# Dock Talk (aka notes from the manager)

## Attention!

If you move or change address, please let the office know.

If you are not receiving your utility bills or Smoke Signals, we most likely do not have the correct address on file.

## New Playground Equipment

The Lake Santee Booster club GRACIOUSLY donated several items of NEW playground equipment to our community! They will be going up at the main beach and east beach. Some will be in the sand and some in the grass!

**THANK YOU BOOSTER CLUB!**

***YOU ASKED, WE LISTENED!***

***SUMMER RECYCLE CENTER HOURS ON THURSDAYS WILL BE 5-7:30***

## Friendly Reminders

As the weather warms, many people will be out walking and biking. Drive with caution.

Be respectful of your neighbors. Do not play offensive music loudly on the water. We are all part of a community and need to respect one another.

Clear your ditches of any blockage. If your landscape is preventing the flow of water we will be forced to remove.

## RWWD Reminders

We will be testing water meters and checking sewer equipment Wednesdays and Thursdays.

If you have concerns about your usage, please contact the office.

# Lake Santee's Smoke Signals

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial.

The first official publication, which became known as The Smoke Signals, was first

published on March 28, 1969. It was produced by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

To confirm schedule please check our website or call.***

- **SUPER FRESH!** Hand-harvested just before you receive them!
- **SUPER SWEET!** A genuine tree-ripened peach, left to hang in the Southern sun
- **SUPER FLAVOR!** Grown in the Georgia red clay under the perfect climate...

Since 1890 and for 5 generations, Pearson Farm has been growing the finest peaches Georgia has to offer. We farm the same soil today our great-great grandfather farmed over 120 years ago. The traditions of growing sweet Georgia peaches has been handed down from generation to generation and we would love for you to enjoy the fruits of our labor. **Enjoy!** [www.pearsonfarm.com](http://www.pearsonfarm.com)

# **Bryants Bar and Grille 2019 Golf Cart Runs**

The signup sheet to be a host or a stop is at Bryants Bar and Grille. Stops can be on any road in Lake Santee, either at a house or on a lot. A drink is provided at each stop, however snacks are not expected. If you prefer, Bryants will volunteer the use of the party room.

Between stops, carts follow in single file, with no passing. Slower carts may wish to be toward the back of the line. One “stop” will be a restroom break, typically at the East Beach.

We will all end up back at the host’s house to eat. Hosts provide paper and plastic table service and a main dish (like hot dogs). Everyone brings a side dish or dessert to share.

Plan to join the fun!

**Dates for 2019:**

**May 18   June 15   July 20**

**August 17   September 14   October 19**

# June 15<sup>th</sup> Golf Cart Run at Stevens Lot 1317, 3PM

There wasn't a ride in May due to a lack of guest stops. A pitch-in lunch and a scavenger hunt was held at Bryants Bar and Grill instead.

# BASS TOURNAMENT

What a difference a few weeks can make!!! Based upon the severe weather predicted for the day, the Lake Santee Bass Tournament scheduled for April 14<sup>th</sup>, 2019 was rescheduled for May 5<sup>th</sup>. It was a good thing it was, as several county properties received extensive damage from the day's storms and a funnel cloud was reported over the central and northern portion of Decatur County as well! As much as everyone loves to enjoy our beautiful lake, no one's life is worth trying to catch a few little green fish!!

Fortunately for all, May 5<sup>th</sup>, brought beautiful weather and a great day to be on the water. Seventeen teams took part in the tournament, where the father/son duo of Butch and Marco Mikesell picked up where they left off last year, catching nearly three times the weight of the second-place finishers. The Mikesell's five largemouth bass totaled 19 lbs. 13.6 oz. and included the event's big bass, a 6-4.4 giant! WOW!

Second place was also a father and son team, Matt and Scott Perkins, who's total weighed 6 lbs. 8.8 oz. Third place was captured by the brother team of Eric and Pat Richter with 5 lb. 11.8 oz. How is that for a real family-fun event!!

The trophies for this event were sponsored by Ronda Peetz at Tree City Properties... Thank you, Ronda, for all you do for the fishermen and our community overall!

We have a great group of angling friends who join us each month to take part in the Lake Santee Bass Tournaments. Come join us and be part of the fun, or just take time to come to a weigh in after the tournaments to see all that fishing has to offer at beautiful Lake Santee!

Until next time... Take a child fishing and practice CATCH & RELEASE on all of Lake Santee's Bass!

God bless,

Lisa & Chip Ayers

# Lake Santee Women's Club

## May 13, 2019

### Secretary's Report

Our May Women's Club meeting was a Progressive Luncheon. The Luncheon was hosted by Sue Fortman – Appetizers, Mary Fox – Main Course, and Judy Graves – Dessert. We had a great time and really enjoyed the warm hospitality and great food provided by our hostesses. A Big "THANK YOU" to our hostesses. We know this is a lot of time and work.

A number of subjects were discussed during our meeting.

- Tree City Rolling Tour – Members were asked to donate items for this event. Please deliver your donations to Mary Johnson by 6/21.
- Funds – Still gathering information to determine how to best use our funds.
- July Meeting – A July meeting has been added to the schedule (July 9 at 11:30, Lunch at Dockside and meeting in Community Room.)
- Auction – Donation Committee is beginning work on collecting Business donations. Volunteers selected businesses to contact.

Our next meeting is a Pitch-In Salad Luncheon hosted by Mary Johnson on June 10th at 11:30. Please contact any officer for further information.

All Women at Lake Santee are welcome.

Submitted by Terri Suiters, Secretary

2019 LSWC Officers:

President: Mary Tapke  
Secretary: Terri Suiters  
Treasurer: Kathy Tarzwell

APR = Annual Percentage Rate.

<sup>1</sup>The initial interest rate and corresponding initial Annual Percentage Rate will be 3.20% ("Introductory Rate"). The periodic rate and corresponding annual percentage rate are discounted and are not based on the index and margin used for later rate adjustments. This Introductory Rate will be in effect from the date of the original Credit Agreement through December 31, 2019. The Introductory Rate will apply to new accounts with credit limits of at least \$10,000 or increases to existing accounts when the increase amount is at least \$10,000. All other terms and conditions will remain in effect throughout the life of the loan. Effective January 1, 2020, the Introductory Rate will adjust to the original terms of the Credit Agreement. Subject to credit review and approval.

# Make sure your home is safe from outside fires. Don't Let Your World Go Up in Smoke.

Home fire safety doesn't stop at the door. There are many fire risks outside the home. You may have these in your backyard. Here are some ways you can keep your home safer from outside fire.

## Grilling

Make safe outdoor cooking a priority.

- Move the grill away from siding, decking, and other things that can catch fire.
- Keep children and pets at least three feet away from the grill when it's hot.
- Stay with the grill the entire time you're cooking.
- Keep your grill clean so leftover grease and fat won't catch on fire.

## Backyard Fire Pits

Permanent and portable fire pits bring fire danger to your home. You can prevent fire or burn injury with these simple steps:

- Make sure the fire pit is at least three feet away from your house and anything that can burn.
- Closely watch children when the fire pit is in use.
- Use a metal screen over wood-burning fires to keep sparks from floating out.
- Turn off or put out fires before you leave the backyard.
- Store matches and lighters out of children's sight and reach.

Clarksburg, IN 47225

## 9-1-1 Address / Location Signs

The Clarksburg Volunteer Fire Department is selling address signs that can be attached to your mailbox or anywhere else to identify your property. These signs are 6" X 18" and are made of metal and covered with a 3M reflective material. The lettering will be on both sides and are also made of a reflective white plastic. These signs can be mounted vertically or horizontally to any post. This will help any agency find your property in case of emergency or delivery of items to your home. The cost of the signs is \$20 dollars each. Please fill out the form below and give it to any Clarksburg fireman or mail to the address below. If you need the signs sent to you via mail please add \$10 shipping to your payment for each sign ordered. We will try to deliver the signs directly to you if possible, or make arrangements to have them picked up near Clarksburg. If you are not sure about the shipping or customization please contact us at 812-527-2115 and leave a message to ask about these items.

# "Picture It" at Lake Santee

Pictures will be judged in the categories of:

## **Scenery-Nature-Family Fun and Pets**

We have decided to make a change in the due date of the pictures. the new date is December 31st. The rest of the rules still apply. They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turn them into the office or E-Mail them to me at [smokesignals@etczone.com](mailto:smokesignals@etczone.com) to enter the contest.

The BEST of the BEST will then be used on the following years cover of our annual Directory as well as in the Smoke Signals during the year.

## Before You Boat

5 tips for all boaters that will help ensure the only thing needing a tow this summer is your tube, wakeboards, and skis, not your boat!

- Wash away the winter! If you need a good detailer, there are a few that live around Lake Santee.
- Clear out the bilge. Rain and snow can accumulate there through the winter and spring months.
- CHARGE YOUR BATTERY! You don't want to be "that guy" with a boat full of people ready to take off and no power to move!
- Service the boat or have a professional do it. We are lucky to have a marina right here in our community that can help us with our boating needs!
- Safety, Safety, Safety! Make sure you have everything in case of an emergency. First aid kit, proper life jackets, etc.!
- Last, but certainly not least, CHECK THE DRAIN PLUG! We want structure for our fish, but your boat is not an approved fish structure! ☺

## Walking, Jogging, and Biking Safety

*How the pedestrian can ensure their own safety*

We have such a beautiful slice of paradise here at Lake Santee. We are blessed with scenic views and shade trees. We have quiet and peaceful shorelines and friendly neighbors. All of these wonderful features make morning, evening, and midday activities more enjoyable than anywhere around. But, with all this beauty, we also have some danger. We have a beautiful curvy paved road with about 47 turns and multiple blind spots. This could create a terrible situation if we all do not work together, both pedestrians and drivers, to own our safety and our neighbor's safety.

We all know that drivers should utilize extreme caution on the roads. No texting and driving, no speeding, pay attention to the road and stay alert. But, pedestrians can play an important role as well. Here are a few tips for those riding and walking in our beautiful community.

**1. When walking in the early morning, late afternoon, or night wear reflective clothing and a light of some kind.** There are multiple options for these lights and they are the best way to warn drivers.

**2. Stay on the side of the road!** Whether you are walking, jogging, or biking, being in the middle of the road is unsafe.

**3. If riding a bike in a group, do not take up both lanes.** Cars may need to pass and in order to do so safely, bikers need to stay in their lane.

**4. Keep your ears open.** We all love to listen to some work out jams or the latest pod cast, but if you can't hear vehicles approaching, you cannot be aware of the danger.

**5. Keep pets on a short leash.** Allowing your fur baby to wander across the road could cause an accident if a driver doesn't see them. Keep the leash tight and make sure they are close to you at all times. Also, pick up after them! No one wants to step in something nasty!

**6. Be polite and courteous.** If you have a close call, yelling or give rude hand signals will only make the situation worse. It could cause the driver to swerve or be distracted or it could cause the pedestrian to be distracted. It's also not neighborly. We are a small community and people make mistakes. Kindness goes a lot farther than anger. *Stay safe and enjoy your summer!*

## Lake Update>>>

# Recycling Made Simple

As many of you know, we are privileged to offer FREE public recycling in our community. This is a program funded by Decatur County Solid Waste Management. Recently, the program has been forced to make some tough decisions with their placement of bins due to abuse of the bin and the program. As a community, this is a service we want to maintain and in order to do so, we must be responsible and accountable for what we place in the bins. Here are some tips on proper recycling!

### Clean is Key

Make sure you wash out your cans and glasses before you recycle them. Dirty cans and greasy pizza boxes are not accepted. It only takes a minute to clean the can with some water before you toss it!

### Breakdown Boxes

We all love shopping on amazon where everything is a click away, but this leads to TONS of boxes each week hitting the recycle center.

Breakdown your boxes so that we can fit everyone's recyclables in the bins. If you forgot, that's okay, Pat has tools to help cutting that tape nice and easy. Just ask!

### Remove Lids

Water bottles are recyclable! All you need to do is take the lid off and through it in the bin separate. This makes the re-use process easier!

### THANK YOU!

*Thank you for helping us protect this beautiful earth for generations to come!*

## Little Lakers>>>

### Learning to Love Nature

*The 17 year Cicadas "Megatibicen pronotalis walker" or the "Locusts" are BACK!!*

Every 17 years a type of Cicada emerges from the ground to entertain us with their LOUD singing! Here are some **FUN FACTS** about these mysterious and **SUPER COOL** creatures!

Luckily for us in this section of Indiana, we will have them again in 2021!

*Stop, Hey, What's that sound? Everybody look as Cicadas emerge from the Ground!*

### Cicada Science

1. **They start smaller than RICE!** Mom cicadas dig a small groove into a tree where they lay their egg. The baby cicada (larvae) will feed on the tree fluid until it is big enough to move down to the ground. This feeding will usually kill the small limb and you will see dead leaves.
2. **17 year Cicadas live most of their life underground!** During these years, they feed on fluid from roots. The Cicadas DO NOT hibernate, instead they are active for all 17 years!
3. **Cicadas shed their SKIN!** They emerge from the ground as a NYMPH which basically looks like a creepy big beetle. They climb on the trees and hold on tight while their skin gets hard and they CRAWL OUT OF IT!! This is when their WINGS INFLATE!
4. **Male Cicadas have DRUMS in their belly and spend the last months of their 17 year life, singing in trees looking for LOVE!**
5. **Cicadas have BEAKS!** They are one of the few insects that has a beak like a bird that they feed and drink through!
6. **Cicadas can be louder than a JACK HAMMER!** The 17 year cicada measures 105 decibels a jackhammer measures at 100 dB!

### **ATTENTION ALL MEMBERS AND ADVERTISERS**

**Let us know if you are not getting your Smoke Signals**

We have asked the Post Office to no longer return Smoke Signals to us that have a bad address. This has been costing us as much as \$18.00 per copy. If you do not receive your Smoke Signals by the 25th. of the month, it will be your responsibility to notify us, **AND GIVE US YOUR CORRECT ADDRESS.** Members should call the Lake Santee office at 812-527-2943, and advertisers should call Nancy Fredrickson at 812-527-2316. Thank you for your cooperation

### **NOTICE TO ALL HOME OWNERS**

**Change of hours at the recycle center  
THURSDAY'S ONLY 5:00-7:30 P.M.**

### **SYMPATHY**

**LARRY HAMILTON** Passed away on May 7th.,2019. Joan and Larry were long time members of Lake Santee. Our condolences go out to Larry's family and friends.

## Better Hearing Means Better Overall Wellness

**Communicate Effectively** - stay engaged with the important people in your life.

**Be Happy** - improved hearing health contributes to a better quality of life and decreased rates of depression.

**Stay Sharp** - untreated hearing loss has been linked to cognitive decline.

Meetings are held the 3rd. Thursday of each month in the Community Room at 3:30 P.M.

All meetings are open meetings and everyone is welcome to attend.

Lake Santee Regional Waste & Water District  
Meeting Minutes  
Meeting of 4-18-2019  
3:30 PM  
Lake Santee Community Room

1. Call to Order / Roll Call

President Paul Gosnell called the meeting to order and requested a roll call. Members present were Paul Gosnell, Dick Veach, Claude Livesay, Jim Hornig, Frank Erdosy. Also in attendance were Utility Administrator Brittany Green, Utility Superintendent Brandon Litmer.

Guest introduction and short comments  
Guests included Abe Koehne

2. Consent Items

- a. Minutes of 3-21-2019 Meeting
- b. Financial Report
- c. Register of Claims – Water
- d. Register of Claims – Sewer

A motion was made by Claude and seconded by Jim to accept the consent items as presented. Motion carried.

3. Superintendent Report

- a. Sewer Status Report  
Test normal, no issues

Drying beds emptied, sludge to be hauled to landfill next week

Ordered 8 new tanks for new customers  
Ordered 6 new pumps for stock

11 Serial numbers (C732700-0200, C736323-0200, C747421-0100, C743043-0400, C743011-0400, C740266-300, C1312551-080, C745178-0400, C747389-0400, C747399-040, C769031-0900), provided for pumps considered non usable, approximate total salvage value \$55.00. A motion was made by Frank and seconded by Dick to dispose of non usable pumps. Motion carried.

- b. Water Status Report  
Test normal, no issues.

Flushing going well, finish 4/24. Repeat all flushing in October.

Installed new membrane modules last week. New modules should last 8 to 10 years.

Hauled old carbon to landfill last week.

Testing of water meters to start next month.

Checking for cleanout caps and any need for tank extensions.

Getting quotes to upgrade plant lighting to LED.

Lake Santee Regional Waste & Water District  
Meeting Minutes

Meeting of 4-18-2019

3:30 PM

Lake Santee Community Room

Chorine solenoid valve bad. Living Water serviced and provided spare parts.

4. Administrator Report  
a. Status report

Michelle provided resignation effective 5/31. Brittany will work on job description and post opening.

Abe's licensing test scheduled for 4/23

- b. Write-offs / adjustments – None this month.  
c. Miscellaneous

Brittany asked for ideas on how to better handle renters moving out and not paying their LSRWWD bills, After much discussion, item was tabled until next month.

Brittany asked for board to look at weekend shut off rate and policy, After much discussion, item was tabled until next month.

Availability Fees billed in the amount of \$7022.22.

Brittany to check balance concerning account 474-5.

New document safe to be delivered in 2 weeks.

5. Treasurer Report - None

6. Attorney's Report – None

7. Old Business

- a. Napoleon Water Update  
Paul working with Napoleon Water to set meeting with homeowner and awaiting closing of new owner regarding second property.
- b. Wetlands Project – Scott Gibbs working on scheduling meetings.
- c. Salt Creek Conservation Committee – no update

Lake Santee Regional Waste & Water District

## Lake Santee Wildlife Featured in Nature Calendar

Friends of Wildlife at Lake Santee is preparing a wall calendar of nature photographs, wildlife information and lake events to be available at the Lake celebration on the 6<sup>th</sup> of July. The calendar year will begin in October 2019 and continue through September 2020. We are requesting a \$5.00 donation for each one, the funds to be used to create, protect and restore habitat at Lake Santee. All local photographs and photographers are featured. Visit us on the 6<sup>th</sup> for your calendar and a free ticket for a rain barrel raffle and other backyard items.

## Free Backyard Conservation Workshop at Lake Santee

Monday, June 17<sup>th</sup>, Lake Santee will host a workshop at the community room to teach gardening and landscaping practices to enhance your backyard habitat. The program will begin at 6:00 p.m. Following the presentations you will be able to build your own rain barrel! You will need to Pre-register for a Rain Barrel by calling Jenna at 812-663-8685 ext. 3 by June 7<sup>th</sup>. See ad on page 13

### **Fire Damage Restoration**

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

### **Water Damage Restoration**

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

### **Structural Damage Board-up**

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

### **Mold Remediation**

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

### **Trauma Clean-up**

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

**LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.**  
**BOARD MEETING MINUTES**  
**MAY 8, 2019**

The Lake Santee Property Owners Association Board of Directors met on May 8, 2019 in the Community Room. President Doug Lecher presided and called the meeting to order at 7:30 PM. Other Directors present were Carol Goodwin, Stephanie Peetz, Angel Hocker, Randy Ostendorf, Steve Gauck, Shannon Gibbs, Polly Ann Fox and Bill Ryle. Employees present were Rick Crawford (1482) and Brittany Green (1294). Members present were Maurie Goodwin (894), Charlie Hocker (936), Ginger Ryle (579), Jane and Jerry Newburn (1370), Charm Seright (121), Paul Gosnell (1147), Clair & Nancy Fredrickson (348), Claude & Shirley Livesay (530), Kevin Choate (440 & 441), and Barbara Cripe (880)

President Lecher called for a review of the minutes of the April 10, 2019 meeting. The minutes were approved on a motion by Carol Goodwin, seconded by Polly Ann Fox, motion carried.

Stephanie Peetz gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to audit.

Stephanie then presented the following bills to the Board for approval:

Acra Auto	\$ 405.04	MetLife	\$ 925.74
Ashley Machine Co	\$ 154.75	Dan Mobley	\$ 500.00
Cardinal Pest Control	\$ 45.00	Murphy Insurance	\$ 6,463.00
Cardmember Service	\$1,539.51	OEM Diesel	\$ 3,313.93
Colonial Life	\$ 101.54	Premier Companies	\$ 1,331.96
Rick Crawford	\$ 35.00	Solutions Bookkeeping	\$ 95.00
ETC	\$1,194.83	Stone's Farm Service	\$ 1,098.45
Brittany Green	\$ 189.55	Stone's Napa	\$ 32.91
Greensburg Tool &Supply	\$ 483.21	Summit Microsystems	\$ 50.00
Hoeing Supply	\$ 394.45	Tops Home Center	\$ 129.33
Hountz Concrete	\$ 115.00	Wickens & Wickens	\$ 901.67
LSRWWD	\$ 442.57	TOTAL	\$19,942.44

Bills Paid Prior to Meeting

Decatur County Recorder	\$ 25.00	Decatur Co. REMC	\$ 1,488.93
Greensburg Tool & Supply	\$ 73.03	Purchase Power	\$ 188.99
Vinyl Solutions Unlimited	\$ 126.29	<b>TOTAL DISBURSEMENTS</b>	<b>\$21,844.68</b>

After presentation, the bills were approved for payment on a motion by Carol Goodwin, seconded by Steve Gauck, motion carried.

### MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

- Jane Newburn with 10C Youth asked to revise her current approval on the use of the main beach area on Tuesday's in June/July from 10AM – 12PM. In addition to her current approval she asked for the use of the picnic tables just outside of the community room to allow the kids to play board games and/or cards for those with physical limitations. She also wanted permission to place a small reserved sign on the tennis/basketball courts.
  - Shannon stated she would address this in the Recreation Committee report.
- A member in the audience asked where the Board/Management stood on current projects, if a visual management system was in place, where the vision and mission statements were located.
  - President Lecher and Polly Fox responded that we do have a long-range plan in place. We try to provide as much information to the membership and continue to do the best we can.
- A member in the audience thanked the board for all of their hard work.
- A member in the audience asked when the contract mowers would start mowing the unimproved lots. He also asked if the board would consider moving the final mowing to later in the year such as September.
  - It was stated that lots must be mowed no later than May 16<sup>th</sup> with the last mowing requirement currently being August 16<sup>th</sup>.
- Charm Seright spoke on behalf of Friends of Wildlife. She stated that they are looking to publish a calendar and Paul Gosnell will be assisting them. The calendar will consist of photos of nature and wildlife at Lake Santee. The calendars will go on sale at the July 6<sup>th</sup> celebration. The cost will be \$5 and the funds will go to assist with creating and restoring wildlife habitat at Lake Santee.
- Charm also stated she was disappointed when she read in the last Smoke Signals that the request to place a beehive in the pollinator habitat was turned down and asked for further clarification from the board as to why. She also added that a beehive near the pollinator habitat would be great for the habitat itself. It was stated that the honey would have had the potential for profit, which would

essentially be derived from association owned property. Charm understood and offered her assistance in finding uses for any honey that was produced if the hive did well (not every hive produces large amounts).

- Brittany added that she had an additional conversation with the beekeeper and would provide that information to the board to see if a solution could be reached.
- Rick Crawford (Security Chief) stated they are currently looking for additional personnel to help fill in when people are off. Please apply at the office. He also added that we are still in need of Beach/Gate Guards.

## CORRESPONDENCE

Brittany stated that the office received notification of a property in the subdivision being placed on Sherriff Sale May 28<sup>th</sup>.

Brittany also stated she received a request from Dr. Peter Schubert (current member) in regards to a project on soil remediation. The project would remove the impurities in the soil to allow for reusable energy. With the request he asked for 105 gallons of soil to be used in testing. It was noted the soil requested would come from the pile (hilled area) at the recycle center. Polly Fox made a motion to allow no more than 105 gallons of soil to be donated to the project with Angel Hocker providing a second, motion carried. Brittany did add that Lake Santee would be mentioned as a donor in the final research write-up.

## COMMITTEE REPORTS

### Rules & Regulations – Carol Goodwin

Carol started her report by doing the 3<sup>rd</sup> and final reading on the following rules:

#### Swimming

6.1 – Swimming shall be at each person's own risk. **No lifeguard is on duty at the main beach or east beach.** ~~If lifeguards are on duty they will patrol the main beach only. No lifeguard will be on duty at the east beach.~~

6.2 – ~~When a lifeguard is on duty he or she will conduct safety checks lasting no longer than ten minutes every hour as necessary. During this break all swimmers will leave the water.~~

#### Fishing

7.8 – The following baits are prohibited: gold fish minnows, red hoarse suckers, ~~or~~ carp **minnows, bullhead catfish minnows, or gizzard shad minnows.**

#### Property

11.3 - Motor homes, defined as a self-propelled camper with sanitary facilities designed and manufactured for such use, are permitted in the subdivision for use as temporary camping facilities. Motor homes are not to be used as permanent living quarters. Motor homes on vacant lots must be in use every night or removed from the subdivision. No motor home shall be in the subdivision for more than 14 consecutive days. A five-day interval shall be required between stays. No motor home shall be in use for a total of more than 28 days per year. Motor homes may not be parked on Association access areas or parking lots at night. All motor homes must have current license and registration. **Motor homes may be stored within the subdivision if stored in a garage out of sight at all times. Any such garage must meet all building rules and regulations. ~~Motor homes will not be permitted to be stored within the subdivision.~~**

After reading the rules Carol then asked for a motion to amend rule 6.1, 7.8, 11.3 as read and strike rule 6.2. Steve Gauck seconded the motion, motion carried.

Carol then went on to say that she has received a lot of requests this year and have taken them to her appropriate committees for review. She then went on to do a first reading of rule 4.1 with proposed changes and added rule 4.1 B.

4.1 Only one boat of each type available is allowed on the lake per membership. For example: only one speed, pontoon, sail, bass, and motorized fishing boat will be permitted. A deck boat may be substituted for either a speed or pontoon boat. In addition, the member may have a canoe, rowboat, paddleboat, raft, etc. The length of speed, **deck**, bass and fishing boats shall not exceed 20 feet. ~~Deck boats are not to exceed 22.5 feet.~~ Pontoon boats are not to exceed 28 feet. No watercraft with sleeping or on-board toilet facilities will be permitted. Wake enlarging equipment (ballast, mechanical blades, etc.) will be limited to boats 20 feet in length and under.

- a) Paddle boards will be considered a watercraft and will comply with all boating rules included in this boating section. Members may have up to six paddle boards in addition to the boats and watercraft listed above. Paddle boards will only require a single set of lot numbers and will only display one permit.
- b) **Any deck boat measuring up to 22.5 feet that has a valid title on file in the LSPOA office before June 15, 2019 shall be grandfathered against the rule stating the length for deck boats. Such deck boats may be transferred to any other member in good standing and considered grandfathered for the duration of the life of the boat or while a valid title is on file at the office and properly stickered each year. Any transfer of ownership must be documented properly with the office at time of sale. If a boat goes unstickered for a year it will no longer be grandfathered by this rule.**

After reading the rule Carol then asked for a motion to amend rule 4.1 and add 4.1B as read. Polly Ann Fox seconded the motion, motion carried. The rule will be presented for a second reading at the June 12<sup>th</sup> meeting.

Carol read a first reading of rules 11.12 and 11.15. This would amend 11.12 and 11.15 would be a new rule.

#### Property

11.12 No person shall store in open view any motor vehicle, boat, or trailer which is incomplete, inoperable or in the case of motor vehicles are not operated on a regular basis. **Any vehicle or trailer that has an expired license plate two years outdated or more must be removed from the members property. Any boat that has an expired sticker more than two years old must be removed from the members property.**

#### Property

11.15 **Any lawn mower or other outdoor equipment that is inoperable for more than three months must be stored inside an approved structure or removed from the members property. All lawn mowers or other outdoor equipment in working order and kept outdoors must be stored in an orderly manner.**

Carol asked for a motion to approve rule 11.12 and 11.15 as read, Bill Ryle seconded the motion, motion carried. These rules will be presented for a second reading at the June 12<sup>th</sup> meeting.

A member in the audience asked for clarification on the definition of an orderly manner as mentioned in the proposal of rule 11.15. Steve Gauck and Carol Goodwin both provided further clarification – no debris, easily accessible, and in a clean manner.

Another member in the audience asked if Carol would consider publishing all requests she has received. Carol stated since she requires all suggestions to be placed in writing she could go back and compile a list of what has been requested this year. She stated that fencing has been a big topic recently as we currently only allow a fence up to 48 inches. She did remind everyone she does consider all requests and tries to accommodate as many as possible.

#### **Recreation – Shannon Gibbs**

Shannon started by saying the Easter Egg Hunt was a success. Although we had snowflakes and it was very wet the kids had a blast collecting eggs. The rain did seem to stop long enough for the kids to collect the eggs - no egg was left behind. She thanked those who made it a success. She stated that Miss Tree City and Jr. Miss Tree City were in attendance for the hunt. Carol was gracious enough to pick up the prizes for next year.

Bands have been lined up for the summer with Dan Mobley kicking things off on Saturday May 25<sup>th</sup> at 7PM in the amphitheater. The exercise program will be moving to 10:00 – 10:45 in June.

During the member introductions Jane Newburn asked to revise her request that was approved at the March meeting for her 10C Youth camp in June/July. She asked for the use of the picnic tables near the community room and also to place a reserved sign on the tennis and basketball courts for Tuesday's and Thursdays in June and July from 10AM – 12PM. Shannon asked for a motion to accept Jane's request allowing for the use of the picnic tables and to place a sign reserving the tennis and basketball courts from 10-12 on Tuesday's in June and July. Randy Ostendorf seconded the motion, motion carried.

**Lakes & Beaches – Randy Ostendorf**

Randy stated that the three docks ordered for lake access areas have arrived and will be placed soon. The bathroom doors at the main beach have been replaced. The boards on the diving dock will also be replaced soon. An area at the main beach has been flagged for the location of the new playground equipment being donated by the Lake Santee Booster Club. The area at the east beach will be flagged later this week. The equipment should start arriving over the next few weeks with our maintenance crew completing the installation.

**Membership – Angel Hocker**

Angel presented the following new members:

- Lot 905            Dave & Tammy Fisk
- Lot 442            Tony Branstutter

**Community Room Committee – Angel Hocker**

Angel stated the usual monthly activities took place.

**Building Committee – Steve Gauck**

The following building permits were issued in April:

- |                 |                       |                  |          |
|-----------------|-----------------------|------------------|----------|
| • Lot 851       | Gina Julien           | Dock             | Approved |
| • Lot 7         | Robert Ross           | Roof             | Approved |
| • Lot 1417-1418 | Albert Day            | Ditch/Culvert    | Approved |
| • Lot 1032      | Tom & Paula Davis     | Detached Garage  | Approved |
| • Lot 1340      | Deena Alton           | Deck, Garage     | Approved |
| • Lot 626       | Wilbert & Teresa Nall | Pool             | Approved |
| • Lot 1318      | Greg & Leslie Yazel   | Driveway Culvert | Approved |
| • Lot 108       | Steve Knight          | Detached Garage  | Approved |
| • Lot 880       | Barbara Cripe         | Home Addition    | Approved |
| • Lot 466-467   | Chad & Amy Dehaven    | Home             | Pending  |

- Lot 1251          Larry Geis                      Roof Replacement          Approved

### **Clean Up – Steve Gauck**

Steve stated that courtesy letters are going out to members. There are some fines in place. Overall everyone is doing a great job with keeping the properties clean. Very soon the committee will be doing another lake tour and will also include a tour via water.

### **Roads & Maintenance – Polly Ann Fox**

Polly stated the maintenance crew completed the following during the month of April:

- New stone on almost all gravel roads – this is a better quality stone, which allows for it to be graded easier.
- 2.37 miles of Santee Drive was paved – It looks great!
- Replaced bathroom doors at the main beach
- Mowing is in full swing
- Continuing to work on ditches and drainage issues

Polly also added that one of the part time people for summer would be starting next week. Once the playground equipment arrives the maintenance crew will begin installation.

Polly is currently working on getting quotes for improvements on the recreation courts at the main beach area. If you have any suggestions on what you would like to see Polly asked that you email her. She stated they are looking at possibly putting in a pickle ball court. She is looking at lots of options but does not have a rough idea on pricing just yet. These quotes can be used for next year during the budget process.

Polly said although she is looking at quotes to greatly improve the recreation courts we need to do some repairs in the mean time. She stated one of the backboards for the basketball goal is cracked and needs replaced along with replacing the netting behind the basketball goals. Polly asked for a motion to spend up to \$2,790 to replace both basketball goals and up to \$775 to replace the netting. Steve Gauck seconded the motion, motion carried.

Polly said within the next two weeks herself; Brandon, and Brittany will be sitting down to work on a five to six year plan for the roads. This will also include a summary of what has been completed in the past.

A member in the audience asked when maintenance would be going through and adding gravel along the new stretch of pavement. Polly said maintenance is currently working on this and will have it completed in the next few weeks. They started putting additional gravel at the intersections and will then work on the shoulders.

### **Security – Bill Ryle**

Bill stated that the security boat is back and will be in the water soon. He urged everyone to be cautious of your speed when driving around the subdivision. On the water, please use common sense and be courteous to everyone in regards to the noise level. Please call Security with any issues.

A member in the audience asked what Security's typical hours are with President Lecher responding that the hours vary daily with being on the road vs. on call hours.

### **OLD BUSINESS**

*Farmers Market* – President Lecher stated that Mary Tapke was not able to attend the meeting, however, she provided some details to Doug in advance. He stated Mary Tapke would act as the Market Master and would adopt the current Greensburg Farmers Market contract for vendors in regards to food safety and other requirements. President Lecher asked for a motion to allow Mary to proceed with forming the Farmers Market with the understanding she is adopting the current practices of the Greensburg Farmers Market. The markets for 2019 would take place on July 27<sup>th</sup> and August 31<sup>st</sup> as a trial for this year to see if it is successful. Carol made a motion to accept the proposal as President Lecher stated with Angel Hocker providing a second, motion carried.

### **NEW BUSINESS**

*Self Sustaining Community* – President Lecher stated he had been approached by a member asking if the LSPOA or District board had ever thought about pursuing solar/hydro power or any additional ways to have more self sustaining modes of operation. The member is currently working with groups in Oldenburg as they are considering steps to take to implement methods that provide more self-sustaining power, etc. The projects in Oldenburg are the beginning of a multi year process. The member has volunteered to chair a committee at the lake to just take a very high level look at a few areas to see if we could benefit.

*County Commissioners* – At the previous meeting a member asked if the board of directors had considered getting more involved with the County Commissioners. President Lecher stated that he is suggesting a possible Q&A if the Commissioners would be willing. This would be a separate time from the board meeting.

### **MANAGER'S REPORT**

Brittany started her report by stating Michelle in the office has given her notice on the Administration Specialist position. The position has been posted and so far 93 resumes/applications have been received. We are also still looking for summer help to include Beach/Gate Guards along with maintenance.

Brittany provided the audience with some brief updates on the following projects:

- Drainage issues
- Road quality
- Road maintainer being used to help with potholes and to reclaim portions of the gravel roads
- Milled roads are not holding up and potholes are being filled with gravel
- Working to build up the gravel roads more
- Ditch issues – still more to address
- Water quality and sediment issues in the lake – check out Lake Life in the Smoke Signals for more details on water quality.
- Silt & Sediment committee will be meeting next week
- Salt Creek Watershed will be holding a meeting/educational workshop on June 17<sup>th</sup> at 6PM – see Smoke Signals for more details. Paul Gosnell added that you could sign up to receive a rain barrel.

Brittany stated that she had completed a poll with member feedback in regards to the Recycle Center. She asked the board to consider changing the current Thursday hours 4:00 – 6:30 to be 5:00 – 7:30 during the summer months. This would be on Thursday's only. Carol Goodwin made a motion to accept the updated summer hours, Angel Hocker provided a second, motion carried.

*Recycle Center - Adjusted Summer Hours  
5:00 – 7:30PM (Thursday)*

There being no further business, Carol Goodwin moved to adjourn, seconded by Shannon Gibbs, motion carried. The next regular meeting will be held on June 12, 2019 at 7:30 PM in the Community Room.

Respectfully submitted,  
Stephanie Peetz, Secretary

**All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .**

# SCHOOL BUS SAFETY

WHEN ?  
**ALWAYS!**  
WHERE ?  
**LAKE SANTEE!**

Please remember to  
**NEVER** attempt to  
drive around a school bus  
if the school bus has  
it's red lights flashing  
with it's **STOP ARM** extended.

All residents please make sure  
that construction vehicles are  
**NOT BLOCKING** the road  
from 6:30 am to 8:00 am and  
3:00 pm to 4:30 pm.

It is our duty and the law to keep our children safe.

BENEFITTING

The  
children  
of Lake  
Santee!

**905 SE Mohawk Trail**

Welcome friends, welcome Fisks! Lot 905 is freshly filled with the Fisk family. Brothers Steve and Dave Fisk along with their wives Dianne (Steve) and Tammy (Dave) joined us at the end of April. Steve and Dianne have been married for 41 years, have raised four children, and are blessed with seven grandchildren. Dave and Tammy are Lake Santee vets as they owned property from 2004-2009, while raising four children as well. They couldn't stay away; therefore, the Fisk Family Cottage at "Lake Sanity" was established!
