Dock Talk (aka notes from the manager)

LAST CALL for Mailbox Clusters!

As many of you know, we have been working on placing mail-box clusters around Santee Drive. If you are interested in having a box on a cluster please contact the office.

There are many benefits to the clusters. While they clean up the appearance around the Lake, they also help our Postal workers and maintenance. We are making sure to place them off the road enough so that when plowing, the mailboxes will be safe.

The cost of the mailbox, with numbers, is only \$20. We will send you bill after your mailbox is placed.

*THE HOLIDAY LIGHTING CONTEST
JUDGING WILL BE ON DECEMBER
8TH IN THE EVENING.*

*PLEASE CONTACT THE OFFICE IF
YOU PLAN TO PARTICIPATE! WE
ALL LOOK FORWARD TO YOUR
BEAUTIFUL LIGHTS!*

**THE OFFICE WILL BE
CLOSED DECEMBER 24, 25,
31, AND JANUARY 1.**

Friendly Reminders

The roads may be slick or snow covered. Drive with caution, especially in the early hours when children are waiting for buses.

Do not pass the school bus unless the driver is waving you by.

Never pass the school bus when it is stopped with lights on and stop sign out. This will result in a heavy fine from Lake Santee and from the State of Indiana.

RWWD Reminders

Make sure any outside spickets are shut off and drained of water. Water left in the pipe will freeze and can cause cracks in the pipes. These cracks can result in water leaks and damage if not properly fixed.

If you have concerns about your usage, please contact the office.

13 SW Wrenn Parkway
Greensburg, IN 47240

FEATURED ARTICLES

#BreakBags

What We Need

- Cereal
- Freeze Dried Fruit
- Vegetable Crisps
- Freeze Dried Snacks
- Snack Packs
- Hot/Cold Sandwiches (no meat)
- Mac & Cheese
- Plain Nuts (not salt water)
- Small Bites
- Granola Bars
- Chips
- Crackers
- Snacks
- Popcorn
- Cupcakes
- Stem Cakes
- Miscellaneous Donations

****Anything a child could prepare with few ingredients and minimal help.**

Remember cans can be too heavy for small kids to carry.

Not all students are excited for long breaks from school. For some, a long break from school may mean a long break from meals. We are working to bridge the gap. Our goal is to send a bag of food with every child in need.

Please help us provide easy to make, easy to carry home, meals and snacks.

Let's change our community one child at a time!

Please drop off donations at:
Greensboro First Financial Locations,
Greensboro Meats, and North Decatur Elementary school.

New drop off locations and updates will be posted on our Facebook page @PowerToAct.

Contact Us: Brittany Green 812-593-0417 Facebook @PowerToAct

Lake Santee's Smoke Signals

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial.

The first official publication, which became known as The Smoke Signals, was first

published on March 28, 1969. It was produced by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

Lake Santee Recreation Calendar 2018

Calendar is subject to change, please check the calendar on the Lake Santee website (<http://lake-santee.com/community-bulletin-board/events-calendar/>) for the most up to date information.

December 6 – Trivia at Dockside, 7pm

December 8 – Holiday Lighting Contest, 8pm-ish

December 10 – Women’s Club Christmas Party, 6pm, Comm. Room

December 15 – Breakfast with Santa, 9 to 11, (Santa arrives at 10), Comm. Room

December 20 – Trivia at Dockside, 7pm

It’s time to starting planning for 2019! If you have a favorite local band or an activity that you’d like to see at Lake Santee, please send your ideas to LakeSanteeRecreation@gmail.com.

Breakfast with Santa

Saturday, Dec. 15

9 - 11 am

Bring your children to breakfast and a visit with Santa in the Community Room at Lake Santee.

Tree City Properties will provide donuts and juice at 9 am.

Santa arrives at 10 am with gifts for all the good little girls and boys courtesy of the LSPOA Recreation Committee.

Holiday Lighting Contest

Lake Santee, it's time to light up your homes and/or lots for the holiday!

The Holiday Lighting Contest committee will be driving through the community on **Saturday, December 8th, around 8:00 pm** to judge all the holiday decorations.

Contest categories include:

- ❄ Best overall decorations
- ❄ Best use of lights
- ❄ Best theme
- ❄ Most original
- ❄ Judges choice

Winners will be announced on the Lake Santee website (lakesantee.com) and recognized in the January *Smoke Signals*.

❄❄ Please notify the office if you want to participate in the contest. We want to make sure to visit everyone who wants to be included!❄❄

Pearl STREET PUB

Pearl Street, Oldenburg, IN 47036
(812) 934-3550

Der Perlen Strasse Pearl St. Pub

Der Perlen Strasse Pub was established in 2006. After a complete renovation it was open for business in July as a pub style restaurant with a family friendly atmosphere and features a full bar with old world charm dating back to the 1800's. It is located in the beautiful small town of Oldenburg. The town is noted for its German heritage displaying all of its street signs in German, and also hosts the biggest little Freudenfest in Indiana. The Pub is located along side a beautiful brick paved road. The pub creates menu items based on generations of family style cooking. Menu items range from black Angus steak burgers raised locally on the Oesterling Farm to fresh cut tenderloins and ground chuck burger from our local Village Store. We offer a full menu from homemade soups to desserts, including weekend specials that feature local favorites such as white fish and ribeye sandwiches with delicious sides. Come enjoy a cold Dunkle on tap and experience the charm of Pearl St. for yourself.

Our hours are: Monday through Friday 11 a.m.—9 p.m.; Saturday

CREAM OF POTATO SOUP

PREP: 30 MINS | **TOTAL TIME:** 45 MINS
SERVINGS: 8 BOWLS

8 medium potatoes peeled and quartered	1 teaspoon garlic powder
3 stalks of celery chopped	1 teaspoon parsley
1 medium onion chopped	2 cups heavy cream
1 stick of butter	5 slices American cheese
1 ½ teaspoons salt	Salt and pepper to taste
1 ½ teaspoons sugar	Milk

STEP 1 In medium stock pot combine all the above ingredients and barely cover with water. Bring to a boil then simmer until potatoes are tender and water has reduced by half. Remove from stove and using a potato masher, mash until desired consistency. A few lumps are fine.

STEP 2 Return pot to low and heat and add following ingredients: 2 cups heavy cream, 5 slices American cheese and salt and pepper to taste. Add milk to desired consistency. This is a local favorite recipe—enjoy!

HALLOWEEN

Our annual Trunk or Treat Event was held on Sat. October 27th and was a huge success

The line to get up to the Trunk's for the treats stretched across the parking lot for most of the two hour event

BASS CLUB

On a cold, wet, late-fall Friday, the Lake Santee Bass Tournament Club again stocked approximately 200 largemouth bass into our lake as they have for the past several years. With private donations which are collected from the anglers throughout the year's events, these bass are purchased through a partnership with Clear Creek Fisheries in Martinsville, IN. A special thank you goes out to Eric Hess and all the great folks at Clear Creek Fisheries for their continued support of the program.

To date over **1800** bass have been stocked as a part of the tournament fishermen's ongoing generosity and "pay-it-forward" attitude.

The largemouth bass which are released in Lake Santee through this endeavor are adult bass which have matured and grown through the smaller fry and fingerling stage. While these adult bass are significantly more expensive to purchase, this is critical to the success rate as smaller growth classes are often consumed by larger predators in the reservoir... Remember!! Our beautiful Lake Santee is just that, a LAKE!! There is a whole other world existing under the surface of the water!

Help our Lake Santee by following the professional advice of the biologists who help Lake Santee to continue to thrive. Please Practice **CATCH AND RELEASE** on all of our bass which call Lake Santee home. Remember also that a healthy fishery is indicative of a healthy watershed... A comforting thought the next time we brush our teeth, wash our dishes, or give our kids a bath!

Until next season...

God Bless,

Lisa and Chip Ayers

I'm Stronger Because of American Senior Communities!

Our Moving Forward program is designed for those striving to restore abilities lost due to stroke, cardiovascular difficulties, orthopedic surgery and other debilitating conditions.

Programs vary in frequency and intensity and include physical, occupational and speech/language therapies. Our goal is to return our participants home safely with the skills they need to continue life on their own terms.

Community Emergency Response Team at Lake Santee "CERT"

Hello. I would like to introduce myself. My name is Michael Cutrufelli, and I am the group leader for the Lake Santee branch of "CERT," Community Emergency Response Team. I want to explain to everyone the benefits of being part of CERT-Lake Santee. Our group is affiliated with the Clarksburg Fire Department and the Decatur County Emergency Department, along with association with Homeland Security. We meet on the third Wednesday evening every month, at the E.M.A. office in Greensburg.

CERT trains you in community preparedness in case of most disasters in your area. You are first trained to make sure that you and your families are safe. CERT then provides training for a variety of scenarios. Our lake group is part of a larger support group, Greensburg and Saint Paul.

Joining CERT is easy! We have a place for everyone! All people are welcome to serve their community. It feels great to be trained to give back by helping out in a crisis.

Looking forward to having you on our team!

Michael Cutrufelli, 317-642-7661 or mike@cafecoffeeservice.com

The ten topics in CERT training are:

1. Disaster Preparedness
2. Fire Safety and Utility Controls
3. Disaster Medical Operations Part 1
4. Disaster Medical Operations Part 2
5. Light Search and Rescue
6. CERT Organization
7. Disaster Psychology
8. Terrorism and CERT
9. Course review and final exam
10. Actual Disaster Simulation Exercise

DECATUR COUNTY INDIANA

Meeting for October & November 2018

We are meeting in October and November at the E.O.C, Rick Johnson's office. Please contact him for directions at 317-850-4471. Our meeting starts at 6:30 pm and dinner is available for \$5.00 per person. Please bring your own refreshments. In the last months, CERT helped out with the heavy rains and assisted with helping to move elderly from a building when the power was out. CERT also worked the parades, other county functions, and Crack-Away Days.

Our meeting will cover many new topics to aid us in staying sharp. Also they will help the frame work for our group going forward.

Please invite anyone you think may enjoy the CERT experience. Any questions, contact me on 317-642-7661 or mike@cafecoffeeservice.com

Mike Cutrufelli, Lake Santee CERT Leader

PUT A ON FREEZE WINTER HOLIDAY FIRES

It's fun to decorate for the winter holidays, but holiday decorations can increase your risk for a home fire. As you deck the halls this season, be fire smart.

Read manufacturer's instructions

for the number of light strands to connect.

Although live Christmas tree fires are not common, when they do occur, they are dangerous. On average,

1 of every **34**

reported home **Christmas tree fires resulted in death.**

2 out of **5** home decoration fires are started by candles.

The top **4** days for home candle fires are

Christmas Eve, Christmas Day, New Year's Eve and New Year's Day.

A heat source too close to the Christmas tree causes

1 in every **4** of the fires.

Make sure your tree is at least

3 feet away from heat sources like fireplaces, radiators, space heaters, candles or heat vents. Also, make sure your tree does not block exits.

Keep candles at least

12 inches away from anything that burns.

Get rid of your tree after Christmas or when it is dry.

For more information on how to prevent winter fires, visit: www.usfa.fema.gov and www.nfpa.org

Post Office Box 308

Clarksburg, IN 47225

9-1-1 Address / Location Signs

The Clarksburg Volunteer Fire Department is selling address signs that can be attached to your mailbox or anywhere else to identify your property. These signs are 6" X 18" and are made of metal and covered with a 3M reflective material. The lettering will be on both sides and are also made of a reflective white plastic. These signs can be mounted vertically or horizontally to any post. This will help any agency find your property in case of emergency or delivery of items to your home. The cost of the signs is \$20 dollars each. Please fill out the form below and give it to any Clarksburg fireman or mail to the address below. If you need the signs sent to you via mail please add \$10 shipping to your payment for each sign ordered. We will try to deliver the signs directly to you if possible, or make arrangements to have them picked up near Clarksburg. If you are not sure about the shipping or customization please contact us at 812-527-2115 and leave a message to ask about these items.

A Monthly Insight into the Current Lake Topics & Issues

LakeLife

Holiday Special

Current topics >>>

Ice Safety

There are plenty of ice centered activities to do at Lake Santee in the winter. Follow these tips to stay safe on the ice!!

- Drill a hole near shore to ensure it is thick enough.
 - 1” STAY OFF!
 - 4” Needed for fishing and Skating
 - 5” for snowmobiles
 - 8” for small vehicles
 - 10” for medium vehicles
- Fishing holes must be 12” or less in diameter
- Always wear appropriate clothing. A life vest is great for keeping you warm and safe if you fall through.
- Don’t go out alone.
- **If you don’t know, DON’T GO!**

Helping Hands for the Holidays

Five ways to help others this holiday season

Winter can be a difficult time in many families. The utilities tend to rise with the added heat, longer nights, and decorations. The holidays add pressure to families to buy gifts and make meals. Snow and ice are dangerous and difficult to clean. What can you do to help those around you?

BreakBags

Brittany Green is collecting easy to make food items to give to children in the area who are in need this holiday season. She will be putting bags together the week of the December 17th and distributing them at North Decatur on December 20th. If you would like to help or be involved please contact her for more info. Email: brittg7147@gmail.com

“A little kindness goes a long way to warm the hearts of those around you!”

Snow Removal

Many in our community need help clearing their driveways and sidewalks. If you know someone around you needs help, or you need help, please contact the office and let us know. If you are willing to assist some of your neighbors in removal of snow, please contact the office. We can keep a list and help connect to those in need to those who can help. Let’s all take care of each other this year!

Cheer Fund

The Cheer Fund is a great way to help bring a smile to the faces of local children in need. You can donate time, items, money, or gifts to the children in Decatur county. For more information go to <https://www.cheerfund.org/> or call (812) 663-3111.

Food Pantry

Many local churches have food pantries. This is a great

way to donate your time or extra food items. Taking a child to help in a food pantry can help them develop compassion and empathy for others. They will also learn wonderful lessons on being thankful.

Be Kind

Holidays can be a difficult time for some. Make the extra effort to say hello, give a smile, or ask how someone is doing. A little kindness goes a long way to warm the hearts of those around you.

Lake Update>>>

Be Prepared for the Unexpected

The recent power outages helped to shine a light on some of lack of preparedness. Here are a few tips to keep you safe this winter.

Plan for the worst

Weather in Indiana can often take an unexpected turn. It is important to always be ready. Have a plan in place for being without power or snowed in. You should always keep blankets, flashlights, candles, and charging devices available.

Have plenty of non-perishable food available for the entire family. This would include meal bars and drinks.

You will want to make sure you have a cell phone available to call for help if needed. You will need to conserve the charge by using it only when needed and not for social media and entertainment. Grab some games to help pass the time.

Prep your Vehicle

Our location is pretty remote at Lake Santee. You will want to be sure your vehicle is equipped with items you may need if you get stuck.

You should always keep your tank filled. This can help you stay warm while you wait for

help. You will also want to keep your phone charged. Call someone immediately and let them know where you are.

Keep extra gloves hats and warm clothing in your car. Snow boots are also advised. If you have to walk to get help, you want to do so safely.

Be Patient

Some in our community went more than 40 hours without power as result of the recent ice storm. Many were frustrated and tired. Please be patient as we move through the winter. With all our trees and foliage, we are sure to have more outages as limbs fall and ice piles on.

If you need help, reach out to the office or security and we will help provide options if we can.

Fireplace Story>>>

'Twas a cold winter night,

when all around the lake,
Not a creature was stirring, not
even a snake.

The pontoons were covered all
parked at Jay's Lot,
Sunset cruises, now a distant
thought.

The children were cozy and
warm in their beds,
While dreams of tube rides,
played in their heads.

Mom in her snuggie and me in
my blanket,

Thought about winter and how
we would make it.

When out on the road we heard
such a sound,

We ran to the window, you won't
believe what we found!

Our Laker friends all bundled up
tight,

Out in their carts to ride in the
night!

They all had on Carharts, hats
and their gloves,
And in one hand, a Lake Santee
Mug!

They hollered, "come on, it's
snowing out here!

It's time for a night ride and warm
glass of cheer!"

We couldn't believe it, could this
be true?

But there they all were, even Du!
So we woke the kids and bundled
them up,

We ran out the door grabbing a
cup.

The night was cold and the riders
were quiet,

We are out to have fun, not cause
a riot!

We rounded a corner, then two, then
three,
Even winter is fun at Lake Santee.
The moon hung low and bright,
As we reached the snow covered Dam,
what a sight.

All of our carts slid to a stop,
The kids all grabbed sleds and ran to
the top.

They sped down and slowly hiked up.
As we stood watching and sipped from
our cup.

There we were smiling, surrounded by
friends,

When you're at the Lake the fun never
ends.

Summer is fun, but winter is too.

Here at the Lake, there's plenty to do!

Enjoy your winter!

A Light Now

WE ARE A PERSONAL CARE AGENCY

We mostly care for elderly in their homes. We can run errands or take them to doctor appointments. We also help them to be able to stay in their homes. We help with cleaning, laundry and food preparations.

We do all of southeast Indiana. We have private pay options or, if you have Medicaid, our services can be free or very low cost.

So, if you or someone you know needs help with any of these things you can call our office for further information and we can help you get started.

****Anything a child could prepare with few ingredients and minimal help.**

Remember cans can be too heavy for small kids to carry.

Not all students are excited for long breaks from school. For some, a long break from school may mean a long break from meals. We are working to bridge the gap. Our goal is to send a bag of food with every child in need.

Please help us provide easy to make, easy to carry home, meals and snacks.

Let's change our community, one child at a time!

Please drop off donations at Greensburg First Financial Locations, Greensburg Maurice's, and North Decatur Elementary school.

New drop off locations and updates will be posted on our Facebook page @PowerToAct

| Tim & Lori Tennell | Tree City Properties | Dick & Judy Veach |
| Mike & Judy Anne Walker | Katie Weed | Ron & Vicki Wilson |
| Betty Zillick | | |

The six holidays are: Memorial Day weekend, Flag Day, July 4th weekend, Labor Day weekend, September 11th, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. The Optimist Club is responsible for replacement of any flag soiled, damaged or stolen.

A subscription for a flag can be purchased by completing the form below and attaching a check: \$30 for one year; \$100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-4471.

All meetings are open meetings and everyone is welcome to attend.

Lake Santee Regional Waste & Water District
Meeting Minutes

Meeting of October 18, 2018

3:30 PM

Lake Santee Community Room

1. Call to Order / Roll Call

President Paul Gosnell called the meeting to order and requested a roll call. Members present were Paul Gosnell, Clair Fredrickson, Scott Gibbs, Kathy Tarzwell, Jim Hornig, Frank Erdosy, and Larry Kiernan. Also in attendance were Utility Administrator Brittany Green, Utility Superintendent Brandon Litmer, and the District's attorney Anne Poindexter.

Guest introduction and short comments (two minutes max)

Guests included Vicki Wilson, Claude Livesay, Rhonda Peetz, and Darrow McCreary.

- One comment about the positives of the green space around the lake and reiterated they are not in favor of the RWWD selling property.
- Others here to learn about what the RWWD may be doing with changing the Availability Fee invoicing.

2. Consent Items

- a. Minutes of September 20, 2018 Meeting
- b. Financial Report
- c. Register of Claims – Water
- d. Register of Claims – Sewer

A motion was made by Jim and seconded by Frank to accept the consent items as presented. Motion carried.

3. Superintendent Report

- a. Sewer Status Report
 - i. Brandon reported that everything is operating well, and all tests are normal.
 - ii. Twelve (12) new pumps were ordered and received.
 - iii. There are old pumps that need to be discarded. Brandon to create a list to be declared surplus so he can dispose of them.
- b. Water Status Report
 - i. The water plant is operating on a normal basis with no problems and all tests in the normal range.
 - ii. Brandon to make arrangements to dispose of the old carbon from the last carbon change in the GAC tanks.

4. Administrator Report

- a. Status report
 - i. 2 shuts offs, both back on.
 - ii. Reviewing accounts and doing audits of daily receipts via the Jayhawk software; looking for opportunities to improve the accounting processes.
 - iii. The SBOA has been performing an audit; there are no issues but did reveal some areas for improvement.

Lake Santee Regional Waste & Water District
Meeting Minutes

Meeting of October 18, 2018

3:30 PM

Lake Santee Community Room

- iv. There were errors found in Gateway reports from 2017. Those will be corrected and re-uploaded to the State.
 - v. Received one customer complaint of “pink” stain noticed on shower curtain. Brandon investigated it, but could find no reason for the pink tone, but he will continue to watch.
 - vi. While running reports, one meter was discovered not recording flow. The meter has been replaced and is operating correctly.
- b. Write-offs / adjustments – Lot 1111 for \$36.40 for a hidden leak. A motion was made by Frank and seconded by Jim to approve this adjustment. Motion carried. The request for adjustment by lot 577 did not meet the requirements for a hidden leak and was not approved.
- c. Miscellaneous – Brittany is reviewing the inactive accounts and accounts with a final billing to verify zero balances. There may be some write-offs to consider once she is complete.
5. Treasurer Report
- a. Update
 - i. Kathy renewed 2 CDs at 2.42% for an 18-month term.
 - ii. FDIC coverage – The advice related to the accounts coverage that the RWWD was previously given may not be accurate. Kathy to ask Shawn (our accountant) if the SBOA has guidance on this topic.
6. Attorney’s Report – see below.
7. Old Business
- a. Property Sale
 - i. Lots 517, 518, and 519 – The properties are listed for sale.
 - b. Wet Lands Project – Paul attended the last Salt-Pipe Creek Watershed Program meeting. The meeting was mostly ag related goal setting. There are no further scheduled meetings.
 - c. Napoleon Water Update
 - i. No update.
 - d. Water Availability Billing
 - i. Frank and Larry authored a draft of a potential policy change related to the way availability fees are assessed and Paul read this draft at the meeting. This sparked much discussion about the intent of the RWWD’s Governing Documents and the precedent that has been set through billing practice over the life of the utility.

Lake Santee Regional Waste & Water District
Meeting Minutes
Meeting of October 18, 2018
3:30 PM
Lake Santee Community Room

- ii. Some believe that the availability fees have been billed incorrectly in the past and that each vacant lot should be billed separately. There is some language in the RWWD's Governing Documents that would support this interpretation. There is also some language in the RWWD's Governing Documents that contradict this interpretation. Others believe that each vacant lot is not supposed to be billed individually.
- iii. The current method of billing (and the method that has been used for decades) is that a customer pays either a bill for a "metered" service or a customer pays a bill for "water availability", but not both. Rhonda Peetz confirmed this was the billing practice of the RWWD from when she used to work in the office saying that a customer received either a blue (availability) invoice or a green (metered service) invoice, but not both. Currently, a customer pays 1 availability fee regardless of the number of vacant lots owned; Brittany stated it appears this practice has not been applied consistently.
- iv. Anne reminded us that the old POA rule that Paul keeps referencing does not apply to the RWWD.
- v. Anne confirmed that the last rate study that was conducted by accounting firm Krohn & Associates was based on the current billing practices, not the quantity of vacant lots available for billing.
- vi. Darrow related several facts from his tenure as Lake Manager and history he learned over the years. He said from the beginning in 1965, salesmen would tell prospective land buyers that you only pay 1 set of dues and 1 water availability, no matter how many lots you own. The intent of the availability fees was to generate some revenue while the water system was being installed, but customers were not hooked up, yet. When the POA instituted a multi-lot assessment in 1987, current property owners who already owned multiple lots were "grandfathered in", or exempt from the multi-lot assessment on properties they already owned. Back when the POA owned the utility, they used to have to go before the Indiana Utility Regulatory Commission (IURC). He said the IURC wanted the Lake to discontinue the availability fees once they started receiving revenue from the metered services billings. Darrow is concerned about potential legal challenges if the RWWD makes changes to the availability fees in the fashion they have described.
- vii. Rhonda said she did some research on what other communities did with their water availability fees. She admitted this was a limited search, but she was able to find 3 examples. One community discontinued their availability fees altogether. One community has customers pay 1 availability fee regardless of the number of lots owned. And, the third community has essentially a buy one / get one, where the customer pays for the first lot and

Lake Santee Regional Waste & Water District
Meeting Minutes

Meeting of October 18, 2018
3:30 PM
Lake Santee Community Room

gets the second lot for free, pays for the third lot and gets the fourth lot for free, etc.

viii. Anne stated that if the RWWD wants to make a change in the manner in which availability fees are administered, this would essentially be considered a rate change and would require the appropriate meetings, meeting notices, public rate hearings, etc.

ix. The discussion was long and a lot of information was shared. It was decided to table this topic until the next meeting and move on to the next agenda item.

e. Board Member Appointments / Replacements

i. Jim stated that Claude Livesay is interested in being considered as a new Board Member. Nominations and voting will occur at November's meeting.

f. Management Agreement

i. Paul and Doug Lecher (the POA Board President) are setting up meetings.

8. New Business

a. None this month

9. Trustee Reports and Comments

a. Clair stated that warning signs are available to post on the perimeter fence reminding potential offenders it is a federal offense to trespass on the RWWD property. It was decided to not post any signage as most people don't know where the plants are located, and we didn't want to advertise their location by posting signs.

10. Adjourn

Respectfully Submitted by
Scott Gibbs, Secretary

These minutes are subject to approval by the LSRWWD Board at the 11/15/2018 meeting.

Lake Santee Regional Waste & Water District
Meeting Minutes

Special Meeting of October 18, 2017

3:00 PM

Lake Santee Community Room

1. Roll Call

President Paul Gosnell called the meeting to order and requested a roll call. Members present were Paul Gosnell, Clair Fredrickson, Scott Gibbs, Kathy Tarzwell, Jim Hornig, Frank Erdosy, and Larry Kiernan. Also in attendance was the District's attorney Anne Poindexter.

2. Personnel matters related to the RWWD were discussed.

3. Adjourn

Respectfully Submitted By:
Scott Gibbs, Secretary

These Minutes are subject to approval by the LSRWWD Board at the next meeting.

LAKE SANTEE RESIDENT

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

Friends of Wildlife at Lake Santee

Everyone Welcome!

Our aim is to encourage the members of the Lake Santee community to appreciate and protect our natural setting.

Winter – What to Look For, What to Do

December, January, February

A little winter is good for cozy home-time, bird watching, jigsaw puzzling and making pots of chili. While a lot of winter can become monotonous and inconvenient, celebrating holidays such as Winter Solstice, Christmas, Hanukkah, Kwanzaa, Boxing Day, New Years Day, Superbowl, Great Backyard Bird Count, Valentine’s Day and Presidents’ Day can help to pass the time until the first breath of Spring releases us from its icy grip. Stay warm, be safe. Celebrate winter!

Here are a few signs of winter interest to note the passage of the season:

- 1) The first ice storm. Oh wait! We’ve already had that! November 15th.
- 2) The lake freezes over for skating and ice fishing. _____
- 3) Enough snow for sledding and snowmen. _____
- 4) The first 0 degree temperature. _____
- 5) The first 60 degree day. _____
- 6) Winter bird sightings: circle them as you see them. Common loon, Double-crested Cormorant, Hooded and Common Mergansers, Coots (Mud Hens), Canvas back and Red Headed ducks, Purple Finch, Junco, Tree Sparrow and Goldfinch _____
- 7) Snowy owls are on the move south again this year. Keep your eye out for this unusual bird in Decatur County. You might want to carry binoculars with you so they can be seen at a distance and distinguished from a white plastic CVS bag. _____

For Friends of Wildlife winter is all about providing food, shelter and water to help our wildlife friends survive. A very popular and easy food for birds is unsalted peanuts in the shell. If you can’t get to the feeder to fill it, just scatter them on the deck, driveway or porch. They attract Blue Jays, Cardinals, Tufted Titmice, Carolina Chickadees, White Breasted Nuthatches, Red Breasted Nuthatches, Evening Grosbeaks and some woodpeckers. If you want to attract more birds, put out a suet feeder. Making your own suet can be cost effective if a little messy, especially if it is a family project involving kids. Here’s a recipe from Birds and Blooms

November 2018 issue: 1 cup of lard melted with 1 cup of peanut butter over low heat. In a large glass bowl mix 2 cups quick oats, 2 cups of a bird seed mix, 1 cup of yellow corn meal and 1 cup of flour. Stir in the melted stuff, blend well and allow it to cool. Pack into molds such as tuna cans or recycled suet boxes or free form into your preferred shape. Store it in the refrigerator until needed. Adding fruit such as raisins or cranberries or meal worms works too but do not use bacon grease, bread, table scraps or honey.

Do you know your woodpeckers?

Woodpeckers are with us all year long but especially embellish our winter bird watching. Which of the following woodpeckers:

- 1) ___ Is the largest?
 - 2) ___ Is the smallest?
 - 3) ___ Feeds on the ground?
 - 4) ___ Doesn't eat peanuts?
 - 5) ___ Is almost identical to the smallest only bigger?
 - 6) ___ Has a brighter head than belly?
 - 7) ___ Species name is *Melanerpes erythrocephalus*?
- A. Red-headed B. Red-bellied C. Hairy D. Downy E. Pileated F. Yellow-bellied sapsucker
G. Northern flicker.*

Friends of Wildlife has two Bluebird nesting boxes and a Wood Duck box made of recycled woods available for \$15.00 each. Gift a friend or gift yourself! Call Charm at 812-663-5465 and leave a message with your name and number. I'll call you back. We deliver!

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES
November 14, 2018

The Lake Santee Property Owners Association Board of Directors met on November 14, 2018 in the Community Room. President Doug Lecher presided and called the meeting to order at 7:30 PM. Other Directors present were Carol Goodwin, Stephanie Peetz, Angel Hocker, Randy Ostendorf, Steve Gauck, Shannon Gibbs, Polly Ann Fox and Bill Ryle. Employees present were Rick Crawford (1482), Mike Cutrufelli (172), Todd Byrd (476) and Brittany Green (1294). Members present were Nancy & Clair Fredrickson (348), Ronda Peetz (941), Claude & Shirley Livesay (530), Paul Gosnell (1147), Shannon Adderley (708), Vicki Wilson (510), Linda & Rolla Millsbaugh (907), Dick Veach (1384), and Charlie Hocker (936).

President Lecher called for a review of the minutes of the October 10, 2018 meeting. The minutes were approved on a motion by Carol Goodwin, seconded by Steve Gauck. Motion carried.

Stephanie Peetz gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Stephanie then presented the following bills to the Board for approval:

Becker Electric	\$	141.24	New Point Stone	\$	291.19
Best Way Disposal	\$	842.58	Premier Companies	\$	2,103.60
Best Way Heavy Trash	\$	595.52	Stone's Napa Inc.	\$	109.22
Cardinal Pest Control	\$	45.00	Summit Microsystems	\$	50.00
Cardmember Services	\$	466.82	The Office Shop	\$	51.66
Colonial Life	\$	101.54	Tim Lecher Farm Service	\$	41.54
Decatur County REMC	\$	1,219.70	Tommy's Diesel Shop Inc.	\$	558.97
ETC	\$	16,195.02	Tops Home Center	\$	99.44
Brittany Green	\$	118.93	Trade & Industrial Supply	\$	214.00
Harrison Sand & Gravel	\$	438.02	Wallpe's Feed & Supply	\$	95.00
Kramer Kreations	\$	77.00	Walters Tire Center	\$	18.73
LSPOA Petty Cash	\$	188.56	Whitlock's Pressure Wash	\$	390.00
RWWD	\$	444.50	Wickens & Wickens	\$	6,050.00
Municipal Electronics	\$	13.89	Yager, Don	\$	63.00
Murphy Insurance	\$	6,446.00			
Myers, Floyd	\$	60.00	TOTAL	\$	37,530.67

<i>Bills Paid Prior to Meeting</i>		James Hornig	\$	113.40	
Decatur County REMC	\$	1,094.32	Abraham Koehne	\$	1,000.00
Total Disbursements	\$	39,738.39			

After presentation, the bills were approved for payment on a motion by Polly Ann Fox, seconded by Carol Goodwin. Motion carried.

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

- A member wanted to bring to the full boards attention a drainage issue on his property that was caused by the neighbors lot and the roadway being at a higher elevation than his lot. He is asking for the lake to assist with evaluating the situation and help come up with possible solutions.
 - Doug and Brittany both responded by stating we are looking at numerous areas around the lake where there are currently drainage issues. Brittany also added that her and Brandon have been to the property and will continue to evaluate the issue.
- Paul Gosnell spoke on behalf of the Lake Santee RWWD Board and stated that tomorrows meeting may be postponed due to the pending weather situation. He asked to check before coming to the meeting.
- A member also stated she has some drainage issues as well on her property that receives runoff from a neighboring Association owned property.
- A member stated she would like to see the Association purchase the three lots currently owned by LS RWWD at the north entrance to maintain green space.
- Mike Cutrufelli reminded the audience that CERT meets the 3rd Wednesday of the month except in November. They are always looking for new members.
- Rick Crawford (Security Chief) wanted to remind everyone with winter coming to use caution on bad roads. He also added there was a dog in the kennel at maintenance that they are looking for the owner. It was found near Snake Road.

CORRESPONDENCE

Brittany stated there was no correspondence at this time.

COMMITTEE REPORTS

Rules & Regulations – Carol Goodwin

Carol presented two rule changes to the board for approval rule 2.2 and rule 2.9. Both rules fall under the Vehicles section of the Lake Santee Rules and Regulations. It was the first reading for both rules. Carol read each rule in its entirety. Rule 2.2 was approved on a motion by Carol Goodwin and seconded by Polly Ann Fox. Motion carried. Rule

2.9 was approved on a motion by Carol Goodwin and seconded by Steve Gauck. Motion carried. The second reading will take place at the December 12th meeting. Below are the proposed rule changes with the change in red.

2.2 In accordance with the laws of the State of Indiana, all persons shall hold a valid driver's license before being permitted to operate a motor vehicle on the roadways within the subdivision including motorized carts as defined in rule 2.9. All motorized vehicles operated on the roadways must meet the licensing requirements, including proof of financial responsibility or liability insurance, as required by the State of Indiana for operation on public highways. An exception to the above requirement will allow persons 12 years of age and older to operate a motorbike limited to 50cc's during daylight hours only.

2.9 Motorized Carts

(a) As used in this rule "motorized cart" means any conveyance that is motor driven by gas or electricity, and is used to carry passengers or cargo, and that is smaller than normal road type vehicles such as cars or trucks. Motorized carts may be characterized as golf carts or utility carts. Operators of motorized carts must hold a valid driver's license or valid learners permit and accompanied by a licensed driver 18 years of age or older.

(b) All users of motorized carts shall make application for the use of such vehicles within the subdivision. Application for motorized carts may be made through the Lake Santee Office. A security officer or Lake Manager must inspect motorized carts to determine the validity of such application and either approve or disapprove the application. The type of permit issued will determine the usage restriction placed on the motorized cart, day only or day/night. Changing permit type after initial issue will require a new application and re-inspection. The permits will be placed on each side of the vehicle. The board of directors shall determine from time to time the amount of fee to be charged for such permits.

(c) All carts must display 3" lot numbers, of a contrasting color, in the center of each side of the cart, and must have a flag at least 6 feet above the road surface.

(d) All motorized carts shall have a rear facing mirror.

(e) All passengers should be properly seated and the number of passengers should not exceed the number of seats available.

(f) Motorized carts operated after dark will be inspected annually and must be equipped with the following functional safety devices: properly installed white headlights, properly installed red taillights, reflectors on each side, turn signals, brake lights, and amber or white flashing cautionary light. The front, rear and cautionary lights must be visible under normal conditions for a minimum of 500 feet.

(g) All gas/diesel motorized carts are required to have a non-modified factory exhaust system. This rule does apply to all motorized carts and utility carts within the subdivision including those permitted on county roads via DNR registration.

Recreation – Shannon Gibbs

Shannon stated the Holiday Lighting contest will be on December 8th at 8PM. Please be sure to let the office know if you would like to have your lights judged so that no one is missed. Breakfast with Santa will be on December 15th. Breakfast starts at 9AM with Santa arriving at 10AM. Shannon is still looking for a volunteer to be the guest of honor, please contact her if you would be interested in helping.

Lakes & Beaches – Randy Ostendorf

The barrels at both beaches have been removed for winter storage. The bathrooms at both beaches had the floors refinished. We owe a HUGE thank you to Greg and Judy Montgomery for their extremely generous donation of materials and labor for this project. We know this will make a big difference next summer and create a much safer atmosphere.

The Bass Club stocked over 200 largemouth bass from donations at the Bass Club events. Thank you for the generous donation. Lowering the lake continues, and will for the next several weeks. Please make arrangements to get your boats out ASAP. We are still waiting on the fish survey results.

Indiana DNR came to do the dam inspection. This happens every three years. We spoke briefly with them before they left and they had no major concerns. We expect the results soon.

Membership – Angel Hocker

Angel presented the following new members:

- Lot 1016-1019 Ronald & Debra Kuntz
- Lot 1050 Aaron Ritter
- Lot 1324-1325 Randy & Beverly Davis
- Lot 829 Chuck & Jane Bryant

Angel explained the Board has decided to move eight current property owners who are extremely delinquent with dues & assessments to an expulsion status. The Board reviewed the details of each members delinquency in the executive session and has opted to not reveal the names during the open meeting.

The expulsion process revokes the rights of those members from having any access to lake owned property and amenities. The expulsion will move the member to a non-member status, which reduces the fees charged. The Board's hope is by changing the status we will be able to collect at least a portion of the funds owed versus no funds at all. It was also noted that expulsion status is in the Lake Santee By-Laws and can be used when a member is at least two full years in arrears and has made no attempt to settle the financial obligation with the Association. The Board is also looking at new steps to collect on delinquent accounts.

A motion was made by Angel to move forward with expelling eight members and seconded by Carol Goodwin. Motion carried.

Community Room Committee – Angel Hocker

Angel stated the normal activities took place in the Community Room during the month of October.

Building Committee – Steve Gauck

The following building permits were issued in October:

- Lot 1420-1422 John & Lisa Clark Mini Barn
- Lot 108 Steve Knight Breeze-Way

Steve also added that by the end of October we approved 73 building permits for the year. That is equal to the entire year of 2017.

Clean Up – Steve Gauck

Steve stated the following for the month of October.

- 9 members were removed from the watch list.
- 6 courtesy letters were mailed (old 1st letters).
- 7 second letters were mailed establishing fines.
- 2 fines continue.

Steve also added they plan to have a conversation with one member in regards to some concerns.

Roads & Maintenance – Polly Ann Fox

The maintenance crew completed the following during the month of October.

- Graded stone roads
- Trimmed trees along roadsides
- Repaired kitchen exhaust fan
- Removed beach barrels from lake
- Started lowering the lake
- Cleaned out culverts plugged from heavy rain
- We will remove no wake buoys next week
- One new water tap and replaced 7 sewer pumps (RWWD)

Polly also added that they hope to have the mailbox clusters finished by the end of the year. As far as the paving that was previously approved the board feels there is a extremely slim chance that it will happen this year as the temperatures may not be high enough to get it completed.

Security – Bill Ryle

Bill started off by presenting the new fine schedule that he would like to submit for board approval.

Access to County Roads Violations – (Rule 11.6)

- First offense letter of notification of violation
- Second offense \$25 fine
- Third violation \$35 fine
- Fourth violation \$45 fine
- Five + violations increases \$10 and to LSPOA Board of Directors review

LSPOA Boat Dock Violations – (Rule 4.17)

- First offense - warning
- Second offense \$75
- Third offense \$100
- Fourth offense LSPOA Board Review and \$150 fine

Boating Violations - (Rule 4.2, 4.3, 4.7, 4.8, 4.11, 4.12, 5.1, 5.2, 5.3, & 5.4)

- First offense \$75
- Second offense \$100
- 3+ offenses \$200 and a Board Review

Submission of an altered or fraudulent boat title and/or registration

- Loss of privileges suspended for one (1) calendar year

Dog Violations - (Rule 13.8 & 13.9)

- First offense warning
- Second offense \$25 fine
- 3+ offenses \$50 fine

Motorized Cart Violations - (Rule 2.9)

- \$25 fine for violations

Speeding Violations – (Rule 2.1)

- 31 to 34 mph - \$30
- 35 mph and above - \$50
- Repeat offender or greater than 45mph - \$100 fine and LSPOA Board review

Disregarding Stop Sign

- First offense - warning

- Second offense \$25 fine
- 3+ offenses \$50 fine

Vandalism/Property Damage on LSPOA property

- First offense - \$50 fine plus cost of repair and LSPOA Board review of privileges
- Repeat offender - \$100 fine plus cost of repairs and loss of LSPOA privileges as determined by LSPOA Board.

Passing a School Bus with arm extended and lights flashing

- First offense \$200 fine
- Repeat offender \$500 - \$1200 fine

Underage Driving

- First offense \$25
- Second offense \$50
- 3+ offenses \$100 fine and LSPOA Board Review

RV & Camper Violations- Rules 11.3-11.4

- \$25 per day

Burning Trash

- First offense \$25 fine + \$5 per day until trash removed from area
- Repeat offenders \$50 fine + \$10 per day until trash removed from area

Untidy Lot

- 1-30 days at daily rate of \$5
- 31-60 days at daily rate of \$10
- 61+ days at daily rate of \$15

Carol Goodwin made a motion to accept the updated fine schedule provided and as read. Angel Hocker provided a second, motion carried. A concern was brought up by Polly Ann Fox that she would like to see the dog fines higher as there appears to be a large number of dogs running loose.

A member in the audience asked about having multiple boat trailers on a single lot. Doug stated there is currently not a rule against how many boat trailers or boats can be stored on a single lot. Carol stated that her rules committee is reviewing all of the rules. They were considering a clean up rule that would not allow storage of inoperable boats.

OLD BUSINESS

No old business to report.

NEW BUSINESS

Purchase of Lot 64 SW Wrenn Parkway

Doug stated that the board was contacted when 64 SW Wrenn Parkway went on the market. The board discussed a possible purchase of the property during a budget session the prior week. However, the property was listed higher than the board wished to spend. The board was notified of a price drop and made an offer on Tuesday evening pending full board approval at the regularly scheduled meeting.

Carol Goodwin made a motion to purchase 64 SW Wrenn Parkway for \$34,900 and asked for a roll call vote with Shannon Gibbs providing a second. The board voted as follows: all board members voted in favor with Stephanie Peetz abstaining. Motion carried.

Doug added the large benefit to the POA by purchasing lot 64 was the additional commercial rights that came with the property. The Board felt it was in the Association's best interest to have controlling rights of this property, as it is the only other property in the subdivision that could possibly be used for a non-residential purpose.

MANAGER'S REPORT

Brittany stated the following:

- Heavy Trash cost \$415.52 and brought in \$546.00.
- Received correspondence from member about concerns of excessive boat storage on lots.
- The sign at the front entrance has been unplugged as we are having issues getting it to program correctly.
- A new light was installed at the flag pole.
- Continuing mailbox cluster work. It is the intention to wrap this up by the end of the year. Half of Pawnee Trail has been completed and are waiting for approval from the remaining members on the other side. There are six more clusters to go.
- We strongly urge members with lake front lots and lots with drainage ways to the lake to please work on shoreline protection and ideas for preventing silt and sediment from entering the lake.
- Brittany addressed the concerns of members and drainage and ditch issues. She understands the frustration of standing water in the ditches. However, as the manager of the entire property, it is her responsibility to assess all the issues on a higher level and how they are affecting the community as a whole. If the drainage is affecting the stability of the road or causing major backups around multiple properties, it will be a higher priority than if it is wet in your lot. She has to prioritize and manage association time and money with the highest level of care and respect. Brittany added that she hopes you understand her position and do not mistake it as a lack of care or compassion

for your issues. As many know, we work on a tight budget and we must be very careful with every dollar.

- Animals from outside the subdivision will not be accepted under any conditions. If you bring an animal to security, you will be required to give name, number, address, and location animal was found. If you see a dog outside of Lake Santee please contact the Greensburg Animal Shelter.

Carol Goodwin thanked Brittany for her hard work preparing for this year's budget meetings.

A member in the audience asked if the lake had ever considered contacting REMC to see about installing or activating security lights around the subdivision. Or if REMC would give any sort of price break to members who did activate their security lights, as the subdivision is very dark especially during the winter months.

There being no further business, Shannon Gibbs moved to adjourn, seconded by Angel Hocker, motion carried. The next regular meeting will be held on December 12, 2018 at 7:30 PM in the Community Room.

Respectfully submitted,

Stephanie Peetz, Secretary

All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .

SECURITY STAFF

Lake Santee Property Owners Association, Inc.

Security Report: October 2018

Security traveled the roads of Lake Santee during the month of October. The Team drove a total of 2,543 miles. The Security Team worked on the roads 409 hours, and were on call 408 hours. We want to say THANK YOU to all of the Lake Residents for a very successful summer season. Please let's make sure winter is as smooth as summer.

Lake Santee Security Safety Tip!

So sorry to say, summer is over and fall is here. Some of our neighbors maybe going to warmer places for some length of time. As good neighbors, let's keep all of the Lake properties safe. If you notice anything out of the usual, please call Security.

Halloween is gone and we had a lot of children walking around the Lake collecting goodies. The Trunk or Treat again was a great time. Kids of all ages enjoyed Halloween.

Let us plan to help support all of the winter activities planned around the Lake

Let's all get ready for a great fall and upcoming winter. Keep your eyes open for school children and joggers or walkers, and please keep your vehicle speed down.

Thanks for another great spring and summer!

Please call the office, if you have any questions.

Rick Crawford, Lake Santee Security Chief

During the month, security team responded and handled the following items, plus much more.

SECURITY TASKS FOR THE MONTH:

Assist with Fire Department / Sheriff	4
Animal Calls	4
Winter Property Checks	16
Lake Property Inspections	46
Remove Non-residents	1
Cart/ATV/UTV	2
Warnings / Citations on Water and Roads	14
Solicitors	1
Radar Patrol	113
Vandalism Calls	0
Property Owner Calls	49
Mail Pickup / Deliver	54
Road / Water Issues	7
RV / Campers	24
Security Equipment Check	62

Please be safe and keep the rules in mind while enjoying the "Best Lake in Indiana." Note these important numbers:

Security Truck 812-560-1133

Security Boat: 812-560-1109

SCHOOL BUS SAFETY

WHEN ?

ALWAYS !

WHERE ?

LAKE SANTEE !

Please remember to
NEVER attempt to
drive around a school bus
if the school bus has
it's red lights flashing
with it's **STOP ARM** extended.

All residents please make sure
that construction vehicles are
NOT BLOCKING the road
from 6:30 am to 8:00 am and
3:00 pm to 4:30 pm.
