

# SMOKE SIGNALS

A MONTHLY PUBLICATION FOR LAKE SANTEE PROPERTY OWNERS

OCTOBER 2018

As election day nears, 2018 is turning into an important election year for Decatur County. Many important county offices are up for election this year and on May 8, 2017, I announced my candidacy for the office of Sheriff of Decatur County. Friends, the next Sheriff will be responsible for addressing many issues that will impact each of us, our children and our communities. These issues include but are not limited to:

**Current jail overcrowding and how we will responsibly build a new jail that will serve the County now, and in the future as needs change**

**The heroin epidemic and the illegal use of other narcotics**

**Programs for inmates to help them overcome their addictions**

**Crimes occurring against people and property that are fueled by drug and economic issues**

I am asking for your vote on November 6, 2018 as I truly believe my experience of over 28 years in law enforcement serving Decatur County makes me the best candidate to tackle these tough issues. I am the only candidate with leadership experience, having led a law enforcement agency while serving as Chief of Police for over five and one-half years. I also have an additional 23 years of experience investigating and helping to prosecute the most serious crimes which have occurred in Decatur County.

**I am asking you to choose me as your next Sheriff.**

Please join our campaign by following us on Face Book at Meyerrose for Sheriff or our web page.

Thank you in advance for your support.

# Dock Talk (aka notes from the manager)

## Mailbox Clusters Coming Soon!

As many of you know, we have been working on placing mail-box clusters around Santee Drive. If you are interested in having a box on a cluster please contact the office.

There are many benefits to the clusters. While they clean up the appearance around the Lake, they also help our Postal workers and maintenance. We are making sure to place them off the road enough so that when plowing, the mailboxes will be safe.

The cost of the mailbox, with numbers, is only \$20. We will send you bill after your mailbox is placed.

*HEAVY TRASH WILL BE SATURDAY OCTOBER 6- SUNDAY OCTOBER 15. IT WILL FOLLOW THE REGULAR RECYCLE CENTER HOURS. PLEASE CHECK THE AD FOR ACCEPTED ITEMS.*

*WE WILL BE PAVING 1.5 MILES OF SANTEE DRIVE IN THE FIRST TWO WEEKS OF OCTOBER. IT WILL ONLY TAKE ONE DAY TO COMPLETE THE JOB. AREAS WILL BE BETWEEN LOTS 230-284, 4-297, AND 845- APPROX. 896. WITH SO MANY LOCATIONS, PLEASE BE AWARE AND PLAN TRAVEL ACCORDINGLY.*

## Friendly Reminders

Trunk or treat and Trick or Treat will be October 27 from 5-7. It is our highest priority to keep our young Lakers safe. Be cautious on the roads and very patient. If you have been around very long, you know it is a rough time to drive on Santee Dr. Please plan accordingly. Also, if you would like to have cute and spooky visitors at your door for treats and fun, leave the porch light on!

Lake lowering will be in Mid-October. The board has elected to lower at least 5 feet again this year. This will provide a great opportunity to repair shorelines, docks, and any other shoreline projects you may have. For questions and building permits contact the office.

## Clean-Up, Up-Date

We have had a great response to our clean-up efforts. I am proud and grateful of all the work everyone has been doing to keep Lake Santee the most beautiful community around. If you have any concerns about a property, please contact the office and I will check it out.

## Lake Santee's Smoke Signals

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial.

The first official publication, which became known as The Smoke Signals, was

published on March 28, 1969. It was published by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

December 10 - Women's Club Christmas Party, 6pm, Comm. Room

December 15 - Breakfast with Santa, 9 to 11, (Santa arrives at 10), Comm. Room

December 20 - Trivia at Dockside, 7pm

It's time to starting planning for 2019! If you have a favorite local band or an activity that you'd like to see at Lake Santee, please send your ideas to

[LakeSanteeRecreation@gmail.com](mailto:LakeSanteeRecreation@gmail.com).

# Thank you, Thank you, Thank you!

This last year has been a great adventure and I would be remiss I didn't thank you all for making it happen. Without you to attend the activities and events there is no reason to have them. So pat yourself on the back if you attended something offered. I especially want to thank Maurie for always having my back and cheerfully helping me with everything. Along with him I have had some awesome help. One guy I called on several times to help in a pinch was Wade Amos. Mary and Tom Tapke stepped up to take the movie nights. Ronda, Darrell and Stephanie Peetz, Tree City Properties, Vinyl Solutions Unlimited, and Oesterling Chimney Sweep made the Aloha Luau a great success. Our very own lake manager, Brittany, alongside the Security and Maintenance crews made the Independence Day festivities happen. Christin Banks, Jenni and Kennedy Hanna, Judy Veach, Judy Graves, Mary Johnson, Ronda Peetz, Barb Powers and Shirley Livesay made the Easter Egg Hunt happen. Buddy and Terri Suitors continue to run the euchre/bridge events. Walt and Becky Jerrell, Bill Collings, and Adderley Restoration provided bands for everyone's enjoyment. Ron Day and the Greensburg Kiwanis made Breakfast with Santa a reality. There are people I'm sure I've forgotten to mention and please forgive me because it's not intentional. It has taken a lot of people to get the Job done. Thanks! Carol Goodwin, Recreation Chairperson 2016-2018

---

Around noon on Saturday September 15th. there were well over 100 Jeeps in our main parking lot. They were on a benefit ride for St. Mary's Catholic Church In Greensburg. The proceeds were to go toward the Church grounds and their school.

# Pearl STREET PUB

Pearl Street, Oldenburg, IN 47036  
(812) 934-3550

## Der Perlen Strasse Pearl St. Pub

**D**er Perlen Strasse Pub was established in 2006. After a complete renovation it was open for business in July as a pub style restaurant with a family friendly atmosphere and features a full bar with old world charm dating back to the 1800's. It is located in the beautiful small town of Oldenburg. The town is noted for its German heritage displaying all of its street signs in German, and also hosts the biggest little Freudenfest in Indiana. The Pub is located along side a beautiful brick paved road. The pub creates menu items based on generations of family style cooking. Menu items range from black Angus steak burgers raised locally on the Oesterling Farm to fresh cut tenderloins and ground chuck burger from our local Village Store. We offer a full menu from homemade soups to desserts, including weekend specials that feature local favorites such as white fish and ribeye sandwiches with delicious sides. Come enjoy a cold Dunkle on tap and experience the charm of Pearl St. for yourself.

Our hours are: Monday through Friday 11 a.m.—9 p.m.; Saturday

## CREAM OF POTATO SOUP

**PREP:** 30 MINS | **TOTAL TIME:** 45 MINS  
**SERVINGS:** 8 BOWLS

8 medium potatoes peeled and quartered	1 teaspoon garlic powder
3 stalks of celery chopped	1 teaspoon parsley
1 medium onion chopped	2 cups heavy cream
1 stick of butter	5 slices American cheese
1 ½ teaspoons salt	Salt and pepper to taste
1 ½ teaspoons sugar	Milk

**STEP 1** In medium stock pot combine all the above ingredients and barely cover with water. Bring to a boil then simmer until potatoes are tender and water has reduced by half. Remove from stove and using a potato masher, mash until desired consistency. A few lumps are fine.

**STEP 2** Return pot to low and heat and add following ingredients: 2 cups heavy cream, 5 slices American cheese and salt and pepper to taste. Add milk to desired consistency. This is a local favorite recipe—enjoy!

**What is Senses?** Senses is an exciting and safe alternative to typical playgrounds. It is designed especially for sensory recreation. Senses is great for young children of all abilities but is particularly beneficial for those who have Autism, are on the Autism Spectrum, have Sensory Processing Disorders, ADHD, Down's syndrome & Asperger's syndrome. The gym is very beneficial to all children but is especially good for those who have special needs.

**What is the cost?** Thanks to several grants from the Blue River Community Foundation, The Arc of Shelby County and the Shelbyville VC Aktion Club we are able to offer sessions at a modest per-session fee. The fees will help with administration costs, replacement of current equipment and help us keep the gym operating with current and new items well into the future. We will always work with families to find a way to help them benefit from the sensory playground.

10% OF ALL SALES WILL BE DONATED TO SENSES An Indoor Sensory Playground Gym

# Community Emergency Response Team at Lake Santee "CERT"

*Hello. I would like to introduce myself. My name is Michael Cutrufelli, and I am the group leader for the Lake Santee branch of "CERT," Community Emergency Response Team. I want to explain to everyone the benefits of being part of CERT-Lake Santee. Our group is affiliated with the Clarksburg Fire Department and the Decatur County Emergency Department, along with association with Homeland Security. We meet on the third Wednesday evening every month, at the E.M.A. office in Greensburg.*

*CERT trains you in community preparedness in case of most disasters in your area. You are first trained to make sure that you and your families are safe. CERT then provides training for a variety of scenarios. Our lake group is part of a larger support group, Greensburg and Saint Paul.*

*Joining CERT is easy! We have a place for everyone! All people are welcome to serve their community. It feels great to be trained to give back by helping out in a crisis.*

*Looking forward to having you on our team!*

*Michael Cutrufelli, 317-642-7661 or [mike@cafecoffeeservice.com](mailto:mike@cafecoffeeservice.com)*

The ten topics in CERT training are:

1. Disaster Preparedness
2. Fire Safety and Utility Controls
3. Disaster Medical Operations Part 1
4. Disaster Medical Operations Part 2
5. Light Search and Recue
6. CERT Organization
7. Disaster Psychology
8. Terrorism and CERT
9. Course review and final exam
10. Actual Disaster Simulation Exercise

## DECATUR COUNTY INDIANA

Meeting for October & November 2018

We are meeting in October and November at the E.O.C, Rick Johnson's office. Please contact him for directions at 317-850-4471. Our meeting starts at 6:30 pm and dinner is available for \$5.00 per person. Please bring your own refreshments. In the last months, CERT helped out with the heavy rains and assisted with helping to move elderly from a building when the power was out. CERT also worked the parades, other county functions, and Crack-Away Days.

Our meeting will cover many new topics to aid us in staying sharp. Also they will help the frame work for our group going forward.

Please invite anyone you think may enjoy the CERT experience. Any questions, contact me on 317-642-7661 or [mike@cafecoffeeservice.com](mailto:mike@cafecoffeeservice.com)

## Better Care Means Better Hearing!

At **Sound Hearing Solutions**, we understand that hearing loss can interfere with your quality of life. That is why from our first day together and beyond, we are here to make sure that you are always hearing at your very best.

The first step in treating hearing loss should be a comprehensive hearing test conducted by an audiologist. This allows you to understand the nature of your hearing loss and provides you with the information needed to determine the best treatment option for your personal needs.

Schedule an appointment today so we can demonstrate how our  
**Patient-Centered Hearing Care** can improve your life!

## Noken-Ts visit Lake Santee

We had some surprise visitors at Lake Santee on Labor Day Monday. Anyone who happened to be near our Community Building around noon, took time to walk around the parking lot to inspect about 15 Model T cars. Some of the cars had been rebuilt and others had just been maintained in mint condition! There was one group of convertibles, and someone asked "Where is the air conditioning?" Someone else said, "It comes on automatically when you get going real fast!"

The original members of the club owning Model T's came from Northern Kentucky, hence the name, The NoKen Ts. The group has now expanded to include many members from the greater Cincinnati area.

The NoKen Ts drove their Model Ts to Brown County, Indiana in a caravan for the Labor Day Weekend. The members headed home taking various routes, but the owners of these 15 beautiful cars and their families had come through Lake Santee in order to have lunch at our Dockside Bar & Grill. And the restaurant was packed and full of energy and happy faces! They obviously had enjoyed their trip.

# Clarksburg Volunteer Fire Department Chili Supper September 13th.

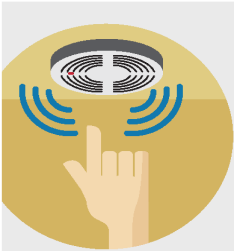

# Fire Safety Checklist for Homeowners and Renters

If there is a fire, you may have less than 3 minutes to get out of your home. Talk about what you should do to be safe. Make sure everyone in your home knows what to do if there is a fire.

Put a check in front of each statement that is true for your home.

## Smoke Alarms

- Smoke alarms are on every level of the home.
- Smoke alarms are inside and outside sleeping areas.
- Smoke alarms are tested each month.
- Smoke alarm batteries are changed as needed.
- Smoke alarms are less than 10 years old.

**Test your alarm regularly.**  
Your smoke alarm is working if it makes a noise when you press the “test” button.

## Cooking Safety

- The cooking area has no items that can burn.
- People stay in the kitchen when they are frying, grilling, boiling, or broiling food.
- Pot handles are always turned toward the back of the stove.

## Escape Plan

- There is a fire escape plan that shows 2 ways out of every room.
- Everyone knows where the safe meeting place is outside the home.
- Everyone living in the house practices the escape plan 2 times a year.

## Carbon Monoxide Alarms

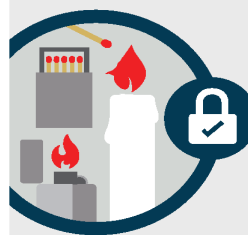

- Carbon monoxide alarms are located on each level of the home.
- Carbon monoxide alarms are less than 7 years old.

## Electrical and Appliance Safety

- All electrical cords are in good condition and not broken or cut.
- People clean the dryer of lint after every use.
- All plug outlets are safe and do not feel warm when you touch them. (If they are warm, call the landlord or an electrician.)

## Candle Safety

- Candles are in sturdy fire-proof containers that won't be tipped over.
- Adults blow out all candles when leaving the room or going to bed.
- Candles are kept out of reach from children and pets.

**Children are sometimes curious about fire.**

If you have children in your home, lock up any items that can start a fire (matches, lighters, cigarettes, etc.) and make sure children cannot reach candles.

Post Office Box 308

Clarksburg, IN 47225

## 9-1-1 Address / Location Signs

The Clarksburg Volunteer Fire Department is selling address signs that can be attached to your mailbox or anywhere else to identify your property. These signs are 6" X 18" and are made of metal and covered with a 3M reflective material. The lettering will be on both sides and are also made of a reflective white plastic. These signs can be mounted vertically or horizontally to any post. This will help any agency find your property in case of emergency or delivery of items to your home. The cost of the signs is \$20 dollars each. Please fill out the form below and give it to any Clarksburg fireman or mail to the address below. If you need the signs sent to you via mail please add \$10 shipping to your payment for each sign ordered. We will try to deliver the signs directly to you if possible, or make arrangements to have them picked up near Clarksburg. If you are not sure about the shipping or customization please contact us at 812-527-2115 and leave a message to ask about these items.

# LAKE SANTEE WOMEN'S CLUB MINUTES

SEPTEMBER 10, 2018

Twelve met at Cricket Ridge for lunch on Monday September 10th. The food was great as always.

The reports from all the officers were read. It is time for officer change again. Mary Tapke has graciously agreed to be President for another year. Kathy Tarzwell has agreed to be Treasurer. We need volunteers for Vice President and Secretary.

Mary Tapke is working to get an exercise class at the lake similar to the one in Greensburg at Crown Point on Wednesday at 10:00 and at the YMCA on Monday at 10:30.

The committee sheet was passed around for next years activities and will be passed around at the next meeting.

If anyone would like to sign up for our volunteering at Bread of Life give Mary Tapke a call and she will put you on the list. We serve the 1st Thursday of each month from 2:45 to 5:00.

The recent auction was discussed at length. It went more smoothly this year than last. A few more bugs to work out and make next year even better.

October 8<sup>th</sup> meeting will include Laurie from the library helping us create a Fall craft. Make time to be there.

Kathy Tarzwell, Vice President

Come on everyone...

let's STRETCH and EXERCISE!

## **GENTLE BODY POWER STRETCHING CLASSES**

### 4 Tips for Safe Burning

*As the temperatures drop and the nights get longer, our lake community moves from the beach to the backyard. Grilling turns to bonfires and beachwear is traded in for sweaters. Follow these tips to ensure you fall fires stay fun!*

1. Plan ahead. Make sure the weather is right and the wind is not too strong.
2. Keep water readily available in case of an emergency. With dry leaves, fires can spread easily.
3. Keep children and pets away from the fire. Always have a responsible adult present.
4. Use only firewood, do not add fuel or accelerants.

## Leaves Litter Lakes!

### How your fall routines impact your summer fun

*Beautiful leaves floating across the water. Reflections of Orange, Yellow and Red glisten on the surface. It is a beautiful site and makes for beautiful pictures, but it's what happens beneath the surface that will impact the lake all year long.*

help keep our lake clear all year long.

Fall is a beautiful time of year in our community. The trees are breath taking, the water is like glass, and the morning fog is like something from a Thomas Kincaid

The first thing we can do is clear the leaves from the ditches. This will prevent them from running into the lake when we have rain.

painting. But with that beauty comes a great mess, falling leaves.

**“Take a few extra hours in the fall to ensure beautiful waters in the summer. “**

As members of a community like this, we are always striving to keep our lawns maintained and beautiful. But what you do with that mess will impact our lake for years to come.

The second step is to mulch your leaves and ensure you are blowing them in the opposite direction of the water. This will also help keep your shoreline rip rap clean and fresh looking.

When leaves fall, they begin to decompose. This decomposition fertilizes the ground and encourages future plant growth. When the leaves enter the water, they do exactly the same. Except, in the water, they do not have plants to fertilize. Instead, they encourage summer algae blooms.

The third step involves old fashioned raking. Gather the grandkids and rake the leaves into piles. Let them have some fall fun jumping and playing, then burn your leaves during the appropriate time or take them to the recycle center and dispose of them for free.

To an extent, it is uncontrollable that leaves will enter our lake. But, where we can control it, we need to. There are a few simple steps that will

The lake is a wonderful place to be year round, take the few extra hours in the fall to ensure beautiful waters in the summer. It's a privilege to have a beautiful community, let's do our part to preserve it!

## Fun Fall Activities at the Lake

*Summers over, now what? Here are some fun activities for everyone during the fall at Lake Santee.*

### Trick or Treat

Grab your little princesses and ghouls and come to Lake Santee on October 27<sup>th</sup> for our annual Trick or Treating. On this night you will find kids of all ages dressed in their best costumes collecting candy.

At 5pm start your night at the main beach parking lot for our Trunk or Treat. Then, make your way around Santee Drive spotting houses with lit porch lights offering sweet treats to visitors. Be patient, Santee drive will become stop and go traffic from 5-7 while the Little Lakers run from home to home. As always, golf carts welcome if you can stand the chill!

### Nature Walks on our Nature Trail

Fall brings changing colors and cooler temperatures. Take a bike ride to our Nature Habitat on Kiowa Cove to see the beauty of our community

beyond the water.

Many animals and plants change in the fall. It is a great time to learn about the world we live in.

If you are careful and quite, you just may see some deer moving among the trees and squirrels and chipmunks gathering for winter.

### Be creative

Carve a pumpkin, bake a pie, create a fall yard display, or just have some good old Lake Santee fun with your friends and family!

Share your favorite fall Lake Santee Activities with us on our Lake Santee Facebook page or email the office! You just may end up in the Smoke Signals!

### Not too Spooky Stories from the Lake >>>

## The Monster in Woods

It was a cool October evening as Lisa rode her bike down the newly paved road. The air was crisp and leaves gently stirred from the roadside as she peddled along. Lisa was thinking of the approaching Halloween celebration her community was planning. It was one of her favorite times of year in the small lake community. She loved all the people and costumes. She couldn't wait to get all dressed up and ride around collecting candy and treats from all her neighbors. Her favorite candy was of course anything chocolate and peanut butter, but really anything sweet will do! Except those awful "sugar free" things some of the more "health conscious" neighbor handed out. Those she would give to her pest of a little brother. In return, she would take his chocolate. It would be a trade, so what if he didn't know it was happening? Okay, maybe she shouldn't steal from her baby brother. Guilt was the hardest part of being a big sister.

As she rounded one of the many curves, she turned her bike down a long, quaint, gravel road. As she peddled through the freshly laid gravel, a small cloud of dust stirred behind her. She loved the way the dust moved and she would pretend to be an original settler traveling along the dry dirt land on her horse. It was just like the scenes she imagined in the many books she had read.

She turned her bike once again onto a road surrounded with trees. The pathway almost seemed like a tunnel as the autumn colors surrounded her. Once she reached the familiar clearing, she dropped her bike and began into the woods on foot. Her community had a trail she loved to play perfect for skipping on the lake and headed toward her bike. As she walked she hear a rustling behind her. She turned, and there was nothing there. After a few more steps she heard a loud SNAP. Once again, she turned and nothing. Lisa's heart began to race. The sun was falling faster than before and the air suddenly felt cooler.

She ran through the trails as fast as she could, tripping on a down limb. The faster she ran, the more wrestling she heard around her. She glanced back and that's when she saw it. A small hideous creature with a furry brown face. Its eyes were piercing and yellow. She screamed and the creature let out a loud growl. That was it, fear surged through her as she stumbled up the hill and out of the woods. Heart pounding and fear racing through her she thought about the spooky stories she heard by the fire. Stories of Bigfoot and other monster lurking in Indiana woods. Now here she was, being chased by a Bigfoot with no one around to help!

Just as she reached her bike she glanced and saw something familiar. A red boys bicycle laid behind a flower bed. Lisa turned and saw the creature coming right for her. The creature reached up, and with one quick motion revealed a sight that enraged Lisa. It was her little brothers giggling face! Suddenly she couldn't help herself, and they both began to laugh! Lisa gave him a shove and any guilt she may have had about stealing his Halloween candy left. She smiled thinking of how good his candy would taste! Payback would taste so sweet!

The six holidays are: Memorial Day weekend, Flag Day, July 4<sup>th</sup> weekend, Labor Day weekend, September 11<sup>th</sup>, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. The Optimist Club is responsible for replacement of any flag soiled, damaged or stolen.

A subscription for a flag can be purchased by completing the form below and attaching a check: \$30 for one year; \$100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-4471.

**LAKE SANTEE RESIDENT**

**Fire Damage Restoration**

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

**Water Damage Restoration**

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

**Structural Damage Board-up**

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

**Mold Remediation**

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

**Trauma Clean-up**

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

Meetings are held the 3rd. Thursday of each month in the Community Room at 3:30 P.M.

All meetings are open meetings and everyone is welcome to attend.

Lake Santee Regional Waste & Water District  
Meeting Minutes

Meeting of August 16, 2018  
3:30 PM  
Lake Santee Community Room

1. Call to Order / Roll Call

President Paul Gosnell called the meeting to order and requested a roll call. Members present were Paul Gosnell, Clair Fredrickson, Scott Gibbs, Kathy Tarzwell, Jim Hornig, Frank Erdosy, and Larry Kiernan. Also in attendance were Utility Administrator Brittany Green, Utility Superintendent Brandon Litmer, and the District's attorney Anne Poindexter.

Guests included Vicki Wilson (510), Claude Livesay (530), Clark DeHaven (1270), Karissa Markland (1270), Greg Coffin (634), and Jenna Nicholson, District Coordinator for the Decatur County Soil & Water Conservation District.

2. Consent Items

- a. Minutes of July 19, 2018 Meeting
- b. Financial Report
- c. Register of Claims – Water
- d. Register of Claims – Sewer

A motion was made by Frank and seconded by Clair to accept the consent items as presented. Motion carried.

3. Superintendent Report

- a. Sewer Status Report
  - i. Brandon reported that everything is operating well and all tests are normal.
- b. Water Status Report
  - i. The water plant is operating on a normal basis with no problems and all tests in the normal range.
  - ii. The quarterly disinfection by-products (DBP) samples were collected and sent out to the lab for testing.
  - iii. Dixon Engineering performed their warranty inspection on the water tower (from the repairs performed last year) and will submit their report.

4. Treasurer Report

- a. Update
  - i. Kathy said the transition to First Financial (who bought MainSource) is still not going smoothly and is causing a lot of trouble for the District. Ongoing issues include that the District still cannot access e-Statements due to a bank error; the bank claims only one person can have access to the on-line banking. The bank incorrectly charged a service fee and charged twice for the checks that were ordered (and were subsequently printed incorrectly). Kathy will continue to work with the bank to rectify these issues.
  - ii. A conversation was held on whether it makes sense to find a new bank for the District accounts. This will depend on how First Financial resolves the ongoing issues and will be discussed further after Kathy's next update.

**Lake Santee Regional Waste & Water District**  
**Meeting Minutes**  
Meeting of August 16, 2018  
3:30 PM  
Lake Santee Community Room

- b. Adjustments – The office is working on an adjustment for next month for Lot 1270 for a leak under the customer’s driveway. The customer attended the meeting today to answer any questions that might come up. Brandon has confirmed the leak is repaired. The adjustment will be presented at next month’s meeting.
5. Attorney’s Report – see below.
6. Old Business
- a. Property Sale
    - i. Paul reconfirmed that the RWWD will not move forward with selling any lots at the North end that would incur the potential wetlands project until the POA determines the best way to proceed with addressing the North end.
    - ii. Lots 517, 518, and 519
      - 1. Paul would like to move forward with selling these 3 lots. They are located just south of the North entrance up against the county road.
      - 2. Anne reminded all of the process; to first declare the inventory as surplus and to obtain two certified appraisals before moving forward.
      - 3. Anne indicated that even if the inventory is declared as surplus, the District is not required to sell the lots if later the District changes its mind; the surplus declaration is just the first step of the process.
      - 4. A motion was made by Larry and seconded by Jim to declare Lots 517, 518, and 519 as surplus inventory. Motion carried.
      - 5. A motion was made by Jim and seconded by Larry to authorize obtaining a second appraisal on Lots 517, 518, and 519 (Paul previously obtained a first appraisal on these lots). Motion carried.
  - b. Wet Lands Project – no update this month; see related information below in 7.b
  - c. Customer Support Specialist
    - i. Brittany stated that the POA has hired Fae Cutrufelli to work in the office part time M-F 11a-4p. Welcome to Fae.
  - d. Napoleon Water Update
    - i. Paul talked to Gene at Napoleon Water and will be meeting with him in person to discuss the two easements that Gene has been working on obtaining. It appears these two properties are current RWWD customers.
7. New Business
- a. Water Availability Billing
    - i. RWWD customers who own property within the Service Area, but do not have a meter installed on that property are billed a “water availability” charge per the Governing Documents. A recent audit has discovered that some customers may have been undercharged. Anne will review the language in the Documents and report back for further discussion at next month’s meeting.

Lake Santee Regional Waste & Water District  
Meeting Minutes  
Meeting of August 16, 2018  
3:30 PM  
Lake Santee Community Room

- b. Salt-Pipe Creek Watershed Program
  - i. Jenna Nicholson, District Coordinator for the Decatur County Soil & Water Conservation District provided an overview of this program and its goals. The DCSWCD was recently awarded a 205(j) Grant from IDEM for the Salt-Pipe Creek Watershed. The \$84,778 grant will provide funds to develop a watershed management plan and perform education and outreach for the next 2 years, mostly covering just salaries and educational materials. This watershed program covers 6 counties, not just Decatur. They are currently working on applying for another grant that would be awarded in 2019 for a cost-sharing program. Jenna provided 3 handouts related to the watershed program and encouraged anyone with questions to contact their office.

8. Trustee Reports and Comments – none this month

9. Guest Comments – none this month

10. Adjourn

Respectfully Submitted by  
Scott Gibbs, Secretary

These minutes are subject to approval by the LSRWWD Board at the 9/20/2018 meeting.

**You can pay your  
Water/Sewer bill with ACH**

**Get the form from the RWWD website  
OR  
Stop by the office and fill out the form.**

**You may call the RWWD Office at

## Autumnal Gifts Of Trees

Besides Brightly Colored Leaves and Oxygen:  
Fruits, Nuts and Seeds

Matching: Do you know your Nature-made gifts? See if you can match the name to the picture number.

- \_\_\_\_\_ Paw paw: edible, sometimes called the “Indiana banana.”
- \_\_\_\_\_ Pine cone: great for smearing with peanut butter for winter bird feeding.
- \_\_\_\_\_ Acorn: a favorite food of squirrels.
- \_\_\_\_\_ Hedge apple: said to keep spiders away.
- \_\_\_\_\_ Walnut: popular nutmeats for humans and critters.
- \_\_\_\_\_ Buckeye: horse chestnut. Maybe try roasting on an open fire.
- \_\_\_\_\_ Sweet gum balls: great for lining a large flower pot for drainage and mulch.
- \_\_\_\_\_ Persimmon: ingredient for delicious, traditional dessert; persimmon pudding.

## Fall Preparations for the Winter Backyard Habitat

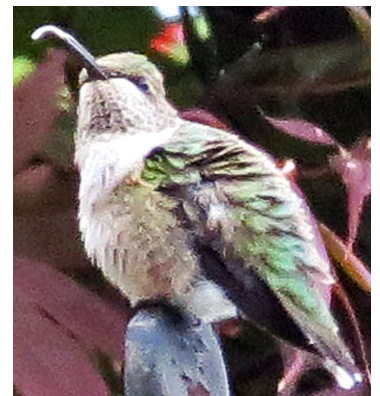

There are things that can be done now to provide food and shelter for wildlife during the harsh winter months. Some of these tips save time and energy!

- 1) Spread raked leaves over flowerbeds, under trees and along hedges. They provide shelter for small mammals, habitat for insects and also protect soil and mulch plants for next year.
- 2) Leave dry plant stems and seed heads standing in the garden. All kinds of insects will crawl inside to spend the winter and birds will feed off the leftover seeds.
- 3) Avoid cutting hedges and ornamental grasses until the end of winter. They provide valuable shelter and food for birds and small mammals.
- 4) Clean, repair and sanitize the nesting boxes. Some birds will roost together for shared warmth in harsh climates.

---

We had a surprise visitor when a Female Calliope Hummingbird came to Lake Santee. It is the smallest Hummingbird to be seen in the United States. 2: 3/4 to 3:1/4 inches long and weighs 1/10th. of an ounce.

They normally live in Washington, Idaho & Oregon and migrate to Mexico in the winter. I took these pictures of her on our patio on September 10th. Nancy Fredrickson

## Betty's Backyard Birds

I was just wondering how long these Hummingbirds (Fantail Gluttons) were going to be around. So I checked my spreadsheets from the past three years and here it is: 2017-Oct. 1, 2016-Oct.5, 2015-Oct.5. What about anyone else? What date do you remember seeing your last Hummingbird of the year? I am seeing over a dozen at this time (September 15) so I don't know if they are passing through or if they are moms bringing their babies. Lots of sugar and sugar water has been fed at my house! I'll need to start feeding Black Oil Sunflower seeds next month to the other birds.

Happy Birding!

Matching answers: 7 4 2 5 3 8 1 6. Congratulations!!!

**LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.**  
**BOARD MEETING MINUTES**  
**September 12, 2018**

The Lake Santee Property Owners Association Board of Directors met on September 12, 2018 in the Community Room. President Doug Lecher presided and called the meeting to order at 7:30 PM. Other Directors present were Angel Hocker, Stephanie Peetz, Shannon Gibbs, Steve Gauck, Carol Goodwin, and Bill Ryle. Employees present were Rick Crawford (1482), Mike Cutrufelli (172), Jim Horning (668), and Brittany Green (1294). Members present were Mary Tapke (284), Dan Archiabile (252), Paul Gosnell (1147), Leon Crowe (817), Ginger Ryle (579), Ronda Peetz (941), Kathy, Tom & Bill Eppinghoff (103), Vicki Wilson (510), Clair & Nancy Fredrickson (348), and Scott Gibbs (352).

After President Lecher opened the meeting he began by stating after the annual meeting the newly elected board members held a brief executive session, at that time the board elected Bill Ryle to fill the vacancy left by the departure of Wade Amos. He also added that since this was an appointed term Bill would need to run for re-election during the next election.

President Lecher called for a review of the minutes of the August 8, 2018 meeting. The minutes were approved on a motion by Angel Hocker, seconded by Steve Gauck. Motion carried.

Stephanie Peetz gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Stephanie then presented the following bills to the Board for approval:

AccuDoc Urgent Care	\$ 35.00	Jim Hornig	\$ 162.00

### MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

- A member in the audience asked the board if they had considered purchasing the lots on Taas Trail near the North entrance. These lots are currently owned by Lake Santee RWWD.
  - President Lecher responded that the LSPOA Board was not looking to purchase those lots at this time.
- A member asked if the board would look at reclaiming lost beach area along with adding more docks. There was also a concern for the restaurant trash area and the odor from the trash.
  - President Lecher responded that we would look at this during our budget process this year and that the board was currently looking at other options on the trash.
- A member in the audience voiced a concern about the use of ballast type boats and the concern for the wave action against sea walls on the main body of the lake.
- Mike Cutrufelli wanted to remind everyone that the CERT meetings are held on the 3<sup>rd</sup> Wednesday of the month at the EOC office. Please contact Mike if you have any interest in joining.

### CORRESPONDENCE

No correspondence to report at this time.

### COMMITTEE REPORTS

## **Rules & Regulations – Carol Goodwin**

Carol started by stating she was going to be putting together a committee to start reviewing the current rules and regulations. She then started with the 2<sup>nd</sup> reading of rule 17. The rule was read in its entirety as follows:

### ***Shelter House***

#### **17.1 WHO MAY USE:**

- a) The Association Board may reserve the Shelter for events as needed.
- b) Lake Santee clubs and organizations may reserve the Shelter for Board approved events.
- c) Members in good standing may reserve the Shelter for approved activities.
- d) The Shelter is not available to the general public, unless approved by the Board of Directors.

#### **17.2 ACTIVITIES PERMITTED**

- a) All activities shall be conducted in compliance with all applicable federal, state and local laws, as well as within the Rules and Regulations of the Association.
- b) Any activity judged by the Board to be destructive to the facilities or to be improper shall not be permitted.
- c) The Board of Directors reserves the right to refuse any individual, club, or organization the right to use the Shelter.
- d) Any activity at which food, drink, or other items are offered for sale, or at which admission or cover charges are contemplated must have prior approval of the Board.

#### **17.3 FACILITIES AVAILABLE**

- a) The Shelter is rectangular 28' wide x 60' long in size, or 1,680 square feet.
- b) Handicap accessible restrooms are available within the Beach restroom.

#### **17.4 HOURS**

- a) Sunday through Thursday: all activities shall cease prior to 10:00 p.m. (cleanup may continue quietly).
- b) Friday and Saturday: All activities shall cease prior to 12:00 midnight (cleanup may continue quietly).
- c) The hours may be extended by the Board of Directors for special functions.

#### **17.5 FEES & DEPOSITS**

- a) All functions of the Association, their designated committees, and Lake Santee clubs and organizations may be permitted without charge, unless special permit fees are required.
- b) Functions limited to three hours or less shall be charged \$45.00 rental and \$45.00 damage deposit, plus any applicable permit or legally required fees.
- c) Daytime functions of more than three hours duration and concluding prior to

6:00 p.m. shall be charged \$115.00 rental and \$115.00 damage deposit, plus any applicable permit or legally required fees.

d) Functions beginning after 6:00 p.m. of more than three hours duration shall be charged \$125.00 rental and \$125.00 damage deposit, plus any applicable permit or legally required fees.

e) Functions running through the afternoon and continuing past 6:00 p.m. shall be charged \$175.00 rental and \$175.00 damage deposit plus any applicable permit or legally required fees.

f) All monies shall be collected by personnel in the Lake Santee Office.

g) Damage deposit will be refunded within 48 hours of function, but not until the facilities have been thoroughly inspected. Deposit will have to be picked up at the Lake Santee Office or received by mail as requested.

h) If inspection reveals incomplete cleanup including outside trash containers, and time allows, renter will be contacted for immediate follow up action.

Otherwise, cleanup will be completed by lake personnel who will be paid with all or part of the damage deposit as necessary.

i) If inspection reveals damage exceeding normal wear and tear, renter will be contacted to discuss and view damage. All or part of the damage deposit will be applied to replace items or repair items damaged as deemed necessary by the Lake Office personnel or the Board.

## 17.6 SCHEDULING

a) All scheduling shall be done by personnel in the Lake Santee Office during regular office hours.

b) A calendar of events and reservations will be available in the office.

c) The Association Board, and Lake Santee clubs, and organizations may schedule the Shelter up to one year in advance.

d) Members may reserve the Shelter up to six months in advance.

e) A contract must be completed and signed at the time a reservation is made requiring a rental fee. A copy of the contract and rules will be provided to the renter.

f) The rental fee is due at the time of contract signing and the damage deposit is due 48 hours prior to the approved event.

g) Full refunds of advance rental will be given for cancellations made fourteen (14) days or more prior to the date reserved. Within the fourteen days of the reserved date, refunds will be given only when cancellation is due to uncontrollable circumstances. The decision to refund is to be made by the Lake Santee personnel or the Board.

## 17.7 DECORATING

a) No nails, staples, tacks, or tape are to be used on walls, ceilings, or trim.

b) No open flames will be used in or around the Shelter

c) If scheduling permits, decorating may be done in advance of reservation time.

## 17.8 CLEANUP

- a) The Shelter and surrounding area shall be thoroughly cleaned. The cleanliness of each should meet or surpass the conditions prior to use.
- b) The area surrounding the Shelter must be policed for litter resulting from the function.
- c) All trash must be removed prior to leaving the area of the Shelter, and disposed of by persons in charge.
- d) Final cleanup may be completed by the following morning if prior approval is received, no other events are scheduled and cleanup is completed by 10:00 am.
- e) Trash bags and cleaning supplies are the responsibility of the renter.
- f) Follow the prepared checklist when cleaning.

#### 17.9 EQUIPMENT USAGE

- a) Tables, chairs, and other equipment shall not be removed from the community room for use in connection with the Shelter.

#### 17.10 GENERAL PROVISIONS

- a) Shelter hours require the presence of a responsible adult supervisor.
- b) The member scheduling the rental function must attend that function.
- c) No minors will be permitted without adult supervision.
- d) If the user/renter needs equipment at the Shelter for an event that requires delivery by vehicle to the site, such vehicles may be driven to the site for unloading and loading if the condition of the site is favorable. All vehicles must be returned to the parking lot or a designated area after unloading or loading. Unloading or loading at the site should be kept as short as possible, however, in no case be longer than two (2) hours. Site conditions will be determined prior to any event by the Lake office.
- e) Any member misusing the Shelter or allowing misuse of the Shelter shall be denied future use of the facilities for a period to be determined by the Board.

#### 17.11 ENFORCEMENT OF THE SHELTER RULES & REGULATIONS

- a) Enforcement is the primary responsibility of the sponsoring organization or member.
- b) Enforcement may be by any Board Member, Lake Santee employee, Lake Santee Security, or member of the office staff
- c) Where punitive action is deemed necessary by any of the above or the Association Board of Directors, enforcement shall be as provided for in the Association By-laws, under RULES, REGULATIONS AND LEGAL COMMITTEE.

A motion was made by Carol Goodwin to accept the rule as read with a second provided by Shannon Gibbs, motion carried. Carol Goodwin then asked for a motion to waive the third reading and move forward with the rule addition. Angel Hocker provided a second, motion carried.

Carol then presented a rule change and the first reading of Rule 2.9 (f).

### **2.9 – Motorized Carts**

f.) Motorized carts operated after dark will be inspected annually and must be with the following functional safety devices: two (2) white headlights, one (1) on each front corner, two (2) red taillights one (1) on each rear corners, reflectors on each side, turn signals, brake lights, white or amber cautionary light visible 360 degrees. Front, rear, and cautionary lights must be visible under normal conditions for a minimum of 500 feet.

A motion was made by Carol Goodwin to accept the rule change as read. Steve Gauck provided a second, motion carried. The second reading of rule 2.9 (f) will take place at the October 10<sup>th</sup> meeting. Carol did mention the reason for adjusting this rule is the white lights are becoming more standard on new golf carts as well as being easier to obtain.

Carol recommended a new rule to section 7 (Fishing) of the existing rules. She then proceeded with the first reading of rule 7.13.

### **7.13 – Fishing**

Introduction of outside species is strictly prohibited unless authorized in writing by Board of Directors. Violators will be subject to fines and loss of Lake Santee privileges.

Carol asked for a motion to accept rule 7.13 as read with Bill Ryle providing a second, motion carried. The second reading of the new proposed rule 7.13 will take place at the October 10<sup>th</sup> meeting.

Carol stated that the office has received interest in members being able to store RV's and campers on their property. She stated that the board is aware of the interest and will review the current rules and regulations regarding RV's and campers.

### **Recreation – Shannon Gibbs**

Shannon gave a brief report of upcoming recreation activities.

September 22<sup>nd</sup> – Drive in movie with Moonstruck playing

September 30<sup>th</sup> – Last Bass Tournament of the summer

October 27<sup>th</sup> – Trick or Treat and Trunk or Treat

### **Lakes & Beaches – Randy Ostendorf**

In Randy's absence Brittany read Randy's report. She stated that the Silt & Sedimentation committee is still reviewing the proposals for a dam inspection. The small project at lot 288 came in under budget and the plugs have been planted along with some birdhouses installed on the posts. The hope is these plantings will assist with filtration and water coming into that area of the lake.

Brittany showed the audience a map from Aquatic Control that gave the depths of the lake. President Doug Lecher stated that this map should assist with future dredging projects. The fish survey will be completed by Aquatic Control on October 8<sup>th</sup> starting at dawn.

It is again being recommended that the lake be lowered at least 5ft. By lowering it at least 5ft we should hopefully be able to have a gizzard shad kill again to help eliminate more of the population in the lake. Carol asked for a motion to approve lowering the lake based on the normal schedule by at least 5ft, Bill Ryle provided a second. Motion carried.

**Membership – Angel Hocker**

Angel presented the following new members:

- Lot 405                                      John & Marilyn Logan
- Lot 1053                                     Nicholas & Sarah Markey
- Lot 1000                                     Daryl & Marcia Kurtz
- Lot 1563-1564                             Lacy & Marcia Adaway
- Lot 375                                        Barbara & Todd James
- Lot 135                                        Heather & Michael Neuner
- Lot 139                                        Drew & Joni Pringle
- Lot 118                                        George & Norma Daubenmerkl
- Lot 1419                                     Joe & Lynette Justice
- Lot 363-364                                Robert & Jessica Barker

**Community Room Committee – Angel Hocker**

Angel stated that all of the normal clubs activities hosted events in the Community Room during the month of August.

**Building Committee – Steve Gauck**

The following building permits were issued in August:

- Lot 1417-1418                             Albert Day                                     Porch roof-Metal
- Lot 1027                                     Dewayne & Mary O’Sullivan             Mini barn
- Lot 599                                        Jim & Gayle Bryant                         Deck Roof
- Lot 1526                                     Patrick & Sharon Morrissey             Outbuilding Addition
- Lot 53-54                                     Kenneth & Angela Dilkes                 Outbuilding
- Lot 617                                        Abby Stewart                                   Culvert
- Lot 1338                                     John & Sharon Kobeske                    Roof & Gutters
- Lot 147                                        John Brandenburg                         Dock
- Lot 1558                                     Andy Utz                                        Outbuilding
- Lot 1349                                     Bob Hurm                                        Dock

- Lot 591 Carmine Dilanardo Detached Garage
- Lot 583 Todd Picczonka Dwelling

### **Clean Up – Steve Gauck**

Steve presented the following items from the Clean-Up Committee:

- Courtesy letter – 23
- Watch – 18
- Removed from watch list - 6
- 2<sup>nd</sup> Letter - 1
- Continued fines – 1
- 2<sup>nd</sup> Letter (establishing fine October 1<sup>st</sup>) – 1
- Thank you letter – 4
- Thank you letter (continued effort required) - 3

### **Roads & Maintenance – Polly Ann Fox**

Brittany gave the maintenance report in Polly's absence. The maintenance crew completed the following in August:

- Added more millings to Itawamba and Pueblo Trails.
- Completed one new mailbox cluster and started on four other clusters.
- Filled pot holes and graded stone roads.
- Replaced broken posts on county road cables.
- Repaired two water leaks and replaced five sewer pumps.

Previously it was approved to pave 1.5 miles of Santee Drive. The following areas will receive paving in the first half of October with paving to be completed in one day:

- Lots 230-284 (near Itawamba Trail)
- Lots 4-298 (Stop sign – Marina)
- Lots 845-1030 (Starting at 845 and will continue until 1.5 miles has been reached)

Brittany asked for approval to purchase 260 additional tons of gravel (not crushed stone) to be placed on the roads along with approval to have the office/restaurant parking lot seal coated and rubber the cracks. The gravel cost is \$5,018 with the rubber cracks to be filled this fall with seal coating to be completed in the spring for \$1,800. Carl Goodwin made the motion to accept as presented with Angel Hocker providing a second, motion carried.

Brittany also added that one of the lignin tanks currently used at the maintenance building has some cracks and we will need to look for a replacement tank.

### **Security – Bill Ryle**

Bill Ryle read the security report that will be published in the Smoke Signals. He stated that Security has been very busy this past month. The new cameras have been installed and the staff will be trained on reviewing the footage in the next week. He thanked the staff for their continued hard work.

**OLD BUSINESS**

No old business to discuss.

**NEW BUSINESS**

*Investment Changes*

President Lecher stated that two of the CD's currently held by the POA have matured, each with a value of \$25,000. He asked the board to approve the renewal of one of the CD's for \$25,000 with Edward Jones. He also recommended that the board move the Raymond James Investments to Edward Jones to allow for all investments to be with one company. After the funds have been moved we will make a decision on the second \$25,000 CD that has matured as well as how to invest the combined funds. Carol Goodwin provided a motion to accept President Lecher's recommendation with Shannon Gibbs providing a second, motion carried.

*Women's Club*

Shannon Gibbs asked for a motion on behalf of the Women's Club as they are requesting permission to sponsor some exercise programs at no charge to members in the Community Room. Carol Goodwin provided a second, motion carried.

**MANAGER'S REPORT**

Brittany stated that if you are not currently in a mailbox cluster but would like to be in one to please contact the office. The fee is \$20 to purchase the mailbox. She also added that she is adding two sections to the Smoke Signals – Dock Talk and Lake Life. Both sections will contain notes from Brittany as well as information that may be useful.

Heavy Trash will be October 6<sup>th</sup> – 14<sup>th</sup>. The office now has a new part-time employee, Fae Cutrufelli. Please stop in and welcome Fae to the staff.

There being no further business, Carol Goodwin moved to adjourn, seconded by Bill Ryle, motion carried. The next regular meeting will be held on October 10, 2018 at 7:30 PM in the Community Room.

Respectfully submitted,  
Stephanie Peetz, Secretary

**All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .**

## Lake Santee Property Owners Association, Inc. Security Report: August 2018

Security traveled the roads and cruised the waters of Lake Santee during the month of August, 2018. The Team drove a total of 2,319 miles. The Security Team worked on the roads 416 hours, and in the water 89 hours, and were on call an additional 403 hours. Our Security Team also covered the main and north entrances, and beaches. Our Security team was in force during the month for the safety of our Lake residents and guests.

### Lake Santee Security Safety Tip!

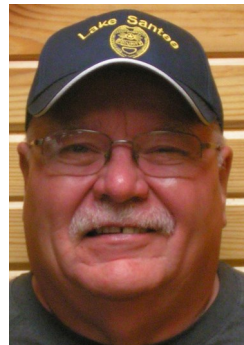

**Well, the summer is almost over! Here at the Lake, residents will be preparing to leave for the winter months. If you are one of those residents, please contact the office and place your address and lot number on Security’s WINTER CHECK LIST. Also, please remember to contact the Post Office for mail storage or change of address. Please make your house winter friendly by lowering the heat, and shut down utilities as required. Please call the Lake Office *in advance* to request to have your water turned off or back on. The staff will turn water on and off during regular office hours. Have a great safe winter season, and hurry back!**

**Special Note:** The Security team would like to congratulate all of the newly elected Board members. Also, please remember that school has started and the buses are back on our roads.

Let’s help keep everyone safe.

Please call the office, if you have any questions.  
Richard Crawford, Lake Santee Security Chief

*During the month, security team responded and handled the following items, plus much more.*
