## Lake Santee's Smoke Signals

The By-Laws of the LSPOA state in Article IV, Section 4 and Article IX, Section 2 that the Association will have an official monthly publication

.Our first Lake Manager, the late Tony Miller, gleaned from his travels to other lakes that the organization of a Booster Club to handle this publication would be beneficial.

The first official publication, which became known as The Smoke Signals, was first

published on March 28, 1969. It was produced by a group of VOLUNTEERS and continues as such to this day.

Funds for this monthly publication are received from donations from LAKE SANTEE MEMBERS and our ADVERTISERS. If you would like to VOLUNTEER or CONTRIBUTE, contact: Paul or Nancy

---

Paul E. Gosnell Editor

1147 E. Pueblo Trail Greensburg , In. 47240

812-662-8593 E-Mail smokesignals@etczone.com

Nancy Fredrickson Treasurer

and Advertising Director

348 SW Shoshone Trail Greensburg , In. 47240

812-527-2316 E-Mail nancyf@etczone.com

Clair Fredrickson Graphic Designer

Volunteers for mailing and transportation are

Bonnie Gilaspy –DelaneErdosy - Shirley & Claude Livesay  
Phyllis Boyer—Alice Ball

We would also like to thank our great office staff, who maintains the mailing list and prints the labels, as well as providing the monthly calendar. To both of our governing boards and the various clubs here at the lake that contribute to the make up of this publication that we call

The SMOKE SIGNALS

Thank you one and all The Booster Club

*"The Starlight Sapphire"*  
Murder Mystery Dinner Theater  
presented by the Central House Players.

County REMC**

A Touchstone Energy® Cooperative 

**BUDGET  
BLINDS**

Style and service for every budget.®

Family owned local business Serving Greensburg and the Lake Santee area.

We provide the best custom window treatments for your home including blinds, shutters, shades, drapes and more.

Looking for convenience with variety? We have almost 50 different partners in the window treatment industry and we bring the showroom right to your home.

Budget Blinds works with you to determine the best window treatments for your home, take all the measurements and ensure they are installed just the way you want them.

Give us a call at **812-720-3700** or visit us on Facebook or at [www.budgetblinds.com/columbusIN](http://www.budgetblinds.com/columbusIN)

After REMC is finished some of you will have tree trunks or other wood on your property that you don't want.

This is ***only for wood left by REMC***. Lake Santee Maintenance will remove it for you at no cost if you will ***call the office and give your permission and lot number(s)***. They will use the wood to heat the maintenance building then put the rest out for anyone who can use it.

The season finale!

# ANNUAL STOCKING OF FISH SEPTEMBER 4 th.

4,000 Large Mouth Bass and 1,000 Hybrid Striped Bass found a new home at Lake Santee

# BASS TOURNAMENT

On August 11<sup>th</sup>, 2019, thirteen teams took part in the fifth bass tournament of the season at beautiful Lake Santee. This event was met with perfect weather conditions and was also the final combined tournament of the U.S.A. Bassin' Lake Santee Division for the 2019 season.

With a five bass limit weighing 18-0.2 lbs., Matt and Scott Perkins took top honors for both events. Their bag also included the tournament's big bass, a 5-6.2 giant! With this win, the father and son duo clinched the U.S.A. Bassin' points title for the season, winning an entry into the April 2020 Lucas Oil Tournament of Champions at Lake Chickamauga in eastern Tennessee. The first-place award in that event alone is \$10,000! Congratulations Matt and Scott!

Second place was captured by the team of Paul Bruns and Chuck Sieg with another five bass Lake Santee limit weighing 12-1.6 lbs. The team of Tim and Carson Tennell (with Tim's beautiful wife Lori acting as a stand-in!!) held on with three bass weighing 7-14.4 lbs. for a third-place finish. Tim and Lori own Tennell Farms in Flatrock, Indiana and were gracious enough to sponsor this month's winners' plaques. Thank you, Tim and Lori!

As stated above, several of our teams took part in the U.S.A. Bassin' portion of our events, and, as such, have successfully qualified for the numerous upcoming regional events in an effort to qualify for the prestigious U.S.A. Bassin' Ranger Classic, to be held at Lake Chickamauga TN in May of 2020. Good luck to all of our teams advancing on to those tournaments!

As everyone can see, it really pays off to take part in the Lake Santee Bass Tournaments. Until next time, please make time to take a child fishing and remember, **PLEASE PRACTICE CATCH AND RELEASE ON ALL OF LAKE SANTEE'S BASS.**

God Bless,

Lisa and Chip Ayers

# Lake Santee Women's Club

## September 9, 2019

### Secretary's Report

*The Lake Santee Women's club met at Izzy's Restaurant for lunch. We enjoyed a nice luncheon and visiting with other members. Shannon Gibbs, LSPOA Board President joined us for lunch.*

*After lunch we moved to the outside deck to hold our monthly meeting. Shannon presented information about the Lake Tennis Court Project that is currently underway. This is a project that could benefit from support from the Women's Club. Members discussed possible funding and ultimately voted to give \$10,000 to the LSPOA for this project.*

*The remainder of the meeting was a discussion of the Annual Auction. Based on this discussion, we hope to continue to improve the auction and better distribute the workload. Our auction was very successful this year allowing us to continue to donate to the lake. A Committee Sign up sheet for 2020 Women's Club Activities was passed around.*

*Lake Santee Women's Club is open to all Women at Lake Santee. We would love for you to join us at any meeting. Our next meeting is Oct 14 at 11:30 - Lunch at Dockside then "Safety Tips" presented by Clarksburg Fire Dept in the Community Room.*

*Submitted by Terri Suiters, Secretary*

**2019 LSWC Officers:**

**President:** Mary Tapke

**Secretary:** Terri Suiters

# Make sure your home is safe from outside fires. Don't Let Your World Go Up in Smoke.

Home fire safety doesn't stop at the door. There are many fire risks outside the home. You may have these in your backyard. Here are some ways you can keep your home safer from outside fire.

## Grilling

Make safe outdoor cooking a priority.

- Move the grill away from siding, decking, and other things that can catch fire.
- Keep children and pets at least three feet away from the grill when it's hot.
- Stay with the grill the entire time you're cooking.
- Keep your grill clean so leftover grease and fat won't catch on fire.

## Backyard Fire Pits

Permanent and portable fire pits bring fire danger to your home. You can prevent fire or burn injury with these simple steps:

- Make sure the fire pit is at least three feet away from your house and anything that can burn.
- Closely watch children when the fire pit is in use.
- Use a metal screen over wood-burning fires to keep sparks from floating out.
- Turn off or put out fires before you leave the backyard.
- Store matches and lighters out of children's sight and reach.

Clarksburg Volunteer Fire Department

# Clarksburg Volunteer Fire Department

Post Office Box 308

Clarksburg, IN 47225

## 9-1-1 Address / Location Signs

The Clarksburg Volunteer Fire Department is selling address signs that can be attached to your mailbox or anywhere else to identify your property. These signs are 6" X 18" and are made of metal and covered with a 3M reflective material. The lettering will be on both sides and are also made of a reflective white plastic. These signs can be mounted vertically or horizontally to any post. This will help any agency find your property in case of emergency or delivery of items to your home. The cost of the signs is \$20 dollars each. Please fill out the form below and give it to any Clarksburg fireman or mail to the address below. If you need the signs sent to you via mail please add \$10 shipping to your payment for each sign ordered. We will try to deliver the signs directly to you if possible, or make arrangements to have them picked up near Clarksburg. If you are not sure about the shipping or customization please contact us at 812-527-2115 and leave a message to ask about these items.

## ***Teepee Talk***

### **ATTENTION ALL LAKE SANTEE RESIDENTS**

REMC will be at Lake Santee in late September and/or October clearing trees and other blockages from around power lines. They will be aggressively clearing approximately 15 feet on either side of the lines.

They will chip limbs and as much debris as they can, but felled trees will be left on site. If you do not want to, or cannot clear any leftover wood from your property our maintenance crews will be coming by to remove it. That wood will be stored to heat the maintenance building and any remaining wood will be made available for members.

## **Notice!**

The late hours on Thursday for the Recycling Center will stop on October 1<sup>st</sup>. We will start regular winter hours at that time.

**The First Financial ATM will be removed on October 31. Please plan your banking needs accordingly.**

# CLARKSBURG VOLUNTEER FIRE DEPARTMENT'S ANNUAL CHILI SUPPER SEPTEMBER 19th.

# "Picture It" at Lake Santee

Pictures will be judged in the categories of:

## **Scenery-Nature-Family Fun and Pets**

**We have decided to make a change in the due date of the pictures. the new date is December 31st. The rest of the rules still apply. They should be 4 x 6 in size , identify them with your name , lot number and phone number. Please remember they are to be taken on Lake Santee property. Then turn them into the office or E-Mail them to me at [smokesignals@etczone.com](mailto:smokesignals@etczone.com) to enter the contest.**

**The BEST of the BEST will then be used on the following years cover of our annual Directory as well as in the Smoke Signals during the year.**

**YOU ALWAYS WANT TO KEEP YOUR CAMERA CLOSE BY**

| Harlan & Charlene Smith   | Skip & Jonie Spetter       | Craig & Kim Stilwell    |
| John & Beth Stroh         | Gary & Kathy Tarzwell      | Tim & Lori Tennell      |
| Tree City Properties      | Dick & Judy Veach          | Rick & Teresa Veach     |
| Mike & Judy Anne Walker   | Katie Weed                 | Ron & Vicki Wilson      |

The six holidays are: Memorial Day weekend, Flag Day, July 4<sup>th</sup> weekend, Labor Day weekend, September 11<sup>th</sup>, and Veteran's Day. The flags are posted a dawn and taken down at sunset by volunteers at the Lake. Each of the flags has been flown over the nation's Capital. The Optimist Club is responsible for replacement of any flag soiled, damaged or stolen.

A subscription for a flag can be purchased by completing the form below and attaching a check: \$30 for one year; \$100 for four years.

Mail or deliver the completed form and a check made out to the Greensburg Breakfast Optimist Club to Ed Fox or Rick Johnson. For more info, call Ed 812-593-0171 or Rick 317-850-4471.

All meetings are open meetings and everyone is welcome to attend.

**Lake Santee Regional Waste & Water District**  
**Meeting Minutes**  
Meeting of 8-15-2019  
3:30 PM  
Lake Santee Community Room

1. Call to Order / Roll Call

President Paul Gosnell called the meeting to order and requested a roll call. Members present were Paul Gosnell, Dick Veach, Claude Livesay, Kathy Tarzwell, Jim Hornig, Frank Erdosy and Larry Kiernan. Also in attendance were Office Staff Fae Cutrufelli, Utility Superintendent Brandon Litmer, and Abe Koehne.

Guest introduction and short comments

Guest - Vicki Wilson

Guest made a comment about placing a pond in the location of lots 517,518 and 519 instead of selling them to help with water runoff. The guest stated they have many ideas to preserve green spaces around the lake and would like to share with the board in the future.

2. Consent Items

- a. Minutes of 7-18-2019 Meeting
- b. Financial Report
- c. Register of Claims – Water
- d. Register of Claims – Sewer

A motion was made by Frank and seconded by Kathy to accept the consent items as presented. Motion carried.

3. Superintendent Report

- a. Sewer Status Report
  - Plant operating well
  - All tests normal
  - 1 Tank to install
  - Drying beds clean and ready
- b. Water Status Report
  - Plant is operating well
  - New LED lights were installed inside the plant.
  - Brandon is consulting with Water Solutions on the cost of equipment to add chloraminees at the plant and will start the permitting process.
  - The HAA5 results will be posted in the Smoke Signals as required.
  - The seconded samples taken at Lots #1543 and #1650 were in the normal range
  - Response letter to IDEM will be sent by the end of August.
  - The test water meter has been calibrated and testing will resume 8/26.

Frank made a motion seconded by Jim for \$3000 to purchase and install 3 automatic flush valves. Motion carried.

Kathy made a motion seconded by Claude for \$1133 to purchase 11 new LED wall pack light fixtures to upgrade outside plant lighting. Motion carried.

4. Administrator Report (By Fae)

Lake Santee Regional Waste & Water District  
Meeting Minutes

Meeting of 8-15-2019

3:30 PM

Lake Santee Community Room

a. Status report

Working on Procedures Binder

Updating and cross checking all data with POA data base.

Preparing unclaimed money reports and mailings.

Stated the LSRWWD computer software and hardware are in need of updates

Frank will research pricing for new items and present at September meeting.

Frank made a motion seconded by Kathy for \$1000 regarding 16 hours of training concerning J-Hawk software. Motion carried.

b. Write-offs / adjustments

Lot 344 \$80.03 Sewer Credit

Lot 474 \$123.44 Sewer Credit

Lot 285 \$56.11 Sewer Credit

Frank made a motion seconded by Dick to credit \$259.58 to the 3 customers accounts. Motion carried.

5. Treasurer Report-None

6. Attorney's Report

- a. Anne is preparing a draft for a new policy to transfer renter delinquent bills to the home owner.

7. Old Business

- a. Napoleon Water Update

1 home owner signed agreement and working with Napoleon for signature from last home owner so project can move forward.

- b. Wetlands Project

Dick provided update.

8. New Business

- a. LSPOA accepting resumes for open lake manager position

- b. Dick ask for clarification on policy for buildings being placed over sewer lines. This would require board approval.

9. Trustee Reports and Comments

- a. Start with moving of all LSRWWD documents to the new safe ASAP.

- b. Frank stated he will be resigning from the LSRWWD board at the end of the year.

- c. Fae to check on the renewal date of the current insurance policy.

- d. Abe to check on removal of dead tree on track #4.

10. Adjourn

Respectfully Submitted by  
Claude Livesay, Secretary

These minutes are subject to approval by the LSRWWD Board at the 9-19-2019 meeting.

# *the WATER COLUMN*

## **IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER**

### **LEVELS OF HALOACETIC ACIDS ABOVE DRINKING WATER STANDARDS FOR LAKE SANTEE RWWD**

Our water system recently violated a drinking water standard. Although this is not an emergency, as our customers, you have a right to know what happened, what you should do, and what we are doing to correct this situation.

*We are required to monitor your drinking water for specific contaminants on a regular basis. The results of regular monitoring are an indicator of whether or not our drinking water meets EPA's health standards. The results that we received for Haloacetic Acids for the 4/1/2019 to 6/30/2019 monitoring period show that our system currently exceeds the standard(s), or Maximum Contaminant Level(s) (MCL). The MCL for Haloacetic Acids is 60 ug/L. As of 6/30/2019 our locational running annual average for Haloacetic Acids is 68.6 ug/L.*

#### **What should I do?**

*You do not need to use an alternative (e.g., bottled) water supply. However, if you have specific health concerns, consult your doctor.*

#### **What does this mean?**

*Some people who drink trihalomethanes (THM) in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer. Some people who drink water containing haloacetic acids (HAA) in excess of the MCL over many years may have an increased risk of getting cancer.*

#### **What Happened? What is being done?**

We are currently working with IDEM and Water Solutions Unlimited to maximize our treatment process so we can deliver the highest quality water possible. We are installing automatic flush valves on three flush hydrants located at locations where the water main dead ends. This will lower the age of the water and help decrease the haloacetic acids in the water. We also backwashed the granular activated carbon at the water plant to remove any organics, which contribute to the formation of haloacetic acids. We anticipate being back in compliance during the next monitoring period in August 2019.

For more information, please contact Brandon Litmer at (812) 527-2943 or by mail at 13 SW Wrenn Parkway, Greensburg, IN 47240.

*Please share this information with all other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distribution copies by hand or mail.*

This notice is being sent to you by Lake Santee RWWD. PWSID# IN5216003

# *the WATER COLUMN*

## **Attention Absentee Home Owners**

Homeowners would be well advised to turn off their water while away. Homeowners are prohibited from operating the water meter valve or removing and/or loosening the meter to drain lines. All customers are required by the rules to have their own valves in place to valve off and drain their homes as necessary. If you want the District to also turn off the meter valve, we will be happy to do so, however the District will not be held liable for meter valves that are not 100% tight. You are advised not to depend solely on the meter valve. The charge for valving is \$10.00 during regular work hours of 7:30 AM to 4:00 PM, \$20.00 after hours. The same charges apply to valves turned on. The District cannot turn on water to a home unless the customer has a valve closed to protect the home or a responsible adult is present.

### **Homeowners Pumps**

Your grinder pump is not a garbage disposal. The following items should not be put in your system: Glass metal, diapers, socks, rags, cloth, plastics, sanitary napkins, tampons, explosives, flammable materials, lubricating oils or grease, strong chemicals, gasoline, sand, gravel, fish scales, cleaning fluids, pesticides, herbicides and toxic chemicals. The District owns the grinder station and customers are not permitted to open the tank or control panel.

**If the red light on the electric box for your grinder pump is on, it means your pump is not working properly. During regular business hours call the office at 527-2943. After regular hours call 560-1157 if you see your light or your neighbors' light on.**

A district employee will respond promptly. Also remember, there is an ordinance that prohibits the planting of trees, flowers, shrubs or other plantings within five feet of the station to allow accessibility. In addition no plantings shall be placed on the side of the pump facing the nearest road to promote visibility of the visual alarm from the roadway. Painting of the control panel or pump tank is prohibited.

# Friends of Wildlife at Lake Santee

*Everyone Welcome!*

Our aim is to encourage the members of the Lake Santee community to appreciate and protect our natural setting.

## Friends of Wildlife Calendar Begins Now!

As a desktop or wall calendar it's a very convenient way to keep track of temperature highs and lows, rainfall dates, bird sightings and bloom times. All proceeds go to the Abba Garden at the Nature Habitat and other projects and events around Lake Santee. They are available for \$5.00 in the office or call 812-663-5465 and leave Charm a message for home delivery.

## Wildlife Prepares for Winter

It's a busy time for birds and bees and critters as summer ends, days shorten and temperatures cool. Hummingbirds are feeding heavily and moving south so fewer and fewer birds are seen at the feeders until the last stragglers finally pass by, and then they are gone. Squirrels are busy storing nuts and acorns in tree cavities or burying them in the ground. Rabbits, beavers, deer and mice will grow thicker coats for winter and some will begin burrowing in the ground for cover. One activity that humans find annoying is that mice may try to inhabit their houses for warmth.

??

## Fall Garden Tips for Backyard Habitats

There are things that can be done now to provide food and shelter for wildlife during the harsh winter months. Some of these tips save time and energy!

- 1) Leave fallen leaves in place or spread raked leaves over flowerbeds, under trees and along hedges. They provide shelter for small mammals, habitat for insects and also protect soil and mulch plants for next year.
- 2) Leave dry plant stems and seed heads standing in the garden. All kinds of insects will crawl inside to spend the winter and birds will feed off the leftover seeds.
- 3) 3) Avoid cutting hedges and ornamental grasses until the end of winter. They provide valuable shelter and food for birds and small mammals.

- 4) Clean, repair and sanitize the nesting boxes. Some birds will roost together for shared warmth in harsh climates. (Indiana Wildlife Federation)

Kim smith rescue bird: Picture of rescued Cedar Waxwing. Story of rescue and delivery to UTOPIA.

The Nature Habitat, October 2, 1:00 pm. Meet with Friends of Wildlife and Zach Voyles, DNR Biologist, to learn about extending the pollinator garden at the Abba Butterfly garden.

Muscatatuck National Wildlife Refuge, October 13. Big Sit Bird Count is an informal gathering on deck of the visitor center. Sit and list birds you see as long as you want from 1 hour before sunrise to one hour after sunset. The best time to view is early morning as birds are more active then. Call Charm, 812-663-5465 to participate.

UTOPIA's last First Saturday , October 5<sup>th</sup> from 1 to 3. Want to carpool? Meet in the parking lot at 11:30 to go to Greensburg for lunch and on to UTOPIA afterwards.

Restoration  
Company LLC.**

**GENERAL CONTRACTOR**

**LAKE SANTEE RESIDENT**

**Fire Damage Restoration**

We are the team you call after the fire department leaves. The fire is out, but what will you do about the damage, including smoke damage? Adderley Restoration carefully evaluates the site and determines an action plan.

**Water Damage Restoration**

When water invades your home or business, we respond fast. Whether you have a small leak or a total flood, time is key. We act fast, by first extracting the water from the site. If necessary, carpets and pads are removed, as well as any other elements effected by the moisture.

**Structural Damage Board-up**

An important step when damage occurs is to secure the site. With our 24 hour availability, we can have a team on your site ready to board up windows, doors and other structural openings. This way we can minimize the possibility to theft, personal injury or lawsuits.

**Mold Remediation**

We are trained to identify, eliminate and prevent mold and mold growth after restoration. Even when mold is not visible, it can be found behind paneling; inside walls and cabinets; and below flooring; and even in the duct work.

**Trauma Clean-up**

Exposure to biological chemical contaminants can bring serious health consequences. You must be sure to properly remove any substances that could contribute to dangerous environments.

**LAKE SANTEE PROPERTY OWNERS ASSOCIATION, INC.**  
**BOARD MEETING MINUTES**  
**September 11, 2019**

The Lake Santee Property Owners Association Board of Directors met on August 14, 2019 in the Community Room. President Shannon Gibbs presided and called the meeting to order at 7:30 PM. Other Directors present were Carol Goodwin, Stephanie Peetz, Angel Hocker, Randy Ostendorf, Andy Laudick, Doug Lecher, Mike Manlick and Bill Ryle. Employees present were: Rick Crawford (1482) and Mike Cutrufelli (172). Members present were: Terri & Buddy Suiters (1416), Dan Archiable (252), Albert Day (1418), Pete & Kathy Gray (193), Tony & Connie Adelman (199), Judy & Dick Veach (1584), Tom & Jodi DePalma (218), Beth Gray (106), Lisa Deno (1354), Rob & Janet Stoffel (1366), Rodney Schmidt (791), Claude & Shirley Livesay (530), Mary Tapke (278), Joe & Carol Trimpe (278), Pam Kachur (577), Leon Crowe (817), Paul Gosnell (1147), Betsy & Kyle Kennelly (906), Polly Fox (881), Steve Alverson (238), Dave Whiteside (266), Dave & Gina Julien (891), Bill & Joyce Meyer (939), Larry & Anna Kiernan (562), Kevin Choate (440), Clay & Liz Kellerman (561), Nathan & Beth Walsman (1568), Brian Desserich (607), Doug Stenger (625), Jason Kuck (624), Bob & Autumn Hurm (1349), Clair & Nancy Fredrickson (348), Charlie Hocker (936), Chris Ehrhard (915), Tom Eberle (914), Scott Gibbs (352), Vicki Wilson (510), Ryan Kennelly (941), Mark Good (855), and Dave Roa (1383).

President Shannon Gibbs called for a review of the minutes of the August 14, 2019 meeting. The minutes were approved on a motion by Carol Goodwin, seconded by Angel Hocker, motion carried.

Stephanie Peetz gave a brief review of the Treasurer's report. The Treasurer's report was approved subject to review.

Stephanie then presented the following bills to the Board for approval:

Aquatic Control	\$60.00	Lake Santee RWWD	\$488.09
Alerding	\$3,280.00	Levinsteins	\$400.00
Anthem	\$2,706.48	Metlife	\$259.65
Cardinal Pest Control	\$45.00	Meyer, Bernard	\$3,600.17
Cardmember Services	\$61.00	New Point Stone Co	\$2,146.68
Colonial Life	\$101.54	Purchase Power	\$417.98
Rick Crawford	\$35.00	RBSK	\$309.09
Rick Crawford	\$22.65	Solutions	\$95.00
Decatur REMC	\$1,407.75	Scheidler Brothers	\$148.84
DISA Global	\$123.00	Stone's Farm Service, Inc.	\$259.43
Dyna-Pak Corp	\$1,376.00	Stone's NAPA	\$284.67
Dwight Stevens	\$500.00	Summit Microsystems	\$50.00

ETC	\$972.02	The Office Shop	\$131.32
Greensburg Tool & Supply	\$68.53	Tim Lecher Farm Service	\$126.09
Hoeing Supply	\$1.81	Tops Home Center	\$33.61
Justus, Richard	\$233.82	Trent Moss	\$400.00
Kendall Electric	\$79.08	Lake Santee Booster Club	\$30.00
Lake Santee POA Petty Cash	\$182.05	Premier Companies	\$1845.05
Lake Santee Marina	\$285.26		
Lake Santee RWWD	\$544.08	Total Disbursements:	\$23,110.74

After presentation, the bills were approved for payment on a motion by Carol Goodwin, seconded by Bill Ryle, motion carried.

### MEMBER INTRODUCTIONS AND COMMENTS

Members were asked to introduce themselves and were given the opportunity to express comments.

- Mary Tapke on behalf of the Lake Santee Women's Club presented the Board of Directors with a check for \$10,000 to be used on the sports courts that are currently being remodeled. She thanked all those who participated in the auction for their continued support as they collected more than previous auctions this year.
- A member in the audience asked what was being done in regards to a firearm being discharged in the subdivision.
  - Rick Crawford from Security responded that they have no visual confirmation that it's a firearm being discharged. However, he would discuss with the Board further and involve the Sherriff's Department if needed.
- Polly Fox thanked the Women's Club for their generous donation. Polly and her husband, Terry, graciously volunteered to still be involved in the redesign of the sports courts after Polly's term on the Board of Directors ended. She gave a quick update on the status of the courts with the estimated completion to be in the next couple of weeks. Three of the five coatings are down. She will get with Doug and suggest that the Sand Volleyball court be completed in the spring.
- A member in the audience thanked the board for their action with an issue from the prior months meeting.
- Terri Suiters, also thanked all of the individuals involved in making the Women's Club auction a success.
- A member in the audience wanted to confirm the Board of Directors received his email and what action was taking place on rule 5.6.
  - A Director responded that this discussion would take place under the Rules & Regulations section of the meeting.

### CORRESPONDENCE

There was no correspondence to present.

## COMMITTEE REPORTS

### Rules & Regulations – Carol Goodwin

Carol stated to the audience that the Rules Committee is made up of 4 board members along with two non-board members. Since the non-board members are volunteers and not elected Carol is hesitant to name them although those members are free to name themselves if they wish.

President Gibbs further clarified that the By-Laws state the Rules Committee is made up of three current board members. Periodically the By-Laws call for a review of the current rules. This is the process we've been going through and Carol recruited a few other members in good standing of the community to participate. The committee has been going through this process for a while now and has diligently been reviewing the rules. Shannon also added that as members you are more than welcome to lobby to us about your concerns and suggestions on rules.

Carol then read the following rules to be voted on by the Board of Directors:

#### Rule 4.1

Only one boat of each type available is allowed on the Lake per membership. For example only one speed, pontoon, sail, bass and motorized fishing boat will be permitted. A deck boat may be substituted for either a speed or pontoon boat. In addition the member may have a canoe, rowboat, paddle boat, raft, etc. The length of speed, bass & fishing boats shall not exceed 20 feet. Deck boats are not to exceed 22.5 feet. Pontoon boats are not to exceed 28 feet. No watercraft with sleeping or on board toilet facilities will be permitted. Wake enlarging equipment (ballast, mechanical blades, etc.) will be limited to boats 20 feet in length and under.

- a) Paddle Boards will be considered a watercraft and will comply with all boating rules included in this boating section. Members may have up to six paddle boards in addition to the boats and watercraft listed above. Paddle boards will only require a single set of lot numbers and will only display one permit.
- b) Any deck boat measuring up to 22.5 feet that has a valid title on file on the LSPOA office before December 1, 2019 shall be grandfathered against the rule stating the length of deck boats. Such deck boats may be transferred to any other member in good standing and considered to be grandfathered for the duration of the life of the boat or while a valid title is on file at the LSPOA office and properly stickered each year. If a boat goes without a current sticker for a year it will no longer be grandfathered by this rule.

This was the second reading of Rule 4.1, Carol Goodwin made a motion to accept as read with Angel Hocker providing a second, motion carried. The third and final reading of this rule will take place at the October meeting. There was clarification as the rule previously stated October 1<sup>st</sup> and has been moved to December 1<sup>st</sup> since we did not read the rule last month to make it fair.

#### Rule 4.19

Dangerous, negligent and/or reckless operation of boats may be grounds for the Board suspending membership privileges to the member. This means operating a watercraft in a

manner that consciously, willfully and wantonly creates a substantial and unjustifiable risk to safety or persons or property in, upon or along the waters of Lake Santee. This involves gross deviation from the standard of care that a reasonable operator of a watercraft should observe under the circumstance.

This was the first reading of this rule with Carol Goodwin providing a motion to accept the rule as read with Bill Ryle providing a second, motion carried. The second reading will take place at the October meeting. This rule was modeled from another lake and it should help with the general safety on our lake.

A member in the audience stated the rule seems pretty subjective. President Gibbs did state that ultimately it would be Security's call. We will make sure the security staff is trained and is able to make those decisions. If there were an issue it would ultimately come to the board for a decision.

#### Rule 4.12

No person shall operate a power craft within or through the shore zone or any cove at a speed greater than 5 miles per hour or a speed that creates a wake. The shore zone means that water area of a uniform width of 100 feet lying parallel and contiguous to the shoreline. The dam shall be considered a shoreline. **No wake is defined as the lowest speed possible to maintain headway and navigation. A rule of thumb is that the wake of a boat should not move moored watercraft or other floating objects.**

This was the second reading of rule 4.12 with Carol Goodwin making a motion to accept the rule as read with Doug Lecher providing a second, motion carried. With their being no discussion Carol then asked to accept this as the third reading with Doug Lecher providing a second, motion carried. The idea for this rule was modeled from another lake and we felt the addition would help clarify no wake as we are seeing issues following this rule.

There were some questions and/or concerns from the audience with some trouble enforcing this rule. It was brought up that unfortunately Security cannot be everywhere at once. If you see boats not following this rule please try to get their lot number or a description and call security at the time of the incident and provide their location. We do realize that some boats do not have the proper size of lot numbers and aren't contrasting. We will look at the best way to educate boaters on these rules in the spring.

#### Rule 12.2

Building permits issued by the Association are required for houses, garages, outbuildings, additions, roofing, re-siding, swimming pools, ~~fences~~ **fencing**, docks, decks, communication dishes larger than 36", culverts, filling or tiling of road ditches, gazebos, lake walls, shoreline protection, dredging, dog pens and any other structure. **Additionally,**

building permits are required for landscaping which may grow to a height taller than 48” and hardscape which is taller than 48”. Many of the aforementioned also require a building permit from the appropriate county. A form is available at the Lake Santee Office for submitting permit requests and it specifies the documents and/or drawings required to apply for a specific permit. All structures must conform to the Subdivision restrictions. At the discretion of the building committee, periodic and/or final inspection may be made of the construction, to insure compliance.

The adjustment to rule 12.2 had a goal to not block views of the lake or nature and to keep trees out of the power lines. After much discussion by the audience and the board it was determined to send this rule back to committee for further review.

#### Rule 12.23

Construction sites must maintain a silt fence to keep dirt from eroding onto the road or other properties and into the lake or other waterways **in accordance with the proper county ordinance.**

Carol Goodwin made a motion to accept the amended rule as read. Randy Ostendorf seconded it, motion carried. Carol explained that this rule was recently created, however, it was determined we needed to clarify further. The second reading will take place at the October meeting.

#### Rule 12.24

**Any concrete waste or residue must be contained in a leak proof container and disposed of properly. No concrete is to be left on the ground or any other surface not originally intended for the concrete. No concrete is to be buried in the ground on Association property.**

Carol Goodwin made a motion to accept the new rule as read with Bill Ryle providing a second, motion carried. The second reading will take place at the October meeting.

#### Rule 11.1

The use of tents or tent camping is prohibited by the Subdivision Restrictions of Lake Santee. **No tent-like structures are allowed on Association property, including but not limited to canopies, tail-gate tents, beach tents, cabanas, pop-up tents or any other similar structure, with or without sides attached. Board approval is needed for any special occasion (i.e. wedding reception). The structure cannot have any side attached and must be securely fastened to the ground or other stable structure so that it cannot be upturned or moved from its original location.**

Carol Goodwin made a motion to accept the new rule as read with Bill Ryle providing a second, motion carried. The second reading will take place at the October meeting.

Rule 5.6 – Water Sports (Skiing)

Wake surfing will not be allowed from 11am to 4pm on weekends and holidays. Wake surfing will only be allowed in the area from the dam northward to the second cove north of the main beach on the west side. This area will be designated by specific buoys marking the northern most border. While wake surfing, boats must stay 250 feet off the shoreline at all times. Wake surfing (similar to, but not the same sport as, wakeboarding) is a water sport in which a surfer trails behind a boat, surfing the boat's wake.

President Gibbs stated that this topic has brought up much discussion on wakeboarding and wake surfing. The Board of Directors has collected information such as magazine articles and wake responsible flyers. She then provided some details on membership and the amount of registered motorized boats. From a membership perspective in 1981 we had 944 members, in 1992 we had 838 members, and total the membership today is 772. The number of members has not increased, but actually decreased, as more people own multiple lots today than previously.

From a boat perspective the number of motorized boats has also decreased. In 2002 we had 706 motorized boats, in 2009 we had 667 motorized boats, and as of today we have 615 motorized boats. The number of motorized boats has also decreased like membership. Although it feels like we may have more boats on the lake or maybe more people are using their boats at the same time, we do not have more motorized boats. Aquatic Control with their recent survey stated our lake is actually 238.5 acres.

When we look at the amount of boats and all of the information we have collected we know that there are parts of the lake that is shallow and parts of the lake that aren't very wide. Some parts of the lake are no more than 500 feet across. If we look at the information that's been provided and what we've been told about wake surfing and how much area it takes for the wake to dissipate, along with how far you need to stay off shore, there is just some areas of the lake that it's just not practical for the wake to dissipate on this size of a lake. We took all of this into consideration and looked at the widest and deepest part of the lake and determined that we would try and continue wake surfing on the lake in this specified area. The board is hopeful that this compromise will work for everyone.

This rule brought up much discussion from the audience with the following concerns and/or topics:

- Disappointed there is not a wake boat owner on the rules committee.
- Rules/restrictions could limit who purchases property at Lake Santee based on interests.
- Lack of restrictions for other types of boats or activities.

- Concern on location where surfing will be allowed.
- Possible consideration to not limit times before Memorial Day weekend and after Labor Day weekend as there isn't as much lake activity.
- Concern with the safety issues, for example boats pulling tubers with erratic driving.
- Prior meeting someone mentioned 3-5 foot wakes produced, believe this is more like 2 foot wakes.
- Is this more of a see how it goes rule or is it set in stone?
- Not sure how fair it is to target a specific group.
- Need to address safety issues as a whole and not just surfing.
- Lack of boater education on water (all types).
- Don't use a single swamped boat as a scale to create rules.
- Lack of reported injuries with wake boats, more injuries on golf carts.

Carol Goodwin made a motion to accept the rule as read with Bill Ryle providing a second. This rule was brought to a roll call vote with the following voting in favor – Andy Laudick, Doug Lecher, Mike Manlick, Randy Ostendorf, and Bill Ryle. Voting against the proposed rule were Carol Goodwin, Angel Hocker, and Stephanie Peetz. The vote passed 5-3. The second reading will take place at the October meeting.

#### **Recreation – Andy Laudick**

Andy stated that we've officially had our last two bands for the summer months. He wanted to remind everyone that on October 26<sup>th</sup> we will have Trick or Treat along with Trunk or Treat. Andy asked for a motion to once again allow the Decatur County Hospital Foundation permission to have their Thanksgiving Day 5k run with Carol Goodwin seconding, motion carried. Paul Gosnell from the audience stated that the Booster Club would once again sponsor the Belairs on August 1<sup>st</sup>, 2020.

#### **Lakes & Beaches – Randy Ostendorf**

Randy stated that last week 5,000 new lake residents arrived. He apologized to Angel for not catching their addresses. This consisted of 4,000 large mouth bass and 1,000 hybrid striped bass. He requested a motion to approve lowering the lake on October 15<sup>th</sup> to the maximum of 5 feet 9 inches as allowed by the rules with Angel Hocker seconding, motion carried. This should hopefully allow for dock and seawall repairs. A member in the audience asked if the board would consider next year allowing members who live on the main body to place buoys out 100 feet from their shoreline. The board will talk about this, however, it could create some issues as well with boat traffic.

#### **Membership – Angel Hocker**

Angel presented the following new members:

- Lots 31 & 32 Tina Peterson & Bryan Hiatt

- Lot 1232 Sinisa Glumac
- Lot 869 Logan Schumacher & Marin Wingham
- Lot 603, 602 ½ Ian & Kari Rickerby
- Lot 1129 James Jr. & Linda Cord

### **Community Room Committee – Angel Hocker**

Angel stated the normal activities occurred in the Community Room during the month of August.

### **Building Committee – Bill Ryle**

The following building permits were issued in AUGUST:

- |                |                         |                   |          |
|----------------|-------------------------|-------------------|----------|
| • Lot 1604     | Robert Gerdts           | Detached Garage   | Approved |
| • Lot 1279     | Dave & Janice Pickett   | Home              | Approved |
| • Lot 355      | Bob Jennings            | Dock Extension    | Approved |
| • Lot 548      | Richard & Teresa Veach  | Privacy Fence     | Approved |
| • Lot 1232     | Sinisa Glumac           | Driveway/Culverts | Approved |
| • Lots 801&802 | Philip & Jennifer Haehl | Boat Dock/Lift    | Approved |
| • Lot 784      | George & Julie Peck     | Driveway/Culvert  | Approved |

### **Clean Up – Bill Ryle**

Bill stated he went on his first round with the Clean Up Committee and members seem to be doing a good job of cleaning up. Four letters were sent out in August.

### **Roads & Maintenance – Doug Lecher**

As Polly Fox mentioned in the member comments section the sports courts renovations will be completed soon. The Maintenance crew has been working on one road where there has been an issue. They've finished the work and added new gravel along with Lignin to this area. Mowing is still taking a large amount of time. There have been some questions about the underside of the beach umbrellas, Doug will follow up with Brandon when Brandon is back in the office to find out additional information..

### **Security – Mike Manlick**

Mike asked for funds to purchase new tires for the Security Jeep as we've had some issues with the current tires failing. We've received two quotes and will be getting a third quote soon with the lowest quote currently at \$600. Mike made a motion to purchase new tires for the Security Jeep with the cost being no more than \$600 with Carol Goodwin seconding, motion carried.

Mike stated Security is starting a See Something Say Something campaign in the upcoming Smoke Signals. Since Security can only be in one spot at a time it's very important to give them a call when you see something unsafe or that needs attention.

Both the Jeep and boat numbers will be in the Smoke Signals. Mike is also getting together a committee that has a law enforcement background to gather ideas. Mike did say Security is trying to be on the water during the core busy times. He does not have the hours spent on the water broken out from the normal Jeep hours.

As a reminder please make sure your pets have tags on them to assist Security in knowing where they belong if they were to get lost.

### **OLD BUSINESS**

No old business to discuss.

### **NEW BUSINESS**

Tax Sale – President Gibbs stated that there are nine Lake Santee lots up for tax sale on September 12. Carol Goodwin and Randy Ostendorf will be going to the sale. A motion was made to spend no more than \$800 per lot by Carol Goodwin and seconded by Doug Lecher.

A member in the audience suggested the Board of Directors consider purchasing the three lots for sale at the main entrance.

### **MANAGER'S REPORT**

In absence of a Lake Manager, President Gibbs asked Carol Goodwin if there were any updates from the office. Carol stated with our recent trash bag order they printed the bags upside down but we did receive a discount on them for this error.

There being no further business, Doug Lecher moved to adjourn, seconded by Randy Ostendorf, motion carried. The next regular meeting will be held on October 9, 2019 at 7:30 PM in the Community Room.

Respectfully submitted,  
Stephanie Peetz, Secretary

**All L.S.P.O.A. board meetings are the second Wednesday of each month at 7:30 P.M., in the Community Room. It is an open meeting for all of our members .**

## Lake Santee POA Rules & Regulation Process

There have been a number of questions about the rules and regulation process that the LSPOA Board of Directors follows. Hopefully, the information below will provide some insight into the process and how you can provide input.

**Step 1:** The Rules and Regulation committee recommends a proposed rule to the Board of Directors in writing for a first reading. The Rules and Regulations committee is currently comprised of Board members Carol Goodwin (chair), Stephanie Peetz, Shannon Gibbs, and Doug Lecher. Additionally, Gina Julien and Kevin Choate have been serving on the committee during the rules/regulation review as members at-large.

**Step 2:** If approved by a majority of the Directors present, the proposed rule or regulation is published.

**Step 3:** Member input is collected prior to the second reading at the next monthly Board Meeting.

**Step 4:** The rule or regulation receives a second reading; the Board discusses reaction and input received from members.

**Step 5:** Following debate by the Board of Directors, the rule or regulation is voted upon or changed/amended. If changed/amended, the rule or regulation is published again and voted upon in the following monthly Board Meeting.

\*The method of publishing updates to rules/regulations is in the minutes from the LSPOA Board of Director meetings in the *Smoke Signals*. *Smoke Signals* are available online at <http://lake-santee.com/smoke-signals-newsletter/>.

### How do you provide input?

- Read the LSPOA Board Meeting minutes and look for rule/regulation changes.
- Contact a Board Member to share your input on rule/regulation changes.
- You are welcome to contact any Board member you'd like; contact information for each Board member is in the *Smoke Signals* every month.
- For convenience, each Board member has been assigned a section of lot numbers. You are always welcome to contact the Board member who is assigned to your lot number.

Shannon Gibbs	All Member Lots
Andy Laudick	Lots 1-210
Angel Hocker	Lots 211-422
Mike Manlick	Lots 423-633
Stephanie Peetz	Lots 634-844
Doug Lecher	Lots 845-1055
Randy Ostendorf	Lots 1056-1265
Carol Goodwin	Lots 1266-1476
Bill Ryle	Lots 1477-1686
