returned to the Sewer and Water Plants and took a tour of both. Brandon Litmer answered questions from those present. Brandon did an excellent job of explaining everything. Charity Banks drove the bus for our tour. Thank you Charity for your time.

8. Adjourn

Respectfully Submitted by
Kathy Tarzwell, Secretary

These minutes are subject to approval by the LSRWWD Board at the 7/20/2017 meeting.

GENERAL CONTRACTOR

LAKE SANTEE RESIDENT

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

Friends of Wildlife at Lake Santee

Everyone Welcome!

Our aim is to encourage the members of the Lake Santee community to appreciate and protect our natural setting.

Friends of Wildlife meets the first Wednesday of the month at 7:00 p.m. in the community room.
Email charm.seright@gmail.com for more information.

Butterfly Gardens at The Nature Habitat

The Second Year

An abundance of purple cone flower, milkweed, black-eyed Susan, liatris and penstemon came back from last year's plantings to provide food and nectar for butterflies and pollinators. There have been lots of bees visiting but as of 7/18/17 the butterflies have been scarce. There have been sightings at local gardens, later than usual, so the month of August holds hope for a strong showing. We specifically planted milkweed for monarchs which was attacked last year by aphids. This year it's tussock moth caterpillars. Meanwhile Deb keeps looking for eggs and caterpillars to raise at home where survival rate is greatly increased.

Thank You

A special thank you goes to Phyllis Grant for her donation to Friends of Wildlife in memory of Evelyn Rentchler. The butterfly gardens, "Butterflies and Pies" and "Christmas for the Birds" will benefit from your generosity and support the natural setting that makes Lake Santee a beautiful place to live.

Our next regular meeting is August 2, 2017. We will meet at The Nature Habitat at 5:00, move on to eat at the Dockside at 6:00 and meet in the community room at 7:00 pm. Hope to see you there and share pictures and stories of many Monarch successes!

Betty's Backyard Birds-23

I have been hearing from several people that they are not having as many hummingbirds as last year and the years before. I was able to count a dozen before I left for a week around the 4th of July. But since I have returned I have only been about to count eight. I must be feeding several Hummers because I have started having to fill 6 of my feeders at least once a day again. I hope everyone will start having an increase in Hummingbirds around their feeders.

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES
July 12, 2017

The Lake Santee Property Owners Association Board of Directors met on July 12th, 2017 in the Community Room. President Ron Day presided and called the meeting to order at 7:30 PM. Other Directors present were Angel Hocker, Stephanie Peetz, David Martin, Steve Gauck, Carol Goodwin and Polly Ann Fox. Employees present were Brad Jones, Brandon Litmer, Joe Jarman (92), and Mike Cutrufelli (172).

Members present were Dan Archiable (252), Claude and Shirley Livesay (530), Rosemary Kinnett (889), Buddy and Terri Suiters (1416), Laci Warren (883), Rick and Mary Johnson (543), Chuck and Vicki Dinger (1566), Walt and Rebecca Jerrell (888), Duane McKinley (11), Paul Gosnell (1147), Terry Adelman (198), Jason and Marie Kuck (625), Mary Tapke (284), Kim Belter (913), Clair and Nancy Fredrickson (348), Wade Amos (364), Jim Hornig (668), Justin Howard (292), Rob Martin (402), Nate Litmer (1130), Victor and Alison Everhart (949), and Charm Seright (121).

President Day called for a review of the minutes of the June 14, 2017 meeting. The following corrections were noted; in regards to the response on allowing tents, 2/3 of the owners must agree in writing to change the land restriction not the majority as was stated. Rule 4.12 should have been noted in regards to staying 100ft from the shoreline not rule 4.2. The minutes were approved on a motion by Carol Goodwin, seconded by Steve Gauck. Motion carried.

Stephanie Peetz gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Stephanie then presented the following bills to the Board for approval:

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments. Members mentioned/shared the following:

- Rick Johnson – Thanked everyone who supported the fire department on the luncheon over the holiday weekend.
- Mary Johnson – Thanked everyone who helped with the Women’s Club events over the holiday weekend.
- A member mentioned speeding on the NE side of the lake along with racing UTV’s.
- Terri Suiters – The Women’s Club auction will be held on August 12th in the Community Room. There will be a silent and live auction. Donations are being accepted. Please contact a member of the Women’s Club if you wish to donate.
- A member provided a letter for the Board to review.
- A concerned member asked why the Marina was not required to clean up their yard area like other members were. They also asked for clarification on what is considered private/public in the lake. In addition they questioned if the Board had considered using gates with keyless entry.
- Two members stated how awesome the fireworks display was.

CORRESPONDENCE

No correspondence was presented.

COMMITTEE REPORTS

Rules & Regulations – Angel Hocker

Angel reported that the previous mention of a change on rule 4.1 has been tabled until we have a full Board after the August election. At that time it would be up to the new Board on how they would like to proceed. No other items were discussed.

Recreation – Carol Goodwin

Carol started how great the fireworks were and how well everything went over the holiday weekend. She thanked those who helped with the Youth Fishing Tournament. July 22nd will be the first movie night on the lawn with the movie being ET. The kids activity with the slip n slide

and water balloon fight went very well. She wanted to thank Rob Martin for providing the pizza and all those who helped make it a fun event for the kids. Check the Smoke Signals for all the upcoming recreation activities.

Lakes & Beaches – David Martin

Dave stated that the damaged docks have been replaced and are ready for use. The dirt is still on the lake access near the dredging area. Thomas Docks is waiting on some dry weather to get the dirt removed. Dave will be contacting K-Fab to confirm pricing to do 3 more umbrellas at the beach.

Membership – Ron Day

Ron presented the following new members:

- David & Diana Bennett Lots 1182 & 1183
- Tom & Paula Davis Lots 1031 & 1032
- Gary & Linda Hash Lot 1650
- Victor & Alison Everhart Lot 949

Community Room Committee – Ron Day

The regular meetings were held in the community room.

Building Committee – Steve Gauck

The following building permits were issued in June:

- Lot 809 Al Smallwood Replace roof dimensional shingles
- Lot 1558 Andrew & Brenda Utz Patio, porch, landing, stairs & pad for shed.
- Lot 1007 John Wilson Driveway Culvert
- Lots 1184, 1185 Chad Lovitt Modular Home
- 1A LSPOA Shelter House
- Lot 973, 975 Eric & Emily Bosch Driveway Culvert
- Lot 1404 Mike & Angie Maupin Above ground swimming pool
- Lot 1420-1422 John & Lisa Clark Tile in Ditch

Clean Up – Steve Gauck

The clean up committee sent out two first letters, two second letters, added two properties to the watch list and three Thank You letters.

Roads & Maintenance – Polly Fox

Polly thanked maintenance for doing a great job keeping up on the beach and bathrooms over the holiday weekend. On June 30th they started putting down some lignin but got rained out and they hope to start again as soon as we have dry weather. We are in the process of getting quotes on paving for the north entrance. The repairs at lot 137 have not been completed yet as the weather

has not cooperated. Maintenance has completed some road repairs from washouts with the recent storms. The building permits have been received for the new shelter house but maintenance will more than likely not be able to start on it until fall. Maintenance will be helping engineer a way to put the screen for movie nights in the amphitheater.

Polly stated she had received quotes on replacing the flooring in the restaurant. The cheapest was Adderly Restoration for \$6,770.68. The new flooring will be vinyl planking that is of commercial grade and is non-skid. The flooring should last approximately 15 years. The flooring will be installed in the evening after the restaurant closes. Polly asked for a motion to approve the purchase and installation of the flooring, seconded by Angel Hocker. Motion carried.

Security – Ron Day

Ron thanked the members who brought up concerns in regards to security and issues they are seeing. In regards to the Private vs. Public that was brought up in the member comments – The Lake maintains all of our own property including the roads. The Lake Santee Marina and Dockside Bar & Grill are open to the public but property owned by the association is not open to the public such as lake access areas and the beach. Ron stated that there would be new signs put up at both entrances stating No ATV's permitted. It was mentioned that both entrances do have cameras.

Ron asked for a motion to purchase a boat lift (\$1,500) from Lake Santee Marina for the security boat along with a canopy/top for the security boat (\$2,000) that will cover the center console and will be affixed permanently. The purchase for the boat lift and canopy for boat in the amount of \$3,500 was approved via a motion by Carol Goodwin and seconded by Polly Ann Fox. Motion carried.

OLD BUSINESS

Steve Gauck gave a brief update on the Monarch Butterfly habitat. Steve stated that the rain is helping it take off. Maintenance finished seeding. We hope to have some flowers blooming this year but it could be next year before it really develops.

Polly Ann Fox gave an update on the Long Range Planning Committee. They met that past Sunday and so far had received 80 surveys back. Polly wanted to remind those who had not taken the survey to please do so.

Ron also mentioned since we are moving forward with getting quotes on the paving for the North entrance we are getting closer to finalizing the litigation that was brought forward.

NEW BUSINESS

Ron asked the board for approval on the Election Committee. The chair will be Nancy Fredrickson, along with Brent Montgomery, Ginger Ryle, and Barb Powers. Steve Gauck made a

motion to approve the election committee members with Carol Goodwin seconding. Motion carried.

Ron also asked for Board approval to move forward with the engagement agreement with Alerding CPA Group. After reviewing the document there is no changes from our last agreement. A motion was made by Angel Hocker to accept the agreement and seconded by Steve Gauck. Motion carried.

A request was received on a benefit for Cathy Hankins to help with medical expenses. The Dockside Bar & Grill will be holding the benefit on August 19th with a ride to include motorcycles and jeeps starting in their parking lot at 9:30am. They have also asked for use of the amphitheater that day. A motion was made by Carol to approve and seconded by Angel Hocker. Motion carried.

MANAGER'S REPORT

Brad stated we collected \$6,532.33 in fireworks donations. This will be used for the 2018 fireworks display and inflatables that are at the beach. Lot 949 owned by the Association was sold, leaving two lots for sale. As always, check the Facebook page and website for up to date information on what is going on around the lake.

There being no further business, Dave Martin moved to adjourn, seconded by Carol Goodwin, motion carried. The next regular meeting will be held on August 9, 2017 at 7:30 PM in the Community Room.

Respectfully submitted,

Stephanie Peetz, Secretary

All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .

Little Free Libraries

What is a Little Free Library?

A Little Free Library is a “take a book, return a book.” It is a free book exchange. This allows for people to share their favorite book with their community.

What is Little Free Libraries mission?

Little Free Libraries have two missions. The first mission is to promote literacy and the love of reading by building free book exchanges worldwide. The second mission is to build a sense of community as we share skills, creativity, and wisdom across generations.

Who and How?

Greensburg Community Public Library and Greensburg FFA. The Library received a small project grant from the Decatur County Community Foundation to place libraries around Decatur County. The Greensburg FFA works on securing locations, building, and helping the Library in any way.

Locations Expectations?

A location expectation is to care for their Little Free Library, so it becomes and continues a long life as a vital, engaging resource of the neighborhood and community. The location should welcome participation and create a friendly place around the library. Locations just need to inform the Greensburg Library about any issues.
