Dock Talk (aka notes from the manager)

Watch Out Gravel Road repairs HAPPENING NOW!

Our gravel roads have been a burden for many years. We decided to fund extra money towards necessary repairs on these roads this year. You will notice our maintenance doing a lot of work on some particularly bad areas. Please be patient. The result may be that the roads are rough for a portion of the summer as the large stone used to build up the road settles.

We will also be working on drainage. If your driveway culvert is blocked, you **MUST** clear it.

Thank you!

NOW HIRING!!!!

WE ARE EXCEPTING APPLICATIONS FOR BEACH GAURDS, MAINTENANCE HELP (16 AND OVER) AND GATE GAURDS IF YOU ARE INTERESTED PLEASE FILL OUT AN APPLICATION AND TURN INTO THE OFFICE.

Friendly Reminders

As the weather warms, many people will be out walking and biking. Drive with caution.

Be respectful of your neighbors. Do not play offensive music loudly on the water. We are all part of a community and need to respect one another.

Clear your ditches of any blockage. If your landscape is preventing the flow of water we will be forced to remove.

RWWD Reminders

We will be flushing the mains this month. If you experience any discoloration in your water this is why. Please let your water run for a few minutes. If this does not clear it then call the office.

If you have concerns about your usage, please contact the office.

A photograph of a three-tiered wedding cake. The cake is decorated with white frosting, intricate patterns, and several pink roses. It is presented on a white, ornate stand.

FRONT COVER

Photo was taken by A.J. Peetz, Rhonda's grandson, with his drone last summer. It shows the outline of the stone wall around the shrubbery in the shape of an Arrowhead at our entrance.

Lake Santee's Smoke Signals

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial.

The first official publication, which became known as The Smoke Signals, was first

published on March 28, 1969. It was produced by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

Easter Egg Hunt

Saturday, April 20th at 11 am

on the Lawn outside the
Community Room

Kids ages 0 to 12, bring a basket or
bag and join in the hunt!

Easter Egg Hunt - Help Needed!

There are a lot kids that like to participate in the Easter egg hunt, which means **a lot** of Easter eggs to fill! Donations of candy as well as money will be gratefully accepted in the office through Thursday, April 18th.

On Friday, April 19th at 10 am we will be filling the Easter eggs in the Community Room. Helpers are welcome!

We will need that special “guest of honor” to hop in on Saturday for the kids. If you are interested in playing this special role please contact the office as soon as possible, we will supply the costume and the kids will supply the smiles.

It is our great community that makes these events so wonderful. Thank you, in advance, for your help making the Easter Egg Hunt a success!

The background of the entire page is a vibrant, repeating pattern of tropical leaves. The leaves are in various shades of green, yellow, and blue, creating a lush, summery feel. The leaves are stylized and layered, with some appearing in the foreground and others behind. In the center of the page is a large, dark green circle that serves as a backdrop for the event information.

Community of Caring Clean Up Day

05-04-19

9am-12pm

We will meet at the Lake Santee Main office. We will spend the morning helping some of our neighbors clean up and do simple tasks they cannot do. Bring trash bags, gloves, and yard tools.

If you know a person who needs help, contact the office to be put on the list.

Bryants Bar and Grille 2019 Golf Cart Runs

The signup sheet to be a host or a stop is at Bryants Bar and Grille. Stops can be on any road in Lake Santee, either at a house or on a lot. A drink is provided at each stop, however snacks are not expected. If you prefer, Bryants will volunteer the use of the party room.

Between stops, carts follow in single file, with no passing. Slower carts may wish to be toward the back of the line. One “stop” will be a restroom break, typically at the East Beach.

We will all end up back at the host’s house to eat. Hosts provide paper and plastic table service and a main dish (like hot dogs). Everyone brings a side dish or dessert to share.

Plan to join the fun!

ST. PATRICKS DAY

AT LAKE SANTEE'S MAIN BEACH SAW THE BEGINNING OF WHAT WE HOPE WILL BECOME AN ANNUAL TRADITION.

A POLAR PLUNGE FUND RAISER

Our Lake Manager ,BRITTANY GREEN, has personally become involved in a program to help feed and cloth under privileged children in North Decatur County Schools, which does include our Lake Santee community. It is called BREAKBAGS. The object is to collect food and clothing to help these children have a better life. This obviously takes money and people like Brittany who are willing to help. Brittany read where other communities were doing a Polar Plunge as a way to raise money and thought it was something that we could do here. This is something that she is doing on her own. While the number of people who actually took the plunge was only six, there was several hundred dollars collected. We hope that at next years event these numbers will grow significantly.

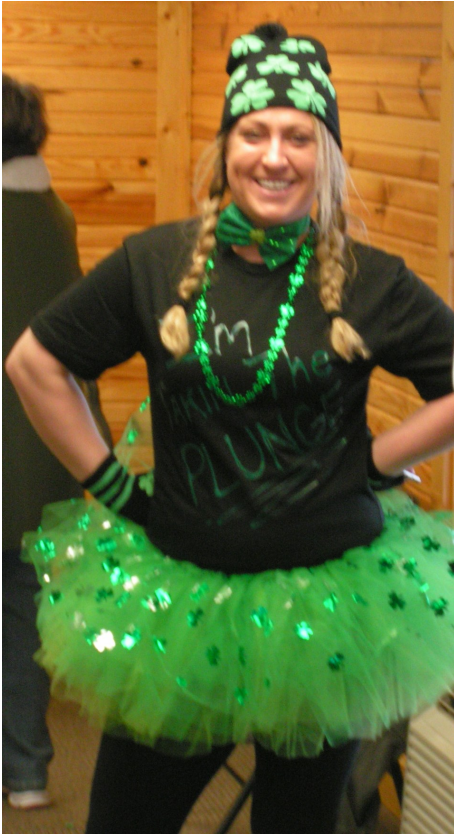

These BREAKBAGS are waiting to be filled ,primarily with food and maybe even some socks and underwear

Several members were on hand to support this event, both physically and financially.

If you've been putting off prearranging because of the expense, we have good news...

Prearrangement doesn't *have* to cost anything.

What many people don't know is that you need not prepay when you prearrange. We're happy to record your wishes and hold them on file at no charge. Call our funeral home for details.

Scenery-Nature-Family Fun and Pets

We have decided to make a change in the due date of the pictures. the new date is December 31st. The rest of the rules still apply. They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turn them into the office or E-Mail them to me at smokesignals@etczone.com to enter the contest.

The **BEST** of the **BEST** will then be used on the following years cover of our annual Directory as well as in the Smoke Signals during the year.

Fire Safety Checklist for Homeowners and Renters

If there is a fire, you may have less than 3 minutes to get out of your home. Talk about what you should do to be safe. Make sure everyone in your home knows what to do if there is a fire.

Put a check in front of each statement that is true for your home.

Smoke Alarms

- Smoke alarms are on every level of the home.
- Smoke alarms are inside and outside sleeping areas.
- Smoke alarms are tested each month.
- Smoke alarm batteries are changed as needed.
- Smoke alarms are less than 10 years old.

Test your alarm regularly.
Your smoke alarm is working if it makes a noise when you press the “test” button.

Cooking Safety

- The cooking area has no items that can burn.
- People stay in the kitchen when they are frying, grilling, boiling, or broiling food.
- Pot handles are always turned toward the back of the stove.

Escape Plan

- There is a fire escape plan that shows 2 ways out of every room.
- Everyone knows where the safe meeting place is outside the home.
- Everyone living in the house practices the escape plan 2 times a year.

Carbon Monoxide Alarms

- Carbon monoxide alarms are located on each level of the home.
- Carbon monoxide alarms are less than 7 years old.

Electrical and Appliance Safety

- All electrical cords are in good condition and not broken or cut.
- People clean the dryer of lint after every use.
- All plug outlets are safe and do not feel warm when you touch them. (If they are warm, call the landlord or an electrician.)

Candle Safety

- Candles are in sturdy fire-proof containers that won't be tipped over.
- Adults blow out all candles when leaving the room or going to bed.
- Candles are kept out of reach from children and pets.

Children are sometimes curious about fire.

If you have children in your home, lock up any items that can start a fire (matches, lighters, cigarettes, etc.) and make sure children cannot reach candles.

9-1-1 Address / Location Signs

The Clarksburg Volunteer Fire Department is selling address signs that can be attached to your mailbox or anywhere else to identify your property. These signs are 6" X 18" and are made of metal and covered with a 3M reflective material. The lettering will be on both sides and are also made of a reflective white plastic. These signs can be mounted vertically or horizontally to any post. This will help any agency find your property in case of emergency or delivery of items to your home. The cost of the signs is \$20 dollars each. Please fill out the form below and give it to any Clarksburg fireman or mail to the address below. If you need the signs sent to you via mail please add \$10 shipping to your payment for each sign ordered. We will try to deliver the signs directly to you if possible, or make arrangements to have them picked up near Clarksburg. If you are not sure about the shipping or customization please contact us at 812-527-2115 and leave a message to ask about these items.

Better Care Means Better Hearing!

At **Sound Hearing Solutions**, we understand that hearing loss can interfere with your quality of life. That is why from our first day together and beyond, we are here to make sure that you are always hearing at your very best.

The first step in treating hearing loss should be a comprehensive hearing test conducted by an audiologist. This allows you to understand the nature of your hearing loss and provides you with the information needed to determine the best treatment option for your personal needs.

Schedule an appointment today so we can demonstrate how our **Patient-Centered Hearing Care** can improve your life!

Disrupting the Drainage

Here are some tips to help keep the water from pooling in your ditch or your neighbors ditch this spring.

- Clear the path! Make sure leaves, sticks, rocks, and plants are out of the way.
- Do not plant shrubs or grasses in the ditch or blocking your culvert.
- Check your culvert for blocks or breaks. If water pools behind it, then your culvert is the issue. You must fix them.
- If you filled in our ditch, you are responsible for the entire culvert. You must keep it clear and keep water off the road.

Community of Caring

How you can better your community in less than 4 hours

Since taking this position a year ago, I have been involved in many clean-up committee drives. When we go around we look to make sure members are keeping their properties in a way that is nice and pleasant to the neighbors.

It is in these drives that I have found that some of our members struggle to keep up their properties. Sometimes it is illness, disability, age, or life in general that makes this impossible.

Duane McKinley taught me something on my first clean-up drive that I have not forgotten. When we would see something that looked bad, he often knew the person couldn't get around and that was why the property looked the way it did. He said he would talk to them and he would try to go help them out.

This mindset impacted me greatly. *What if we all just helped one another? What if instead of criticizing the properties, we tried to help the neighbor?*

It is this behavior of Du that made me change my approach. And through that, I am asking for your support.

This spring, I would like to ask the members of our community to come together for a **Community Cares** event. On this day we will gather at the main beach and head out to properties around the community of neighbors that may need help. At these homes we will do small projects to help them get their property ready for summer. Some small projects maybe clearing weeds and debris from landscaping and ditches, picking up sticks in their lawn, helping clear gutters, and general clean up.

If you are interested in participating please show up on **May 4, 2019 at 9am**. Please bring rakes, gloves, and any other items you feel we may need. We will meet up on carts, cars, and trucks and head to designated homes.

If you or someone you know is in need of some assistance, please contact the office. You will need to give your lot number and an idea of what you need help with. We will then put you on the list for our volunteers to come out. Someone must be present at the home for us to clean up.

If you would like to help organize, please call the office. If you would be willing to provide refreshments, we would appreciate it.

Plants for shoreline Protection

Here are some natural and beautiful ways to secure your shoreline from erosion and help our wildlife

Why

Natural Vegetation on our shorelines can create both a beautiful and tranquil image, as well as a wonderful habitat for our fish and wildlife. If you have areas where you can add native plants to your waterfront it is recommended that you do.

^ Pictured above is the Broadleaf Arrowhead plant. These can be called Duck Potato Plant.

< Left is a Pickerelweed.

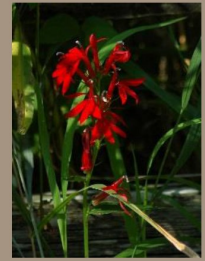

How to Choose a Plant

Location, location, location! How much sun, how fast does the water move, and how much space? Once you have these answered you can start looking into the plants you want to place.

Each of the plants pictured in this article are native to this area of the country. They all serve different purposes and appeal for different reason.

Above is a Blue flag Iris

Pictured Right is a Cardinal Flower

Do your Research

Some plants can cause more damage. Honeysuckle, for example, is an invasive and damaging plant. They cause great amounts of erosion and often have to be removed by professionals.

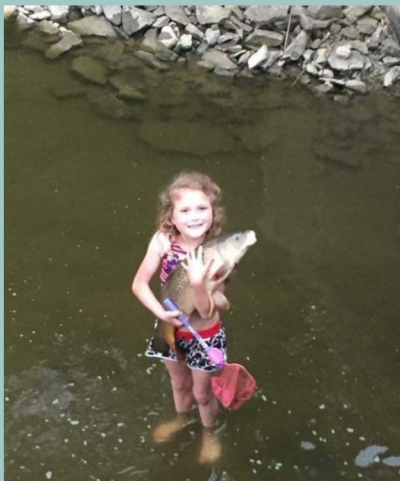

Another thing to consider is if it is invasive. This means it may spread quickly. Some invasive species can overtake the area and be hard to control (like Cattails). If you are not sure, ask me in the office. I will help you find the plants that will work.

Little Lakers>>>

Learning to Love Nature

We are so lucky to live in a community with so much to offer our children. We have a lake to swim, play, fish, and explore. We have woods with nature trails and trees to climb. We creatures and animals galore!

Encourage your kids to get out and explore the world around them. Learning about animals and plants teaches kids why we should protect our environment. It helps kids learn how what they do impacts the world around them. They learn empathy, respect, and will gain confidence.

Spring into ACTION!

Fun FREE Kids Activities at the Lake

1. **Take a hike!** Our nature trail is absolutely beautiful at all times throughout the year. Each time you go you will find something new. Take your kids out and let them lift some rocks searching for salamanders, listen to the frogs, and smell the blooming trees.
2. **Walk the shoreline!** Our shoreline is home lots of baby fish and turtles. Early spring is a great time to catch a glimpse of turtles the size of quarters and schools of baby fish!
3. **Go FISHING!** Grab a pole and a worm and hit the water. Spring is the perfect time to fish for crappie. Crappie are a perfect kid fish. They have a larger mouth than a bluegill but are still small enough to handle. This time of year, you can almost catch one with every cast!
4. **Start your own adventure!** Each of these pictures came from Lake Santee and being willing to embrace the moment. They were not planned but instead just happened. I learned to love wildlife through playing and exploring this community, and through that I have found much joy! I hope we can all encourage the next generation to do the same!

Meeting Minutes

Meeting of 2-21-2019

3:30 PM

Lake Santee Community Room

1. Call to Order / Roll Call

President Paul Gosnell called the meeting to order and requested a roll call. Members present were Paul Gosnell, Claude Livesay, Kathy Tarzwell, Jim Hornig, Frank Erdosy and Larry Kiernan. Members participating electronically were zero. Also in attendance were Utility Administrator Brittany Green, Utility Superintendent Brandon Litmer, and the District's attorney Scott Wyatt.

Guest introduction and short comments

Guests included Vicki Wilson, Kevin Choate

One guest would like to see property owned by the LSRWWD be used for green space and not sold.

2. Consent Items

- a. Minutes of 1-17-2019 Meeting
- b. Financial Report
- c. Register of Claims – Water
- d. Register of Claims – Sewer

A motion was made by Kathy and seconded by Jim to accept the consent items as presented. Motion carried.

3. Superintendent Report

- a. Sewer Status Report

Bandon stated all tests are normal and the plant is operating well.

- b. Water Status Report

Brandon stated all tests are normal and plant is operating well.

Brandon stated the carbon has been changed and he will get old carbon hauled away from the site. The old carbon lasted 10 months. Frank would like Brandon to talk to other vendors about other alternatives to see if there are more cost affective or better performing products.

Brandon showed the board an old failed saddle tap and the new replacement, He also stated most main leaks are because of failed old saddle taps.

9. Trustee Reports and Comments – none this month

10. Adjourn

Respectfully Submitted by
Claude Livesay, Secretary

These minutes are subject to approval by the LSRWWD Board at the 3-21-2019 meeting.

Clair Fredrickson Retires from L.S.R.W.W.D. Board

Clair has been a Trustee on the Water Board since 2002. He , along with other Lake Santee residents who served with him have guided RWWD through many changes during his 16 years of service. Which by the way is the longest period of time served by anyone. From the purchase of the old Lake Santee Utility from the LSPOA , The creation of the Lake Santee Regional Waste and Water District, to the construction of our Ultra-Modern Water Plant and the Waste Water Facility that we all enjoy today. We will dearly miss your Wisdom and Dedication. We hope you enjoy retirement life here at the Lake.

ATTENTION ALL LAKE SANTEE HOMEOWNERS

We will begin doing our spring cleaning in April

All of the main water lines will be flushed beginning April 3rd. and 4th. We will be doing this every Wednesday and Thursday 8:00 A.M. to 4:00 P.M. during April. While this process does not affect the quality of our water you may see some slight discoloration. We recommend that should this occur, you open a faucet and let the water run for a few minutes to flush your water lines. We also suggest that you refrain from doing laundry on these days to avoid any possibility of staining your clothes.

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

Friends of Wildlife at Lake Santee

Everyone Welcome!

Our aim is to encourage the members of the Lake Santee community
to appreciate and protect our natural setting.

~~~~~**SPRING!**~~~~~

**It's all about The Birds and The Bees!**

**How to attract birds** – Providing a variety of habitat will attract many species of birds to your backyard and the Lake Santee area. About 30 species in each region of the country will nest in boxes built to individual specifications and mounted properly\*. Others require natural habitat such as the ground, dense undergrowth, tall trees, dead trees, tree branches, marshes, wetlands and meadows. These nesting sites are available at Lake Santee. Can you match the bird to its nesting site?

- |                                           |                                             |
|-------------------------------------------|---------------------------------------------|
| 1) Ground                                 | a) Robin, Barn Swallow                      |
| 2) Dense undergrowth                      | b) Eagle, Great Blue Heron, Osprey          |
| 3) Tree cavities                          | c) Woodpecker, Owl                          |
| 4) Tree branches                          | d) Redwing Blackbird                        |
| 5) Nesting boxes                          | e) Hummingbird, Oriole, Grosbeak, BlueJay   |
| 6) Canopy of woods and forests, platforms | f) Bluebird, Purple Martin, Chickadee, Wren |
| 7) Tall grasses, meadows, marshes         | g) American Goldfinch, Mourning Dove        |
| 8) Under eaves, gutters other structures  | h) Cardinal                                 |
| 9) Vines on buildings, ledges, planters   | i) Killdeer*                                |

Remember, all birds need food, water, shelter and perching sites.

**How to rescue a bird** – While the leading cause of bird deaths is feral and domestic cats, collision with buildings and vehicles comes in second. There are things that can be done about controlling predatory cats and adding reflective remedies to windows.\* But for backyard birders the question becomes what to do for the stunned bird (frequently a favorite one, it seems) after hearing the thud on the window and looking out to see it on the ground. First, get a cardboard box (with air holes) and line it with a towel or T shirt so that she won't slide around.\* Gently cover and catch the bird with a towel or net and place her in the box. Don't touch the bird. Close the box securely. Keep her in a quiet, warm, dark place, away from activity. Check her every 30 minutes to see if she has revived and can be released. If she hasn't recovered in 2 hours, seek help from a rehabilitator. Deb Evans (812-593-2996), Betty Gabbard (812-663-9478) and Charm Seright (812-663-5465) are registered with Kathy Hershey at UTOPIA Wildlife Rehabilitators to transport injured wildlife and may be able to help you. Kathy (812-546-63180) is licensed to treat songbirds and raptors as well as mammals and reptiles.

**How Birds count at Lake Santee** – The results of the Great Backyard Bird Count are in. Thanks to Deb Evans for tallying and counting, Carol and Bob Reger, Mary Tapke, Betty Gabbard, and Kim Belter for counting.

## Bees and other Pollinators

are essential to the plants that feed birds and humans. Some native bee-friendly plants for your garden are asters, black-eyed Susan, blazing star, goldenrod, Joe Pye weed, purple coneflower, monarda, sunflower, ironweed, butterfly weed and mint. Watch the Monarch/Butterfly/Pollinator Garden at the recycle center for spring blooms.

## ~~~~~And the Flowers! ~~~~~

You are invited to join Friends of Wildlife at The Nature Habitat for an afternoon of discovery in our beautiful natural setting at 1240 Kiowa Cove, Sunday afternoon, April 14 from 2:00 to 4:00 p.m.

You may walk with a guide or take a self guided tour. ID brochures and checklists will be provided.

## **MEMBER INTRODUCTIONS AND COMMENTS**

Members were asked to introduce themselves and were given the opportunity to express comments.

- Mary Tapke, a member of the Women's Club asked about possibly having a Farmer's Market one day per month in June, July, and August. She suggested we invite vendors or maybe individuals from the lake who grow their own produce.
  - A member from the board responded by requesting more specifics prior to the next board meeting to allow the board to decide.
- Jane Newburn (1370) gave a brief presentation and requested permission to hold a program about the Ten Commandments this summer at the beach. The program would take place on Tuesday's in June and July from 10-12 with a 10-minute lesson on the Ten Commandments followed by activities such as tennis lessons, running lessons, basketball and football. Her goal is for the youth to become spiritually and physically fit. This would be open to the community as well as members. More information can be found at [www.10Cyouth.com](http://www.10Cyouth.com).
  - Shannon Gibbs will respond during the Recreation Committee reports.
- A member asked about how to go about having a rule reviewed.
  - It was suggested that he get with Carol Goodwin after the meeting to discuss.
- A member thanked President Lecher for all of his hard work along with the rest of the Board.
- Charm Seright spoke on behalf of Friends of Wildlife. She stated they would have their annual walk on April 14<sup>th</sup> from 2-4PM. They will have a knowledgeable guide for the walk along with light refreshments afterwards. Everyone is welcome to attend.
- Mike Cutrufelli reminded everyone in the audience that the CERT meeting is held on the 3<sup>rd</sup> Wednesday of the month and they are always looking for more volunteers.
- Paul Gosnell (Lake Santee RWWD President) asked for a few minutes to speak on behalf of the District. He stated in December two of their board members retired, Scott Gibbs & Clair Fredrickson. Scott was not in attendance but he wanted to recognize both for their service to the lake. He stated Clair joined the District Board in 2002 and helped them get through many obstacles including the new water plant. Paul presented Clair with a plaque to thank him for his service.

## **CORRESPONDENCE**

Brittany stated she had three pieces of correspondence to present.

1. A letter was received from American Electric Power that they would be performing right-of-way vegetation maintenance.
2. The Lake Office was notified of a foreclosure for a property located in the subdivision.
3. A request was received in the office to add a beehive to the butterfly pollinator habitat located near the recycle center.
  - a. President Lecher responded that he would like to discuss this with Steve Gauck for additional feedback, as he was heavily involved in helping this be established.

## COMMITTEE REPORTS

### Rules & Regulations – Carol Goodwin

Carol stated the Rules & Regulations committee has been going through the current rules to update the rules to reflect what is currently practiced.

Carol then presented the first reading of the following rules.

#### Swimming

6.1 – Swimming shall be at each person's own risk. **No lifeguard is on duty at the main beach or east beach.** ~~If lifeguards are on duty they will patrol the main beach only. No lifeguard will be on duty at the east beach.~~

6.2 – ~~When a lifeguard is on duty he or she will conduct safety checks lasting no longer than ten minutes every hour as necessary. During this break all swimmers will leave the water.~~

#### Fishing

7.8 – The following baits are prohibited: gold fish minnows, red hoarse suckers, ~~or~~ **carp minnows, bullhead catfish minnows, or gizzard shad minnows.**

#### Property

11.3 - Motor homes, defined as a self-propelled camper with sanitary facilities designed and manufactured for such use, are permitted in the subdivision for use as temporary camping facilities. Motor homes are not to be used as permanent living quarters. Motor homes on vacant lots must be in use every night or removed from the subdivision. No motor home shall be in the subdivision for more than 14 consecutive days. A five-day interval shall be required between stays. No motor home shall be in use for a total of more than 28 days per year. Motor homes may not be parked on Association access areas or parking lots at night. All motor homes must have current license and registration. **Motor homes may be stored within the subdivision if stored in a garage out of sight at all**

**times. Any such garage must meet all building rules and regulations. Motor homes will not be permitted to be stored within the subdivision.**

After reading the rules Carol then asked for a motion to amend rule 6.1, 7.8, 11.3 as read and strike rule 6.2. Polly Ann Fox seconded the motion, motion carried. The signs located at the beach will be reviewed once the rules have been approved after the 3<sup>rd</sup> readings.

Carol then read rule 12.4 and stated her committee is currently reviewing this rule and would like member input as we want to prevent erosion, silt, and sediment from entering the lake. Her committee is expected to meet towards the end of March. This committee is also working to review the by-laws.

### Buildings

Rule 12.4 – Shoreline protection can be wood, concrete, stone, riprap, plastic piling or masonry. Demolition and all other materials must have the approval of the building committee.

This rule is under consideration for making all shoreline property owners be responsible for protecting the shoreline with an approved building material such as riprap.

### Recreation – Shannon Gibbs

Shannon presented upcoming activities to the Board for approval.

The Easter Egg hunt will take place on April 20<sup>th</sup>. Donations are currently being accepted in the office. The “filling of the eggs” will be on Friday April 19<sup>th</sup> in the Community Room.

Shannon asked for a motion to have Dan Mobley perform in the amphitheater on May 25<sup>th</sup> (Memorial Day weekend) for \$500. Carol Goodwin provided a second, motion carried.

The July 4<sup>th</sup> Celebration will be held on July 6<sup>th</sup>. Shannon asked for a motion on the following:

1. Tom B (DJ- Mad Hatter) will be playing music in the afternoon. Shannon asked for a motion to spend \$200, Polly Ann Fox seconded the motion, motion carried.
2. Rusty Bladen (with full band) for the evening. Shannon asked for a motion to spend \$1,200. Carol Goodwin provided a second, motion carried.

Shannon is also looking for sponsors to help offset the cost of the July 4<sup>th</sup> Celebration. If you or your business would like to contribute to the celebration please contact Shannon. This is a great opportunity to advertise your business with the festivities.

During the member introductions Jane Newburn presented to the board a program (Ten Commandments) that she would like to utilize the beach area along with tennis/basketball courts, and yard on Tuesday's in June and July from 10-12. Shannon asked for a motion to approve the program pending a signed liability waiver and insurance. Carol Goodwin provided a second, motion carried. Jane stated her church has agreed to provide the insurance required.

**Lakes & Beaches – Randy Ostendorf**

Randy stated that the dam was closed on March 1<sup>st</sup>. The wet winter did not allow for the lake to drop the 5ft we had hoped. The fish habitat project is currently on hold, as maintenance will be starting to gear up for spring and mowing

Two new docks were ordered and will be placed at Tract 1E upon arrival. Brittany will have an article in the Smoke Signals about plants that would be good along your shoreline. Please contact her for more details.

**Membership – Angel Hocker (Stephanie in Angel's absence)**

Stephanie presented the following new members:

- Lot 607                Brian Desserich
- Lot 895                Jeffrey & Tracey Lusby

**Community Room Committee – Angel Hocker (Stephanie in Angel's absence)**

Stephanie stated nothing to report other than the normal activities. Brittany did add that the calendar is starting to fill up for summer so be sure to reserve your spot soon.

**Building Committee – Steve Gauck (Stephanie in Steve's absence)**

The following building permits were issued in February:

- Lot 1361            David & Sheila Moeller            Dock
- Lot 909             Dale & Kristi Thomas             Deck
- Lot 980             Andrew Taff                         Shoreline
- Lot 1004            Ann Moss                              Roof

**Clean Up – Steve Gauck (Brittany in Steve's absence)**

Brittany stated the clean up committee would be making their rounds at the end of March.

**Roads & Maintenance – Polly Ann Fox**

Polly gave a brief report stating the maintenance crew is preparing for spring. Gravel will be coming soon and is to be placed on the gravel roads. Maintenance has started to repair the erosion issues caused at the beach this winter. During the last major snow

there was an issue with the dump truck. The repairs have been completed but we are hoping for no more snow.

### **Security – Bill Ryle**

Bill stated the new Jeep is fully functional with lights and sirens. The security boat is currently getting the warranty work completed. Just a reminder to make sure you place the new sticker on your boats. Golf cart inspections will be completed on Saturdays at the office from 9-11. If you need to schedule a specific time please call Security to get it scheduled.

A reminder to please accompany your guests if they are fishing on lake access areas. Also, please watch when fishing around boats as to not let your lure damage someone's boat.

### **OLD BUSINESS**

None

### **NEW BUSINESS**

President Lecher stated to finish closing out the 2018/2019 year we need to complete some accounting transfers.

1. Transfer \$1,081 from checking to the money market account at First Financial Bank (general reserve).
  - a. Carol Goodwin made a motion and seconded by Shannon Gibbs, motion carried.
2. Transfer \$90,429 from checking to Edward Jones for set asides for the 2018/2019 budget year.
  - a. Polly Ann Fox made a motion and seconded by Carol Goodwin.

It was mentioned by Polly that the board is looking to make the set aside transfers at the beginning of the budget year moving forward instead of waiting till the end of the year to move the funds.

President Lecher asked for a motion to allow Brittany to attend the Indiana Lakes Management Conference on March 21<sup>st</sup> and March 22<sup>nd</sup>. Randy Ostendorf provided a motion with Bill Ryle seconding, motion carried.

### **MANAGER'S REPORT**

Brittany wanted to remind everyone to please watch your ditches as some many need cleared as we gear up for rain.

She also stated we acquired three lots in the 2017 tax sale that are now eligible to be sold. She is asking that instead of selling the properties through the office that the Association

hire a realtor to list the properties. Carol Goodwin made a motion that the POA sign a listing contract with a licensed real estate agent, motioned seconded by Shannon Gibbs, motion carried.

There being no further business, Randy Ostendorf moved to adjourn, seconded by Polly Ann Fox, motion carried. The next regular meeting will be held on April 10, 2019 at 7:30 PM in the Community Room.

Respectfully submitted,

Stephanie Peetz, Secretary

**All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .**
