Dock Talk (aka notes from the manager)

Watch Out Gravel Road repairs HAPPENING NOW!

Our gravel roads have been a burden for many years. We decided to fund extra money towards necessary repairs on these roads this year. You will notice our maintenance doing a lot of work on some particularly bad areas. Please be patient. The result may be that the roads are rough for a portion of the summer as the large stone used to build up the road settles.

We will also be working on drainage. If your driveway culvert is blocked, you **MUST** clear it.

Thank you!

NOW HIRING!!!!

WE ARE HIRING FOR ADMINISTRATIVE SUPPORT SPECIALIST. THIS IS A FULL TIME POSITION IN THE LAKE SANTEE OFFICE.

WE ARE EXCEPTING APPLICATIONS FOR BEACH GAURDS, MAINTENANCE HELP (16 AND OVER) AND GATE GAURDS IF YOU ARE INTERESTED PLEASE FILL OUT AN APPLICATION AND TURN INTO THE OFFICE.

Friendly Reminders

As the weather warms, many people will be out walking and biking. Drive with caution.

Be respectful of your neighbors. Do not play offensive music loudly on the water. We are all part of a community and need to respect one another.

Clear your ditches of any blockage. If your landscape is preventing the flow of water we will be forced to remove.

RWWD Reminders

We will be testing water meters and checking sewer equipment Wednesdays and Thursdays.

If you have concerns about your usage, please contact the office.

Lake Santee's Smoke Signals

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial.

The first official publication, which became known as The Smoke Signals, was first

published on March 28, 1969. It was produced by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

*To those who helped fill eggs and
setup for the hunt, and

*To our special guest, “Easter
Bunny Banks”!

**Our events would not be successful
without your help!**

The background of the entire page is a vibrant, repeating pattern of tropical leaves. The leaves are in various shades of green, yellow, and blue, creating a lush, summery feel. The leaves are stylized and layered, with some appearing in the foreground and others behind. In the center of the page is a large, dark green circle that serves as a backdrop for the event information.

Community of Caring Clean Up Day

05-04-19

9am-12pm

We will meet at the Lake Santee Main office. We will spend the morning helping some of our neighbors clean up and do simple tasks they cannot do. Bring trash bags, gloves, and yard tools.

If you know a person who needs help, contact the office to be put on the list.

Bryants Bar and Grille 2019 Golf Cart Runs

The signup sheet to be a host or a stop is at Bryants Bar and Grille. Stops can be on any road in Lake Santee, either at a house or on a lot. A drink is provided at each stop, however snacks are not expected. If you prefer, Bryants will volunteer the use of the party room.

Between stops, carts follow in single file, with no passing. Slower carts may wish to be toward the back of the line. One “stop” will be a restroom break, typically at the East Beach.

We will all end up back at the host’s house to eat. Hosts provide paper and plastic table service and a main dish (like hot dogs). Everyone brings a side dish or dessert to share.

Plan to join the fun!

Dates for 2019:

May 18 June 15 July 20

August 17 September 14 October 19

**Bryant's Bar and Grille Annual
Golf Cart Run Season Opener**

at Bryant's
May 18th at 3:00
Bring a dish to share
Details at the event

The **June Golf Cart Run** will start at
Bryant's Bar and Grille parking lot at **3PM.**

We will **go to the host's house**
then **follow the leader** to the stops.

Lake Santee Women's Club

April 8, 2019

Secretary's Report

The Women's Club traveled to Willow Leaves of Hope in Hope, Indiana for lunch and a meeting.

The meeting was called to order by Mary Tapke. After officer reports were presented, options for use of available funds was discussed. No decision was made at this time – further information is needed on costs and available funds. It was noted that a meeting was not currently scheduled for July. A meeting has been scheduled for July 8. We will have lunch at Dockside and a meeting in the Community Room. The business meeting was adjourned.

We walked to the Yellow Trail Museum which has a display of antiques from the area. "Yellow Trail" refers to the yellow paint used to guide automobile owners to the gas station in Hope. Next stop was the Moravian Cemetery. The Moravian Church is a huge part of the history of Hope. The Moravian Cemetery has a historic section that is organized by the choir system, separating graves by gender and marital status.

Our next meeting is May 13th at 11:30. It is a Progressive Luncheon. We will be going to the homes of a few ladies for each course of our meal. Please contact any officer for further information.

All Women at Lake Santee are welcome.

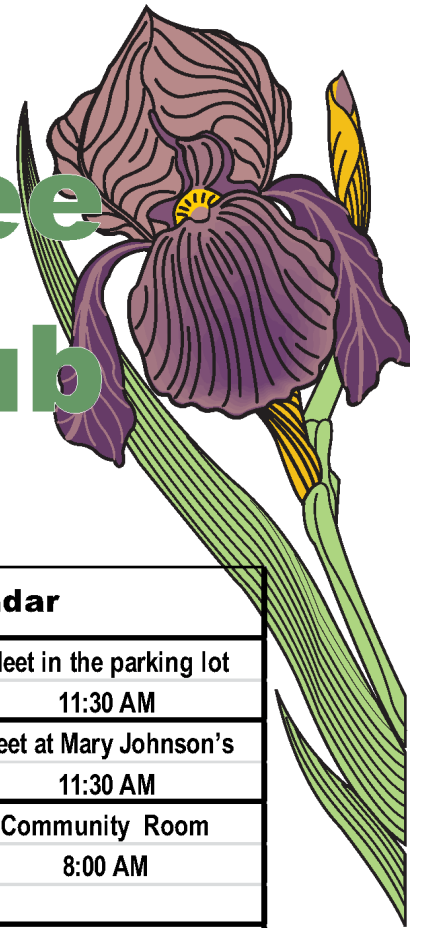

Submitted by Terri Suiters, Secretary

Telecommunications
Corporation**

3.20%^{until 2020!} APR¹

home equity line of credit

Get a new line of credit at a rate lower than most credit cards.

- Remodel your home
- Take a vacation
- Consolidate debt
- Save for a wedding

Apply at bankatfirst.com/heloc or visit your local banking center.

FIRST[®] first financial bank

APR = Annual Percentage Rate

¹The initial interest rate and corresponding initial Annual Percentage Rate will be 3.20% ("Introductory Rate"). The periodic rate and corresponding annual percentage rate are discounted and are not based on the Index and margin used for later rate adjustments. This Introductory Rate will be in effect from the date of the original Credit Agreement through December 31, 2019. The Introductory Rate will apply to new accounts with credit limits of at least \$10,000 or increases to existing accounts when the increase amount is at least \$10,000. All other terms and conditions will remain in effect throughout the life of the loan. Effective January 1, 2020, the Introductory Rate will adjust to the original terms of the Credit Agreement. Subject to credit review and approval.

Make sure your home is safe from outside fires. Don't Let Your World Go Up in Smoke.

Home fire safety doesn't stop at the door. There are many fire risks outside the home. You may have these in your backyard. Here are some ways you can keep your home safer from outside fire.

Grilling

Make safe outdoor cooking a priority.

- Move the grill away from siding, decking, and other things that can catch fire.
- Keep children and pets at least three feet away from the grill when it's hot.
- Stay with the grill the entire time you're cooking.
- Keep your grill clean so leftover grease and fat won't catch on fire.

Backyard Fire Pits

Permanent and portable fire pits bring fire danger to your home. You can prevent fire or burn injury with these simple steps:

- Make sure the fire pit is at least three feet away from your house and anything that can burn.
- Closely watch children when the fire pit is in use.
- Use a metal screen over wood-burning fires to keep sparks from floating out.
- Turn off or put out fires before you leave the backyard.
- Store matches and lighters out of children's sight and reach.

Post Office Box 308

Clarksburg, IN 47225

9-1-1 Address / Location Signs

The Clarksburg Volunteer Fire Department is selling address signs that can be attached to your mailbox or anywhere else to identify your property. These signs are 6" X 18" and are made of metal and covered with a 3M reflective material. The lettering will be on both sides and are also made of a reflective white plastic. These signs can be mounted vertically or horizontally to any post. This will help any agency find your property in case of emergency or delivery of items to your home. The cost of the signs is \$20 dollars each. Please fill out the form below and give it to any Clarksburg fireman or mail to the address below. If you need the signs sent to you via mail please add \$10 shipping to your payment for each sign ordered. We will try to deliver the signs directly to you if possible, or make arrangements to have them picked up near Clarksburg. If you are not sure about the shipping or customization please contact us at 812-527-2115 and leave a message to ask about these items.

"Picture It" at Lake Santee

Pictures will be judged in the categories of:

Scenery-Nature-Family Fun and Pets

We have decided to make a change in the due date of the pictures. the new date is December 31st. The rest of the rules still apply. They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turn them into the office or E-Mail them to me at smokesignals@etczone.com to enter the contest.

The **BEST** of the **BEST** will then be used on the following years cover of our annual **Directory** as well as in the **Smoke Signals** during the year.

Better Care Means Better Hearing!

At **Sound Hearing Solutions**, we understand that hearing loss can interfere with your quality of life. That is why from our first day together and beyond, we are here to make sure that you are always hearing at your very best.

The first step in treating hearing loss should be a comprehensive hearing test conducted by an audiologist. This allows you to understand the nature of your hearing loss and provides you with the information needed to determine the best treatment option for your personal needs.

Schedule an appointment today so we can demonstrate how our **Patient-Centered Hearing Care** can improve your life!

A Monthly Insight into the Current Lake Topics & Issues

LakeLife

May 2019 - The Water Quality Issue

Current topics >>>

Tips for Boaters

Here are some simple recommendations for all boaters to help protect the water, the shore, and our fun!

- When using wake enhancing equipment please stay in 10 feet of water. This will help keep sediment from suspending and also keep your wake large!
- When listening to music, keep the levels reasonable and the music appropriate for all listeners.
- Stay away from shorelines. Even when running at idle, you may be too close to a dock with swimmers or a fisher.
- Be cautious of where you cast when fishing, while the best spots are near structures, docks also are home to expensive boats that don't want scratched.
- Respect others. Do not behave in a way that will limit someone else's enjoyment of the lake.

Impacts of Fertilizers on Our Water Quality

How fertilizing your lawn may be harming your water

Spring is a time of growth and beauty and in a community like ours, a well-manicured lawn and a freshly planted field are just the way of life. We often add nitrogen and phosphorus fertilizers in order to enhance the growth in our lawns and help crops get the nutrients they need. But, what happens to the phosphorus and nitrogen in the fertilizer that are not absorbed by your lawn or crops? Those growth enhancing nutrients are often washed down into our water.

The impact of this Nitrogen and Phosphorus runoff can be detrimental to our water quality. They begin a process called eutrophication. The fertilizers from your lawn will begin to feed the algae in the water, resulting in explosive algae blooms. These explosive blooms are best known as Red or Blue tide. When the algae blooms, it requires oxygen. As it begins to use more oxygen, the water will become oxygen deprived and the life in the lake will compete for that oxygen. The algae blooms suspend in the water and on top of the water preventing the sunlight from reaching other plants. After being deprived of sunlight, the plants die and join the leaves and debris on the lake bottom in decomposition. Decomposition also takes oxygen from the water, further depleting the resource.

Once the eutrophication process has begun, it is a cycle that is costly to interrupt. Aquatic Control has assisted us for many years on breaking the cycle by treating the lake for algae multiple times per summer.

The chemicals used by Aquatic Control are not harmful to people, fish, or plants. They focus strictly on the algae blooms. But, like most things in life, it costs us more to fix an issue once it has begun than it would to prevent the issue.

If as a community we all took ownership and responsibility for how our behavior impacts the lake, we could make a big difference. Here are some tips of things you can do today that will impact our water quality for years to come.

1. **Use Phosphorus Free fertilizers on your lawn and landscaping.**
2. **Pay attention to the weather when you fertilize.** If it rains soon after, you will have wasted the fertilizer on your lawn and instead fertilize the lake.
3. **Do not overwater your lawn.** Conservative watering leads to less water consumption and less harmful nutrients entering the lake.
4. **Grow plants or trees along your shoreline.** These will protect the shore and help create a barrier for those nutrients to enter the water.
5. **Research before you apply.** It only takes a few minutes to google, but it could save our lake!

Lake Update>>>

Eutrophication in Pictures

Step One

Nitrogen and Phosphorus fertilizers are used on fields and lawns.

Step Three

The algae and plants in the lake begin to absorb the phosphorus and nitrogen. Algae blooms explode in the water.

Step Five

Plants within the water cannot get sunlight because of blanket of algae. Dead plants and leaves on the lake bottom begin to decompose, further depriving the lake of oxygen.

Step Four

Algae blooms use oxygen in the water to bloom and create a blanket by suspending on top and within the lake. This gives our water a murky or unclear look.

Step Two

Rain and excessive watering washes the unabsorbed nutrients (phosphorous and nitrogen) into the lake.

Step Six

The fish within the waterbody begin to die and the lake becomes an ecosystem where no life is possible.

Little Lakers>>>

Learning to Love Nature

Our community is full of life this time of year. The birds are singing, the flowers growing, and the snakes are slithering!

You may be thinking that “snakes are scary” But you shouldn’t judge a book by its cover! Not all snakes are bad. Sometimes, they are good! Without snakes, we would become overcrowded with other pest animals like mice, rats, and gross fish like shad.

The important thing to remember about snakes is not that you should be scared, it’s that you should be cautious.

Snakes, the Kinda CREEPY... Kinda COOL... Creatures of Lake Santee

Slithers and Shivers and Snakes OH MY!

Snakes are an important part of our Lake Santee ecosystem both in the woods, and in the water. Here are some fun facts about our slithering neighbors!

1. **Snakes are SCARED not SCARY!** Snakes are more afraid of us than we are of them. They will try their best to get away from us as fast as they can. If you’re scared, just be calm, walk away and let the snake slither away!
2. **Most snakes are harmless!!** While some snakes are venomous, most (if not all) in our area of Indiana are non-venomous. This means they won’t hurt you. However, you should always use caution with snakes and NEVER pick one up unless someone educated on them is helping you.
3. **Snakes SMELL using their TONGUES!** So next time a snake sticks its tongue out, he isn’t being rude, he is just taking in the smell of the world around him!
4. **They love to TAN in the sun!** Okay maybe they are not “tanning” but they do love to warm up in the sun! Especially after a long cold winter. As cold blooded creatures, they need the sun to warm their bodies.

Lake Santee
 AVENUE OF FLAGS

Sponsored by Greensburg Breakfast Optimist Club

For 2018

Consider adding YOUR name to the following list of property owners. They through the Greensburg Breakfast Optimist Club have subscribed for a flag to be displayed on the six national holidays of the year at the entrance of Lake Santee.

- | | | |
|-------------------------|--------------------------|----------------------------|
| Jim & Lisa Acton | Doug & Charity Banks (2) | Joan Banks |
| Gerald & Ann Barnett | John & Lisa Clark | Mike & Fae Cutrufelli |
| Bob & Diane Dawson | Steve & Michelle Deaton | Chris & Debbie Ehrhard |
| Randy & Leslie Emerson | Ed & Mary Fox | Claire & Nancy Fredrickson |
| Scott & Shanon Gibbs | Bonnie Gilaspy | Paul Gosnell |
| Phyllis Grant | Steve & Cathy Gray | Mark & Pam Heisler |
| Becky Hurst | Bob & Karen Jackman | Joe & Barb Jarman |
| Bob Jennings | Rick & Mary Johnson | Dave & Gina Julien |
| Ford & Jane Kennelly | Lake Santee Boosters | Lake Santee Womens Club |
| Maury & Marsha Lay | Steve & Brenda Lucas | Sandy McLean |
| Bill & Brenda McVay | Elinor Miller | Greg & Judy Montgomery |
| Bill & Marilyn Pearsey | Darrell & Ronda Peetz | Jack & Lisa Phipps |
| Bob & Carol Reger | Jack Reynolds | Tom & Jerri Russell |
| Bruce & Sharon Russo | Larry & Donna Sandman | Alan & Susan Schramm |
| Peter & Beth Schubert | Melissa Shafer | Don & Donna Smith |
| Harlan & Charlene Smith | Skip & Jonie Spetter | Craig & Kim Stilwell |
| Gary & Kathy Tarzwell | Tim & Lori Tennell | Tree City Properties |
| Dick & Judy Veach | Mike & Judy Anne Walker | Katie Weed |
| Ron & Vicki Wilson | Betty Zillick | |

The six holidays are: Memorial Day weekend, Flag Day, July 4th weekend, Labor Day weekend, September 11th, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. The Optimist Club is responsible for replacement of any flag soiled, damaged or stolen.

A subscription for a flag can be purchased by completing the form below and attaching a check: \$30 for one year; \$100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-4471.

Meetings are held the 3rd. Thursday of each month in the Community Room at 3:30 P.M.

All meetings are open meetings and everyone is welcome to attend.

Lake Santee Regional Waste & Water District
Meeting Minutes
Meeting of 3-21-2019
3:30 PM
Lake Santee Community Room

1. Call to Order / Roll Call

President Paul Gosnell called the meeting to order and requested a roll call. Members present were Paul Gosnell, Dick Veach, Claude Livesay, Kathy Tarzwell, Jim Hornig, Frank Erdosy and Larry Kiernan. Utility Administrator Brittany Green participated electronically.

Guest introduction and short comments

Guests included Vicki Wilson, Kevin Choate

One guest had several ideas which could be presented to the LSPOA.

2. Consent Items

- a. Minutes of 2-21-2019 Meeting
- b. Financial Report
- c. Register of Claims – Water
- d. Register of Claims – Sewer

A motion was made by Kathy and seconded by Jim to accept the consent items as presented. Motion carried.

3. Superintendent Report (Brittany Green gave report in Brandon's absence)

- a. Sewer Status Report
All tests are normal and plant is operating well.
- b. Water Status Report
All tests are normal and plant is operating well.
New carbon is performing well.
In April flushing of all the mains will be on every Wednesday and Thursday
- c. Brittany provided a quote for 48 membrane modules for \$42624.00. The current modules have performed well and are due to be changed. Jim made a motion seconded by Frank to order and install the new modules at a cost not to exceed \$45000.00. Motion carried.

4. Administrator Report

- a. Status report
Brittany stated all is well and staff is doing a great job. The office staff is continuing to clean up old accounts.
- b. Write-offs / adjustments
Account #56 for a leak caused by a broken pipe in the amount of \$437.64, Dick made a motion seconded by Larry to credit account #56 for \$437.64. Motion carried.
- c. Miscellaneous
The Conference attended by Brittany, Brandon and Abe was very informative. Brittany will share new ideas and comments at the April meeting.
- d. Filed liens on 2 properties in the amounts of \$1011.95 and \$624.62. Water currently is turned off to both properties.
- e. 2 New sewer taps.

Lake Santee Regional Waste & Water District
Meeting Minutes
Meeting of 3-21-2019
3:30 PM
Lake Santee Community Room

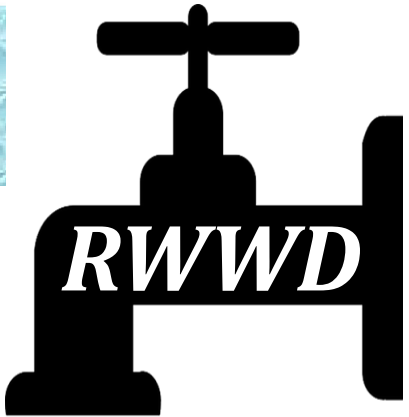

- f. Brittany stated Abe's classes are going well and he is doing a great job. His sewer license exam paperwork has been sent in and it usually takes a couple of months for exam to be scheduled.
 - g. Brittany presented a spread sheet with increases in the differential amounts. After much discussion the board decided to make no changes at this time
5. Treasurer Report
- a. Kathy stated all is going well.
6. Attorney's Report – Not in attendance.
7. Old Business
- a. Napoleon Water Update
No new information.
 - b. Wetlands Project
Scott Gibbs will start meetings soon.
 - c. Salt Creek Conversation Committee
Paul attended meeting, Committee is waiting for funding for signage and educational projects.
 - d. Serial numbers and scrap value for pumps to be considered non usable.
8. New Business
- a. The listings with Tree City Properties regarding lots 517,518 and 519 are about to expire. A motion was made by Larry and seconded by Kathy to sign new 6 month listings.
 - b. Water availability billings are going out. Brittany asked which account to deposit income into. A motion was made by Frank and seconded by Kathy to place the income into set aside account. Motion carried.
 - c. It was decided that the attorney's office will be notified when attendance is required at any future LSRWWD meetings.
9. Trustee Reports and Comments – none this month
10. Adjourn

Respectfully Submitted by
Claude Livesay, Secretary

These minutes are subject to approval by the LSRWWD Board at the 4-18-2019 meeting.

APRIL SPRING CLEANING

The maintenance staff was able to flush all of the main water lines this month. It will be done again in October. The Membrane Modules [an important part of our filtration system] have now been replaced and are working very well.

MAY PROJECT: We are going to start checking ALL water meters for accuracy. Home owners will not have to do anything ,but you should be aware that our staff will connect a hose on the outside of your home to complete the test Thank you for your cooperation.

GENERAL CONTRACTOR

LAKE SANTEE RESIDENT

Fire Damage Restoration

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

Water Damage Restoration

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

Structural Damage Board-up

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

Mold Remediation

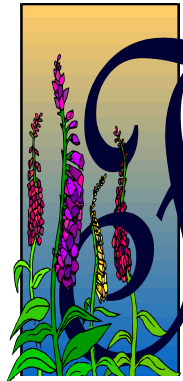

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

Trauma Clean-up

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

812-560-1857

24/7 EMERGENCY RESPONSE

Friends of Wildlife

at Lake Santee

Everyone Welcome!

Our aim is to encourage the members of the Lake Santee community
to appreciate and protect our natural setting.

SPRING IS BEAUTIFUL AT LAKE SANTEE

Wild weather canceled the Wildflower Walk but there is always something beautiful to be discovered at The Nature Habitat. So choose a nice day, pick up a brochure at the trail head and do a self guided tour. You may also be lucky enough to see a box turtle, salamander or fox!

“In every walk with Nature one receives far more than he seeks.”

John Muir

Landscaping with wildlife friendly native plants in your backyard habitat beautifies our neighborhood and can also combat climate change because they are adapted to local environmental conditions. They require far less water, herbicides and insecticides saving time, money and perhaps the most valuable resource of all, water. (National Audubon Society.) A few native trees and shrubs recommended by the Indiana Wildlife Federation: White Pine, Serviceberry, Redbud, Hawthorn, Pagoda Dogwood, Winterberry Holly, Ninebark, Elderberry, Spicebush, Arrowwood Viburnum, Nannyberry. Invasive plants to avoid: Callery/Bradford Pear, Burning Bush, Autumn Olive, Japanese and Bush Honeysuckles, Multiflora Rose.

ROAD TRIPS!

Free tree give-away on May 4 at the Decatur County Fairgrounds from 9:00 am until the trees are gone. The Decatur County Soil and Water Conservation District will have Sugar maple, Red maple, Bald Cypress, Red oak, River birch, Shag bark hickory and White pine trees. If you have lost trees to disease, construction, right-of-way clearance or climate change, or simply value their contribution to your property value, planet health or landscape ideals, this is a perfect opportunity to embellish and diversify your yard. Each Decatur County resident may receive 5 free trees. Tree up!

Wings Over Muscatatuck Bird Festival, May 11 6:30 am – 8:30 pm. “Celebrate the outdoors, see live birds of prey, build birdhouses, take a bird walk and visit the Refuge closed area during several field trips. You might even see a bald eagle. Enjoy all the Muscatatuck Wildlife Refuge has to offer in the beauty of the spring.” If you don’t sight an eagle that day, bring your binocs back to Lake Santee. There is a good-sized population of Bald Eagles right here at home! Muscatatuck National Wildlife Refuge, 12985 E. US Highway 50, Seymour, IN 47274.

“UTOPIA will have a public event on May 11th at 1:00 pm. Join us at UTOPIA for ‘Feathers, Fur and Fun’ a live animal program, tour music and kids activities. We’ll resume ‘First Saturdays’ which will run from June to October. Hope to see you then!”
UTOPIA Wildlife Rehabilitators, 18300 E County Rd 200 N, Hope, IN 47246

LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.
BOARD MEETING MINUTES
April 10, 2019

The Lake Santee Property Owners Association Board of Directors met on April 10, 2019 in the Community Room. President Doug Lecher presided and called the meeting to order at 7:30 PM. Other Directors present were Carol Goodwin, Stephanie Peetz, Angel Hocker, Randy Ostendorf, Steve Gauck, Shannon Gibbs, Polly Ann Fox and Bill Ryle. Employees present were Mike Cutrufelli (172), Rick Crawford (1482), Brittany Green (1294), and Jim Hornig (668). Members present were Nancy Adderley (708), Patti Stevens (1317), Rosie Asher (679), Carol Sargent-Trimpe & Joe Trimpe (278), John & Lisa Clark (1421), Claude & Shirley Livesay (530), Dave & Gina Julien (851), Clair & Nancy Fredrickson (348), Dick Veach (1384), Ronda Peetz (1057), Paul Gosnell (1147), Maurie Goodwin (894), Mary Tapke (284), Charles Hocker (936), and Barbara Cripe (880).

President Lecher called for a review of the minutes of the March 13, 2019 meeting. Carol Goodwin approved the minutes on a motion, seconded by Angel Hocker, motion carried.

Stephanie Peetz gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Stephanie then presented the following bills to the Board for approval:

Best Way Disposal	\$ 613.82	New Point Stone	\$ 1,790.97
Cardinal Pest	\$ 45.00	Pitney Bowes	\$ 360.92
Cardmember Service	\$ 683.60	Premier Companies	\$ 1,352.46
Colonial Life	\$ 101.54	Shelby Tire & Auto Care	\$ 572.45
Rick Crawford	\$ 35.00	Solutions Bookkeeping	\$ 95.00
Decatur Co. Treasurer	\$ 1,981.74	Stone's Farm Service	\$ 435.32
ETC	\$ 969.83	Stone's Napa Inc.	\$ 33.35
Brittany Green	\$ 358.88	Summit Microsystems	\$ 50.00
L.S. Booster Club	\$ 190.00	The Office Shop	\$ 43.61
L.S. RWWD	\$ 432.94	Tommy's Diesel Shop	\$ 2,111.73
Murphy Insurance	\$ 9,271.00	Tops Home Center	\$ 319.16
		TOTAL	\$21,858.32
Bills Paid Prior to Meeting		Purchase Power	\$ 626.97
Aquatic Control	\$ 35,802.24	Total Disbursements	\$58,277.53

After presentation, the bills were approved for payment on a motion by Polly Ann Fox, seconded by Steve Gauck.

MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

- A member stated he did not feel like enough of the member comments/discussions during the meeting were being included in the monthly minutes.
- A member stated that she believes there are not enough members on the Rules & Regulations committee that is currently going through the By-Laws and Rules for review. The member believes the committee should be more diverse.
 - Carol Goodwin responded that there are actually two separate committees; committee one consists of three board members – Carol Goodwin, Doug Lecher, and Stephanie Peetz; committee two consists of Carol Goodwin, Dick Veach, and Gina Julien. The volunteer committee makes recommendations to the board committee on what should be brought to the full attention of the board for discussion and recommendations.
 - Carol then stated that any rule change has three readings before it is complete. The readings are published in the meeting minutes through the Smoke Signals.
 - Carol then asked if anyone has a recommendation on rules they would like to see addressed to please submit in writing via email to Carol and she will present the ideas to the committees. The current focus is to bring existing rules up to date.
- Rick Crawford (Security Chief) addressed the audience in stating we did have one Security Guard resign and Jim Hornig has returned to assist.
- A member brought up speeding issues on the east side of the lake.
 - Rick Crawford responded if you see someone speeding please call Security and try to provide information on the vehicle. They do their best to catch speeders to keep the roads safe for everyone.
- Mike Cutrufelli reminded everyone in the audience that the CERT meeting is held on the 3rd Wednesday of the month and they are always looking for more volunteers. Please contact Mike for additional details.
- A member asked what type of communication the board has with our county commissioners and/or county council. He also stated the changes at the airport would have an impact on the entire county.
 - President Lecher responded that in the past we haven't had a lot of luck but can try to figure out a better approach with the county.
- Paul Gosnell stated that Nancy Fredrickson recently held a meet & greet in the community room for one of the mayoral candidates for the City of Greensburg.

CORRESPONDENCE

Brittany stated she has received numerous emails in regards to tents, the rules and possible changes, as well as whom to contact.

At the prior meeting a member asked about placing a few beehives at the butterfly pollinator habitat located near the recycle center. President Lecher responded that although the agreement for the butterfly pollinator habitat does allow this. The board discussed in detail and determined it best to decline the request

COMMITTEE REPORTS

Rules & Regulations – Carol Goodwin

Carol started her report by doing the 2nd reading of the following rules:

Swimming

6.1 – Swimming shall be at each person's own risk. **No lifeguard is on duty at the main beach or east beach.** ~~If lifeguards are on duty they will patrol the main beach only. No lifeguard will be on duty at the east beach.~~

6.2 – ~~When a lifeguard is on duty he or she will conduct safety checks lasting no longer than ten minutes every hour as necessary. During this break all swimmers will leave the water.~~

Fishing

7.8 – The following baits are prohibited: gold fish minnows, red hoarse suckers, ~~or~~ **carp minnows, bullhead catfish minnows, or gizzard shad minnows.**

Property

11.3 - Motor homes, defined as a self-propelled camper with sanitary facilities designed and manufactured for such use, are permitted in the subdivision for use as temporary camping facilities. Motor homes are not to be used as permanent living quarters. Motor homes on vacant lots must be in use every night or removed from the subdivision. No motor home shall be in the subdivision for more than 14 consecutive days. A five-day interval shall be required between stays. No motor home shall be in use for a total of more than 28 days per year. Motor homes may not be parked on Association access areas or parking lots at night. All motor homes must have current license and registration. **Motor homes may be stored within the subdivision if stored in a garage out of sight at all times. Any such garage must meet all building rules and regulations.** ~~Motor homes will not be permitted to be stored within the subdivision.~~

After reading the rules Carol then asked for a motion to amend rule 6.1, 7.8, 11.3 as read and strike rule 6.2. Shannon Gibbs seconded the motion, motion carried.

At the last meeting Carol asked for feedback on rule 12.4 as her committee was thinking of a possible change for this rule. She stated she did receive feedback and a formal rule change will be developed and brought up at a future meeting.

Carol then addressed the request to allow tents. She stated that tents are a part of the Land Restrictions not just the rules/regulations of the subdivision. She stated that American Realty put the land restrictions in place when the subdivision was developed. The Association assumed responsibility of these restrictions when the first board of directors took over. The restriction for tents was placed in the land restrictions, as the developers did not wish for the lake to become a campground. They felt that it would negatively affect the property values as they wished to see Lake Santee develop into a subdivision with homes and not just have individuals purchase a lot for lake rights and to camp. A member in the audience did state in the early years of Lake Santee they would camp at Moccasin Meadows.

Carol stated the board of directors couldn't easily change the land restrictions. Carol added that any attempt to change the Land Restrictions would be very costly to the membership as an attorney would need to be involved with any attempted change as well as a mailing to notify the membership of an effort to change the Land Restrictions. It would take 2/3 of all lot owners to respond in the affirmative for a change to take place. If a 2/3 votes in the affirmative was not received the cost associated with this would be for nothing. It was stated that when the By-Laws were last changed that it was very difficult to obtain the required votes and that we also don't have a great turnout of the membership to even vote in the yearly election.

A few members in the audience asked about the possibility of allowing tents just on holiday weekends. Carol responded that if we don't enforce the land restrictions it in turn could make the land restrictions and rules & regulations invalid. This could result in lawsuits being filed against the Association. Which again, could result in a costly issue for the membership.

Recreation – Shannon Gibbs

Shannon stated that at the previous board meeting we approved a liability waiver for special events. The board would like to allow Brittany to be able to sign acceptance of the waivers when they come into the office for special events. Shannon then proceeded to read a resolution to allow this. It was noted that we should remove Brittany's name from the resolution and just state Lake Manager. Shannon asked for a motion to accept the amended resolution, with Carol Goodwin providing a second. Motion carried.

Shannon stated that the Easter Egg Hunt would be on Saturday, April 20th at 11AM. It will last for approximately 3 seconds. At 10AM on April 19th volunteers can help fill the eggs. The office is currently accepting candy or monetary donations.

The summer season will kick off on May 25th with Captain Dan in the amphitheater.

Lakes & Beaches – Randy Ostendorf

Randy stated that we have added six Wood Duck boxes to lake access areas around the lake. With a special thanks to Tony Lake for his craftsmanship. We will again start

stocking fish and are planning the regular recommended stocking. If you are interested in building a fish structure for our fish habitat, please go to the office with your plans to discuss.

The Booster Club has offered to purchase playground equipment to be placed at both beaches along with some pieces to be placed in the grass area at the main beach. Polly Ann Fox asked for a motion to accept the gift from the Booster Club pending final size and location to be worked out. Carol Goodwin provided a second, motion carried.

Membership – Angel Hocker

Angel presented the following new members:

- Lot 190 Ryan Carter
- Lot 1466 Steve Burkhart
- Lot 1648 Megan & Adam Clark
- Lot 326 Luther & Sandra Bradford

Community Room Committee – Angel Hocker

Angel stated she had nothing to report at this time.

Building Committee – Steve Gauck

The following building permits were issued in March:

- | | | |
|------------|----------------------|----------------|
| • Lot 818 | Carl & Alida Walker | Home |
| • Lot 356 | Marc Fooksman | Dock |
| • Lot 1251 | Larry & Annette Geis | Deck |
| • Lot 909 | Dale & Kristi Thomas | Deck |
| • Lot 1526 | Patrick Morrissey | Culvert |
| • Lot 880 | Barbara Cripe | Seawall & Dock |

Clean Up – Steve Gauck

Steve stated the following about the Clean Up Committee:

Properties on watch – 3

Courtesy call, email or letter – 25

Fines – 7

It is reminded to remove old building materials from the home once the home is complete. Steve also encouraged everyone to pick up the winter debris in their yard.

Roads & Maintenance – Polly Ann Fox

Polly stated the maintenance crew completed the following during the month of March:

- Beach preparation
- Painting of doors and bathrooms
- “No wake” buoys placed
- Dock repairs
- Equipment maintenance and prep for summer mowing

- **RWWD** – flushing mains and two water & sewer taps

Polly added that we are currently looking for summer maintenance help. You must be 16 to apply please see the office for more information or the Lake Santee website.

Polly stated the planned paving was not completed due to the fall weather. O'Mara will honor our prior quote from last year to pave 1.5 miles at \$61,600. Since O'Mara will already be here the board felt it would be worth our while to attempt to get additional paving completed. Our hopes were to pave 2.5 miles, however, this was slightly higher than what we have available in the budget and in the set aside, with the quote for 2.5 miles at \$102,667.

Between the money that is currently budgeted for paving along with the funds in the set aside we could pave 2.375 miles for \$97,533.40, this includes the 1.5 miles we already committed to. The areas being paved will not be continuous as we have multiple areas in need of attention. Polly asked for a motion to spend \$97,533.40 to pave 2.375 miles with Shannon Gibbs providing a second, motion carried. O'Mara has been out and marked the road where paving will take place with them providing the calculation on the 2.375 miles.

Polly stated that her and Brittany would be getting together to talk about the different roadways and determine the best course of action as we are having lots of issues with millings. They will look to lay out a plan for the next six years for all of the roads. This will allow us to better budget and create set-asides.

Polly stated the transmission in the Dodge 1500 truck either needs replaced or repaired. We received two quotes from Widener Automotive Inc. in Batesville.

1. To replace the transmission \$3,293.72
2. To repair the transmission \$2,564.15

In discussion it was determined that the repair could actually be costlier depending on what issues the existing transmission has. It was decided that it would be best to replace the transmission. Randy Ostendorf made a motion to accept the quote for the replacement of the transmission with Steve Gauck providing a second, motion carried.

Security – Bill Ryle

Bill stated as the weather warms up to be cautious on the roadways at all hours. Many people work and exercise at different times. When you are walking in the dark or at dusk please wear reflective clothing or lights. If you notice individuals not following the rules or speeding please call security.

OLD BUSINESS

No old business at this time.

NEW BUSINESS

Nominating Committee

President Lecher stated that there would be four open positions at the election in August. Of the open positions three would be a full three-year term and one position would be for a one-year term. At that point he stated the Nominating Committee would consist of the following members:

- Keriann Martin
- Ed Fox
- Jenni Hanna
- Claude & Shirley Livesay

Carol Goodwin made a motion to accept the Nominating Committee as presented by President Lecher. Steve Gauck provided a second, motion carried.

Farmer's Market

At the last meeting Mary Tapke asked the board to consider allowing a Farmer's Market. It was previously stated that we would need additional information before we could consider this request. Mary stated that they were looking to do two markets with one being the end of July and another the first part of August. She is currently looking into vendors and what types of items could be sold. Steve Gauck had previously provided information to Mary on the Greensburg Farmer's market and its requirements. A market master would be needed as well as more direction to be managed by a sub committee. At the time the board does not feel there is sufficient information to make a recommendation on approval. Additional parameters will need to be discussed and set before an approval can be completed; however, the board does like the idea. This request is tabled until further information is provided.

Set Asides

At last months meeting we transferred the set asides from the 2018/2019-budget cycle. The board of directors has determined we would like to move the funds at the start of the budget year (2019/2020). A request was made by President Lecher to move \$92,500 for five set aside accounts from the First Financial account to Edward Jones. Carol Goodwin made a motion and seconded by Angel Hocker, motion carried.

Realtor for listing lake owned lots

At the last meeting a motion was made to speak with Realtors about listing some lake owned property that was purchased during a tax sale. Brittany presented the board with three quotes during the executive session due to the nature of the pricing. It was determined that the board would select Realtor #1 from the three quotes. Carol Goodwin made a motion and seconded by Bill Ryle. A roll call vote was called with the following members voting in favor of realtor/quote #1: Polly Fox, Steve Gauck, Shannon Gibbs, Carol Goodwin, Angel Hocker, Randy Ostendorf, Bill Ryle, and Doug Lecher. One member abstained from voting, Stephanie Peetz. Motion carried.

MANAGER'S REPORT

Brittany provided the following information on the 2019 annual billing:

Members – 696

Resigned members – 1
Non-members – 13
Triple memberships – 3
Trust non-member – 1
Double memberships – 21
Total members – 743

Out of the total billed for membership there is still \$110,000 in outstanding dues/assessments. This was the first year the billing provided an option to donate additional funds. The association received \$1,786.50 in additional funds.

Brittany stated that she attended the Indiana Lake Managers conference and learned a lot. She will be sharing some of that information in the Lake Life section of the Smoke Signals. This will include erosion control, silt and sedimentation, along with the boating impact on the water.

Heavy Trash will take place from May 4th – 12th during normal recycle center hours.

There will be a community clean up day to assist other members who have difficulties getting yard work completed. This will be May 4th from 9-Noon. If you know of someone in need of assistance please contact Brittany.

There being no further business, Shannon Gibbs moved to adjourn, seconded by Randy Ostendorf, motion carried. The next regular meeting will be held on May 8, 2019 at 7:30 PM in the Community Room.

Respectfully submitted,

Stephanie Peetz, Secretary

All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .

SCHOOL BUS SAFETY

WHEN ?
ALWAYS !

WHERE ?
LAKE SANTEE !

Please remember to
NEVER attempt to
drive around a school bus
if the school bus has
it's red lights flashing
