Lake Santee's Smoke Signals

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial.

The first official publication, which became known as The Smoke Signals, was

published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

From the Lake Manager

Deadline for 2018 Dues and Assessments is April 1st

Statements for the 2018 Dues and Assessments were mailed out on February 15th, are due March 1st and past due after April 1st. Payments must be received in the Lake Office before April 2nd to avoid a 10% penalty. A monthly finance charge of 1½ % is charged on all outstanding balances.

A Lake Santee Boating Exam will be included with your statement and must be answered and returned with your request for boat stickers.

If you mail in your payments, permits and passes will be returned by mail except for the night operation golf cart/UTV permits which require inspection.

Summer Office Hours

The Lake Office will be open Saturdays beginning March 3rd. The office will be open Monday – Friday 9:00am – 4:00pm and Saturday 9:00am – 3:00pm, evenings by appointment.

We have 2 lots currently for sale:

ATTENTION BOATERS

As the LSPOA membership continues to grow, so too do the number of boats on the water creating a potentially unsafe situation.

Recognizing that many existing and new members are not fully aware of the Boating Rules at Lake Santee, each lot owner shall be required to complete a Boating Exam in order to receive 2018 Boat Stickers.

The 12-question Multiple Choice Exam will be included in the Annual Dues and Membership Packet you will receive in the mail in mid-February.

Please complete the Boating Exam and submit to the LSPOA Office with your LSPOA Membership paperwork.

Please resort to Sections 4 and 5 of the Lake Santee Rules and Regulations when completing your exam.

Bryant's Bar and Grille Annual Golf Cart Runs 2018

The signup sheet is at Bryant's Bar and Grille so sign up now for the 2018 Annual Golf Cart runs at Lake Santee. Please sign up only once until everyone has had a chance to participate. Stops can be on any road in Santee, even a bare lot that you own. However, if you prefer, Bryant's will volunteer the use of the party room. Hosts provide paper and plastic table service and a main dish (like hot dogs). Everyone brings a dish to share. A drink is provided at each stop, however snacks are not expected. Carts follow in a single file with no passing. (Slower carts may wish to be toward the back.) A restroom break is at the East Beach. We all end up back at the host's house to eat. This is a great way to meet new people and socialize. Plan to join the fun! Host locations are subject to change so check at Bryant's Bar and Grille for updates. *In 2018 the runs will be the second Saturday of the month except in August due to the Annual Women's Club Auction.*

If someone you care about has hearing loss,

take time to listen.

Taking the time to listen to and understand the challenges your loved one is facing while coping with hearing loss is a great way to show your support.

Another way is to join them for a Comprehensive Hearing Evaluation with **Doctor of Audiology Josh Kappel**.

Your input and encouragement can play a pivotal role in your loved ones journey toward better hearing and an improved quality of life.

A MESSAGE FROM THE BASS CLUB

The 2018 Lake Santee Bass Tournament schedule has been approved and now the only thing we have to wait for is warm weather! This year's events, whose dates are very similar to the 2017 schedule, will showcase the competing anglers' skills on one of the best fisheries in the region.

As in the past, we will be again conducting a sanctioned USA Bassin' event simultaneously with our regular tournaments each month. Take advantage of all the great opportunities which occur with competing in the USA Bassin' trail, including increased prizes, opportunities to compete in multiple regional championships, and the chance to fish for hundreds of thousands of dollars in prizes in the year end classic events at beautiful Kentucky Lake. Contact Chip and Lisa Ayers for further information on how to join USA Bassin' and join in the fun.

One of the reasons Lake Santee is such a joy to fish is because of the great health of the fishery. As many may be aware, after the long, cold winter we have experienced in the area, there has been a noticeable Gizzard shad kill at the lake. While fish kills of any type often bring alarm to everyone, in these circumstances, it is not necessarily a bad thing. Gizzard shad were secretly introduced decades ago into Lake Santee by a pair of well-intending, but mistaken, property owners. However, as often happens, the Gizzard shad population quickly became a nuisance as the species so often does.

The Gizzard shad is a prey fish which many species feed upon. Gizzard shad, however quickly grow beyond a consumable size often reaching upwards of a foot long and can affect the water quality of a lake. The very same water which comes from your faucet. Once they reach this size only the very largest of predator fish will be able to consume them which then allows the Gizzard shad to quickly overpopulate a small watershed the size of Lake Santee.

Did you know that the minimum length for a largemouth bass to be legally removed from Lake Santee is 21 inches in length? This size limit of 21 inches is also in place for the hybrid striped bass (wipers) which the Association stocks from time to time. Also, no more than one bass of each species may be removed from the lake per day.

These length and possession limits have been established by the L.S.P.O.A. Board at the suggestion of fishery biologists. Largemouth bass and hybrid striped bass of this size are apex predators in their environments, and are the only thing which can feed on large Gizzard shad. While we all enjoy catching fish of this size, it takes nearly a DECADE for a bass to reach this size. Each and everyone likes to take pride in their trophy catch, but please help ensure the continued health of our water source and fishery and remember to PLEASE PRACTICE CATCH AND RELEASE on Lake Santee's bass.

Until next time, God Bless!

Henningsen's Flowers and Gifts is for Sale

Thank you to all of our loyal customers as we start 2018.

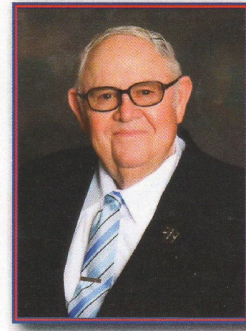

We are open again and are getting ready for Valentine's Day as I post this message.

We want to post here that Henningsen's Flowers is for sale. If you are truly interested in buying the business you may call the shop and I will set up a time with you to discuss everything.

I will continue business as usual until I am able to sell the business entirely. I will not be breaking up any components for separate sales. The business has been appraised and the price will be reflective of that.

Please, only contact me if you are serious about purchasing Henningsen's. The contact number is 812-663-7577, which is the shop number. If you need to leave a message please do so and I will get back with you as soon as possible. Please feel free to share this information with anyone you believe might be interested.

RECYCLE & GIVE BACK IN DECATUR COUNTY

This year, we are proud to be able to partner with local non-profits to give back to our community. At each of our Electronic Recycling events we will be accepting all donations. A representative from each non-profit participating event, will be present to tell you about their organization and accept any and all donations. We don't want you to feel pressured to donate, so please recycle your electronics even if you cannot donate!

By recycling in Decatur County, help give back to your community!

New Directions is a domestic violence resource center and a short-term crisis shelter. We offer advocacy, assistance, education, and support to victims of domestic battery, their children, and our community.

The mission of Bread of Life is to faithfully work together to provide a free meal to those in need. They currently serve between 3,000 and 4,000 meals a month to those in Decatur County.

Greensburg Meals on Wheels provide a hot, well balanced, nutritional meal to those who are unable to do so, focusing on over 60 years of age. MOW does this at the lowest possible cost to the client.

Please visit our website for a full list of items accepted at these events. For specific questions please call us at 812-663-0960.

These events are for residents of Decatur County only. No business articles, please.

Home is where the heart is. Don't Let Your World Go Up in Smoke.

Fire is fast! In less than 30 seconds a small flame can turn into a major fire. Smoke and toxic gases from a home fire kill more people than flames. Every home needs fire protection and a plan for escape.

Smoke Alarms

Working smoke alarms give you early warning if there is a fire. Make sure your home is protected. Do this today.

- Install smoke alarms on every level of your home.
- Place smoke alarms inside and outside of all the sleeping areas.
- Make sure all of your smoke alarms work. Test them each month.
- Replace smoke alarms that are 10 years old or older.

Children

Children under the age of four are at a higher risk of home fire injury and death than older children. Plan for this.

- Teach all children what the smoke alarm sounds like.
- Be aware that children may sleep through the sound of the smoke alarm.
- Practice your escape plan with children.
- Teach older children how to get outside if there is a fire.

Escape Plan

You may have less than three minutes to escape a home fire. Every second counts. Make a plan. Talk with your family about what to do if there is a fire. Practice your escape plan.

- Know two ways out of every room.
- A closed door can stop the spread of gas, heat and smoke.
- Have a meeting place outside your home.
- Know how to call 9-1-1 from outside to report a fire.
- Practice your escape plan with everyone who lives in your home at least twice a year.

9-1-1 Address / Location Signs

The Clarksburg Volunteer Fire Department is selling address signs that can be attached to your mailbox or anywhere else to identify your property. These signs are 6" X 18" and are made of metal and covered with a 3M reflective material. The lettering will be on both sides and are also made of a reflective white plastic. These signs can be mounted vertically or horizontally to any post. This will help any agency find your property in case of emergency or delivery of items to your home. The cost of the signs is \$20 dollars each. Please fill out the form below and give it to any Clarksburg fireman or mail to the address below. If you need the signs sent to you via mail please add \$10 shipping to your payment for each sign ordered. We will try to deliver the signs directly to you if possible, or make arrangements to have them picked up near Clarksburg. If you are not sure about the shipping or customization please contact us at 812-527-2115 and leave a message to ask about these items.

LAKE SANTEE WOMEN'S CLUB February 12, 2018

The Lake Santee Women's Club met for an informal fellowship lunch at Dockside. Barb Powers treated us to a quiz on the Presidents of the United States, and Marty LeClerc apparently is the only one of us to remember American History! She knew the most answers to the questions! We laughed and chatted and had a lovely time.

All Lake Santee women: "Please join the fellowship in the Lake Santee Women's Club!"

*"Ladies - as a Lake Santee property owner,
please come join the fun!"*

*Everyone is welcome in the
Lake Santee Women's Club.*

*There are no obligations
whether you want to attend one event
or all events."*

WE ARE A PERSONAL CARE AGENCY

We mostly care for elderly in their homes. We can run errands or take them to doctor appointments. We also help them to be able to stay in their homes. We help with cleaning, laundry and food preparations.

We do all of southeast Indiana. We have private pay options or, if you have Medicaid, our services can be free or very low cost.

So, if you or someone you know needs help with any of these things you can call our office for further information and we can help you get started.

AVENUE OF FLAGS SUBSCRIPTION

2018

The Greensburg Breakfast Optimist Club would like to have your support of the Avenue of Flags Program at Lake Santee. We have just completed our 7th year for this program and the community support has been very positive and much appreciated. There currently are 54 American Flags flown at the entrance of Lake Santee during our national holidays along with over 460 more throughout Decatur County.

The income from this program, along with the funds we raise from our Fair booth, help finance and conduct over 34 programs within Decatur County, most of which are focused on youth. Everything from scholarships, Headstart Christmas Parties, Respect for Law Camp, Reality Store, Essay Contest, Oratorical Contest, Special Olympics, Cheer Fund, Big Brothers/Big Sisters, Outstanding Student of the Month Awards and many more activities each year. We also recognize Lawman of the Year, Fireman of the Year, support the Bread of Life, Meals on Wheels, Arts and Cultural Council, Public Library, Historical Society, YMCA, and various other school and community activities in Decatur County.

A subscription for a flag to be flown during the Holidays of 2018 in your name is \$30, or you can pay \$100 for four years, 2018, 2019, 2020 and 2021.

Mail the completed form below with a check made out to Greensburg Breakfast Optimist Club to Ed Fox and Rick Johnson. We hope you will support the Optimist and this beautiful display of flags at the entrance of Lake Santee during our National Holidays.

All meetings are open meetings and everyone is welcome to attend.

Lake Santee Regional Waste & Water District
Meeting Minutes
Meeting of January 18, 2018
3:30 PM
Lake Santee Community Room

1. Call to Order

a. Roll Call

President Frank Erdosy called the meeting to order and requested a roll call. Members present were Frank Erdosy, Clair Fredrickson, Scott Gibbs, Kathy Tarzwell, Paul Gosnell, Jim Hornig, and Larry Kiernan. Also in attendance were Brad Jones, Utility Administrator, Brandon Litmer, Utility Superintendent, and Anne Poindexter, the District's attorney. No guests were present.

b. Welcome Larry Kiernan

Larry Kiernan is a new Board Member appointed to a four year term by the Decatur County Commissioners. Frank welcomed Larry to the Board and we look forward to his future contributions.

c. Election of Officers for 2018

Frank opened the floor to nominations. Jim nominated the existing Officers to retain their current positions. There being no further nominations, Frank closed the floor to nominations. A motion was made by Kathy and seconded by Jim to accept the nominations of Frank as President, Clair as Vice-President, Scott as Secretary, and Kathy as Treasurer. Motion carried.

2. Consent Items

- a. Minutes of December 21, 2017 Meeting
- b. Financial Report
- c. Register of Claims – Water
- d. Register of Claims – Sewer

A motion was made by Jim and seconded by Kathy to accept the consent items with the following exception: hold the payments for the JUS software support contract until the under billing issue is resolved. Motion carried.

3. Superintendent's Report

a. Sewer Status Report

Brandon reported that everything is operating well and all tests are normal. The cold temperatures did cause the return line to freeze up. Brandon sped up the flow in the return line to keep that from reoccurring.

b. Water Status Report

The water plant is operating on a normal basis with no problems and all tests in the normal range. The cold temperatures broke a pressure sensor in the water tower; Brandon replaced the sensor/line and installed additional insulation and heat tape. REMC hit a service line near Lot 884 while auguring in a support cable – this has been repaired. Brandon has not been contacted by any customers so far with frozen pipes or leaks from the cold.

4. Administrator's Report

a. Status Report

Brad reported there were 12 credit card transactions, 176 ACHs, 7 valve turns, and 1 shut off with all back on.

b. Write-Offs / Adjustments

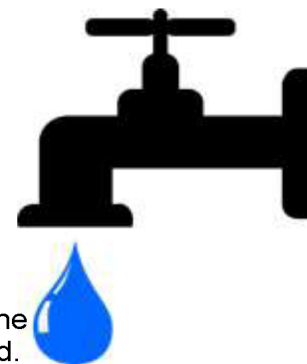

Lot 402 was invoiced incorrectly during the sale/closing of the property recently. A

motion was made by Jim and seconded by Kathy to correct/prorate the invoice and issue a credit to the appropriate accounts. Motion carried.

5. Attorney's Report – See items below.

6. Old Business

a. Outdated Ordinances

Anne reported she would like to conduct a final review of the work her law student performed on reconciling the outdated Ordinances; then, she will send to Clair for his final review. Anne will prepare a single new Ordinance to clean up the outdated Ordinances and have ready for the February meeting. Anne reminded the Board there will be no charge for this work.

b. Jesse sewer license test – Jesse's test is scheduled for 1/30/18.

c. Napoleon Water Interconnect

Gene from Napoleon Water is still awaiting the easement paperwork from the last land owner. It has been nearly one year since the contract with Napoleon Water was signed and they still have not obtained all the easements. Frank asked Anne to contact Napoleon Water's attorney for a status update and to offer assistance to get this last easement resolved.

d. Tower security – barriers

This project has not been started. Brandon to have this completed next month.

e. Customer billing errors

As reported in last month's minutes, the JUS software that is used to read the water meters and create the customer invoices had been miscalculating water usage for 17 specific customers. The software was reading only 6 digits on the meter and should have been reading 7 digits, thus under reporting the actual water usage. The software was corrected and is now functioning properly. It is clear this issue caused an under billing situation for these 17 customers; however, the exact amount owed by each customer can only be estimated at this time. Based on this, Kathy made a motion and Jim seconded that the District not pursue collecting the under billed amounts from these 17 customers. Motion carried.

f. List of Customers owing funds – Name, Address, Amount, Reason

Brad prepared a list of customers who have outstanding balances with the District. There are currently nine accounts past due totaling approximately \$2400. Tax Liens have been filed against all accounts that qualify. Frank distributed a list of the current properties against which the District has filed Tax Liens with the County.

7. New Business

a. Collections Policy 2000-01-19

New Resolution 01-18-2018A for Classification of Delinquent Accounts was created to combine and update two old governing documents. This new Resolution will replace and supersede Policy 2000-01-19 (Collections) and Resolution 11-15-12 (Classification of Delinquent Accounts). A motion was made by Jim and seconded by Clair to accept Resolution 01-18-2018A. Motion carried.

b. Resolution 09-17-08 --- Resolution 01-18-2018 – Payment of Claims

New Resolution 01-18-2018 for Payment of Claims was created to update the approved vendors list within the old Resolution. This new Resolution will replace and supersede Resolution 9-17-01 (Payment of Claims). A motion was made by Kathy and seconded by Paul to accept Resolution 01-18-2018. Motion carried.

Meeting Minutes

Meeting of January 18, 2018

3:30 PM

Lake Santee Community Room

- c. Internal Controls Standards Oversight Committee – Clair & Larry
Clair and Larry have both agreed to serve on the Internal Controls committee this year. A copy of the most current set of documents was distributed to Clair and Larry. Frank asked the committee to update these documents to include the new security measures at the plants and the water tower.
- d. Review and Looking Forward – Frank
 - i. Financial Analysis Reports 2016 and 2017 – Frank distributed a summary financial analysis for each of the plants for both 2016 and 2017. This will be updated and reviewed monthly going forward.
 - ii. Review of 2017 accomplishments – Frank distributed a list of the items accomplished in 2017. Significant items include the upgrades to the water tower, replacing the Gator, upgrading the security at the plants, the SBOA audit, and onboarding/training Michelle (Debbie's replacement).
 - iii. Computer operating systems / software – During the year, Frank will be researching operating systems and software that the District currently uses and what, if any, changes should be considered to stay current with cyber security measures, software/hardware support, accounting, etc.
 - iv. This spring, Frank and Brandon will review the condition of the buildings and start generating a list of recommendations for any maintenance or upgrades that are needed or should be considered so these projects and costs can be incorporated into future plans.
 - v. District owned lots at the north end of the lake – The District owns several lots near the north end of the lake subdivision. The question has arisen again about whether it makes sense to sell any of these lots.
 - vi. The POA is looking into protecting (possibly installing riprap) a portion of the creek bank near the north end of the lake. This may abut some District property or the POA may need access across District property to install the riprap – more details will follow as the POA gets closer to approval from the governing authorities to install this work.

8. Trustee Reports and Comments

- a. Clair Fredrickson – Would like to list the names in the Minutes of any guests that attend the District meetings. Scott will start adding that information to the Minutes.
- b. Scott Gibbs
- c. Kathy Tarzwell
- d. Paul Gosnell – The rate Ordinance from 2015 outlining the updated rates was published in the January Smoke Signals – should it be published in the February Smoke Signals? The consensus of the Board was to publish it again.
- e. Jim Hornig
- f. Larry Kiernan

9. Guest Comments – 2 minutes each – none this month.

10. Adjourn

Respectfully Submitted by
Scott Gibbs, Secretary

These minutes are subject to approval by the LSRWWD Board at the 2/15/2018 meeting.

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

- Paul Gosnell spoke on behalf of the Booster Club and wanted to remind members to update their contact information with the office to ensure the directory that is published each year has the correct contact information. He also asked if we should consider adding email addresses to the directory this year.
- A member brought up his concern with the amount of commercial traffic still coming through the North entrance. President Lecher stated this board with the opinion of council believes they have met all agreements in the settlement, and beyond by contacting contractors. We will continue to contact contractors as we can but we don't believe there is anything else we can do at this time.
- Chip Ayers spoke on behalf of the Lake Santee Bass Club and thanked the board for approving the 2018 Bass Club schedule. If there are any questions about the Bass Club or schedule please contact Chip Ayers.

CORRESPONDENCE

Brad had two pieces of correspondence to present to the board. Brad stated he would be attending a program the Greensburg Chamber of Commerce is putting on at the City Hall in Greensburg on February 22nd from 11:30-1:30 with a speaker about IOSHA. Brad stated that the LSPOA received a refund of \$252 from the insurance company because of the equipment exchange that happened last year with the Lake Santee RWWD.

COMMITTEE REPORTS

Rules & Regulations – Angel Hocker

Angel stated she had nothing to report at this time.

Recreation – Carol Goodwin

- The new calendar will be in the Smoke Signals.
- Trivia night is back at Dockside.
- The Easter egg hunt will be on March 31st. Carol asked that members drop off candy and or monetary donations to the Lake Santee Office. She already has the gift baskets ready.
- The Euchre group will also be starting back up – check the calendar for dates/times.
- As spring arrives so will the Bass Tournaments.
- The first band will be Memorial Day weekend.
- A band was added to July 21st and will be sponsored by the Lake Santee Booster Club. This will be a Las Vegas type show band that plays 50's & 60's music.

- The Luau on August 4th will also have a “sponsored” band.

Carol is still looking for volunteers to help with the summer events. She is working on establishing her committee as suggested in the Long Range Planning Committee report. The Lake does have a few corn hole sets (\$75) left to purchase if anyone is interested.

Lakes & Beaches – David Martin

Dave reported we had a large amount of Gizzard Shad die ---This is a good thing! Right now the lake is down approximately 5 feet. On March 1st the dam will be closed to allow the lake to fill to normal pool stage. Dave stated his sub-committee for the Long Range Planning Committee would hold their first meeting in March.

Membership – Polly Ann Fox

Polly presented the following new members:

- Lot 909 Dale & Kristi Thomas
- Lot 68 David & Joyce Eddy
- Lot 209/210 Joe & Theresa Harlan
- Lot 1607/1608 Kenneth & Aleta Amberg

Community Room Committee – Polly Ann Fox

Polly stated that the Community Room was used for normal activities this past month and so far in February.

Polly gave a quick report for the Funding Committee as requested by the Long Range Planning Committee. She stated there are currently five members and we are working on scheduling a small brainstorming session for various possible funding needs. Once specific projects are identified the committee would be able to look for specific funding.

Building Committee – Steve Gauck

Brad provided the report in Steve’s absence. The following building permits were issued in January:

- Lot 582 John Luensman Replace Dock/Rip Rap
- Lot 1390 Richard Schmaltz 3 Room Additions & 2 Porches
- Lot 525-527 Russ & Joan Stenger Rip Rap Shoreline
- Lot 57 Ernest Gauck Driveway Culvert

Clean Up – Steve Gauck

In Steve’s absence Brad gave a quick update on the Clean-Up Committee. There was 1-second letter, 1-third letter, 2-receiving fines, and one property that would start being fined on Friday.

A member brought up the defacing of the Apache mailbox cluster where a member attached their mailbox and post to the lakes cluster. President Doug Lecher stated a letter has been sent to the member.

Roads & Maintenance – Polly Ann Fox

Polly started by thanking Doug for stepping up and taking the President's role. Maintenance has been working on building new picnic tables to replace some old ones. They have been able to work on the new shelter as weather permits. They started filling some of the potholes on the gravel roads and are waiting on some millings to work on Pueblo and Itawamba. We will be reviewing the roads and set paving priorities. There is one more mailbox cluster that needs completed.

Security – Wade Amos

Wade reported his Security sub-committee as suggested by the Long Range Planning Committee will hold the first meeting in March. Wade also brought up that the LSPOA will be placing an add in the March Smoke Signals for a Full Time Security Chief along with a Part Time Security Officer. The board is looking to see what type of response is received before deciding which direction to take.

OLD BUSINESS

No old business to report at this time.

NEW BUSINESS

No new business to report at this time.

MANAGER'S REPORT

Brad stated the annual dues and assessments would be mailed Feb 15th. Statements are due March 1st and late after April 1st. On April 2nd late fees would be charged. The office will start summer hours on March 3rd with additional times by appointment if needed.

- Monday – Friday 9AM – 4PM
- Saturday 9AM – 3PM

As always, check the Facebook page and website for up to date information.

There being no further business, Dave Martin moved to adjourn, seconded by Angel Hocker, motion carried. The next regular meeting will be held on March 14, 2018 at 7:30 PM in the Community Room.

Respectfully submitted,

Stephanie Peetz, Secretary

DECATUR COUNTY INDIANA

Meeting for February 2018 and March 2018

Well, the year has started and we are meeting in February and March at the E.O.C. located behind the Sherriff's office on Ireland St. Please contact Rick for directions at 317-850-4471.

Our meeting starts at 6:30pm and dinner is available for \$5.00 per person. Please bring your own drinks.

Wednesday's meeting will cover many topics to aid us in keeping us CERT sharp. Also it will be a frame work for our group going forward.

Please invite anyone you think may enjoy the CERT experience.

See you Wednesday February 21st and March 21st.

Any questions, contact me on 317-642-7661 or mike@cafecoffeeservice.com.

Mike Cutrufelli, Lake Santee CERT Leader

Remind

Remind is now implemented for Lake Santee. It is a real-time messaging system for emergency information to be disseminated to the property owners. Only emergency information will be sent out, such as severe weather, criminal activity, etc.

In order to sign up for this service please [email \(lakesantee@etczone.com\)](mailto:lakesantee@etczone.com) or drop a written request by the office with your choice of notification method. Be sure to include your full name and lot number. If you would like a text, please give us your cellphone number. If you prefer to receive notifications by email, please give us your email address. You may do both.

Once you are entered into the system, you will receive the following message: "You were added to the Lake Santee Members with Lake Santee on Remind!"

This is the same program used by the schools to communicate between the school, teachers, parents and students, except this will be a one way communication to you.

Little Free Libraries

What is a Little Free Library?

A Little Free Library is a “take a book, return a book.” It is a free book exchange. This allows for people to share their favorite book with their community.

What is Little Free Libraries mission?

Little Free Libraries have two missions. The first mission is to promote literacy and the love of reading by building free book exchanges worldwide. The second mission is to build a sense of community as we share skills, creativity, and wisdom across generations.

Who and How?

Greensburg Community Public Library and Greensburg FFA. The Library received a small project grant from the Decatur County Community Foundation to place libraries around Decatur County. The Greensburg FFA works on securing locations, building, and helping the Library in any way.

Locations Expectations?

A location expectation is to care for their Little Free Library, so it becomes and continues a long life as a vital, engaging resource of the neighborhood and community. The location should welcome participation and create a friendly place around the library. Locations just need to inform the Greensburg Library about any issues.
