

RULES & REGULATIONS

**LAKE
SANTÉE**

Property Owners Association, Inc.

REVISED July 20, 2020

The following rules and regulations are applicable to all land and water areas in the Lake Santee Subdivision, (hereinafter Subdivision). However, nothing herein shall be interpreted or construed in such a manner as to violate any existing Federal, State or local laws, or to prevent personnel from performing their duties or providing emergency services.

All of the listed rules and regulations have hereby been adopted by the Board of Directors of Lake Santee Property Owners' Association, Inc. (hereinafter Association) in accordance with the By-laws of this Association and the Lake Santee Subdivision Restrictions, specifically paragraph number eight. Each individual rule or regulation became effective at the time it was passed by the Lake Santee Board of Directors.

The Board of Directors shall at their discretion use fines to encourage compliance with The Land Restrictions, Rules & Regulations and policies of the Board. The funds shall be used for administrative and enforcement expenses. In general the violator shall be notified by first class mail of the violation, providing a date by which compliance is required to avoid a fine. The fine shall be stated, for example as \$5.00 per day for the first 30 days, \$10.00 per day after 30 days, \$15.00 per day after 60 days. The fines shall be charged to the member's account and a statement sent monthly. The Board has the authority to vary from the above stated amounts and time periods depending on the severity and circumstances.

MEMBERSHIP

- 1.1 Application for membership in the Association should be made, via the Lake Santee Office, to the member of the Board of Directors who is in charge of the membership committee and should be accompanied by a check for all dues, assessments and fees owing.
- 1.2 Upon receipt of the completed membership application and full payment of all dues, assessments and fees, the applicant will become a provisional member of the Association in accordance with the Amended 1990 By-laws, Article I, Section 4. Unless otherwise notified by the Board of Directors, the provisional member shall become a permanent member within ninety (90) days after the application has been submitted.
- 1.3 In accordance with the By-Laws Article I, Section 1, "...Each lot owner must apply for membership and pay membership dues. The membership shall relate to the persons and not the property. If a lot is owned by more than one person, except for husband and wife, each owner of the property shall pay membership dues. No corporation, partnership, joint venture, or other legal entity except for qualifying trusts, shall be eligible for membership..."
- 1.4 When lots at Lake Santee are purchased at tax sales, purchasers will not be eligible for membership in the Association until a tax sale deed to the property is received at the end of the redemption period.
- 1.5 Members and non-members will be billed annually prior to March 1st for dues, assessments and fees as determined by the Board of Directors. Accounts will be considered delinquent after April 1st and a 10% penalty on the outstanding balance will be charged. A monthly finance charge will be assessed on unpaid balances over 30 days old as of the last day of each month, with the exception of February. No member will be permitted to use the facilities of Lake Santee until annual dues, assessments and fees have been paid.
- 1.6 Annual membership dues and assessments are not transferable. When property is purchased prior to September 1st, the new owner will be required to pay full dues and assessments for the year; after September 1st the assessments will be reduced by one-half for the balance of the fiscal year. After December 1st the new owner will be exempt from paying dues and assessments. Note: the term "assessments" does not encompass "special assessments".
- 1.7 When a property owner fails to pay the annual dues, assessments, fines or fees, a lien may be filed in accordance with the laws of State of Indiana, against the property of said property owner. If a lien has been so filed, no grantee or grantees of title to such property shall be eligible for membership in the

Association until his/her property is free and clear of any and all indebtedness to the Association, including any liens which the Association may have filed against it.

- 1.8 Only members in good standing and whose dues, assessments and fees are paid current will be permitted use of facilities of the Association.
- 1.9 Guests will be permitted to use the facilities of Lake Santee only upon the expressed invitation of a property owner in good standing.
- 1.10 Property Owners' will be required to notify Lake Security, either verbally or in writing, at least 24 hours in advance of the anticipated arrival of twenty-five (25) or more guests. Guests may be required to register.
- 1.11 Members and guests will be required to obey and conform to all Rules and Regulations of the Association. The property owner will be held responsible for the conduct and safety of his guests.
- 1.12 Members desiring to rent their property will be required to have lessee submit an application to the Board of Directors for approval.
- 1.13 In accordance with Article VII, Section 4 of the Amended By-laws, a member who rents or leases a home in the Subdivision to a non-member of the Association will be subject to a semi-annual rental fee as determined by the Board of Directors.
- 1.14 Lessees will be required to obey and conform to all Rules and Regulations applicable to a member of the Association.
- 1.15 No boat permits will be issued to lessees or renters. Property owner will be required to provide gate passes to their lessee or renter.
- 1.16 No individual, husband and wife or qualified trust shall be eligible for membership in the Association unless they have equitable or beneficial interests of property rights in a minimum of one full lot as platted in the Subdivision. Joint ownership is acceptable. Partial lots may not be combined to meet the requirement.
- 1.17 Any member selling their property must have a signed purchase agreement on file in the office prior to March 1st if they have sold their property, but will be unable to close the sale prior to March 1st. If the seller has no written and signed agreement on file at the office, they will be responsible for paying the new year's dues and assessments.

VEHICLES

- 2.0 For the purpose of this subsection authorized motor vehicles that may be operated on the roadways in the Subdivision will include motor vehicles meeting the licensing requirement of the State of Indiana. Including but not limited to: motor cars, trucks, Neighborhood Electric vehicles, as classified by the United States Department of Transportation, motorized carts, mopeds, motor scooters, motorized bicycles and motorcycles. Vehicles not allowed on the roadways of the Subdivision include but are not limited to: two (2), three (3) and four (4) wheel off road type ATV's and go carts.
- 2.1 No motor vehicle shall be driven at a speed in excess of 25 MPH on any road located within the Subdivision.
- 2.2 In accordance with the laws of the State of Indiana, all persons shall hold a valid driver's license before being permitted to operate a motor vehicle on the roadways within the subdivision including motorized carts as defined in rule 2.9. All motorized vehicles operated on the roadways must meet the licensing requirements, including proof of financial responsibility or liability insurance, as required by the State of Indiana for operation on public highways. An exception to the above requirement will

allow persons 12 years of age and older to operate a motorbike limited to 50cc's during daylight hours only.

2.3 No unlicensed person shall operate or ride upon a motorbike or motorcycle on any roads within the Subdivision without wearing a crash helmet. No bicycle or other vehicle shall be permitted on any road within Subdivision between one-half hour before sunset and one-half hour after sunrise without an illuminated headlight and taillight in good working order and turned on.

2.4 No vehicles of any type will be permitted on the dam or spillway.

2.5 No motor home will be allowed to park within fifty (50) feet of the Lake's high water mark.

2.6 All motorized vehicles shall be restricted to the roadways and property owned by the vehicle owner. No person shall operate a vehicle in a reckless manner, so as to endanger life or property of others. All traffic signs shall be observed.

2.7 No person shall operate any motorized vehicle, which due to vehicle's condition or method of operation shall cause unreasonable or excessive noise.

2.8 A member is responsible for the traffic violations of his or her guests. If the guest does not pay the fine within fourteen (14) days of receiving the ticket, notice of the ticket shall be sent to the member, who shall be required to pay the fine.

2.9 Motorized Carts

- a) As used in this rule "motorized cart" means any conveyance that is motor driven by gas or electricity, and is used to carry passengers or cargo, and that is smaller than normal road type vehicles such as cars or trucks. Motorized carts may be characterized as golf carts or utility carts. Operators of motorized carts must hold a valid driver's license or valid learners permit and accompanied by a licensed driver 18 years of age or older.
- b) All users of motorized carts shall make application for the use of such vehicles within the subdivision. Application for motorized carts may be made through the Lake Santee Office. A security officer or Lake Manager must inspect motorized carts to determine the validity of such application and either approve or disapprove the application. The type of permit issued will determine the usage restriction placed on the motorized cart, day only or day/night. Changing permit type after initial issue will require a new application and re-inspection. The permits will be placed on each side of the vehicle. The board of directors shall determine from time to time the amount of fee to be charged for such permits.
- c) All carts must display 3" lot numbers, of a contrasting color, in the center of each side of the cart, and must have a flag at least 6 feet above the road surface.
- d) All motorized carts shall have a rear facing mirror.
- e) All passengers should be properly seated and the number of passengers should not exceed the number of seats available.
- f) Motorized carts operated after dark will be inspected annually and must be equipped with the following functional safety devices: properly installed white headlights, properly installed red taillights, reflectors on each side, turn signals, brake lights, and amber or white flashing cautionary light. The front, rear and cautionary lights must be visible under normal conditions for a minimum of 500 feet.

- g) All gas/diesel motorized carts are required to have a non-modified factory exhaust system. This rule does apply to all motorized carts and utility carts within the subdivision including those permitted on county roads via DNR registration.

VEHICLE PERMITS

- 3.1 Annually, upon payment of dues, assessments and fees, members will be issued vehicle permits, which authorizes access to the private roads and facilities of Lake Santee.
- 3.2 Member automobile permits will be issued only to those vehicles registered in the name of the deed holder. A maximum of five gate passes may be requested for use by family members and guests.
- 3.3 Requests for vehicle permits shall be submitted to the Lake Santee Office. The name of the vehicle owner, model and year of the vehicle may be requested as necessary by the Lake Manager. Registered vehicle permits shall be issued as evidence of receipt of annual dues and assessments.
- 3.4 Automobile permits must be displayed on the left front bumper, or left windshield, clearly visible to security.
- 3.5 Vehicle permits shall be issued on an annual basis and shall be in effect from the first day of March until the last day of February the following year.
- 3.6 It is the responsibility of the member to remove the permit from any vehicle sold or disposed of. A new replacement permit will be issued free of charge when evidence of the old permit is returned. In the event that a permit is stolen it must be reported to the Chief of Security.

BOATING

- 4.1 Only one boat of each type available is allowed on the Lake per membership. For example only one speed, pontoon, sail, bass and motorized fishing boat will be permitted. A deck boat may be substituted for either a speed or pontoon boat. In addition the member may have a canoe, rowboat, paddle boat, raft, etc. The length of speed, deck, bass & fishing boats shall not exceed 20 feet. Pontoon boats are not to exceed 28 feet. No watercraft with sleeping or on board toilet facilities will be permitted. Wake enlarging equipment (ballast, mechanical blades, etc.) will be limited to boats 20 feet in length and under.
 - a) Paddle Boards will be considered a watercraft and will comply with all boating rules included in this boating section. Members may have up to six paddle boards in addition to the boats and watercraft listed above. Paddle boards will only require a single set of lot numbers and will only display one permit.
 - b) Any deck boat measuring up to 22.5 feet that has a valid title on file on the LSPOA office before December 1, 2019 shall be grandfathered against the rule stating the length of deck boats. Such deck boats may be transferred to any other member in good standing and considered to be grandfathered for the duration of the life of the boat or while a valid title is on file at the LSPOA office and properly stickered each year. If a boat goes without a current sticker for a year it will no longer be grandfathered by this rule.
- 4.2 All boats shall have affixed the property Owners' lot numerals, in a contrasting color not less than three (3) inches in height. Lot numbers shall be placed in the middle of the boat on each side thereof, clearly visible to the Lake Patrol at all times.
- 4.3 All watercraft must have a current permit affixed on the port (left) and starboard (right) side of the boat near the lot number or on the left and right side windows prior to launching. Annually, upon payment of dues, assessments and fees, members shall be entitled to purchase registered boat permits, which authorize them access to Lake Santee. Permits will be available in five different classes depending

on the type of boat. The Board of Directors shall determine from time to time the amount of fee to be charged for such permits.

- 4.4 Boat permits shall be purchased on an annual basis and shall be in effect from the first day of March until the last day of February of the following year.
- 4.5 No person shall operate a boat on Lake Santee unless said boat is owned by a member of the Association. Proof of Ownership shall be by state registration and/or certificate of title, which will be shown before a permit is issued for any motorboat (as defined by Indiana State Law).
- a) Members shall certify that they are financially responsible or have liability insurance at the time permits are issued.
 - b) Effective January 1, 2018 for boats that do not already have a copy of title or registration on file in the office, manufacturer specifications will be confirmed by office staff to ensure compliance with rule 4.1. Items confirmed by specification may include but are not limited to length, type and options available.
- 4.6 No person under the legal age of 16 years shall be permitted to operate a motorboat or watercraft of more than 5 HP on Lake Santee at any time.
- 4.7 From sunset to sunrise no person shall operate a watercraft without displaying lights as follows:
- a) Motorboats and auxiliary sail boats must display a white 360 degree aft light, or a combination aft and masthead light, at all times while under power or sail,
 - b) Motorboats and auxiliary sail boats with engine rated 15 hp or greater must display red and green bow lights when under power or sail,
 - c) Boats with engines less than 15 hp or using only trolling motors must display hand lantern or flashlight (visible for two miles) or white aft light in sufficient time to avoid a collision with any other boat.
 - d) All boats when not underway are required to display a white light visible in all directions whenever they are moored or anchored away from the dock between sunset and sunrise.
- 4.8 The following restrictions shall apply to motorboats while under power. No person shall:
- a) Sit on gunnels (sides) or railings of a boat
 - b) Dangle feet from boat
 - c) Ride forward of the safety railing on pontoon boats
 - d) Stand, sit on seat backs or move about while pulling skiers, tubers, etc.
 - e) Ride on the upper deck of a pontoon.
- 4.9 All watercraft shall move in a counter clockwise direction with the shoreline on the right side of the power craft.
- 4.10 Slow moving boats should stay close to the shore.
- 4.11 No person shall operate a power craft upon Lake Santee during daylight hours at a greater speed than is reasonable, having due regard for traffic, surface and other hazardous conditions, with no power craft to exceed the speed of 35 miles per hour. Except that on Saturdays, Sundays and holidays the speed shall not exceed 30 miles per hour. No person shall operate a power craft upon Lake Santee from dusk to sunrise at a speed greater than idle speed. The period from dusk to sunrise shall be determined by observing the red signal light located at the south end of the Lake. The yellow signal provides a warning period during which you should begin to terminate high-speed operation, skiing and related activities.
- 4.12 No person shall operate a power craft within or through the shore zone or any cove at a speed greater than 5 miles per hour or a speed that creates a wake. The shore zone means that water area of a uniform width of 100 feet lying parallel and contiguous to the shoreline. The dam shall be considered a shoreline. No wake is defined as the lowest speed possible to maintain headway and navigation. A rule of thumb is that the wake of a boat should not move moored watercraft or other floating objects.

- 4.13 No boat of any type shall be operated within the swimming area adjacent to the Association beaches.
- 4.14 All watercraft shall have the safety equipment required to meet the current Indiana Boating Laws.
- 4.15 Docking limit of 15 minutes shall be enforced at the boat launching ramps and a sign shall be placed nearby which states "Docking Limited to 15 Minutes". Selected docks at the main beach and east beach shall be posted and no overnight docking enforced. The sign posted shall state "No Overnight Docking".
- 4.16 A person may not operate a power craft on Lake Santee, unless the boat motor is equipped with a muffler or underwater exhaust that muffles or suppresses the sound of the exhaust to prevent excessive and unusual noise at all speeds.
- 4.17 No person shall moor a boat in an Association slip that has been designated as reserved. Violators will be subject to a daily fine as established by the Board of Directors.
- 4.18 It shall be prohibited to attach any fixture to any Association dock. Fixtures would include, but not be limited to, fenders boxes, diving boards, ladders, etc. Boat lifts will also not be permitted by Association docks.
- 4.19 Dangerous, negligent and/or reckless operation of boats **shall not be permitted**. This means operating a watercraft in a manner that consciously, willfully and wantonly creates a substantial and unjustifiable risk to safety or persons or property in, upon or along the waters of Lake Santee. This involves gross deviation from the standard of care that a reasonable operator of a watercraft should observe under the circumstances.

Water Sports

- 5.1 Water skiing shall be permitted on Lake Santee from sunrise to dusk, except in the posted fishing area, beach areas and coves. The period from sunrise to dusk shall be determined by observing the green signal light located at the south end of the Lake. The yellow signal provides a warning period prior to a red signal, during which skiing and related activities shall begin to be terminated.
- 5.2 There shall never, at any time, be more than two individuals pulled by any power craft.
- 5.3 No skiing, tubing or other similar water sport activity will be permitted without two (2) occupants in the boat, one for spotter. Spotters will be eight (8) years of age or older.
- 5.4 Any skier, tuber or anyone engaging in a similar water sport must have on his person a US Coast Guard approved type I, II or III personal flotation device.
- 5.5 No special equipment will be allowed on the Lake, such as jet skis, ski jumps, ski kites and other equipment used to perform special effects. This list is not all-inclusive and may at the Board's discretion include other equipment as it becomes available. The use of commercially manufactured ski booms will be allowed on weekdays, Saturdays and Sundays from green light AM to 12 noon. Booms will not be allowed on any holiday or any three-day weekend.
- 5.6 Wake surfing will not be allowed from 11am to 4pm on weekends and holidays beginning the start of day Saturday of Memorial Day weekend through the end of day Monday of Labor Day weekend. Wake surfing will only be allowed in the area from the dam northward to the second cove north of the main beach on the east side. This area will be designated by specific buoys marking the northern most border. While wake surfing, boats must stay 200 feet off the shoreline at all times. Wake surfing (similar to, but not the same sport as, wakeboarding) is a water sport in which a surfer trails behind a boat, surfing the boat's wake.

SWIMMING

- 6.1 Swimming shall be at each person's own risk. No lifeguards are on duty at the main beach or the east beach.
- 6.2 Persons may swim in Lake Santee within the following areas:
 - a) Within 50 feet of the shore line,
 - b) In the designated beaches marked by buoys. Use of the beaches shall be limited to members and their guests. Members must exhibit a current beach pass, when so requested by Lake Santee Security.
- 6.3 No person shall use any foam filled or inflatable device in the designated beach areas, with the exception that US Coast Guard approved personal flotation devices may be used if worn in the prescribed manner.
- 6.4 Glass containers are prohibited in the beach areas.
- 6.5 No dogs are permitted in the designated beach areas.
- 6.6 Members may have guests at the beach, but must provide them with a pass or be in their company. Unless a member notifies Security of special circumstances, a person 18 or under holding a pass will be limited to five guests on the beach at any given time. No guests may remain if the pass holder leaves.

FISHING

- 7.1 Only members of the Association in good standing and their invited guests will be permitted to fish in Lake Santee. Guests must be in the company of a member.
- 7.2 Largemouth Bass: no fish less than 21 inches shall be removed from the lake. Daily bag limit is set at 1 fish per day.
- 7.3 Hybrid Striped Bass: no fish less than 21 inches shall be removed from the lake. Daily bag limit is set at 1 fish per day.
- 7.4 Bluegill: no restrictions.
- 7.5 Crappie: daily bag limit is set at 25 fish per day.
- 7.6 Redear Sunfish: daily bag limit is set at 15 fish per day.
- 7.7 Catfish: no restrictions.
- 7.9 Trot lines and jug fishing are prohibited.
- 7.10 No fishing tournaments or contests will be permitted without prior approval of the Board of Directors.
- 7.11 An individual must not bring to Lake Santee to be used as bait any of the following species: carp, gizzard shad, bull head catfish (all three species), green sunfish, goldfish, suckers, and any other invasive or exotic species. The above mentioned species of fish may be collected by cast net from Lake Santee and used as bait. All unused bait must be killed and properly disposed of, and not

returned to the lake alive when finished. Acceptable live bait (minnows) to be brought to the lake are store bought or wild shiners, fathead minnows and creek chubs. However, all live bait used at the lake must not be turned loose alive into the lake when finished.

7.12 The use of minnow seines are prohibited on Lake Santee.

SNOWMOBILING

8.1 The use of any snowmobile within the confines of Lake Santee shall be restricted to members, their immediate families and supervised guests. All guests must be accompanied by a property owner in good standing, except when going to or from the member's home.

8.2 All operators must be 16 years of age or older.

8.3 Lot numbers, not less than three (3) inches in height must be placed on both sides of the vehicle where they will be clearly visible.

8.4 A person SHALL NOT OPERATE A SNOWMOBILE

- a) On any road in such a manner that would impede the flow of traffic. Cars and trucks have the right-of-way.
- b) On any part of the earthen dam or spillway,
- c) To hunt, pursue, worry or kill a wild bird or any other domestic or wild animal,
- d) Unless it has at least one (1) headlight, one (1) taillight, adequate brakes and is otherwise in good operating condition.
- e) At a speed greater than the posted speed limits, having due regard for existing weather and visibility conditions,
- f) During the hours from one-half (1/2) hour after sunset to one-half (1/2) hour before sunrise without displaying a lighted headlight and a lighted taillight.
- g) Within one hundred (100) feet of ice fishermen, ice skaters, pedestrians or ice fishing shelters, except at a reduced rate of five (5) miles per hour or less,
- h) Unless it is equipped with a muffler in good working order,
- i) Between 12 midnight and 6 A.M., except in emergencies,
- j) On any property without the consent of the landowner or tenant.

8.5 The operator of a vehicle involved in an accident resulting in injuries or property damage, shall notify Lake Security, County Sheriff or State Police.

HUNTING & TRAPPING

9.1 It shall be unlawful, except in an emergency situation, for any person to hunt or trap game birds, game quadrupeds or fur bearing animals on any lands within the Subdivision and it shall be unlawful for any person to discharge any firearm, including air rifles, within the limits of Subdivision.

9.2 The trapping of nuisance animals will be permitted only at the expressed written permission of the Board of Directors.

ALCOHOL & DRUGS

10.1 No person who is under the influence of alcohol or illegal drugs shall operate any motor vehicle, watercraft upon any property owned or controlled by the Association.

10.2 In accordance with the laws of the State of Indiana, no person under the legal age of 21 years shall be permitted to transport, buy, sell, possess, or consume any form of alcohol. Nor shall any person be permitted to transport, buy, sell, possess, or use illegal drugs.

PROPERTY

- 11.1 The use of tents or tent camping is prohibited by the Subdivision Restrictions of Lake Santee.
- 11.2 Mobile homes are prohibited by the Subdivision Restrictions.
- 11.3 - Motor homes, defined as a self-propelled camper with sanitary facilities designed and manufactured for such use, are permitted in the subdivision for use as temporary camping facilities. Motor homes are not to be used as permanent living quarters. Motor homes on vacant lots must be in use every night or removed from the subdivision. No motor home shall be in the subdivision for more than 14 consecutive days. A five-day interval shall be required between stays. No motor home shall be in use for a total of more than 28 days per year. Motor homes may not be parked on Association access areas or parking lots at night. All motor homes must have current license and registration. Motor homes may be stored within the subdivision if stored in a garage out of sight at all times. Any such garage must meet all building rules and regulations.
- 11.4 All campers other than motor homes, as defined in rule 11.3, are prohibited in the Subdivision, except in the case of a member entering for the singular purpose of loading and unloading, which is limited to 48 hours maximum. The office or security must be notified in advance of arrival. Visitors may leave their campers in the main parking lot, but not overnight. Campers may be stored within the subdivision only if stored in a garage out of sight at all times.
- 11.5 Property Owners' whose lots adjoin public roads or property adjacent to the Subdivision shall limit access to their property to personal use by fencing, chaining or with a gate, closed and locked. There shall be no new accesses to public roads and/or properties adjacent to Subdivision from Lake Santee properties, excepting County Roads 950 E and 350N.
- 11.6 Property Owners shall have access to the Lake only through their own property, designated access areas, beaches and the boat ramp access.
- 11.7 All lots must be mowed and properly maintained. Lots must be mowed not later than May 16 for the first mowing, July 1 for the second mowing and August 16 for the third mowing. Lots not mowed by the owner will be mowed by the Association and the property owner will be billed for services at a rate determined annually by the Board of Directors. Failure to pay mowing bills may result in a lien being filed on that lot, and will affect membership status.
- 11.8 Boats and/or boat trailers will not be permitted to be parked or stored on Lake access areas, beach parking areas, or boat ramp access area. Boats must be moored at docks or removed to the property Owners' lot. Boat trailers must be kept on property Owners' lot when boat is moored.
- 11.9 Cutting of trees on lots without homes shall be limited to the removal of dead or damaged trees unless the owner has written approval from the building committee.
- 11.10 No trees or shrubbery shall be planted within 15 feet of any road, paved or stone, without the written approval of the building committee.
- 11.11 It shall be the responsibility of all persons owning, renting, leasing or controlling property including improvements thereon in the Subdivision to maintain such premises in a clean and orderly manner and to a standard conforming to other orderly premises within the Subdivision. No person shall abandon, neglect or disregard the condition or appearance of any property or improvements thereon so as to permit the same to become unclean, unsightly, unsanitary or offensive to the senses of neighbors or other persons viewing such property. No person shall permit the unsightly accumulation of litter, waste or other materials on such property including, but not limited to, waste paper, boxes, rags, cans, bottles, glass, lumber, building materials, metal, unstacked firewood, garbage, brush

piles, car parts, machinery, appliances or furniture for a period longer than ten days in any calendar year, unless specifically authorized in writing by the Lake Manager.

- 11.12 No person shall store in open view any motor vehicle, boat or trailer, which are incomplete, inoperable or in the case of motor vehicles, which are not operated on a regular basis.
- 11.13 Open burning of leaves, tree limbs, yard trimmings, and scrap lumber shall be permitted within the subdivision. Burning may occur only when wind and humidity are such that it is safe, and when smoke does not lay close to the ground to cause discomfort to any person in the subdivision. No items shall be burned in any road ditch, in any ditch or ravine that could drain into the lake or other waterways, in the lake bottom when the lake is lowered, or on the road or on Association owned property except by lake personnel in acceptable areas. Campfires are permitted on Lake Santee property in designated areas only (e.g. campfire rings placed on the concrete pads near the amphitheater), with prior approval from the Board of Directors or the Lake Manager. All burn piles must remain at least ten (10) feet from the lake shoreline and should be extinguished prior to sunset. Campfires do not have to be extinguished prior to sunset, provided the fuel is limited to firewood only. Barrels for the purpose of burning or the burning of any other unlisted materials are prohibited.
- 11.14 No person shall be permitted to remove any items from Association owned Property including but not limited to lake access areas. This prohibition will include but not be limited to harvesting of plants, cutting of trees or any other materials growing in or on Association owned Property.
- 11.15 Any lawn mower or other outdoor equipment that is inoperable for more than three months must be stored inside an approved structure or removed from the member's property. All lawn mowers or other outdoor equipment in working order and kept outdoors must be stored in an orderly manner.

BUILDING

- 12.1 In the spring, when conditions are such that heavy loads will cause excessive damage to roadways, the Association reserves the right to impose a 10 ton gross weight limit on all construction related vehicles hauling equipment and materials over paved and unpaved roadways. A notice of such limit shall be posted at the entrance for the duration.
- 12.2 Building permits issued by the Association are required for houses, garages, outbuildings, additions, roofing, re-siding, swimming pools, fences, docks, decks, communication dishes larger than 36", culverts, filling or tiling of road ditches, gazebos, lake walls, shoreline protection, dredging, dog pens and any other structure. Many of the aforementioned also require a building permit from the appropriate county. A form is available at the Lake Santee Office for submitting permit requests and it specifies the documents and/or drawings required to apply for a specific permit. All structures must conform to the Subdivision restrictions. At the discretion of the building committee, periodic and/or final inspection may be made of the construction, to insure compliance.
- 12.3 Access to all property shall be by an approved driveway culvert. A building permit is required prior to installation and must include a perforated drainage tile with at least a ten (10) inch diameter or larger if the building committee or Lake Manager decides that a larger tile is needed to handle the water flow during excessive rains. Drainage ditches on either side of the driveway must follow the same rule regarding size. Altering a drainage ditch will also require a building permit. The new drainage tile must be able to move surface water from the property and be lower than the road to keep water from entering the road. Any alterations also must not allow water to back up on properties sitting upgrade or beside.
- 12.4 Shoreline protection can be wood, concrete, stone, riprap, plastic piling or masonry. Demolition and all other materials must have the approval of the building committee.

- 12.5 A complete set of construction plans, including floor plans, exterior elevations, and a list of materials for foundation, siding and roofing shall be required for houses or house additions. Houses will not be approved without one or more of the following features: more than four corners, one or more roof valleys, dormers, or a covered porch of at least 100 square feet. No treehouse or freestanding, elevated structure shall be permitted in the Subdivision. The Building Committee will not approve two houses of similar exterior design in one area.
- 12.6 Building permits will expire twelve (12) months after date of issue if construction has not started.
