

RESOLUTION NO. 12-16-2021
RESOLUTION OF THE LAKE SANTEE REGIONAL WASTE & WATER DISTRICT
ADOPTING ELECTRONIC BIDDING PLATFORM FOR THE
WASTEWATER PHOSPHOROUS REMOVAL PROJECT

Whereas, The Indiana Department of Environmental Management (IDEM) requires the Lake Santee Regional Waste & Water District to limit the amount of phosphorous in the wastewater treatment plant discharge.

Whereas, Drawings and Specifications have been prepared to make wastewater treatment plant improvements to meet regulatory requirements for phosphorous limits.

Whereas, Construction on the wastewater water treatment plant improvements must begin by May 1, 2022 to comply with (IDEM) requirements.

Whereas, The Lake Santee Regional Waste & Water Board (Board) must publicly advertise an invitation to bid for the construction of the wastewater treatment plant improvements, and the Board wishes to receive and open those bids electronically.

Whereas, Indiana Code 36-1-12-4 allows the board to select a vendor to provide an electronic platform to accommodate the electronic bidding process.

NOW, THEREFORE, BE IT RESOLVED by the Board of the Lake Santee Regional Waste & Water District that the following is hereby adopted:

Bidding documents shall be distributed, bids received, and bids open electronically through QuestCDN for the Wastewater Phosphorous Removal Project.

ADOPTED BY THE BOARD OF THE LAKE SANTEE REGIONAL WASTE & WATER DISTRICT, on this 16th day of December, 2021, by a vote of 7 ayes and 0 nays.
